RECOMMENDATION NO. 3

SUBJECT: RESOLUTION IN SUPPORT OF SB 850 COMMUNITY COLLEGE DISTRICTS, BACCALAUREATE DEGREE PILOT PROGRAM

WHEREAS, the Public Policy Institute of California (PPIC) recently reported that the State of California will fall one million college graduates short of employer demand by the year 2025 if nothing is done to increase the State’s current production of baccalaureate degree holders; and

WHEREAS, every person deserves the opportunity to pursue the baccalaureate at an institution that is convenient, accessible, and affordable; and

WHEREAS, the lack of sufficient capacity of California’s public universities to meet this need compels students to enroll in high-cost, for-profit institutions that are of questionable quality and have poor success rates; and

WHEREAS, twenty-one states in the nation have already authorized community colleges to offer baccalaureate degrees in selected fields; and

WHEREAS, authorizing California’s community colleges to offer baccalaureate degrees would increase access for underserved populations, benefit the state economy, remove barriers to completion, and compensate for the lack of public university capacity in certain fields; and

WHEREAS, the California Community Colleges Baccalaureate Study Group, convened in 2013 by Chancellor Brice Harris, concluded that “the offering of baccalaureates by the California Community Colleges merits serious review and discussion;”

NOW, THEREFORE BE IT RESOLVED that the Santa Monica College District Board of Trustees supports SB 850 which would allow select community colleges to offer baccalaureate degrees on a voluntary basis as part of an eight-year pilot program.

RECOMMENDATION NO. 4

SUBJECT: SANTA MONICA BIG BLUE BUS THREE-YEAR CONTRACT, 2014-2017

SUBMITTED BY: Superintendent/President

REQUESTED ACTION: It is recommended that the Board of Trustees approve a three-year contract, 2014-2017, with Santa Monica Big Blue Bus, as follows:

- 2014-2015 – $1,356,551.20 (3% increase)
- 2015-2016 – $1,404,030.49 (3.5% increase)
- 2016-2017 – $1,453,171.56 (3.5% increase)

SUMMARY: SMC staff recommends entering into the proposed three-year agreement to provide for sustained financial planning for both SMC and Big Blue Bus. This program provides a system-wide pass for all current SMC students and staff with identification to ride the Big Blue Bus any time, any line, at no charge to the rider. This will be the seventh, eighth, and ninth year of the Any Line, Any Time program. SMC and the City of Santa Monica have engaged in discussion on the importance of program continuation and the appropriate level of financial support given the significant increase in the number of students utilizing the service. Big Blue Bus has proposed an agreement for reimbursement for transit services to be provided in fiscal year 2014-2015 with an increase of 3 percent ($39,511.20) over the current year rate; an increase of 3.5 percent ($47,479.29) in fiscal year 2015-2016; and an increase of 3.5 percent ($49,141.07) in fiscal year 2016-2017. The cost of the program for each of years one through five was $1,219,480; this current year, the cost increased 8 percent and was $1,317,040.

The success of the program is easily measured through the consistent increase in ridership over the past two years, with over 2.8 million trips made by SMC students and staff last year, a 10 percent increase from the prior year.

FUNDING SOURCE: Funding will be from the 2014-2015, 2015-2016, and 2016-2017 District/Transportation Budget with an offset that is anticipated to be provided by the Associated Students of approximately 50 percent.

INFORMATION ITEM 5

SUBJECT: THE BROAD STAGE

SUBMITTED BY: Senior Director, Government Relations/Institutional Communications

In 2013-14, the Broad Stage at the Santa Monica College Performing Arts Center is celebrating its sixth year. The success shows in three main areas: Academic programs, and District Operations and Rental programs, and the Presenting Organization, Madison Project. And although there is often competition to secure available dates on the Broad Stage, the cooperation among its constituents has been remarkable.

Academic Programs

The Broad Stage has afforded many invaluable opportunities for the music and dance departments to showcase their students at a world-class venue. The SMC Orchestra and the SMC Wind Ensemble each perform twice per semester, and there are regular performances by various SMC Jazz groups. And coming up is the biennial fully-staged opera performance, Luisa Fernanda. This year’s opera is directed by new faculty member Janelle Di Stefano, and the SMC Orchestra will be in the pit led by Department Chair James Martin. For Dance, Global Motion and Synapse each perform three times per semester, to sold-out houses.

But just as important, the venue and the music program itself have attracted, through the Applied Music Program, performance-worthy students, who get one-on-one training and a chance to perform on the Broad Stage. Many of these students go on to conservatories for further study. This is a great attraction to higher-caliber performing arts students in area high schools. To foster this program, we bring student performers from Santa Monica High School to perform with various SMC music groups, which demonstrates the quality of our programs. The Applied Music program is a major success for SMC.

District Operations and Rental Program

Since the opening of the Broad Stage in 2008, the District has built an important program of rentals, which has met all of its goals, and helps provide the routine maintenance the venue requires.

Presenting Programs – Madison Project

Over the past six years Madison Project has risen to astonishing success, with attendance increasing each season. Among the most noteworthy of our 200 performances this season will be our back-to-back runs of A Midsummer Night’s Dream, and Man in a Case, starring the great Baryshnikov. We have launched a new jazz initiative to bring jazz and blues to the Westside. And we have broken ground this season with our first Spanish-language performances of Shakespeare’s Henry VIII, and performances as diverse as La Santa Cecilia, The Klezmatics, Fatumata Diawara, an emerging young artist from Mali, Carlos Nunez, and the great Arturo Sandoval and his big band, whom we were fortunate to present just as he was receiving his Presidential Medal. And of course, the world premiere last spring of the opera Dulce Rosa, based on a story by Isabelle Allende, and led by Maestro Plácido Domingo, was a sensation.
As education programs are core to our mission, we are continuing with our program of student matinees, in which we bring nearly 10,000 students to world class performances. Most of these children have never been to a theater. And we are working closely with SMC faculty and students by providing master classes in classical music, jazz and dance, to name a few. SMC students recently had the great benefit of working with the great cellist, Lynn Harrell, and the great jazz vocalist, Kurt Elling. In the past we conducted tap dance classes Savion Glover, and Tango classes with Antonio Lysy.

We have developed a new, fully-funded program called Family Circle, in which we bring families from underserved communities to the Broad Stage for performances and educational opportunities. We provide transportation, meals and tickets to five families to six performances over the season. The participating families have bonded with each other, and with our staff. We have already received funding to significantly expand and improve this program next season.

Since our beginnings in 2006 we have largely met our financial goals. But this season, similar to what many other theaters have experienced, we have seen challenges in ticket sales. We believe this is a result of several factors: Competition in the market place – from other venues but also from Netflix and the wide accessibility of top rate television programming; and we may have expanded a bit too much, and may have inundated our patrons with too many performances, without sufficient funds available for marketing. In addition, our endowment investments have underperformed the market. As a result of these factors, we may show a deficit at June 30, 2014.

But we plan to learn from this year, and have eliminated some staff positions, continue to pursue private funding with multi-year commitments, and have begun to invest the endowment in a more balanced manner. We are also exploring ways to significantly increase our endowment to provide a more stable financial environment.

But our success has been one of collaboration and partnership with the college – the faculty, board and administration. And we are deeply grateful.
