B. 3rd Quarter Financial Report

Chris Bonvenuto shared information with the committee regarding the 2010-2011 3rd quarter financial report. The College projects it will serve 22,067 Credit FTES, 527 Non-Credit FTES, 154 CDCP Non-Credit FTES and 4,522 Non-Resident FTES. Of these FTES, 594 Credit FTES and 23 CDCP Non-Credit FTES are expected to be unfunded. Projected Revenue is expected to reach $135.4 million, an increase of $1.8 million. Among other factors, the majority of the increased revenue is attributed to an increase in Non-resident tuition, certain mandated costs recently paid by the state and the elimination of the negative COLA assumed by the Adopted Budget. Projected Expense is expected to reach $139.3 million, a reduction of $400,000. Among other factors, the majority of the reduced expenditures is attributed to a reduction in the cost of the vacancy list, a decrease in certain budgeted PERS benefit rates as well as savings from certain academic hiring and retirements.

Information regarding the 5000 Contracts and Services budget was also shared with the Committee. In 2010-2011, $11.0 million has been budgeted for these costs. As of March 30, 2011, $6.807 million has been paid toward these expenses. The current 2010-2011 Vacancy List was also shared with the Committee. As of the 3rd quarter, the Vacancy List includes 1 Academic Administrator, 16 General Fund Classified positions and 2 Restricted Fund Classified positions. A 7-year history of actual Legal and Advertising budgets was also shared with the Committee.

Projected Fund balance figures show a structural deficit of $4.4 Million, a reduction of $1.58 Million from the Adopted Budget. The Ending Fund balance is projected to be $14,165,779, a increase of $2.1 Million from the Adopted Budget.

Following all the discussion, the following motion was offered:
MOTION: "The Budget Committee accepts and affirms the 3rd Quarter Financial Report."
Made: Ofer  Seconded: Lauer
ADOPTED BY GENERAL CONSENT
