IV. Agenda:

A. 2016-2017 Tentative Budget

Chief Director Bonvenuto shared information with the Committee regarding the District’s 2016-2017 Tentative Budget. The College plans to serve 20,980 Credit FTES, 4737 Non-Resident FTES, 596 Non-Credit FTES and 165 CDCP Non-Credit FTES. These amounts assume no growth in FTES for 2016-2017.

The District expects total revenue of $161.9 million and total expenditures of $169.7 million. Revenue increased due to mandated costs, base apportionment increases and the prior year recalculation of revenue but were reduced by one-time payments that did not reoccur this year including the BA startup funds and mandated cost claims. Expenses increased due to increases in hiring and separations, benefits, the OPEB plan and planned step and column increases but were reduced by savings in supplies and decreases in non-merit classified reductions.

The Tentative Budget shows a structural deficit of $7.6 million in 2016-2017 with an Ending Fund Balance of $10.995 million which equals 6.45% of total expenditures.
Following all the discussion, the following motion was made:
