Management Association Update: Kiersten Elliott, President of the Management Association, reported that the schedule of meetings for 2008-09 has been developed; the first meeting will be held on August 28th. The Management Association is working with Human Resources to provide training opportunities, will be planning several social activities and is considering additional recognition awards.

Fall 2008 Opening Activities: Opening day is Thursday, August 21st at the Broad Stage at the SMC Performing Arts Center (Refreshments outside at 8 a.m.) VIP Welcome Day is Friday, August 22nd, on the main campus, beginning with the opening ceremony at 9 a.m.

Facilities Projects: The Performing Arts Center, the Quad project, and painting of Drescher Hall will be completed by the opening of the fall semester.

State Budget Update: There is little news since the last Chancellor’s Office update of July 29th. Conference Committee positions on open (not agreed upon by the Assembly and Senate) community college issues are:

- COLA at 2.43%. The Chair stated that COLA would be treated as “balancer” in upcoming negotiations.
- “Green” Career Technical Education Funding to be cut in half (to $12.5 million) and shifted to Department of Education budget
- New “Cash Management” Proposal that $250 million in general apportionments be delayed from January/February/March and be paid instead in April/May/June

Conference Committee positions on community college issues agreed upon by Assembly and the Senate are:

- Restoration of Property Tax Shortfall ($75 million to partially address 2007-2008; downward adjustments to 2008-2009 estimates)
- Maintaining Enrollment Fees at $20 per unit
- 2% growth (vs. 1.67% in May Revision)
- Fund all categorical programs at 2007-08 funding levels/reject “flexibility” proposal for categorical programs
- Restore Competitive Cal Grant program
- Reduce cut to System Office budget from $1 million to $200,000

Bond Update: The revised ballot language approved by the Board on July 29th has been received and approved by the County Registrar. The “Argument For” will be filed by Monday, August 18th. The Committee for Safety and Modernization (formed in support of the bond measure) has been active. More than 3,000 voters have been contacted in a door-to-door effort, and reports are that better than 70% of registered voters contacted indicate that they will “likely or probably” vote yes. The Bond Measure has been unanimously endorsed by the Santa Monica-Malibu Unified School District Board of Education, two educational support groups - LEAD (Leadership/Effectiveness/Accountability/Direction for SMMUSD) and CEPS (Community for Excellent Public Schools), Santa Monicans for Renters’ Rights, SMC Foundation Board of Directors, KCRW Foundation Board of Directors, Madison Project Foundation Board, all elected Santa Monica City Council members, and all major candidates for the Santa Monica City Council. The campaign committee will be providing weekly updates, beginning the first week of September.

RECOMMENDATION NO. 4

SUBJECT: RESOLUTION FOR ENERGY SERVICE CONTRACT

SUBMITTED BY: Superintendent/President

RESOLUTION: WHEREAS, California Government Code Section 4217.10 to 4217.18, authorizes the Board of Trustees to enter into an Energy Service Contract for the implementation of energy related improvements if the Board of Trustees finds that it is in the best interest of the College to enter into such Energy Service Contract and that the anticipated cost to the College for thermal or electrical energy or conservation services provided by the energy conservation facility under the contract will be less than the anticipated marginal cost to the College of thermal, electrical, or other energy that would have been consumed by the College in absence of those purchases; and

Now, therefore, the Board of Trustees adopts the following resolution:

“The Board of Trustees finds that (1) it is in the best interest of Santa Monica College to enter into an Energy Service Contract with Chevron Energy Solutions for the implementation of certain energy related improvements to College facilities, and (2) the anticipated cost to College for thermal or electrical energy or conservation services provided by the energy conservation facility under the contract will be less than the anticipated marginal cost to the College of thermal, electrical, or other energy that would have been consumed by the College in absence of those purchases. Therefore, the Board of Trustees hereby authorizes the Chairman to execute the Energy Service Contract by and between Santa Monica College and Chevron Energy Solutions Company, a division of Chevron U.S.A. Inc. for the implementation of certain energy related improvements to College facilities in accordance with these findings and California Government Code Section 4217.10 to 4217.18.”

RECOMMENDATION NO. 5

SUBJECT: RESOLUTION FOR FINANCING ENERGY SERVICES CONTRACT

SUBMITTED BY: Superintendent/President

RESOLUTION: WHEREAS, the Board of Trustees of the Santa Monica Community College District (the “District”) is authorized pursuant to Sections 4217.10 through 4217.18 of the California Government Code (the “Act”) to enter into energy conservation contract pursuant to which the District may acquire and finance equipment and services to reduce energy use or to make for a more efficient use of energy; and

WHEREAS, pursuant to the Act, the District proposes to enter into an agreement with Chevron Energy Solutions Company (the "Energy Services Contract") for the acquisition and installation of energy conservation and alternative energy measures (the "Project") in the financed amount of $6,852,670.16; and

WHEREAS, Municipal Finance Corporation (the "Corporation") has offered to enter into a Lease with Option to Purchase (the "Lease") with the District in order to provide lease financing for the Project at a 4.50% annual percentage rate;

NOW, THEREFORE, BE IT RESOLVED by the Board of Trustees of the Santa Monica Community College District as follows:

Section 1. The Board of Trustees hereby finds, determines and declares as follows:

(a) The anticipated cost to the District for “Alternative energy equipment” as defined in Section 4217.11(a) and “Conservation services” as defined in Section 4217.11(d) of the Act and as provided for by the Energy Services Contract, the Lease and the Project will be less than the anticipated marginal cost to the District of energy that would have been consumed by the District in the absence of the Project.

(b) To the extent that the Energy Services Contract and/or the Lease grant easements, rights-of-way, licenses, rights of access, or other rights in the real property of the District upon which the Project will be constructed and installed, the difference, if any, between the fair rental value of such rights and the portion of the rent under the Lease attributable to such rights, is anticipated to be offset by benefits provided to the District under the Energy Services Contract and the Lease.

(c) Funds for the payment of amounts due under the Lease are projected to be available from funding which otherwise would have been used for the purchase of energy required by the District in the absence of the Project.
SECTION 2. Lease with Option to Purchase. The Chairman of the Board or a designee in writing (the "Authorized Officer") is hereby authorized to enter into a Lease with Option to Purchase (the "Lease") with the Corporation to finance the Project, subject to approval as to form by the District's legal counsel.

SECTION 3. Attestations. The Secretary or other appropriate District officer is hereby authorized and directed to attest the signature of the Authorized Officer or of such other person or persons as may have been designated by the Authorized Officer, and to affix and attest the seal of the District, as may be required or appropriate in connection with the execution and delivery of the Lease.

SECTION 4. Other Actions. The Authorized Officer and other officers of the District are each hereby authorized and directed, jointly and severally, to take any and all actions and to execute and deliver any and all agreements, documents and certificates which they may deem necessary or advisable in order to carry out, give effect to and comply with the terms of this Resolution and the Lease. Such actions are hereby ratified, confirmed and approved.

SECTION 5. Qualified Tax-Exempt Obligations. The Lease is hereby designated as "qualified tax-exempt obligations" within the meaning of Section 265(b)(3) of the Internal Revenue Code of 1986, as amended (the "Code"). The District, together with all subordinate entities of the District, do not reasonably expect to issue during the calendar year in which the Lease is issued more than $10,000,000 of obligations which it could designate as "qualified tax-exempt obligations" under Section 265(b) of the Code.

SECTION 6. Effect. This Resolution shall take effect immediately upon its passage.

THAT PORTION OF EIGHTEENTH COURT, 10.00 FEET WIDE, AS VACATED BY RESOLUTION NO. 4671, RECORDED ON SEPTEMBER 2, 1975 AS INSTRUMENT NO. 3470, OF OFFICIAL RECORDS, IN THE OFFICE OF THE COUNTY RECORDER OF SAID COUNTY, LYING SOUTHWESTERLY OF AND CONTIGUOUS TO THE SOUTHWESTERLY LINE OF LOT 1 OF TRACT NO. 6330, AS PER MAP FILED IN BOOK 69, PAGES 33 THROUGH 37 OF MAPS, IN THE OFFICE OF THE SAID COUNTY RECORDER.

TOGETHER WITH A 5.00 FOOT WIDE STRIP OF LAND LYING WITHIN LOT 1 OF TRACT NO. 12543, AS PER MAP FILED IN BOOK 253, PAGES 49 AND 50 OF MAPS, IN THE OFFICE OF SAID COUNTY RECORDER, THE NORTHEASTERLY LINE OF SAID STRIP BEING DESCRIBED AS FOLLOWS:

COMMENCING AT THE SOUTH CORNER OF LOT 1 OF SAID TRACT NO. 6330; THENCE ALONG THE SOUTHWESTERLY PROLONGATION OF THE SOUTHEASTERLY LINE OF SAID LOT 1, SOUTH 56°47'00" WEST 10.00 FEET TO THE NORTHEASTERLY LINE OF SAID LOT 1 OF TRACT NO. 12543, SOUTH 35°39'11" EAST 926.32 FEET TO A POINT OF ENDING.

COMMENT: The City of Santa Monica has established an Underground Utility District requiring Southern California Edison to underground its existing overhead facilities on Eighteenth Court. The college owns 10 feet of the eastern edge of the alley behind the apartments on 20th Street (next to lot 1) and an easement is necessary for Edison to perform the work. The resolution was taken directly from the easement language prepared by the Edison Company and the City of Santa Monica and forwarded to the college by the City Engineering Department. The City of Santa Monica and Edison are responsible for informing the neighbors, since this is not a college project. There are no costs to the District for this work.

Matching Funds: Not Applicable

Performance Period: July 1, 2008 – June 30, 2010

Summary: Santa Monica College will partner with California State University Dominguez Hills to develop a comprehensive, fully accessible ADN to MSN program with a concentration in Nurse Education. In doing so, the two institutions will address two needs: 1) a shortage of qualified nurses; and 2) a shortage of nursing faculty available to train new nurses. The proposed ADN to MSN Program will increase the number of Master’s level nurses who are trained to educate future generations of nurses at all levels. With an increase in nursing faculty, the nursing schools in the region, including SMC, will be able to expand their programs and increase student enrollment, thus strengthening the workforce and addressing industry demand for nurses.
