ILO #1 Personal Attitudes & Behaviors Through their experiences at SMC, students will acquire the self-confidence and self-discipline to pursue their intellectual curiosities with integrity in both their personal and professional lives.
What actual attitudes and behaviors (competencies) do we want our students to exhibit? How will we know these attitudes and behaviors when we see them?
What strategies will we use to develop these competencies?
What tools will we use to assess students' mastery of these competencies, with the goal

of obtaining information we can use to improve student success in this area?

Assessment Results: Summarize the department's overall results (to be completed at the end of the assessment period)

Planned changes to improve student learning/success: Based on assessment results, what changes will we make, individually and as a group? List the top 3-6 priorities.

Timeline for Implementation & re-assessment of planned changes
