Time sheets are due in the **Payroll Department** by 12:00 noon on the designated date

Additional hours and overtime reporting: Submit to payroll on the last day of each month. The timesheet should reflect all overtime worked for the entire month.

Please note: On pink copy of time sheet due prior to mid-month, record all known absences for the entire month – especially those that would result in an employee's unpaid status (leaves, terminations, etc.).

If reportable absences occur after the white time sheet has been submitted, submit a corrected copy of the time report at your earliest opportunity.

Thank you.
