

**Santa Monica College  
Academic Senate  
ASR04-10  
March 30, 2010**

**FACCC Endorsement**

Whereas, it is in our Santa Monica College Faculty and students' best interests, to not only be represented in the Faculty Association of California Community Colleges, but to take active statewide leadership in it, (especially during this period of financial instability in the state),

Be it resolved that the Santa Monica College Academic Senate endorses and supports the candidacies of Mitra Moassessi as a representative-at-large and of Dennis Frisch as President Elect for the Faculty Association of California Community Colleges.
