RECOMMENDATION NO. 2

SUBJECT: PRE-DEVELOPMENT AGREEMENT WITH THE YWCA SANTA MONICA/WESTSIDE

SUBMITTED BY: Superintendent/President

REQUESTED ACTION: It is recommended that the Board of Trustees approve a pre-development agreement with the YWCA Santa Monica/Westside concerning a joint use project on the property at 1410 Pico Boulevard.

COMMENT: At the August 2006 meeting the Board directed staff to begin discussions on a possible joint use project with the YWCA. Those discussions have resulted in a proposal for a potential multiple use project on the property that would be mutually beneficial to both organizations and the community. Project components may include housing for SMC students and YWCA program participants; programmatic needs of SMC and YWCA, including classroom space for financial/computer literacy programs, life skills classes, and services for emancipated foster youth; parking and its allocation between the District and YWCA. Due to the YWCA’s long-term planning and fund raising needs they have asked the District for a pre-development agreement so both organizations can begin formal planning and the YWCA can begin a fundraising program. Both parties will work with the City of Santa Monica on the development of a plan for the property. It is expected that the joint use facility will be operated by the YWCA.

3-A AWARD OF CONTRACT – SANTA MONICA BIG BLUE BUS

REQUESTED ACTION: It is recommended that the Board of Trustees approved a contract with the Santa Monica Big Blue Bus for transit services of three bus lines: Line 6—SMC Commuter, Line 11—Crosstown Ride and the Sunset Ride.

Amount of Contract: The amount of the contract shall not exceed $414,427.

Term of Contract: August 27, 2007 to June 30, 2008

Funding Source: 2007-08 General Funds/Transportation Budget

SUMMARY: Starting Spring Semester of 2007, Santa Monica College and Big Blue Bus began a partnership which launched an enhanced Line 11 Crosstown Ride and Line 13 for students who live in Santa Monica, Mar Vista, Palms, and West Los Angeles. Santa Monica College is the number one trip generator in Santa Monica. While SMC is also the heaviest boarding point in the City of Santa Monica for the Big Blue Bus, most of the College's 31,000 students and 1,700 staff commute by automobile, causing a multiplicity of environmental issues. Insufficient parking capacity at the main campus, which led to the need for perimeter parking at the City’s Beach Lot, was also a significant community concern. As a result, SMC and the City of Santa Monica came to the conclusion that a new and comprehensive transportation solution was needed and welcomed collaboration with the Big Blue Bus. In the Fall Semester of 2007, three new and enhanced bus routes will be launched to provide a viable and dependable option for students to come to SMC.

3-B REDESIGNATION OF FEDERAL HIGHWAY ADMINISTRATION EARMARK

Granting Agency: U.S. Department of Transportation
Amount of Award: $1,000,000
Performance Period: 2004-2014
Summary: In Fiscal Year 2004, Santa Monica College was awarded an earmark of $1,000,000 by the U.S. Department of Transportation to construct a parking structure at the Madison Campus to alleviate parking congestion. The funds have not been used, however, because of the nature of the project changed. In the interest of furthering the goal of reducing parking and traffic congestion, Congressman Henry Waxman requested that the funds be redesignated for a “Transit Shuttle between Santa Monica College Campuses.” The project will support a partnership between SMC and the Santa Monica Big Blue Bus to make the college’s campuses more accessible by public transportation.
