IV.  **SUPERINTENDENT’S REPORT**

- **Acknowledgements**  
  - SMC women’s tennis team for its 2010 Western States Conference championship and strong showing in state finals  
  - Student winners of the recent Global Citizenship Research Symposium and Tournament  

- **Update**  
  - Management Association Update: Outgoing Management Association President Erica LeBlanc reported that Associate Dean of Financial Aid/Scholarships Steve Myrow and his team won the “Applause Award” for May. Public Information Officer Bruce Smith in May won the “Community Builder Award,” the second given in the academic year. Erica, who will be succeeded by Dean of Campus Security, Student Health and Safety Al Vasquez July 1, was acknowledged by the Board for her service with a certificate of appreciation. Judy Neveau is the Management Association President-Elect for 2010-2011; Lisa Rose and Regina Jennings continue as secretary and treasurer, respectively.

- **State Budget:** The tentative budget is based on Governor Arnold Schwarzenegger’s revised May budget and the latest projections from Sacramento. The revised May budget projects a $19 billion state deficit and calls for deep cuts in social services. However, his proposed community college budget did not change from his original proposal unveiled in January and he has changed his position on cutting CalGrants. It is expected that changes will occur before a final SMC budget is adopted in September. Some changes will likely be the result of revised state revenue projections and others will be internal adjustments resulting from new or updated revenue information and expenditure reduction efforts.

- **Graduation Related Activities:**  
  - June 12th  
    Annual Scholarship Ceremony, 3 p.m., Cafeteria  
    Black Collegians, 7 p.m, LAX Hilton  
  - June 15th  
    Pre-Graduation Reception at 4:30 p.m, B111  
    Graduation, 6 p.m., Corsair Field
IV. SUPERINTENDENT’S REPORT (continued)

• Celebrate America: SMC’s popular Independence Day festival, “Celebrate America,” will be revamped this year and will include such new highlights as a global food fair and picnic on the Quad, giveaways, and a KCRW disc jockey. The fireworks display will once again be launched by Pyro Spectaculars at Corsair Field. Picnicking will not be permitted on Corsair Field because of the new artificial turf.

• Associated Students Report: Outgoing Associated Students President Cameron Henton reported on the accomplishments of the Associated Students in 2009-2010, which included upgrading the Cayton Center computer lab, replacing chairs, providing $200,000 in funding to various activities, increasing the presence of students on committees, increasing grants and scholarships, raising awareness about alternatives to textbooks, the student leadership academy, increasing sustainability efforts, and pursuing a campus-wide rideshare program.

MAJOR ITEMS OF BUSINESS

INFORMATION ITEM H

SUBJECT: UPDATE: GASB 45 ACTUARIAL STUDY ASSUMPTIONS

SUBMITTED BY: Superintendent/President

SUMMARY: The report was presented by Geoffrey L. Kischuk, FSA, FCA, MAAA, President of Total Compensation Systems. The Governmental Accounting Standards Board requires a comprehensive actuarial evaluation of retiree benefits be performed every two years; the last full evaluation was performed for the District May 1, 2008. Total Compensation Systems, Inc. (TCS) has been contracted by the District to perform a current actuarial study to meet the GASB requirement. Mr. Kischuk will be presenting information relating to the current GASB 45 actuarial study with an emphasis on the assumptions used in the actuarial study and how they are arrived at.

Total Compensation Systems, Inc. (TCS) has specialized in health actuarial services for California school employers for more than twenty years. During that time, they have performed retiree health valuations for more than 350 districts and municipalities, including Santa Monica College since 2006.
MAJOR ITEMS OF BUSINESS

INFORMATION ITEM I

SUBJECT: UPDATE: CAMPUS SUSTAINABILITY

SUBMITTED BY: Superintendent/President

SUMMARY:

Programs

Clean and Green Campaign
This year the Clean and Green Campaign supported the Global Citizenship campus-wide water theme by distributing over 5,000 refillable stainless steel water bottles to students, faculty and staff during various campus events such as VIP Welcome Day, lectures, and Earth Week festivities. Additionally, the committee worked with the DPAC College Services Subcommittee and Associated Students on increasing campus water refilling stations in support of the recently passed AS policy banning water bottles at AS sponsored events.

American College and University President’s Climate Commitment (ACUPCC)
Thus far, SMC has met all of the ACUPCC requirements on schedule and is in good standing. The ACUPCC task force recently launched the SMC Greenhouse Gas Inventory which provides a comprehensive summary of SMC’s carbon footprint. The College’s carbon footprint per full-time equivalent student is less than half of our ACUPCC peers, demonstrating SMC’s strong commitment to sustainability. The largest component of our carbon footprint is student and employee commuting to campus. According to a recent traffic study in connection with the 2010 Facilities Master Plan, SMC has a daily trip rate that is 15 percent below the daily trip rate of comparable colleges and 21 percent below the morning peak hour rate. The next largest emission source is purchased energy. SMC’s carbon emissions from purchased energy are about half of the national average. With regard to emissions on a square foot basis, SMC operates its facilities year round both day and evening serving about 26,000 FTES, yet SMC emissions are only a small fraction more than peer colleges that operate with far fewer students (the peer average FTES is 11,000). Other carbon emissions include college-funded travel including conferences and meetings, international student recruitment, study abroad, athletics, and mileage reimbursements. Next year the committee will begin the process of creating SMC’s Climate Action Plan that will include targets, timelines and policy recommendations for additional reductions. Instead of comparing SMC to our ACUPCC peers, with such disparate characteristics such as student population and square footage, the Climate Action Plan will allow us to measure our progress against this baseline and will be a useful tool in quantifying SMC’s commitment to sustainability.

SMC Culture Garden
Club Grow, an ICC club heading up the garden planning, recently completed a two-year plan for design and maintenance of the proposed SMC Culture and Learning Garden. They have recently gained additional support from DPAC and CSEA and are currently working with all constituencies to determine a realistic and seasonally appropriate date for breaking ground.
Policies

Zero Waste Events Board Policy
This year the Board of Trustees passed the Zero Waste Events Policy. Currently the Zero Waste Team meets every other Friday and is focusing on implementation and education to support the policy. This year the committee submitted a proposal to the Associated Students for a one-year trial service with Crown disposal to provide a bin and pick up specifically for compostables. This waste stream goes directly to a composting landfill and is used on Crown Disposal owned farms. Crown donates produce to SMC sustainability events illustrating a “full circle” approach to waste management.

Institutionalizing Sustainability

Accreditation commendation
Sustainability was a part of our recent accreditation report and was highlighted by the accreditation team who included our accomplishments in this area on the list of commendations in the exit interview.

Incorporating sustainability into existing campus programs
Sustainability is being utilized as an educational and marketing tool by many programs campus-wide, including providing Green Campus Tours for VIP Welcome Day, workshops for the Young Collegians programs, and tours and activities for the Connect for Success program (middle school program for disadvantaged youth).

Center for Environmental and Urban Studies (CEUS)
The CEUS continues to be a hub of sustainability on campus, providing critical support for environmental programs including the American College and University President’s Climate Commitment (ACUPCC), Sustainable Works Student Greening Program, internships, work study, resource library, and career and transfer program information.

Sustainability in Higher Ed Conference (June 2010)
SMC will be represented on two panels during the upcoming conference and is sending a team of approximately 10 representatives.

Curriculum

Environmental Affairs Committee
This academic senate joint committee is focusing on integrating sustainability across the curriculum. It is currently working on updating the CEUS website, creating a “greening the curriculum” resource page in concert with current web update efforts.

New AAs and courses
SMC continues to broaden its green curriculum offerings including the new Environmental Science and Environmental Studies A.A. degrees and new environmental courses in disciplines like automotive technology and economics.

Sustainable Technologies Program (STP)
The Sustainable Technologies Program is a proposed academic program that combines traditional Career Technical Education with rigorous academic standards that allow students to pursue related fields in four year and advanced degree programs while finding work in the emerging Green Collar economy. The STP program includes proposed academic tracks in Energy Efficiency, Water Efficiency, Sustainable Business Consulting, Renewable Energies and Logistics.
Currently the locally and state-approved PV Solar Installers program has met with great success and is anticipated to grow as job offerings and marketing for the program increase:

*Sustainable Works Student Greening Program*

- Goals doubled over the past two years
- Successful partnership between City and College
- Graduating approximately 450 students per year
- Generating over 1000 hours of community service

**Facilities**

- Incorporation of LEED standards into all new building projects. Facilities planning managers including input from the environmental community and experts whenever possible.
- Recently ranked 3rd out of 199 in waste minimization category for the nationwide Recyclmania competition.
- Utilizing broad support from facilities and grounds, with exceptional staff and leadership in both departments.

RECOMMENDATION NO. 1

SUBJECT: REVISION TO GENERAL EDUCATION REQUIREMENTS FOR THE ASSOCIATE IN ARTS DEGREE

SUBMITTED BY: Superintendent/President

REQUESTED ACTION: It is recommended that the Board of Trustees approve a revision to the general education requirements for the Associate in Arts degree was approved by the Curriculum Committee and the Academic Senate that will allow students to fulfill the requirements for the degree by choosing one of the following three options:

1. SMC AA general education pattern
2. The Intersegmental General Education Transfer Curriculum, including one global citizenship course
3. The CSU General Education Certification Pattern, with one global citizenship course

COMMENT: Currently, students must utilize the SMC general education pattern to obtain an Associate in Arts degree. This revision allows students to utilize the transfer pattern they are already completing for the purposes of transfer towards the local Associate in Arts degree requirements. Recently, the “Student Transfer Achievement Reform Act,” SB 1440 sponsored by Padilla, was proposed to ease transfer to and completion of Bachelor’s degrees at the CSU. The proposed legislation requires the California Community Colleges to grant an Associate’s degree for transfer which must include completion of the CSUGE or IGETC requirements. By changing the General Education pattern locally, SMC will already meet this requirement for all existing Associate in Arts degrees.

RECOMMENDATION NO. 2

SUBJECT: 2010-2011 TENTATIVE BUDGET

SUBMITTED BY: Superintendent/President

REQUESTED ACTION: It is recommended that the Board of Trustees adopt the 2010-2011 Tentative Budgets (Appendix A).

The Santa Monica Community College District Proposed Budget for fiscal year 2010-2011 is comprised of the following nine funds:

- General Fund Unrestricted $151,038,535
- General Fund Restricted $23,950,248
- Total General Fund $174,988,783
- Special Reserve Fund (Capital) $8,648,989
- Earthquake Fund $3,095,515
- Bond Fund: Measure U $22,669,241
- Bond Fund: Measure S $59,038,170
- Bond Fund: Measure AA $96,330,201
- Bond Interest & Redemption Fund $33,187,766
- Student Financial Aid Fund $24,137,615
- Auxiliary Operations $4,719,500
- Total Other Restricted $251,826,997

TOTAL PROPOSED TENTATIVE BUDGET $426,815,780

COMMENT: This is the recommended tentative budget for acceptance. It reflects the best information currently available. It is expected that changes will occur between now and the Adopted Budget. Some changes will be the result of revised state revenue, and others will be internal adjustments resulting from new or updated revenue information and expenditure reduction efforts.

RECOMMENDATION NO. 3

SUBJECT: A RESOLUTION SUPPORTING AN ECONOMIC BOYCOTT OF ARIZONA UNTIL SUCH TIME AS SB 1070 IS REPEALED

SUBMITTED BY: Superintendent/President

REQUESTED ACTION: It is recommended that the Board of Trustees adopt the following resolution supporting an economic boycott of Arizona until such time as SB 1070 is repealed:

WHEREAS, the Santa Monica Community College District has historically supported policies that prohibit discrimination based on race, ethnicity, national origin, religion, sexual orientation, and disability; and

WHEREAS, on April 23, 2010, Arizona Governor Jan Brewer signed Senate Bill 1070 (Support Our Law Enforcement and Safe Neighborhoods Act), requiring all local law enforcement to investigate a person’s immigration status when there is a reasonable suspicion that the person is in the Country unlawfully, regardless of whether that person is suspected of a crime; and

WHEREAS, SB 1070 permits the arrest of a person, without a warrant, if there is suspicion that the person has committed a public offense; and

WHEREAS, SB 1070 does not prohibit law enforcement officers from relying on race, ethnicity, national origin or language to determine who to investigate; and

WHEREAS, SB 1070 encourages racial profiling and violates Fourteenth Amendment guarantees of due process and equal protection for U.S. citizens, legal residents and visitors who are detained for suspicion of being in the Country unlawfully; and

WHEREAS, SB 1070 seriously undermines the U.S. Constitution which grants Congress the exclusive power over immigration matters; and

WHEREAS, an economic boycott will strongly convey that the Santa Monica Community College District disagrees with the provisions of SB 1070; and

WHEREAS, on May 11, 2010, Arizona Governor Jan Brewer signed House Bill 2281 which prohibits Arizona school districts and charter schools from offering ethnic studies programs, further condoning ethnic bigotry and discrimination in the administration of Arizona’s laws;

NOW, THEREFORE, BE IT RESOLVED that by adoption of this Resolution, the Santa Monica Community College District shall refrain from conducting business with the State of Arizona including participating in any conventions or other business that requires District resources, unless SB 1070 (Support Our Law Enforcement and Safe Neighborhoods Act) and HB 2281 are repealed.

RECOMMENDATION NO. 4

SUBJECT: FIVE-YEAR CONSTRUCTION PLAN 2012-2013

SUBMITTED BY: Superintendent/President

REQUESTED ACTION: It is recommended that the Board of Trustees approve the filing of the Five Year Construction Plan, 2012-2013 including Initial Project Proposals and Final Project Proposals, with the State Chancellors Office.

Five Year Plan Priority Listing: See following page

Initial Project Proposals (IPP): Career Advancement and Opportunity Center (Bundy)

Final Project Proposal (FPP): No new proposals

COMMENT: The Five Year Construction plan identifies all potential future projects especially those that may be eligible for state matching funds. The District selects projects expected to have the greatest possibility of state funding to be developed into an IPP. If the state approves the IPP then the project can be developed into an FPP the following year.

The projects are listed in order of priority for state funding purposes only. Projects that are more likely to receive state funding are ranked higher. This does not necessarily reflect overall District priority rankings for these projects.

The projects are the same as presented last year and there are only minor changes to align the projects with the draft Facilities Master Plan and updated project budgets. These projects follow the 1998 Facilities Master Plan and 2010 Draft Facilities Master Plan Update.

**RECOMMENDATION NO. 5**  **APPROVAL OF MINUTES**

Approval of the minutes of the following meeting of the Santa Monica Community College District Board of Trustees:

May 4, 2010 (Regular Board of Trustees Meeting)
CONSENT AGENDA: ANNUAL RECOMMENDATIONS

RECOMMENDATION NO. 6  ELECTION OF PERSONNEL

Requested Action: Approval of the following annual elections/reelections, effective July 1, 2010
Approved by: Marcia Wade, Vice-President, Human Resources

Academic Personnel: Declare salary schedules indefinite for 2010-2011 and place academic personnel to the appropriate place on their respective salary schedules for the 2010-2011 fiscal year.

1. Contract and Regular Academic Personnel
2. Academic Hourly, Adult Education, Emeritus College and Substitutes

Classified Personnel: Declare salary schedules indefinite for 2010-2011 and place classified personnel to the appropriate place on their respective 2010 salary schedules for the period such salary schedules are effective.

Academic Management and Classified Management and Confidential employees other unrepresented personnel except those with individual employment contracts: Declare salary schedules indefinite for 2010-2011 and place unrepresented personnel to the appropriate place on their respective 2010 salary schedules.

Academic Management with individual employment contracts: Employment of all current academic administrators with individual employment contracts in the following positions, effective July 1, 2010:

   Executive Vice-President
   Vice-President
   Senior Director, Government Relations/Institutional Communications
   Dean
   Associate Dean
   Director

Comment: Lists on file in the Human Resources office and attached to the permanent minutes. All academic and classified personnel (including managers and confidents), are required by the Los Angeles County Office of Education re-elected for the upcoming fiscal year for budgetary reasons and payroll processing.

RECOMMENDATION NO. 7  RESOLUTION FIXING THE EMPLOYER'S CONTRIBUTION UNDER THE PUBLIC EMPLOYEES' MEDICAL AND HOSPITAL CARE ACT

Requested Action: Adoption
Reviewed by: Sherri Lee-Lewis, Dean, Human Resources
Approved by: Marcia Wade, Vice-President, Human Resources

WHEREAS, (1) Government Code Section 22892(a) provides that a contracting agency under the Public Employees' Medical and Hospital Care Act shall fix the amount of the employer’s contribution at an amount not less than the amount required under Section 22892(b)(1) of the Act, and

WHEREAS, (2) SANTA MONICA COLLEGE, hereinafter referred to as Special District is a contracting agency under the Act for participation by members of the Board of Trustees now, therefore be it

RESOLVED, That the employer's contribution for each employee, retiree, or survivor shall be the amount necessary to pay the full cost of his/her enrollment, including the enrollment of his/her family members in a health benefits plan up to a maximum of $569.32 per month, plus administrative fees and Contingency Reserve Fund Assessments.

Comment: The base medical benefit amount is to be increased annually in accordance with the benefits article in the contract agreements with CSEA and the SMC Faculty Association, and by Board Resolution covering the Special Districts.
CONSENT AGENDA: ANNUAL RECOMMENDATIONS

RECOMMENDATION NO. 8  DESTRUCTION OF CLASS 3 RECORDS
Requested Action: Approval
Approved by: Randal Lawson, Executive Vice-President
              Teresita Rodriguez, Vice-President, Enrollment Development
              Marcia Wade, Vice-President, Human Resources

Approve the destruction of class 3 records (older than three years) stored for Admissions and Records, Financial Aid, Business Services, Human Resources and Personnel Commission.

Comment: This is an annual recommendation for class 3 records which are disposable records that have been maintained for at least three years. This classification includes such items as enrollment cards, add-drop cards, purchase orders, periodic reports, and attendance records. This also includes such items for the Human Resources and the Personnel Commission as recruitment and examination records for classified personnel. All data from these source documents has been recorded on a higher classification record that is stored.

RECOMMENDATION NO. 9  YEAR-END APPROPRIATIONS TRANSFERS
Requested Action: Approval
Requested by: Chris Bonvenuto, Director, Fiscal Services
Approved by: Bob Isomoto, Vice President of Business and Administration

In accordance with the provisions of Section 85201 of the Education Code, authorize the County Superintendent of Schools to make appropriate transfers necessary at the close of the fiscal year 2010-2011 to permit the payment of obligations of the district incurred during the year.

Comment: This action is a recurring practice of the County Superintendent of Schools which permits the processing of warrants and liabilities for the District during the closing of the financial records for the fiscal year.

RECOMMENDATION NO. 10  DISPOSAL OF SURPLUS PROPERTY
Requested Action: Approval
Approved by: Randal Lawson, Executive Vice-President

Disposal of surplus equipment through public auction, private sale (if under $2,500) or other means deemed appropriate as required during fiscal year 2010-2011.

Comment: Education Code Section 81450 defines surplus equipment as equipment no longer required or suitable for college use or equipment that should be disposed of for the purpose of replacement. Surplus equipment is stored in the District warehouse which has limited space. The District periodically needs to dispose of equipment that is in disrepair or is obsolete and is no longer needed.

RECOMMENDATION NO. 13  ACCEPTANCE OF GRANTS

Title of Grant: TRAINING FOR HEALTH INFORMATION TECHNOLOGY

Requested Action: Approval/Ratification
Requested by: Laurie McQuay-Peninger, Director, Grants
Approved by: Jeff Shimizu, Vice President, Academic Affairs

Program Title: American Recovery and Reinvestment Act of 2009: Information Technology Professionals in Health Care: Community College Consortia to Educate Information Technology Professionals in Health Care

Award Amount: $682,644 (two years)
Funding Source: U.S. Department of Health and Human Services
Performance Period: July 1, 2010 – June 30, 2012

Award Summary: For the past three years, Santa Monica College’s CSIS and Health Sciences departments have been working with the Grants Office to identify funding resources to identify and address the workforce needs of the emerging electronic health records system. As a result of these efforts, SMC has entered into a partnership with Los Rios Community College District to develop and implement a Health Information Technology training program in west Los Angeles County. Los Rios Community College District will serve as the fiscal agent for this award, and SMC will contract with LRCCD.

Through the Los Rios HITECH Community College Consortium, SMC, under the leadership of the CSIS Department, will work with 13 other community colleges in the southwest region to train more than 2000 professionals per year (150 students per year per institution) for employment in the HIT industry in the southwest region. While SMC will utilize grant funds to offer short-term non-credit courses, CSIS and Health Sciences faculty will develop an accredited HIT Program over the next two years that will continue to offer both non-credit and credit programming after the award period ends.

Title of Grant: Career Technical Education Community Collaborative Program III
Requested Action: Approval/Ratification
Requested by Patricia Ramos, Dean, Dean Workforce and Economic Development
Approved by: Jeff Shimizu, Vice President, Academic Affairs

Granting Agency: Chancellor’s Office of the California Community Colleges
Appropriated Funding: $310,000
Matching Funds: $31,000
Performance Period: February 1, 2010 – March 31, 2012 (release of funds delayed)

Summary: The Project is designed to optimize the efficiency and effectiveness of the three entities: the CTE Community Collaborative, SMC and SMMUSD. The established working relationships and the academic foundation in place and the project will continue and strengthen its work in Career Exploration/Development for middle school, Articulation, Career Pathways, Placement Services, and CTE Professional Development in seven industry sectors. The project will increase the capacity of faculty, advisors and administrators in aligning the emerging job trends with certificate and degree programs, career planning and counseling, and workforce readiness preparation. The end result of this project is to drive awareness of trends occurring in the focus industries, green initiatives, and entrepreneurial education while enhancing student and teacher.

RECOMMENDATION NO. 14    CONTRACT FOR DISTANCE EDUCATION PROVIDER

Requested Action: Approval/Ratification
Requested by Julie Yarrish, Associate Dean, Online Services and Support
Approved by: Jeff Shimizu, Vice President, Academic Affairs

Provider: eCollege (provider of services to SMC’s Distance Education Program)

Amount of Contract:
- Contract year 1 (July 1, 2010 – June 30, 2011) - $775,000
- Contract year 2 (July 1, 2011 – June 30, 2012) - $794,000
- Contract year 3 (July 1, 2012 – June 30, 2013) - $813,000

Term of Contract: The proposed contract will take effect July 1, 2010 and run for a three-year period expiring on June 30, 2013. There will be a one-year extension option available. The three-year agreement provides for unlimited course seats.

Funding Source: District Budget/Distance Education

Summary: This contract replaces an existing contract that had a limit on the number of seats and an option for renewal. This renegotiated contract resulted in a savings of $168,000 over the three-year term. The generated savings will fund additional curriculum software, Curricunet, (Recommendation No. 15).

Over the course of the past 18 months, the Academic Senate Joint Distance Education Committee undertook an evaluation of course management systems. After an exhaustive review, comparing the support and features deemed essential by online faculty and the costs associated with selecting and switching to an alternate program, the committee recommended to DPAC that the college stay with the current platform provided by eCollege. DPAC, in turn, affirmed this recommendation.

This newly negotiated, three-year licensing agreement provides an annual license with unlimited course seats (eliminating the per-seat pricing variations) and substantially reduces the annual cost to the district. The contract also provides continued support for the use of eCompanion by on-ground faculty, formalized training to support online faculty, and reporting mechanisms that provide an evaluation of student and faculty success.
CONSENT AGENDA: GRANTS AND CONTRACTS

RECOMMENDATION NO. 15 CONTRACT FOR ONLINE CURRICULUM DEVELOPMENT

Requested Action: Approval/Ratification
Requested by: Georgia Lorenz, Dean, Instructional Services
Approved by: Jeff Shimizu, Vice President, Academic Affairs

Provider: Governet, provider of CurricUNET to SMC for online curriculum and program development and maintenance

Amount of Contract:
- Contract year 1 (July 1, 2010 – July 1, 2011) - $46,500 (one-time software)
- Contract year 2 (July 1, 2011 – July 1, 2012) - $12,000 (maintenance)
- Contract year 3 (July 1, 2012 – July 1, 2013) - $12,000 (maintenance)

Term of Contract: July 1, 2010 - July 1, 2013 (renewable after a three-year period)

Funding Source: District Budget (savings generated by renegotiated contract with eCollege, see Recommendation No. 14)

Summary:
Adoption of the online CurricUNET system will confer benefits to the college in several ways. First and foremost CurricUNET creates a virtually paperless, automated system that dramatically improves the curriculum development process such that faculty energy can be spent on the substantive aspects of curriculum rather than on the forms, processes, and regulations. The system promises to reduce the time to implementation of innovative new courses by streamlining the process. The Chancellor’s Office has adopted CurricUNET, and as a result all of the college’s curriculum reporting will be automated and immediate. This will shorten the time it takes to have new programs and courses approved. The system will assist the college in insuring that all publications of curriculum documents are consistent. Adoption of this software also responds to an accreditation recommendation that the college’s curriculum system be moved to an online environment.

The members of the Curriculum Committee, leaders from several Academic Senate Joint Committees, the Department Chairs and the MIS department were all invited to a demonstration of the software and support the college entering into this contract.

The proposed contract reflects discounts afforded to all California Community Colleges. The college have been given $10,000 reduction in the initial set-up costs and $3,000 reduction in the annual upgrade and support costs. More than 70 California Community Colleges and the Chancellor’s Office are CurricUNET clients. After polling several email list serves of various groups involved in curriculum development across the state, it is clear that CurricUNET meets this need far better than other options.

Provider: Baker and Taylor

Amount: Not to exceed $150,000

Term of Contract: 2010-2011 Academic year

Funding Source: California State Lottery Grant

Summary: The Library has an in-house computer program that interfaces with Baker and Taylor’s online database and it enables staff to automatically upload MARC (machine readable cataloging) records into Library’s automation system. This allows library users to see items that are on order and creates order records for library staff to track the item from moment of order until book is on the shelf. This program is not compatible with other book vendors. Baker and Taylor provides SMC Library with a discount of 10–20 percent on most books, their inventory is larger than other book vendors, and their delivery time is excellent. Library staff is already trained in using Baker and Taylor’s online ordering system.

Approval of a vendor for the purchase of library books without taking estimates or advertising for bids is permissible under Public Contract Code 20118.3 and Education Code 81651:

“The governing board of any school district may purchase supplementary textbooks, library books, educational films, audiovisual materials, test materials, workbooks, instructional computer software packages, or periodicals in any amount needed for the operation of the schools of the district without taking estimates of advertising for bids.”

Provider: Peak Medical  
Amount: $2,000 monthly stipend for medical director services and $120 per hour for patient care and related administrative meeting attendance  
Term of Contract: July 1, 2009 – June 30, 2010  
Service: One licensed physician to act as medical director for the College’s Student Health Services to provide for the examination and treatment of students in the Health Services Office; Health Services staff access to a physician for consultation and advice during Health Services Office operating hours; and a provision for administrative meetings, as needed, with Health Services staff.  
Funding Source: 2009-2010 District Budget/Health Services  
Comment: The contract with Peak Medical for 2009-2010 was approved by the Board of Trustees on August 4, 2009 with a not to exceed amount of $40,000. RECOMMENDATION NO. 25  RESOLUTION – CASH BORROWING FROM THE COUNTY TREASURY

Requested Action: Adoption of Resolution
Requested by: Christopher M. Bonvenuto, Director of Fiscal Services
Approved by: Bob Isomoto, Vice President of Business and Administration

WHEREAS, Sufficient cash is needed to pay obligations for current operating requirements lawfully incurred in the fiscal year, and;

WHEREAS, Article XVI, Section 6, of the California Constitution allows for borrowing from the Los Angeles County Treasurer, and;

WHEREAS, The following restrictions apply to this authorization:
1) Maximum amount of authorized borrowing: $50,000,000
2) For Fiscal Year 2010-2011
3) Shall not exceed 85 percent of the anticipated revenues accruing to the District.
4) Shall not be made prior to the first day of the fiscal year or after the last Monday in April of the 2010-2011 fiscal year.
5) Shall be replaced from revenues accruing to the District before any other obligation of the District is met from such revenue

NOW THEREFORE, The Governing Board of the Santa Monica Community College District hereby approves this resolution to authorize the request to the Los Angeles County Treasurer to make temporary transfer of funds, if so deemed appropriate during the 2010-2011 fiscal year by the Superintendent/President, to ensure that the District can meet its financial obligations.

COMMENT: The State practice of deferring General Apportionment payments to deal with State cash flow issues could result in the District not receiving an adequate cash payment from the State in five of the twelve months of the fiscal year. While the District is in a fairly solid cash position Fiscal Services believes it is prudent to pass this resolution to ensure that all financial responsibilities and obligations of the District can be meet during the 2010-2011 fiscal year.

Comment: The Digital Learning Studio is an environment that will be created to allow instructors and students the opportunity to use interactive technologies (SMART interactive boards, remote clickers and videoconferencing), employ collaborative seating arrangements and explore new pedagogical methods. The goal of the project will be to enhance student engagement and improve learning success for Basic Skills students.

Letters and Science room 152 has been selected as a site development location for a Digital Learning Studio as part of the Asian American and Pacific Islander Achievement project. The two-year pilot project is grant funded through the U.S. Department of Education’s Asian American and Native American Pacific Islander Serving Institutions Program. AAPIA serves 300 students and is designed to increase the retention, graduation, and transfer rates of Asian American, Pacific Islander, and low-income students who have had significant challenges in their scholastic and personal experiences. This two-year pilot project includes six major components: 1) Assessment and Placement; 2) General Education and Academic Skills Development; 3) Student Support Services; 4) Asian Library Resources Development; 5) Empowering Learning through Smart Classroom Technology; and 6) Faculty Development.

26-D AGREEMENT FOR ARCHITECTURAL SERVICES – BUNDY WEST BUILDING CLASSROOM COMPLETION

Agreement with Morris Architects for programming, planning, working drawings and construction administration for the Bundy West Building Classroom Completion for $282,065 plus reimbursable expenses.

Funding Source: Measure AA

Comment: When the west building at the Bundy Campus was opened in 2005, the program for two areas on the first and fourth floors was not yet determined. There is approximately 6,500 square feet of usable space that has not yet been built out.

With another round of construction soon to start with Measure AA projects, the college will need additional classroom and office space for those programs that will need to be relocated during the construction process. The Bundy space offers an opportunity to quickly convert vacant space. The college should be able to add five new classrooms and about 1,000 square feet of office space in the building.

Morris Architects is a nationally recognized firm that uses advanced design technology and specializes in education, civic, entertainment and hospitality industries. Two of the key people now with Morris were on the original Bundy Campus design team.

The process to solicit architects began with mailings to 115 local firms, newspaper advertisements and web announcements. The District received 72 architect proposals, which is a record number. The initial submittals were screened and 24 firms were deemed qualified. Then a screening committee of faculty, classified staff and administrators selected four architects as finalists to be interviewed. The final selection panel included staff directly involved with the programs at the Bundy Campus.

Comment: The Adopted Budget needs to be amended to reflect the totals of the departmental budgets. The current system of the Los Angeles County Office of Education requires Board approvals each month for budget adjustments. Only the net amount of the transfers in or out of the object codes is shown. In addition to the budget adjustments, transfers result from requests by managers to adjust budgets to meet changing needs during the course of the year.

APPENDIX A

RECOMMENDATION NO. 2

SUBJECT:  

2010-2011 TENTATIVE BUDGET

SUBMITTED BY:  
Superintendent/President

REQUESTED ACTION:  
It is recommended that the Board of Trustees adopt the 2010-2011 Tentative Budgets (Appendix A).

The Santa Monica Community College District Proposed Budget for fiscal year 2010-2011 is comprised of the following nine funds:

- General Fund Unrestricted $151,038,535
- General Fund Restricted $23,950,248
- Total General Fund $174,988,783
- Special Reserve Fund (Capital) $8,648,989
- Earthquake Fund $3,095,515
- Bond Fund: Measure U $22,669,241
- Bond Fund: Measure S $59,038,170
- Bond Fund: Measure AA $96,330,201
- Bond Interest & Redemption Fund $33,187,766
- Student Financial Aid Fund $24,137,615
- Auxiliary Operations $4,719,500
- Total Other Restricted $251,826,997

TOTAL PROPOSED TENTATIVE BUDGET $426,815,780

COMMENT:  
This is the recommended tentative budget for acceptance. It reflects the best information currently available. It is expected that changes will occur between now and the Adopted Budget. Some changes will be the result of revised state revenue, and others will be internal adjustments resulting from new or updated revenue information and expenditure reduction efforts.
