INFORMATION ITEM 1

SUBJECT: RESOLUTION APPROVING, AUTHORIZING AND DIRECTING THE PREPARATION, SALE, EXECUTION AND DELIVERY OF CERTIFICATES OF PARTICIPATION (LOS ANGELES COUNTY SCHOOLS POOLED FINANCING PROGRAM), 2013 REFUNDING SERIES A (SANTA MONICA COMMUNITY COLLEGE DISTRICT), THE PREPARATION, EXECUTION AND DELIVERY OF DOCUMENTS RELATING THERETO, INCLUDING A TRUST AGREEMENT, LEASE AGREEMENT, SITE LEASE, DIRECT PLACEMENT AGREEMENT AND ESCROW INSTRUCTIONS AND OTHER DOCUMENTS RELATING THERETO AND AUTHORIZING AND DIRECTING CERTAIN ACTIONS WITH RESPECT THERETO

SUBMITTED BY: Vice-President, Business and Administration

SUMMARY: It is proposed that the Santa Monica Community College District (District) refinance the $11.1 million 2004 Certificates of Participation (COP), of which $7.9M is outstanding, through the Direct Placement method. This COP was originally issued for the purchase of the Academy of Entertainment and Technology. The Direct Placement method requires at least three bids with the lowest rate being chosen from these bids. There were actually five institutions invited to participate; however, two institutions declined to bid citing California finances in general and community college finances in particular as the reasons for not participating. The bids were:

The Direct Placement Option is attractive because the District is able to lock in a rate, 3.60%, subject to a formal credit commitment. In addition, older COPs may only be retired on an interest payment date which is either February 1 or August 1. The current trustee, Bank of New York, will not send out notice to existing COP holders unless the payoff funds are in hand. This requires the District to close by January 2, 2014 or wait until July 1, 2014. Many believe that rates are more likely to go up rather than down in the near term. By refinancing, the District will save a total of $1.8 million or over $130,000 for 14 years. The savings will be realized in Fund 40, District Capital Funds.

BACKGROUND: Certificates of Participation (COPs) enable government entities (District) to finance capital projects. COPs are lease financing agreements in the form of securities that can be marketed to investors in a manner similar to tax-exempt debt. However, legally COPs are not considered debt and can therefore be issued by a vote of the Board of Trustees; rather than requiring a vote of the residents. COPs are secured with revenue from a facility lease or equipment. For this COP, the Academy of Entertainment Technology is the leased facility. The COP was initially issued in 1997 and was previously refinanced in 2004.
Following is the standard resolution submitted for Board approval.

WHEREAS, the Board of Trustees (the “Board”) of the Santa Monica Community College District (the “District”), working with the Los Angeles County Schools Regionalized Business Services Corporation (the “Corporation”), is proposing to participate in a capital projects program under which the Certificates of Participation (Los Angeles County Schools Pooled Financing Program), 2013 Refunding Series A (Santa Monica Community College District) (the “Certificates”) are to be executed and delivered by the District in one or more series; and

WHEREAS, in connection therewith, the District wishes to proceed with the lease refinancing of certain capital improvement projects for the District described in the Lease (as defined below) (the “Project”), which Project was refinanced with the proceeds of $11,140,000 aggregate principal amount of Refunding Certificates of Participation 2004 Series A (the “Prior Certificates”); and

WHEREAS, said refinancing will be accomplished by the sale, execution, and delivery of the Certificates in accordance with the Direct Placement Agreement (defined herein) to Capital One, N.A., as purchaser (the “Purchaser”); and

WHEREAS, the District is authorized pursuant to the Education Code of the State of California to provide for the execution and delivery of certificates of participation, which evidence proportionate interests of the owners thereof in certain lease payments to be made by the District; and

WHEREAS, the Corporation may assist local agencies in financing and refinancing the purchase of land and improvements, the acquisition and construction of new and renovation of existing facilities of the District and the acquisition of infrastructure improvements and equipment for use by the District; and

WHEREAS, the District is a community college district duly organized and existing under the laws of the State of California; and

WHEREAS, there have been presented to this meeting of the Board the following documents:

(a) the proposed form of the Lease Agreement (the “Lease”), by and between the District, as Lessee, and the Corporation, as Lessor;

(b) the proposed form of the Site Lease (the “Site Lease”), by and between the District, as Lessor, and the Corporation, as Lessee;

(c) the proposed form of the Trust Agreement (the “Trust Agreement”) by and between the District and The Bank of New York Mellon Trust Company, N.A., as Trustee (the “Trustee”);

(d) the proposed form of the Assignment Agreement (the “Assignment Agreement”) by and between the Corporation and the Trustee;

(e) the proposed form of the Direct Placement Agreement (the “Direct Placement Agreement”) by and among the District, the Corporation and RBC Capital Markets, LLC, as placement agent (the “Placement Agent”); and

(f) the proposed form of the Escrow Instructions (the “Escrow Instructions”) of the District directed to The Bank of New York Mellon Trust Company, N.A., as successor in interest to BNY Western Trust Company, as trustee with respect to the Prior Certificates;
NOW, THEREFORE, the Board of Trustees of the District resolves as follows:

The form, terms and provisions of the Trust Agreement are hereby approved and any of the Chair of the Board, Vice-Chair of the Board, the Superintendent/President, the Executive Vice President, the Vice President, Business/Administration and any other officer designated in writing by the District to perform the obligations set forth herein (each an “Authorized Representative”) is hereby authorized and directed on behalf of the District and in its name to execute and deliver to the Corporation, the Trust Agreement in substantially the form presented to and considered at this meeting of the Board, with such changes therein, however, as may be approved by any Authorized Representative, such approval to be conclusively evidenced by such Authorized Representative’s execution thereof.

Any Authorized Representative is hereby authorized and directed on behalf of the District and in its name to execute the Direct Placement Agreement, with such changes therein, however, as may be approved by any Authorized Representative, such approval to be conclusively evidenced by such Authorized Representative’s execution thereof.

Any Authorized Representative is hereby authorized and directed on behalf of the District and in its name to execute and deliver any trust agreement, lease agreement or other certificate or agreement in the form of such trust agreement, lease agreement or other certificate or agreement executed and delivered in connection with the Certificates.

The Treasurer and Tax Collector of the County of Los Angeles may, at the direction of the District invest and/or direct the investment of the proceeds of the Certificates and any other funds held under the Trust Agreement in accordance with the Trust Agreement and in compliance with Sections 53601 et seq. of the California Government Code and Los Angeles County policy governing the investment of such funds.

This Board hereby authorizes and directs any Authorized Representative to cause notices of the proposed sale and final sale and itemized costs of issuance of the Certificates to be filed in a timely manner with the California Debt and Investment Advisory Commission pursuant to California Government Code Section 8855.

SUBJECT: SMC TRANSFER PROGRAM, 2012-2013

SUBMITTED BY: Vice-President, Student Affairs

The California Community College Chancellor’s Office has released the 2012-2013 data for community colleges students transferring to the University of California and to the California State University campuses.

For the 23rd consecutive year, SMC maintained its status as the No. 1 transfer institution to the prestigious University of California system, sending 1,057 students to the UC campuses. SMC continues to far outrank other top feeder schools.

#1 Santa Monica College 1,057  
#2 De Anza College 727  
#3 Diablo Valley College 721  
#4 Pasadena City College 572

SMC was also the state leader in transferring African American and Latino students to UC. SMC sent 31 African American students to the UC system in 2012-13 and 141 Latino students to the UC system. This is the third consecutive year that the number of Latino students transferring to UC from SMC has increased.

UCLA continues to be the top UC destination for SMC students, with 490 going to the Westwood campus. Berkeley is second, with 173 transfers, followed by the Irvine and Santa Cruz campuses.

SMC also continues to hold one of the top spots in combined University of California and California State University transfers.

#1 De Anza College 1,952  
#2 Santa Monica College 1,911  
#3 Orange Coast College 1,700  
#4 Diablo Valley College 1,577

SMC is frequently tops in this category (SMC was No. 1 in 2011-2012 for example), however, CSU Northridge, the top CSU transfer campus for SMC students, significantly reduced its acceptance of transfer students this past year, from 5,429 transfer students in 2011-2012 to 3,614 transfer students in 2012-2013, a 33 percent decrease. CSU Northridge is also currently accepting only a limited number of spring transfers.

The SMC percentages of African American transfer students to the CSU are consistently higher than the overall CSU numbers and are again in the top ten. SMC mirrors the percentages of Latinos to CSU system-wide.
SMC remains tops in transfers to the University of Southern California and to Loyola Marymount University for 2012-2013. SMC transfers nearly three times the number of students to USC as does the number two feeder school.

Staff from SMC’s Transfer Center are participating statewide on a redesign and upgrade to a statewide website that is the cornerstone for providing articulation and transfer information to students and counselors in a timely manner. Staff also serves as the President for the Western Association for College Admission Counseling. This year, this affiliate helped to add language to the national organization’s statement of policies to help raise awareness that transfer students are financially burdened in the admission process, and need relief.

Current and historical transfer data is available on SMC’s website at http://www.smc.edu/StudentServices/TransferServices/Pages/Transfer-Statistics.aspx

Additional material will be presented at the Board meeting.

SUBJECT: UPDATE: STUDENT SERVICES BUILDING

SUBMITTED BY: Vice-President, Business/Administration

SUMMARY: At its July 2013 meeting, the Board of Trustees selected Morris Architects to design the new Student Services building. Since then Morris has met with all the campus departments that are scheduled to move into the building. Those departments include Admissions and Records, Financial Aid, Assessment, International Education, Enrollment Development, Welcome Center, Outreach, Bursar’s Office, DSPS, Learning Disability, EOPS, Career Services, Transfer Counseling, Scholar’s Program, STEM, AACC/Latino Center, TRIO/Pico, Psychological Services, Student Affairs, and Academic Affairs. The building is designed as a flexible space that can be easily reconfigured as the programs change in the future. The new footprint will allow for more landscaping and a variety of outdoor spaces for students as well as more efficient vehicle and pedestrian circulation. The project is being designed at a level of LEED Gold or greater, with the extensive use of day-lighting, advanced ventilation systems, and solar power.

Multiple meetings were held with college staff who will be occupying the building and their input has been incorporated into the design shown tonight. Meetings with college staff have been held on the following dates:

RECOMMENDATION NO. 4

SUBJECT: SECOND READING AND APPROVAL – REVISED BOARD POLICY SECTION 2250, DISTRICT PLANNING AND ADVISORY COUNCIL

SUBMITTED BY: Superintendent/President

REQUESTED ACTION: It is recommended that the Board of Trustees conduct a second reading and approve revised Board Policy Section 2250 – District Planning and Advisory Council.

ARTICLE 2200: PARTICIPATORY GOVERNANCE

BP 2250 District Planning and Advisory Council

The Board of Trustees establishes the District Planning and Advisory Council. The Board recognizes the Council as the body primarily responsible for making recommendations to the Superintendent/President on matters that are not otherwise the primary responsibility of the Academic Senate (BP 2210), Classified Staff (BP 2220), Associated Students (BP 2230) or the Management Association (BP 2240). Issues include, but are not limited to, District budget, facilities, human resources, instruction, student services and technology planning. Discussion of these issues by the Council will not supplant the collective bargaining process.

DPAC is the College’s primary planning body and coordinates institutional planning. It is the responsibility of DPAC to develop the annual Master Plan for Education Update and oversee the long-term planning efforts of reviewing the Vision, Mission, Values, and Goals, assessing the College’s planning process, and developing new Strategic Initiatives every five years.

The District Planning and Advisory Council shall comprise representatives of the faculty (Academic Senate and Faculty Association), classified staff (CSEA Chapter 36), students (Associated Students) and management (Administration/Management Association), who shall mutually agree upon the numbers, privileges, and obligations of Council members. The District Planning and Advisory Council shall establish its own procedures in conformity with the law.

Adopted: 1/10/2005
Revised 5/4/2009

SUMMARY: The revision to Board Policy 2250, District Planning and Advisory Council, is proposed so that it includes a reference to DPAC’s responsibility for institutional planning and development of the Master Plan for Education.

Comment:  Distance Education continues to be a major instructional program for the college representing over 12 percent of the credit enrollment and generating over 2,000 FTES on an annual basis. The new agreement results in a savings of $128,750 per year or $386,250 for the length of the contract.

The District has been with eCollege since 1999. 24/7/365 technical support is available to all online and eCompanion (on-ground classes) users including students and approximately 600 faculty members and is a critical feature for the course management system (CMS). In addition, SMC continues to have unlimited seats on an annual basis.

As technology is rapidly changing, the Distance Education Committee will continue to review other Course Management Systems for the College. If the College seriously decides to make a change, it will take a minimum of 18 months to train, convert and customize curriculum for faculty once a CMS has been selected and contracted. Also, the California Virtual College (CVC) Course Management System statewide initiative will be closely monitored to determine if there are significant benefits for participation.

14-B AGREEMENT FOR CIVIL ENGINEERING SERVICES – DONALD DOUGLAS LOOP SOUTH

Agreement with MK ENGINEERING GROUP, INC. for civil engineering services for the Donald Douglas Loop South project for $38,000 plus reimbursable expenses.

Funding Source: Measure S

Comment: The roadbed of the street (Donald Douglas Loop South) that serves as the vehicular connection from SMC’s Bundy Campus to Airport Avenue has deteriorated and requires replacement. Additionally, a portion of the street now serves as a temporary walkway and a permanent walkway is desired. Also, the City of Santa Monica wishes to improve the circulation between the parking area for the Museum of Flying on the west side of Donald Douglas Loop South and the parking area for the 3400 Airport Avenue building on the east side of the street.

The College is working cooperatively with the Santa Monica Airport and the City of Santa Monica to design and construct the replacement roadway and new walkway. As the primary beneficiary, the College will fund the project; however a portion of the College’s expenditures will be applied as a rent credit by the City for the College’s current use of the 3500 Airport Avenue parking lot through June 2015, in acknowledgement of the benefits the project will provide to the Airport.

Comment:  The Adopted Budget needs to be amended to reflect the totals of the departmental budgets. The current system of the Los Angeles County Office of Education requires Board approvals each month for budget adjustments. Only the net amount of the transfers in or out of the object codes is shown. In addition to the budget adjustments, transfers result from requests by managers to adjust budgets to meet changing needs during the course of the year.

RECOMMENDATION NO. 19 PURCHASING

Requested by: Cynthia Moore, Director, Purchasing Department
Approved by: Bob Isomoto, Vice President
Requested Action: Approval/Ratification

19-A AWARD OF PURCHASE ORDERS

Establish purchase orders and authorize payments to all vendors upon delivery and acceptance of services or goods ordered. All purchases and payments are made in accordance with Education Code requirements and allocated to approve budgets. Lists of vendors on file in the Purchasing Department.

October 2013 (10/1/13 – 10/31/13): $ 18,404,931.02

19-B AWARD OF CONTRACT

Comment: The award of competitive contracts bid through various state and local agencies allows SMC to leverage buying power through strategic sourcing and achieved commodity and service savings as well as reduce administrative cost. These indirect (MRO) contracts are targeted to the products and services which SMC routinely purchases. Leveraging the aggregate buying power and strategic sourcing is a process that moves SMC away from numerous individual procurements to a broader aggregate approach, allowing SMC to achieve savings ranging from 20 to 65 percent.
