Program-level Learning Outcomes

Date:

Discipline, Department, Certificate, or Degree:

Student Learning Outcomes: What can students do, think, or know as a result of their studies within the program? Please identify at least two.

1.

As assessed by:

2.

As assessed by:

What plan will be used to assess these outcomes? Identify the following components: frequency (how often per year), rotation of courses and/or faculty, percentage of sections to be assessed, and measurement tool(s) and standards.
