INFORMATION ITEM G

SUBJECT: ACCOUNTABILITY REPORTING FOR COMMUNITY COLLEGES

SUBMITTED BY: Superintendent/President

SUMMARY: Executive Vice-President Randal Lawson and Caroline Sheldon, Dean of Institutional Research, will present an overview of the Accounting Reporting for Community Colleges (ARCC).

Accountability Reporting in the Community Colleges (ARCC) contains seven measures of student progress and achievement as they relate to the broad mission of the California Community Colleges to support transfer, degree and certificate completion, and basic skills. The measures developed for ARCC reflect a refinement of some of the measures from previous accountability initiatives, such as the Partnership for Excellence (PFE), as well as an expansive consultation process with education scholars and community college practitioners from the field.

The legislation for Accountability Reporting in the Community Colleges (ARCC) requires that a college's local Board of Trustees annually review the college's ARCC report. No action is required by the Board; review of the narrative, and the selection of material contained in Appendix A, fulfills this legislative requirement.

RECOMMENDATION NO. 2

SUBJECT: SUPPORT OF MEASURE R

SUBMITTED BY: Trustees Nancy Greenstein and Louise Jaffe

ACTION: It is recommended that the Board of Trustees support Measure R on the November 4, 2008 ballot.

SUMMARY: In July 2008, the Metro Board of Directors authorized placing a half-cent sales tax before voters to fund transportation projects within Los Angeles County. Measure R is expected to provide the local resources to finance new transportation projects and accelerate those already in process. Over 30 years, it is projected to generate $40 billion for congestion relief projects. Measure R alone does not fully fund all projects. The expenditure plan identifies additional funding sources. It is estimated to cost residents an average of $25 per person each year.

Approved by: Marcia M. Wade, Vice President, Human Resources
Requested Action: Approval

Authorization of contract award to JEM Resources Partners, a 403(b) Third Party Administrator, to provide 403(b) Plan Administration services to the District for one year, with four one-year options, at $2.00 per participant per month in year one of the contract.

Funding Source: 2008-2009 District Budget

Comment: A 403(b) plan is a retirement plan for which a specific group of public schools are eligible and where the District may determine the financial institution(s) that the eligible employees can maintain their 403(b) accounts. Currently, there are approximately 400 employees who participate in 403(b) accounts.

Effective January 1, 2009, mandated changes in IRS Code 403(b) regulations will shift a larger portion of the compliance administration from 403(b) vendors to employers.

11-H AGREEMENT TO ALLOW ENVIRONMENTAL TESTING – OLYMPIC SHUTTLE LOT

Agreement with THE GILLETTE COMPANY for access to the Olympic Shuttle Lot at 1831 Stewart Street to allow for environmental testing required of The Gillette Company for its property located at 26th and Olympic.

Funding Source: Gillette will cover all costs

Comment: The Regional Water Quality Board has required Gillette to do extensive testing throughout the area as part of its cleanup efforts for the PaperMate property at 26th and Olympic. The college has previously approved testing at the Academy Site and the Water Quality Board has recommended additional testing in the area of the Olympic Shuttle Lot. During the testing about 15 parking spaces will be taken up by the equipment, so the testing will take place later in the school year when space is available.

BOARD POLICY

RECOMMENDATION NO. 18

SUBJECT: SECOND READING AND APPROVAL
BOARD POLICY SECTION 1511,
MEETINGS OF THE BOARD OF TRUSTEES

SUBMITTED BY: Superintendent/President

REQUESTED ACTION: It is recommended that the Board of Trustees conduct a second reading and approve Board Policy Section 1511 - Meetings of the Board of Trustees, Regular Meetings.

BP 1511 Regular Meetings

Regular meetings of the Board of Trustees shall be held in accordance with the adopted annual schedule of meetings unless changed by the Board in a subsequent regular meeting.

All regular meetings of the Board shall be held within the boundaries of the District except in cases where the Board is meeting with another local agency or is meeting with its attorney to discuss pending litigation if the attorney's office is outside the District.

All regular meetings of the Board shall be open to the public, be accessible to persons with disabilities, and otherwise comply with Brown Act provisions, except as required or permitted by law.

Reference: Education Code Section 72000
Government Code Sections 54950-54963, 54961

Reviewed and Adopted: 5/1/2000
Revised 12/2005

COMMENT: The proposed revision to Board Policy Section 1511 would allow flexibility for the Board to adjust its meeting schedule without having to revise the policy. The Board meets requirements of the Education Code to fix the time and place for regular meetings by adopting its annual schedule of meetings, so it is not necessary to include the specific day in the policy.
