MAJOR ITEMS OF BUSINESS

RECOMMENDATION NO. 1

SUBJECT: NOMINATION TO CCCT BOARD OF DIRECTORS

SUBMITTED BY: Chair, Board of Trustees

REQUESTED ACTION: The Board of Trustees nominate a trustee for election to the California Community College Trustees (CCCT) Board of Directors.

BACKGROUND: Nominations for membership on the CCCT Board of Directors will be accepted in the CCLC office from January 1 through February 15, 2008. Each district may nominate members of its board, but only one trustee per district may serve on the board.

The election of members of the CCCT Board will take place between March 10 and April 25, 2008. Ten persons will be elected to the board this year; the ten candidates to receive the most votes will serve two-year terms. The election results will be announced at the CCCT annual conference in May, 2008, and newly elected members of the board will assume their responsibilities at the conclusion of the annual conference, May 4, 2008.

RECOMMENDATION NO. 2

SUBJECT: 2008-2009 NONRESIDENT TUITION RATE

SUBMITTED BY: Superintendent/President

RECOMMENDATION: The Board of Trustees adopt the rate of $164 per unit per semester for nonresident tuition for 2008-2009. This is the minimum amount the District is permitted to charge in accordance with California Community Colleges Chancellor’s Office calculation guidelines. It represents a $6 per semester unit increase for the nonresident tuition rate from the 2007-2008 approved rate, but is significantly below the 2008-2009 statewide average rate of $181 per unit.

It is further recommended that the Board of Trustees adopt a $31 per semester unit capital outlay recovery surcharge for 2008-2009 to be charged to nonresident students who are both citizens and residents of a foreign country. This represents a $4 per semester unit increase for the capital outlay surcharge from the 2007-2008 approved surcharge, but is significantly below the $65 per semester unit rate that the District is approved to charge under Chancellor’s Office calculation guidelines.

BACKGROUND: Education Section 76140 authorizes a district to charge a nonresident tuition fee in the event it chooses to admit nonresident students. It also authorizes districts to charge a capital outlay recovery surcharge to nonresident students who are both citizens and residents of a foreign country so that districts may recover a prorata share of their capital outlay expenditures.

Comment: Change Order No. 11 provides for changes to the finish hardware schedule, changing lock sets to the campus standard lock sets, added window operators at manually operated windows and minor changes to ductwork sizes due to ceiling heights.

13-B CONSTRUCTION ESCROW AGREEMENT – CAMPUS QUAD

Pursuant to Section 22300 of the Public Contract Code, retention due the Contractor, Trimax Construction Corp. to be paid into an escrow account held by Union Bank of California.

Comment: Trimax Construction Corp. has requested to exercise its right under the Public Contract Code to have the retention portion of their payments placed in an escrow account until principal and interest earned is released by the District.

RECOMMENDATION NO. 13   FACILITIES (continued)

13-C AGREEMENT FOR ENGINEERING SERVICES – THEATRE ARTS MEZZANINE

Agreement with P2S ENGINEERING for the Theatre Arts Mezzanine not to exceed $10,500 plus reimbursable expenses.

Funding Source: Measure U

Comment: The Theater Arts Mezzanine is a metal storage deck that will create a second level over the shop area for storage of sets and props. The department has limited storage and will be losing the storage area they have below the Amphitheater building when the Student Services project starts. Due to the size of the unit, it requires approval by the Division of State Architect (DSA). A licensed engineer must review and submit the drawings to DSA.

13-D AMENDMENT TO AGREEMENT FOR ARCHITECTURAL SERVICES – LIBERAL ARTS REPLACEMENT NORTH BUILDING

Amend the agreement with GENSLER for the Earthquake Replacement Liberal Arts North Building for an additional $84,500 plus reimbursable expenses.

Funding Source: State Capital Outlay Funds, City of Santa Monica Earthquake Redevelopment, Measure U

Comment: This amendment covers additional work through October 31, 2006 due to contractor delays on this project.

13-E AMENDMENT TO AGREEMENT FOR ARCHITECTURAL SERVICES – BUNDY NORTHEAST DRIVEWAY

Amend the agreement with tBP ARCHITECTURE for the Bundy Northeast Driveway project for an additional $95,039 plus reimbursable expenses.

Funding Source: Measure S

Comment: As part of the recent approval by the Mar Vista Community Council and the City of Los Angeles for the new traffic signal, the City is asking that the District move all bus traffic to the north side of the property. This requires designing a new bus stop, a bus lane and relocation of existing parking spaces.

13-F  AMENDMENT TO CONSULTING AGREEMENT – STATE CAPITAL OUTLAY PROJECTS

Amend the agreement with CCS Group for the State Capital Outlay projects for an additional $50,000 plus reimbursable expenses.

Funding Source: Measures S, U

Comment: CCS Group provides services to assist the District in obtaining state capital outlay funding for projects. The District currently has approved funds for the Student Services project and is working on funding proposals for several other projects. CCS will assist in developing a Final Project Proposal (FPP) due this July to the state for the Child Development Center.

The IPP (Initial Project Proposal) has been submitted and approved by the state. The next step is the Final Project Proposal (FPP) which is due in July. If the FPP is successful and there is state money available then funding for the project would start in the 2010/11 year.

Comment: The Adopted Budget needs to be amended to reflect the totals of the departmental budgets. The current system of the Los Angeles County Office of Education requires Board approvals each month for budget adjustments. Only the net amount of the transfers in or out of the object codes is shown. In addition to the budget adjustments, transfers result from requests by managers to adjust budgets to meet changing needs during the course of the year.

16-B  AWARD OF BID FOR MADISON THEATER LIGHTING

Award of bid KS080107 for theater lighting for the Madison Theater to the lowest acceptable bidder, Angstrom Lighting Company, in the amount of $230,888.03.

Comment: Bids were solicited through advertisement and mailing. This procurement will be paid from the Facilities Department budget.

16-C  PURCHASING AGREEMENTS AND AUTHORIZATION OF PURCHASE ORDERS

Authorize the award of purchase orders against the following competitive bid contract for an amount not to exceed the contract ceiling amount from the department approved budget.

1. The State of California Multiple Award Schedule (CMAS) Contract 3-03-70-0163S with Nexus IS, Inc. Company for Cisco Network Lan Edge. This contract allows public education entities in the State of California to place orders under this contract without further competitive bidding per PCC 10298 and 10299 (b).

Funding Source: 2007-2008 Capital Projects Fund

Comment: The Public Contract Code Section 20652 allows for the public education entities in the State of California to place orders under these competitively bid contracts without advertising. There are significant cost savings to the district by joining in purchasing agreements with other agencies.
BOARD POLICY

RECOMMENDATION NO. 17

SUBJECT: BOARD POLICY: FIRST READING OF BOARD POLICY 6350 – NAMING OF COLLEGE FACILITIES – RECOGNITION

SUBMITTED BY: Superintendent/President

SUMMARY: It is recommended that the Board of Trustees conduct a first reading of a revision to Board Policy 6350 – Naming of College Facilities – Recognition.

BP 6350 Naming of College Facilities – Recognition

A District facility may be named in honor of an individual if he/she has made a significant contribution to the District through gifts and/or service.

The Board of Trustees may recognize gifts of significant monetary value or service from individuals, corporations, and foundations to the Santa Monica College Foundation, District’s Auxiliary/Foundation Organizations or to the Santa Monica Community College District by naming college facilities in honor of the donor.

Reference: Education Code Sections 72670, 72674

COMMENT: This revision updates Board Policy 6350 to include the activities of all the District’s Auxiliary/Foundation Organizations. At the present time, these organizations are the Santa Monica College Foundation, The KCRW Foundation, Inc.; and the Madison Project.

X. INFORMATION ITEM H

SUBJECT: BOARD DISCUSSION: AD HOC SUBCOMMITTEE RECOMMENDATIONS

SUBMITTED BY: Ad Hoc Subcommittee
Trustees Louise Jaffe, Margaret Quiñones-Perez, and Andrew Walzer

SUMMARY: An ad hoc subcommittee of the Board of Trustees was formed to review and make recommendations on Board of Trustees procedures and functions. Presented for Board discussion are the remaining subcommittee recommendations:

How can we improve agenda planning and public meetings?

• We recommend: Establish a protocol for trustees who have items they wish to have agendized. Per current Board Policy, the Board Chair sets the agenda in collaboration with the President. If the Chair and President do not wish to agendize the item, the individual trustee may bring up their issue during Board Comments to determine if a Board majority is willing to agendize the item. If a majority of the Board wishes to agendize the item, the item will then be agendized as soon as possible with the caveat that adequate prep time will be allowed for staff to prepare a report. The committee believes that agendized items should always include a staff report.

How can the Board best monitor and evaluate the effectiveness and quality of the college’s educational programs?

• The Board will receive updates on major academic initiatives such as basic skills, SLOs, etc.

• The Superintendent/President will annually provide the Board with summative data for enrollment, retention, transfer, graduation, and completion rates. The Board would like these reports to also include historical data.

What is the role of the Chair of the Board?

• Review Board policies relevant to the functioning of the Board and amend or comply. For example, BP1260 states that the Board Chair is seated in the middle, the Vice-Chair is seated to the left of the Chair, and the Superintendent is seated to the right of the Chair. The committee recommends that the Board adjusts seating to be in compliance with Board Policy 1260 beginning with the appointment of the next Board Chair.
What is the appropriate role for an individual trustee?

• The Committee recommends that individual trustees not participate in or involve themselves in college governance committees and meetings.

• If individual trustees wish to meet privately with stakeholder representatives or groups, as a courtesy and to improve communications, please disclose these meetings to the full Board and President. (On a monthly basis, trustees can send the Board Secretary a listing of meetings they have had to be included in the Thursday packet.)

• Trustees must never disclose confidential information.

• Individual trustees who wish to assume a more active advocacy role will work closely with the President and Chair to do so.

• Trustees are encouraged to attend conferences and trainings.

How should trustees deal with community members and the media?

• Requests from the media may be referred to our public information officer Bruce Smith, or, trustees may contact Bruce for information and guidance prior to speaking with the media.

• Let the President and Chair know if and when you have been contacted by members of the press or if a constituent has brought an issue to your attention.

• The Board Secretary will remind trustees to submit monthly listings of their activities on campus and in the community relevant to their role as a trustee and ambassador for SMC. These listings will be shared with all trustees and the President in the Thursday packet so that everyone knows who is involved with and has relationships with different organizations.

How can we improve the usefulness of the board policy manual?

• If the Board so desires, schedule a special study session on the Board Policy manual.

• Update Board policies monthly or as needed.

• Consider adding a Board Policy for succession rotation for the positions of Chair and Vice-Chair.

COMMENT: A subset of the recommendations developed by the subcommittee was reviewed and discussed by the Board at its meeting on November 6, 2007. This list is the of the remainder of the recommendations.
XI. BOARD COMMENTS AND REQUESTS

XII. ADJOURNMENT

The meeting will be adjourned in memory of Bob Gabriel, a member of the SMC Associates and long-time supporter of Santa Monica College; Hazel A. Peters, mother of Hazel Peters, Nursing Skills Lab Project Manager and Dave Trager, husband of Phyllis Trager, Earth Science Department Secretary.

The next regular meeting of the Santa Monica Community College District Board of Trustees will be held on Monday, February 11, 2008 at 7 p.m. (5:30 p.m. if there is a closed session) in the Santa Monica College Board Room and Conference Center, Business Building Room 117, 1900 Pico Boulevard, Santa Monica, California.
