It is recommended that the Board of Trustees authorize the Superintendent/President to form a Personnel Commissioner screening committee. The committee will be formed to recommend to the Board of Trustees qualified candidates for appointment of a Personnel Commissioner for the term that began December 1, 1998. The committee will be composed of:

a. A representative of the Board of Trustees
b. A Personnel Commission representative
c. A CSEA classified employee representative
d. A Classified Senate representative

The Superintendent/President will select the members of the screening committee. CSEA and the Classified Senate will submit a list of recommended names to the Superintendent/President from which she will

RECOMMENDATION NO. 26 1999-2000 NONRESIDENT TUITION RATE

It is recommended that for 1999-2000 the Board of Trustees adopt the rate of $125 per unit per semester for nonresident tuition based upon a rate not to exceed the rates for contiguous districts.

It is further recommended that the Board of Trustees adopt a $17 per semester unit capital outlay recovery surcharge for nonresident tuition to be charged to nonresident students who are both citizens and residents of a foreign country.
Comment: This action continues the basic nonresident tuition rate at the same amount as for the last three years. In 1998-99, the rate for nonresident students is $125 per unit. The $125 rate is based upon the Education Code authorization to adopt a rate not higher than the rate charged by a contiguous district (Los Angeles Community College District). The $17 capital surcharge is based upon the average capital cost for the Santa Monica Community College District in 1997-98 and reflects a two dollar per unit increase for capital expenditures. The reduction in the enrollment fee offset this increase.

NOW, THEREFORE, BE IT RESOLVED, as follows:

1. This Board hereby determines that general obligation bonds of the District in the aggregate principal or issue amount of not to exceed $8,000,000 be offered for sale, in the form of capital appreciation and/or current interest bonds (collectively, the "Bonds"), as more particularly described in Section 2 below, the proceeds of which are to be used for the construction of improvements to real property of the District as more particularly set forth in the bond proposition approved at the Election.

2. For the above purposes, this Board hereby requests the Board of Supervisors of the County (the "County Board") to issue the Bonds and to order such Bonds to be sold at a negotiated sale, with the Bonds to be dated as of a convenient date as may be designated in the Contract of Purchase, to accrue or accrete interest at a rate or rates not to exceed 12% per annum, payable upon maturity or conversion, shall mature on August 1 of each of the years as set forth in the Contract of Purchase, through a maturity date no later than August 1, 2024, or otherwise upon such terms and conditions as shall be established for the Bonds by the Contract of Purchase. The form of Contract of Purchase,
following receipt of a copy thereof, shall be approved by the Superintendent/President of the District (the "Superintendent"), the Vice President of Business and Administration of the District (the "Vice President"), or any designee of either of them, and each of them is hereby authorized to execute the Contract of Purchase, with such changes therein, deletions therefrom and modifications thereto as such Superintendent, Vice President, or any designee of either of them, may approve, such approval to be conclusively evidenced by the execution and delivery thereof. Depending upon market conditions, the District may elect to purchase bond insurance to secure the payment of principal of and interest on the Bonds, or any series thereof, following consultation with the Treasurer and Tax Collector of the County.

3. The Underwriter is directed to assist the District and the County in qualifying the Bonds for deposit with DTC.

5. Pursuant to the Master Paying Agent Agreement of the County, U.S. Bank Trust National Association shall serve as Paying Agent for the Bonds, the first annual fees for which shall be paid from proceeds of the Bonds and that subsequent annual fees shall be paid from the general fund of the District.

6. The District hereby covenants that it shall not, directly or indirectly, use or permit the use of any proceeds of any of the Bonds, or of any of the property financed or refinanced with the proceeds of the Bonds, or other funds of the District, or take or omit to take any action that would cause the Bonds to be deemed "arbitrage bonds" within the meaning of Section 148 of the Internal Revenue Code of 1986, as amended (the "Code"). To that end, the District shall comply with all requirements of Section 148 of the Code and all regulations of the United States Department of the Treasury promulgated thereunder to the extent that such requirements are in effect and applicable to the Bonds. The District hereby covenants to spend all Bond proceeds in accordance with applicable law, including but not limited to Chapter 2, Part 10, Division 1, Title 1 of the Education Code (commencing with Section 15100) and with Article XllIA of the California Constitution, and in compliance with the terms of the

Any Owner may take such actions as may be necessary and appropriate, including seeking mandamus or specific performance by court order, to cause the District to comply with its obligations under this Section; however, noncompliance with this Section shall not constitute a default under or cause the acceleration of the Bonds.

9. The Clerk of the Board, the Superintendent, the Vice President and all other officers of the Board and District officials and staff are hereby authorized and directed, jointly and severally, to do any and all things and to execute and deliver any and all documents which they may deem necessary or advisable in order to proceed with the issuance of the Bonds and otherwise carry out, give effect to and comply with the terms and intent of this Resolution. This Board hereby authorizes the payment to the County for County staff expenses in connection with the County's support of, and participation in, the issuance of the Bonds.

10. BOARD POLICY

RECOMMENDATION NO. 30 FIRST READING BOARD POLICY SECTION 2300,

ACADEMIC SENATE

It is recommended that the Board of Trustees conduct a first reading of Board Policy Section 2300, Academic Senate.

It was last revised in 1992 to incorporate provisions required by AB 1725. The Academic Senate recently approved this policy update that includes the Title 5 definition of "rely primarily upon the advice and judgment of the Academic Senate" for the two areas the Board has approved this method of consultation, removes references to specific committees for the "mutual agreement" consultation areas in recognition of the overlapping functions of the Academic Senate Joint Committees, and adds "academic personnel matters" to the "mutual agreement section to acknowledge the function of the Academic Senate Joint Personnel Policies Committee.
