http://www.smc.edu/admin/trustees/meetings/

Written requests for disability-related modifications or accommodations, including for auxiliary aids or services that are needed in order to participate in the Board meeting are to be directed to the Office of the Superintendent/President as soon in advance of the meeting as possible.
PUBLIC PARTICIPATION
ADDRESSING THE BOARD OF TRUSTEES

Members of the public may address the Board of Trustees by oral presentation concerning any subject that lies within the jurisdiction of the Board of Trustees provided the requirements and procedures herein set forth are observed:

1. Individuals wishing to speak to the Board at a Board of Trustees meeting during Public Comments or regarding item(s) on the agenda must complete an information card with name, address, name of organization (if applicable) and the topic or item on which comment is to be made.

   Five minutes is allotted to each speaker per topic. If there are more than four speakers on any topic or item, the Board reserves the option of limiting the time for each speaker. A speaker’s time may not be transferred to another speaker.

   Each speaker is limited to one presentation per specific agenda item before the Board, and to one presentation per Board meeting on non-agenda items.

General Public Comments and Consent Agenda

- The card to speak during Public Comments or on a Consent Agenda item must be submitted to the recording secretary at the meeting before the Board reaches the Public Comments section in the agenda.

- Five minutes is allotted to each speaker per topic for general public comments or per item in the Consent Agenda. The speaker must adhere to the topic. Individuals wishing to speak during Public Comments or on a specific item on the Consent Agenda will be called upon during Public Comments.

Major Items of Business

- The card to speak during Major Items of Business must be submitted to the recording secretary at the meeting before the Board reaches that specific item in the Major Items of Business in the agenda.

- Five minutes is allotted to each speaker per item in Major Items of Business. The speaker must adhere to the topic. Individuals wishing to speak on a specific item in Major Items of Business will be called upon at the time that the Board reaches that item in the agenda.

Exceptions: This time allotment does not apply to individuals who address the Board at the invitation or request of the Board or the Superintendent

2. Any person who disrupts, disturbs, or otherwise impedes the orderly conduct of any meeting of the Board of Trustees by uttering loud, threatening, or abusive language or engaging in disorderly conduct shall, at the discretion of the presiding officer or majority of the Board, be requested to be orderly and silent and/or removed from the meeting.

No action may be taken on items of business not appearing on the agenda

The next regular meeting of the Santa Monica Community College District Board of Trustees will be held on Tuesday, September 5, 2014 at 7 p.m. (5:30 p.m. if there is a closed session) in the Santa Monica College Board Room and Conference Center, Business Building Room 117, 1900 Pico Boulevard, Santa Monica, California.

APPENDIX A: Noncredit (Adult Education) Programs
MAJOR ITEMS OF BUSINESS

INFORMATION ITEM 1

SUBJECT: EMERGENCY PREPAREDNESS/FIRE ALARMS/SECURITY SYSTEMS

SUBMITTED BY: Vice-President, Business/Administration
Vice-President, Student Affairs

SUMMARY: Since the incident of June 7, 2013, the District has been evaluating and upgrading its Emergency Preparedness System at the college. The three main areas that have been addressed over the past year include:
1. The need for District-wide training,
2. The need for a centralized emergency/alarm notification system, and
3. The need for a uniform locking system, particularly for classrooms.

Last summer, the “SingleWire” system was installed to notify the campus community of emergency situations via phone and speakers. In early fall. The District contracted with MDC Engineers to review all of the college’s safety and security systems including access control, intrusion alarms, video surveillance, emergency phone towers and fire alarms.

The college currently has access-controlled doors in newer buildings, a variety of different intrusion alarms in most buildings, and over 200 security cameras. The current systems have some issues:

- Only newer buildings have the ability for lockdown.
- There are a variety of intrusion alarm systems, many of which cannot be directly monitored by Campus Police and must use a remote monitoring service.
- The software that controls our access and intrusion alarm systems is out of date, and even the upgraded software that replaces it has been discontinued and will not be supported in a few years.
- Most of the video cameras are old analog low-resolution units.
- The current video monitoring and recording software is out of date and cannot handle high-definition cameras.
- All of the older fire alarm systems have not yet been replaced with the college’s new standard.

There is difficulty maintaining the current systems and need to make the transition from analog to digital.
MDC’s recommendations include:

- Replacing the access control and intrusion alarm systems with new software and servers.
- Electronic access control of perimeter doors in all major buildings with one touch lockdown capability.
- High definition security cameras with video analytics, indoor and outdoor. Cameras located only in public areas.
- Real-time information to officers in the field, including video.
- Additional mass notification capabilities to interface with the SingleWire system including high powered outdoor speakers.
- Replace outdated fire alarm systems and install a new central fire alarm control server.

The approximate cost for the system upgrade will be $4.5 million (see recommendation No. 1-A for use of CMAS program for procurement) for security and $2.5 million for fire.

The site survey and system selection phases have been completed, and the engineering phase is in progress. Installation is expected to begin in fall and continue through next summer.
MAJOR ITEMS OF BUSINESS

RECOMMENDATION NO. 1-A

SUBJECT: AUTHORIZATION TO PROCURE SECURITY SYSTEM UPGRADE THROUGH THE CALIFORNIA MULTIPLE AWARDS SCHEDULE (CMAS)

SUBMITTED BY: Vice-President, Business/Administration Vice-President, Student Affairs

REQUESTED ACTION: It is recommended that the Board of Trustees authorize the procurement of the Security Systems Upgrade using the following California Multiple Awards Schedule (CMAS) agreements:

1. Contract 3-11-70-0163AM with NEXUS IS, Inc. expiring 06/30/2018 for Information Technology products and services.
2. Contract 3-09-70-0163AE with NEXUS IS, Inc. expiring 09/30/2017 for Information Technology products and services.

FUNDING SOURCE: Measure AA

SUMMARY: The Public Contract Code allows procurement of information technology products and services through the CMAS program. The security systems upgrade planned for the District is a digital information technology system using software and servers. The use of the CMAS contract will result in savings to the District in engineering, procurement, materials and services.

The Security System Upgrade will comprise the following:

• Replacing the access control and intrusion alarm systems with new software and servers.
• Electronic access control of perimeter doors in all major buildings with one touch lockdown capability.
• High definition security cameras with video analytics, indoor and outdoor. Cameras located only in public areas.
• Real-time information to officers in the field, including video.

The award of the project contracts will be submitted to the Board for approval at future meetings.

RECOMMENDATION NO. 1-B

SUBJECT: AMENDMENT TO AGREEMENT FOR ENGINEERING SERVICES FOR SECURITY SYSTEMS UPGRADE

SUBMITTED BY: Vice-President, Business/Administration
Vice-President, Student Affairs

REQUESTED ACTION: It is recommended that the Board of Trustees approve Amendment No. 1 to the agreement with MDC Engineers for engineering services for an amount not to exceed $275,000 plus reimbursable expenses.

| Original Contract | $365,000 |
| Amendment #1      | $275,000 |
| Revised Contract Total | $640,000 |

FUNDING SOURCE: Measure AA

SUMMARY: Phase 1 of this project reviewed the college’s existing security systems and practices including interviewing key stakeholders, examining threats and vulnerabilities, and surveying all campus sites. At the end of the phase, MDC provided recommendations as to systems, software and vendors. Phase 2 of the project involves detailed engineering drawings and specifications, along with managing the implementation of the systems installation.

INFORMATION ITEM 2

SUBJECT: NONCREDIT (ADULT EDUCATION) PROGRAMS

SUBMITTED BY: Vice-President, Academic Affairs

SUMMARY: Noncredit instruction is state-supported and regulated, authorized by Title 5 and the California Education Code. The courses are state-funded through apportionment, but unlike credit courses, apportionment for noncredit courses is based on positive attendance, which means that the college is only funded for the time that a student is actually present in each class.

There are currently 10 categories of noncredit education eligible for apportionment based funding from the state:

- English as a Second Language
- Immigrant Education (including citizenship)
- Elementary and Secondary Basic Skills (including supervised tutoring)
- Health and Safety
- Courses for Adults with Substantial Disabilities
- Parenting
- Home Economics
- Courses for Older Adults
- Short-Term Vocational (including apprenticeship programs)
- Workforce Preparation

Santa Monica College currently offers classes in five of these categories (ESL, Citizenship, Basic Skills and Supervised Tutoring, Courses for Adults with Substantial Disabilities and Courses for Older Adults-Emeritus College). Historically, the college has also offered Parenting classes and Basic Skills classes through the California High School Exit Exam (CAHSEE) program; these programs are not currently offered due to low demand. The report (Appendix A) focuses on the ESL, Citizenship, Older Adults and noncredit DSPS classes and provides an update on the proposed changes to how noncredit (Adult Education) may be provided in the future.

RECOMMENDATION NO. 3

SUBJECT: AWARD OF BID – HEALTH, PE, FITNESS, DANCE AND CENTRAL PLANT

SUBMITTED BY: Vice-President, Business/Administration

FUNDING SOURCE: Measure AA

COMMENT: This project will replace the existing one-story PE Locker Room building, which is in need of health and safety upgrades, with a completely new three-story 63,500 square foot structure. Designed by Gensler, this multipurpose facility will consist of athletic locker rooms, training rooms, classrooms, fitness center, three fitness studios, three dance studios, offices and a climbing wall. One end of the building will overlook the quad while the other end will have views of Corsair Field.

Also included is a central plant and thermal energy storage on the lower level. The central plant will provide the entire campus with chilled water for air conditioning, which will result in significant energy savings and reduced maintenance costs. The project also includes the installation of underground chilled water piping that will circle the campus. A future project will connect each building on campus to the chilled water loop and upgrade equipment as necessary to utilize the chilled water from the central plant.

The low bidder, Bernards Brothers, is currently working on the Information Technology project on the main campus and on the East Wing of the Performing Arts Center.

RECOMMENDATION NO. 4

SUBJECT: STUDENT HEALTH FEE

SUBMITTED BY: Vice-President, Student Affairs

REQUESTED ACTION: It is recommended that the Board of Trustees approve an increase in the Student Health Fee by $1.00, effective Winter 2015. With this increase, the Student Health Fee will be $19.00 for fall and spring semesters and $16.00 for summer and winter sessions.

SUMMARY: The student Health fee covers a variety of health and psychological services at Santa Monica College. The direct services include nursing assessment and consultation and referrals, breast exams, over-the-counter medications, vaccinations, wound bandages, TB testing, physical exams, one-on-one health teaching and health counseling, risk prevention, health promotion workshops, prescription medications, STD testing, gynecological services, HIV testing, health booklets/brochures library, hearing and vision testing, feminine products, first aid materials, hand sanitizer, sun block, lip balm, access to licensed nurse practitioners, physicians and psychologist. The requested increase in the fee is due to the increased demand for student health services and psychological services. Even with the increased demand for both Student Health and Psychological services over the past six years, the health fee has slowly increased. In 2008 the fee was $14 (Fall and Spring) and $10 (Winter and Summer).

Education Code Section 76355 provides the governing board of a community college district the option of increasing the student health services fee by the same percentage as the increase in the Implicit Price Deflator for State and Local Government Purchases of Goods and Services as published by the U.S. Department of Commerce. Whenever the calculation produces an increase of one dollar above the existing fees, this fee may be increased by $1.00.

All Student Health Fees collected pursuant to section 76355 shall be deposited in the Student Health Fee Account in the Restricted General Fund of the district. These fees shall be expended only to provide health services as specified in regulations adopted by the board of governors. Allowable expenditures include health supervision and services, including direct or indirect medical and hospitalization services, the operation of a student health center, and Psychological Services.

RECOMMENDATION NO. 5

SUBJECT: FIRST READING - BOARD POLICY SECTION 3120, EQUAL EMPLOYMENT OPPORTUNITY AND NONDISCRIMINATION IN EMPLOYMENT

SUBMITTED BY: Superintendent/President

REQUESTED ACTION: It is recommended that the Board of Trustees conduct a first reading of Board Policy Section 3120, Equal Employment Opportunity and Nondiscrimination in Employment.

SUMMARY: The recommended revisions to Board Policy 3120 reflecting Chancellor’s Office regulations were approved by the DPAC Human Resources Planning Subcommittee and approved by DPAC on June 25, 2014. The revised policy combines former policy sections 3120 and 3122.

Board Policy Section 3120: Equal Employment Opportunity and Nondiscrimination in Employment

The Santa Monica Community College District is committed to the principles of equal employment opportunity. The District will provide equal employment opportunity in accordance with all applicable federal, state, and local laws, and will implement a comprehensive program to put those principles into practice.

No person shall be subjected to unlawful discrimination in any program or activity of the District on the basis of ethnic group identification, race, color, national origin (including language and accent), religious creed, age, sex, gender, physical disability, mental disability, ancestry, sexual orientation, citizenship status, gender identity, gender expression, familial status, marital status, socio-economic status, military and veteran status, genetic information, or medical condition. No person shall be subjected to discrimination on the basis of these actual or perceived characteristics, or based on association with a person or group with one or more of these actual or perceived characteristics.

The Board commits the District to vigorous equal employment opportunity in all aspects of its academic and classified employment programs, including recruitment, selection, assignment, retention, promotion, and transfer. The District will strive to achieve a workforce that reflects and welcomes diversity to ensure an inclusive educational environment. Such an environment fosters cooperation, acceptance, democracy and free expression of ideas.

The Board of Trustees approves the Equal Employment Opportunity Plan and assumes overall responsibility for the success or failure of the Plan. The Board delegates to the Superintendent/President the responsibility for implementing this policy consistent with all applicable provisions of the Education Code and Title 5. The Equal Employment Opportunity Plan will be maintained to ensure principles that conform to all applicable federal, state, and local laws.

MAJOR ITEMS OF BUSINESS

RECOMMENDATION NO. 6

SUBMITTED BY: Chair, Board of Trustees

REQUESTED ACTION: It is recommended that the Board of Trustees review and approve the final Board of Trustees Goals and Priorities, 2014-2015:

BOARD OF TRUSTEES GOALS AND PRIORITIES, 2014-2015

Our Commitment to Access, Equity and Sustainability

Educational Advancement and Quality

1. Support a culture of evidence that fosters the use of rigorous methodology to monitor and improve institutional effectiveness and student progress.

2. Institutionalize initiatives that are effective in reducing the student equity gap, improving basic skills mastery in mathematics and English by, for example, deepening outreach into high schools, and expanding Summer JAMS and First Year Experience to include the development of pathways to transfer.

3. Strengthen and promote workforce/career technical programs and pathways such as EMERGE and the rebranding of the Academy of Entertainment and Technology, and improve CTE completion rates.

4. Support i3 and other innovative practices that address student need and increase student success.

5. Increase the number of full-time faculty members.

Fiscal Health and Internal Operations

6. Restore the financial health of the College through revenue-generation and cost control.

7. Ensure inclusiveness in the budget development process and transparency in budget communication efforts.

8. Build and maintain a reserve sufficient to protect against unforeseen circumstances.

9. Continue to implement the plan to safeguard post-retirement employee benefits.

10. Pursue and obtain appropriate external funding.

11. Enhance safety and emergency preparedness systems and procedures.
Community and Government Relationships

12. Foster community and government relationships and partnerships in fulfillment of SMC’s vision and mission.

13. Ensure the continued success of Emeritus College.

14. Participate in the Cradle to Career Initiative, make progress on the Early Childhood Education Center, and strengthen and expand programs and partnerships that serve SMMUSD students.

Facilities and Sustainability

15. Maintain progress on all SMC facilities construction and transportation projects.

16. Work with partner agencies to support safe, convenient pedestrian, bicycle and bus connections between the 17th Street/SMC Expo station and campuses.

July 1, 2014 (Regular Board of Trustees Meeting)
July 15, 2014 (Board of Trustees Study Session)
CONSENT AGENDA: GRANTS AND CONTRACTS

RECOMMENDATION NO. 8: GRANTS/CONTRACTS AND BUDGET AUGMENTATION

Requested Action: Approval/Ratification
Requested by: Laurie McQuay-Peninger, Associate Dean, Grants
Approved by: Randal Lawson, Executive Vice President

Title of Grant: Small Business Sector Navigator Mini-Grant
Granting Agency: Los Angeles Community College District (through funding from the California Community Colleges Chancellor’s Office/Division of Workforce and Economic Development)

Award Amount: $10,000
Matching Funds: Not applicable
Performance Period: August 1, 2014 – August 31, 2015

Summary: Funding from the Small Business Sector Navigator Program for Los Angeles and Orange Counties will strengthen institutional capacity to deliver quality postsecondary education and training in Computer Science and Information Systems. This will be accomplished through a two-pronged approach that will:

1) Increase the number of students who pursue industry-recognized credentials, specifically QuickBooks and Microsoft Office Certification. SMC will use grant funds to purchase a Certification Testing Site License for Quickbooks and Microsoft Office.
2) Increase student access to and success in postsecondary education and training by engaging in outreach activities that raise awareness of careers in CSIS and encouraging student enrollment. SMC will use grant funds to purchase materials to support the activities of the Women in Technology Club and to develop marketing materials for distribution during outreach events.

RECOMMENDATION NO. 15  AUTHORIZATION OF SIGNATURES, 2014-2015

Requested by: Christopher Bonvenuto Chief Director, Business Services
Approved by: Robert Isomoto, Vice President of Business and Administration
Requested Action: Approval/Ratification

Authorization of signatures of all academic and classified managers, and department chairs (see following lists) to approve invoices and payments on contracts for the Santa Monica Community College District for 2014-2015.

Comment: To comply with Education Code Sections 85232 and 85233 and the Los Angeles County Office of Education (LACOE), the Board of Trustees is required to authorize signatures of those persons who approve invoices and payments on contracts.

The auditing system at LACOE reviews each phase of the payment process including the authorized signatures approved by the Board. The Superintendent/President and Vice-President continues to be the only authorized signatures for orders of salary payments, notices of employment, orders for commercial warrants and approval of contracts.

Education Code Section 85233 states: “No order on the funds of any district shall be approved by the county superintendent of schools unless the signatures are on file in the Superintendent’s Office and he/she is satisfied that the signatures on the order are those of persons authorized to sign the order.”

RECOMMENDATION NO. 16  FACILITIES

16-A  CONSTRUCTION ESCROW AGREEMENT – PERFORMING ARTS CENTER EAST WING

Pursuant to Section 22300 of the Public Contract Code the contractor has the option to deposit securities with escrow agent as a substitute for retention earnings required to be withheld by the District for the Performing Arts Center-East Wing project. Alternatively, on written request of the contractor, the District shall make payments of the retention earnings directly to the escrow agent, U.S. Bank. The market value of the securities at the time of the substitution shall be at least equal to the cash amount then required to be withheld as retention. Securities shall be held in the name of the District and shall designate the contractor as beneficial owner. The District shall make progress payments to the contractor for such funds which otherwise would be withheld from progress payments pursuant to the contract provisions, provided that the escrow agent holds securities in the form and amount specified.

Funding Source:  Measure AA

Comment:  The escrow agreement created under section 22300 allows the contractor a method of earning interest on funds that are normally withheld and not paid until the end of the project.

Comment: Amendment 5 provides for architectural and engineering services to redesign the elevator guiderails for the project. The redesign is necessary because the contractor submitted shop drawings for an elevator different than that approved by the Division of the State Architect (DSA). The scope of work to be performed as part of this amendment includes redesign of the guide rails, verification of the design of the existing elevator pit and enclosure and preparation and approval of a new submittal to DSA. Credit will be received from the contractor for this change.

SMC Bond Capital Construction Budget Summary as of June 30, 2014

This report includes information on the entire bond capital construction program on one page:

- Project Number
- Project Name
- Bond Measure Budget
- Other Funding
- Total Budget
- Estimate at Completion
- Variance
- Status
- Bond Funds Remaining

The detailed reports now include a Bond Budget History page (see pages 16, 27 and 40 of reports distributed with agenda).

Overview of Projects

- Information Technology Building: The first phase is completed and staff is moving in next week. Phase 2 (remodeling of the old media center) will start when it is vacated and will be completed in six months.

- Academy of Entertainment and Technology: The first level of the parking garage is complete. The foundation for KCRW and renovation of the existing building are underway. Construction will continue through the end of 2015.

- Performing Arts Center East Wing: This a new two-story building east of the Broad Stage. It is a 14-month project.

- Health/P.E./Fitness/Central Plant: This three-story building will replace the old locker room.

- Early Childhood Education Center: Issues with the site at the Civic Center have been resolved, and the plans will need to go through the City of Santa Monica approval process. This is a laboratory school for SMC students to be operated by a third party for children in the community (enrollment of 106 children).

- Malibu Center: The District continues to work through the approval process. It will probably take through the end of this year to work out the issues with the City of Malibu. The plans are currently in the Division of the State Architect (DSA).

- Student Services Building: The architects made a presentation at the last Board of Trustees meeting. The project is moving ahead into Phase 2 – design development.
Measure U, S and AA and Bond Sales Expenses Reports

- Measure U: Total Measure U expenditures last period were $339,258; total remaining funds are $17,347,064.

- Measure S: Total expenditures last period were $77,360; total remaining funds are $68,757,962.

- Measure AA: Total expenditures last period were $9,146,888; total remaining funds are $227,910,184.

- The District will be considering the sale of bonds to spend in the next three years. More specific information will be available at the next meeting.

- The Bond Sales/Expenses Report indicates total bond amounts, bond issue dates/amounts, unsold bond amount and total available as of March 31, 2014.

INFORMATION ITEM 2

SUBJECT: NONCREDIT (ADULT EDUCATION) PROGRAMS

INTRODUCTION

Noncredit instruction is state-supported and regulated, authorized by Title 5 and the California Education Code. The courses are state-funded through apportionment, but unlike credit courses, apportionment for noncredit courses is based on positive attendance, which means that the college is only funded for the time that a student is actually present in each class.

There are currently 10 categories of noncredit education eligible for apportionment-based funding from the state:

- English as a Second Language
- Immigrant Education (including citizenship)
- Elementary and Secondary Basic Skills (including supervised tutoring)
- Health and Safety
- Courses for Adults with Substantial Disabilities
- Parenting
- Home Economics
- Courses for Older Adults
- Short-Term Vocational (including apprenticeship programs)
- Workforce Preparation

Santa Monica College currently offers classes in five of these categories (ESL, Citizenship, Basic Skills and Supervised Tutoring, Courses for Adults with Substantial Disabilities and Courses for Older Adults (Emeritus College). Historically, the college has also offered Parenting classes and Basic Skills classes through the California High School Exit Exam (CAHSEE) program. This report focuses on the ESL, Citizenship, Older Adults and noncredit DSPS classes and provides an update on the proposed changes to how noncredit (Adult Education) may be provided in the future.

Noncredit Program Organization

Noncredit programming resides within the Academic Affairs Department. Staffing support for the program includes one fulltime registration clerk for the ESL and Citizenship programs, and three staff members for the Emeritus College program. The ESL program also has a faculty leader, Melody Nightingale, who ensures the alignment of noncredit ESL curriculum with the credit ESL offering, and manages faculty scheduling and hiring. The program has proposed to hire a 50 percent project manager to coordinate the activities related to Assembly Bill (AB) 86 Regional Consortium planning and the new Workforce Investment Act grant which will be discussed later in this report.
Noncredit Enrollment Overview

According to the latest apportionment report (July 2014), the college generated 660 Full Time Equivalent Students through noncredit enrollment during the 2013/14 academic year. Career Development and College Preparation (CDCP) classes (also known as “enhanced” noncredit) generated 155 FTES. As will be discussed later in this report, CDCP enrollment is funded at a higher rate than “regular” noncredit and may, if the Governor’s proposal is fulfilled, be funded at the same rate as credit in 2015/16.

ENGLISH AS A SECOND LANGUAGE

The primary goal of the college’s noncredit ESL program is to improve students’ communicative (language) skills to help them to function effectively in English. The program supports SMC’s Mission Statement in that it assists students in the development of the skills needed to succeed in credit postsecondary education programs, prepares students for careers, and nurtures a lifetime commitment to learning.

The noncredit ESL program serves some of the most vulnerable populations in the state—individuals who arrive in this country with little or no English literacy and sometimes, without literacy in their native language. Most of SMC’s noncredit ESL students are non-native speakers. (F-1 visa students are not eligible to take noncredit classes.) There are no fees associated with these courses, but students are strongly encouraged to buy textbooks.

Noncredit ESL courses are offered in a multi-skill format at various levels. Students do not undergo assessment as the college has not validated one of the Chancellor’s Office approved assessment instruments, in anticipation of the implementation of a common assessment test which is currently under development. Thus, students “self-select” into the class they feel is appropriate for their skill level, and faculty make recommendations to students if they believe students have not enrolled in a course appropriate to their level.

There are currently seven course levels from beginning literacy to high advanced. Multi-skills courses cover beginning, intermediate and advanced students. Special interest courses include speaking/listening, reading/writing, and a course that covers vocabulary, idioms, and prepositions.

Because the noncredit ESL courses are offered on an open-entry, open-exit basis, to accommodate the adult education student population served, students may enroll in classes at any time during the semester if space allows. Students may also stop attending these classes at any point in the semester. Open entry/open exit enrollment allows the program to meet the work, family and other challenges faced by the population served.

Until recently, classes have been offered at four locations: the Performing Arts Campus, the Bundy campus, St. Anne’s Catholic Church, and Menorah Senior Housing. Because of a surge in enrollment and space limitations at Menorah Senior Housing, the class was moved back to the Bundy campus in fall 2012.

The ESL Department Chair and the Noncredit ESL Faculty Leader (also a full-time ESL faculty member) collaborate on hiring faculty and staffing classes. There are typically six instructors who teach only in the noncredit program and two or three faculty members who teach in both the credit and noncredit programs, helping to ensure continuity.

Enrollment and Demographics

In recent years, the program has experienced tremendous growth. In fall 2007, there were 502 students enrolled in noncredit ESL courses. By fall 2013, there were 1,557 students enrolled, which represents a three-fold increase in the number of students that the program serves. This growth accelerated in recent years as local K-12 adult schools continued to reduce or eliminate their adult education offerings as a result of the “flexibility” option the school districts were granted through the Local Control Funding Formula (LCFF), which allowed school districts to move funds to their priority areas.
The percentage of males and females has not changed significantly. In fall 2007, out of 507 students, there were 137 males (27%) and 365 females (73%). In fall 2013, out of 1557 students, there were 356 males (23%) and 1,201 females (77%). The majority of ESL students are Hispanic (22.5%), Asian (30.6%), and White (37.4%). Students range in age range from 19 to 50 years and older. The majority of students are between 30 and 39 years old.

CITIZENSHIP

The citizenship classes are offered through St. Anne’s Church. To date, the program has had a 100% pass rate of students who eventually take the citizenship examination. The dedication of Nicola Magee, the faculty member who teaches the class, is largely responsible for this success rate. In addition to ensuring that the community is aware of the class, she often accompanies students to the federal offices when they have their examination and interview and to the naturalization ceremonies that commemorate students’ new citizenship.

On average, 70 students enroll in citizenship classes each term. Over two thirds of the students are female, and Hispanic students represent the majority of enrolled students (43.5%), compared with Asians (7.2%), Black (4.3%), and White (33.3%).

EMERITUS COLLEGE

Emeritus College (Emeritus) is now in its 39th year and continues to offer a broad program of non-credit adult education classes to older adults who reside in the City of Santa Monica and the greater Los Angeles area. This educational program is designed to address the unique needs of the older adult population – helping students achieve their educational goals and meet their educational needs as they cope with changes related to aging. In addition to the curriculum, social interactions with peers are a key aspect of Emeritus – helping students to build peer networks, which in turn builds social supports that promote well-being.

About 3,000 students enroll in Emeritus classes each semester. Women continue to represent a disproportionately large majority of the Emeritus student population. Most Emeritus students are between the ages of 61-85 years old (82%), with 66-70 years old being the largest 5-year range (21%).

In Fall 2014, Emeritus will offer 119 class sections (3 more class sections than Fall 2013). In addition to offering classes at the main Emeritus campus, many of the classes are offered throughout the community. This allows students to take advantage of the program within their own neighborhood at familiar sites. Through continuing partnerships with the City of Santa Monica and City of Malibu, Emeritus is able to use public facilities free of charge at several locations including 1450 Ocean Blvd, Virginia Avenue Park, and the Malibu Senior Center. Besides the convenient location, classes at Virginia Avenue Park also target the Latino community with courses offered in Spanish, such as: Literature in Spanish, Strength & Stamina, and Spanish Folk Singing.

Fundraising

The fundraising arm of Emeritus has two basic components: planned giving and the annual campaign. As a result of the long-term investment in this area, Emeritus has been the recipient of several large gifts which have been placed in trust. Currently, funds held for Emeritus by the SMC Foundation total about $4.5 million.

Every year, Emeritus conducts an annual fundraising campaign overseen by the Emeritus College Executive Committee (ECEC) Fundraising Committee. While student participation varies from year to year, over $150,000 is typically raised annually. Currently, the Foundation Annual Fund Director, ECEC Fundraising Committee and Acting Associate Dean are collaborating to celebrate Emeritus’ 40th anniversary in Spring 2015 and brainstorming ways to diversify fundraising efforts through this special
Proposed equalized funding (2015/16) for Career Development/College Preparation (CDCP) classes.

Investment Act (WIA) Title II: Adult Education and Family Literacy Act (AEFLA) Grant and the Governor’s streams planning activities to promote students successful completion of education goals. Finally, new funding streams are or may be available to help the noncredit program better serve its students: the Workforce Investment Act (WIA) Title II: Adult Education And Family Literacy Act (AEFLA) Grant and the Governor’s proposed equalized funding (2015/16) for Career Development/College Preparation (CDCP) classes.

Special Programs

Due to the budget issues and resulting reductions in class offerings, Emeritus College used its foundation funds for the last two winter intersessions (2013 and 2014) to underwrite classes, thus mitigating the reduction in course offerings. Also, to help supplement classes throughout the 2013-2014 academic year, particularly in the Winter 2013 and 2014 intersessions, a wide variety of supplementary activities were offered to Emeritus students. Students were enthusiastic about the activities and many events were filled to capacity. Activities included such programming as:

- Much Ado About Pasadena (bus tour)
- Violin Recital by Laurette C. Boarman – Musical Tour of Eastern Europe
- Lecture by Earl Schub on Rodgers & Hart & Hammerstein
- Walking Tour of Murals in Downtown L.A.

Legislative Challenges

In March 2014, Emeritus created an 11-member Task Force to oppose Senate Bill (SB) 173. The task force included faculty, students and administrators. More than a dozen student volunteers made presentations and distributed letters of opposition for signatures. Over 2,400 letters of opposition were collected by the Task Force. Thankfully, as will be mentioned later in this report, the author amended SB 173 in May to remove language which would have eliminated funding for Older Adult programs.

PROGRAMS FOR STUDENTS WITH DISABILITIES

The college offers a small selection of noncredit classes for students with disabilities. Approximately 10% of Disabled Students Programs and Services (DSPS) students enroll only in the DSPS noncredit classes.

In Fall 2013, 172 students (83 female, 89 male) enrolled in the noncredit DSPS classes offered. These classes include Counseling 906, American Sign Language; Counseling 910, Acquired Brain Injury (ABI) Connections; Counseling 912, Occupational Skills; and Counseling 921, Learning Skills.

FUTURE OF ADULT EDUCATION

Noncredit Adult Education has been the focus of several significant proposals which have potential impact on the way programs are structured, delivered and funded. Recent reports including the Legislative Analysts’ Office 2012 report, Restructuring California’s Adult Education System, have blasted the “dual system” approach in which both the K-12 and California Community Colleges provide adult education, seemingly without coordination. Proposed and implemented legislation (Senate Bill (SB) 173 and Assembly Bill (AB) 86) has addressed which categories of Adult Education should be funded by the state. Another piece of legislation, SB 1456, which resulted in the Student Success and Support Program (SSSP), will provide funding for the implementation of orientation, assessment and placement, and education planning activities to promote students successful completion of education goals. Finally, new funding streams are or may be available to help the noncredit program better serve its students: the Workforce Investment Act (WIA) Title II: Adult Education And Family Literacy Act (AEFLA) Grant and the Governor’s proposed equalized funding (2015/16) for Career Development/College Preparation (CDCP) classes.
**SB 173 AND FUTURE STATE SUPPORT FOR OLDER ADULT, HEALTH AND SAFETY, PARENTING, AND HOME ECONOMICS CLASSES**

Introduced by State Senator Carol Liu in 2013, SB 173 threatened to eliminate several categories of noncredit classes from Title 5, thus making these categories ineligible for apportionment. The four categories include Older Adults, Health and Safety, Parenting and Home Economics. Opposition voiced by several professional organizations, individuals and colleges resulted in the bill being held over as a two-year bill in Fall 2013. Continued opposition to the bill resulted in Senator Liu making significant concessions, amending the bill to remove the language which would have eliminated the four categories of noncredit from being eligible for funding. As a result of these amendments, the bill was passed unanimously on June 10, 2014 by the Assembly Committee on Higher Education.

Because the bill has a potential fiscal impact of more than $150,000, it has been placed in the Suspense File (any measure that has a potential impact of more than $150,000 is moved to this file). The Assembly Appropriations committee will consider all bills that are on their Suspense File on August 14, 2014. There will be no testimony taken at this hearing. If Senator Liu chooses to work with the committee on amendments to reduce the total cost of the bill, these amendments will be incorporated by the Appropriations committee as the bill leaves Suspense File.

It is hopeful that current noncredit apportionment levels will continue for these categories after 2015/16.

**ASSEMBLY BILL 86: ADULT EDUCATION REGIONAL CONSORTIUM PROGRAM**

**Overview**

The purpose of AB 86, section 76, Article 3 is to provide grant funds to regional consortia to create and implement a plan to better provide Adult Education within each consortium’s region in the following categories:

- Elementary and secondary basic skills, including classes required for a high school diploma or high school equivalency certificate
- Classes and courses for immigrants eligible for education services in citizenship and English as a Second Language and workforce preparation classes in basic skills
- Education programs for adults with disabilities
- Short-term career technical education programs with high employment potential
- Programs for apprentices

Santa Monica College and the Santa Monica Malibu Unified School District (SMMUSD) are partners in the regional consortium which is based on the college’s district boundaries. The consortium was funded at $180,901. Members of the college and the school district have been meeting to assess the current Adult Education programs offered by the two members and identify gaps that will need to be addressed. The consortium has had one meeting with faculty but a second meeting scheduled for the summer was cancelled due to the lack of availability of faculty members. Regularly scheduled meetings will commence in the fall as the discussions shift from purely administrative issues to curriculum development, professional development, and the development of innovative classroom and support strategies designed to increase student success.

**AB 86 Comprehensive Plan**

A preliminary draft of the SMMUSD/SMC Adult Education Consortium will be submitted July 31, 2014. When fully completed in July 2015, the plan will address:

- An evaluation of current level and types of adult education programs within the region
- An evaluation of current needs for adult education programs within the region
• Plans to integrate existing programs and create seamless transitions into postsecondary education or the workforce
• Plans to address the gaps identified
• Plans to employ approaches proven to accelerate a student’s progress toward his or her academic or career goals
• Plans to collaborate in the provision of ongoing professional development opportunities for faculty and other staff to help them achieve greater program integration and improve student outcomes
• Plans to leverage existing regional structures

The consortium members are identifying gaps in current programming and strategies for filling those gaps, which is one of the goals of the legislation. Both the school district and the college provide programs in English as a Second Language, citizenship, and programs for adults with disabilities. The school district provides elementary and secondary basic skills classes and offering these classes as an additional delivery mode (along with credit basic skills) could be advantageous for the college should the proposed funding equalization take place in 2015-16.

The two areas of Adult Education addressed in AB 86 that are not currently provided by either consortium member are short-term noncredit career technical education programs and apprenticeship programs. The consortium members will develop a plan to address how each of these areas might be addressed in the future. New curriculum will be designed in a way that focuses on transition and integration between the two systems. Community partners will be identified and invited to participate, as appropriate, in the consortium’s planning processes to facilitate this goal.

Future Funding (2015/16)

The intent of the legislature is to provide additional funding in 2015/16 to the regional consortia to expand and improve adult education. At this time, it is unknown what the level of funding will be in 2015-2016 or how the funds will be administered. The 70 regional plans that are being developed by each regional consortium will help inform the legislators in determining what funding will be made available. The AB 86 Work Group is having discussions with stakeholders representing a wide range of constituent groups to develop the funding formula and administration process.

STUDENT SUCCESS AND SUPPORT PROGRAM (SSSP)

The California Community Colleges began receiving a separate allocation for noncredit matriculation services in 1997. Because the current SSSP activities are focused on credit programs, 2014/15 noncredit funding will be based on the formula used from 2001-02 through 2008-09 to determine noncredit matriculation funding levels. A separate noncredit program and budget plan will be due in Fall 2015. A statewide task force has been assembled to define a new formula which will be developed during 2013-14 for implementation in 2015-16, based on a combination of eligible students and services provided.

While the formula has yet to be developed, SB 1456 requires that the SSSP funding formula for noncredit programs target full implementation of orientation; assessment and placement; and counseling, advising, and other education planning services. Until last year (2013/14), SMC received very low levels of matriculation funds, averaging approximately $20,000 per year. The 2013/14 allocation ($45,940, based on P-1) is significantly higher and will allow the program to begin to develop sustainable orientation, counseling, and other support services.
SMC applied for and was recently granted funding under the WIA Title II/AEFLA program through the California Department of Education. The purposes of the AEFLA are to:

- Assist adults in becoming literate and obtaining the knowledge and skills necessary for employment and self-sufficiency;
- Assist adults who are parents in obtaining the educational skills necessary to become full partners in the educational development of their children; and
- Assist adults in the completion of a secondary school education.

The AEFLA is a pay-for-performance reimbursable grant, which means documented student academic and transition outcomes determine future funding. Program areas included in the grant include English as a Second Language, Basic Skills, and English Language Civics and Civic Participation courses.

The college is excited to have this new funding stream available to augment program services, but the impact of the program will not be known until the performance points are assessed via the Comprehensive Adult Student Assessment Systems (CASAS).

**PROPOSED FUNDING EQUALIZATION FOR CAREER DEVELOPMENT/COLLEGE PREPARATION (CDCP) ELIGIBLE CLASSES**

The apportionment rate for noncredit is currently lower than the apportionment rate for credit. Until 2007, apportionment for noncredit courses was approximately 56% of what the college received for credit courses. However, with the passage of SB 361 in 2008, additional apportionment was provided for noncredit courses which met specific criteria. Known as CDCP (Career Development and College Preparation), these classes earn approximately 71% of what credit classes earn per FTES but are higher than the “regular” noncredit funding rate:

- credit is currently funded at $4,636/FTES
- “enhanced” CDCP non-credit classes are currently funded at $3,282
- “regular” noncredit is currently funded at $2,788 (60% compared to credit’s per FTES funding)

Courses eligible for CDCP funding include the categories of Elementary/Secondary Basic Skills (including Adult High School), English as a Second Language, Short-term Career and Technical Education (CTE) Programs and Workforce Preparation in areas of basic skills.

Although the CDCP rate marks an improvement in funding for noncredit courses, the *Report of the Workgroup on Community College Finance* (2004) recommended apportionment funding should be increased for CDCP courses to the full credit rate when funds were available to increase student success and completion. The Governor’s 2014/15 Budget Revision recommends that, beginning in 2015-16, the CDCP funding rate equal the credit rate. While this change could result in an apparent windfall for colleges with very large CDCP offerings, what is not clear is whether colleges will have a CDCP enrollment cap that will limit the number of noncredit FTES funded at the cr
