SANTA MONICA COMMUNITY COLLEGE DISTRICT
BOARD OF TRUSTEES

REGULAR MEETING

JULY 7, 2015

Santa Monica College
1900 Pico Boulevard
Santa Monica, California

Board Room (Business Building Room 117)

5:30 p.m. – Closed Session
7 p.m. – Public Meeting

The complete agenda may be accessed on the
Santa Monica College website:
http://www.smc.edu/admin/trustees/meetings/

Written requests for disability-related modifications or accommodations,
including for auxiliary aids or services that are needed in order to
participate in the Board meeting are to be directed to the Office of the
Superintendent/President as soon in advance of the meeting as possible.
**Public Participation**  
**Addressing the Board of Trustees**

Members of the public may address the Board of Trustees by oral presentation **concerning any subject that lies within the jurisdiction of the Board of Trustees** provided the requirements and procedures herein set forth are observed:

1. Individuals wishing to speak to the Board at a Board of Trustees meeting during Public Comments or regarding item(s) on the agenda must complete an information card with name, address, name of organization (if applicable) and the topic or item on which comment is to be made.

   Five minutes is allotted to each speaker per topic. If there are more than four speakers on any topic or item, the Board reserves the option of limiting the time for each speaker. A speaker’s time may not be transferred to another speaker.

   Each speaker is limited to one presentation per specific agenda item before the Board, and to one presentation per Board meeting on non-agenda items.

**General Public Comments and Consent Agenda**

- The card to speak during Public Comments or on a Consent Agenda item must be submitted to the recording secretary at the meeting **before** the Board reaches the Public Comments section in the agenda.

- Five minutes is allotted to each speaker per topic for general public comments or per item in the Consent Agenda. The speaker must adhere to the topic. Individuals wishing to speak during Public Comments or on a specific item on the Consent Agenda will be called upon during Public Comments.

**Major Items of Business**

- The card to speak during Major Items of Business must be submitted to the recording secretary at the meeting **before** the Board reaches that specific item in the Major Items of Business in the agenda.

- Five minutes is allotted to each speaker per item in Major Items of Business. The speaker must adhere to the topic. Individuals wishing to speak on a specific item in Major Items of Business will be called upon at the time that the Board reaches that item in the agenda.

   Exceptions: This time allotment does not apply to individuals who address the Board at the invitation or request of the Board or the Superintendent

2. Any person who disrupts, disturbs, or otherwise impedes the orderly conduct of any meeting of the Board of Trustees by uttering loud, threatening, or abusive language or engaging in disorderly conduct shall, at the discretion of the presiding officer or majority of the Board, be requested to be orderly and silent and/or removed from the meeting.

No action may be taken on items of business not appearing on the agenda

- Government Code Sections 54954.2, 54954.3, 54957.9
A G E N D A

A meeting of the Board of Trustees of the Santa Monica Community College District will be held in the Santa Monica College Board Room (Business Building Room 117), 1900 Pico Boulevard, Santa Monica, California, on Tuesday, July 7, 2015.

5:30 p.m.  Closed Session (Business Building Room 111)
7 p.m.  Public Meeting (Board Room)

I. ORGANIZATIONAL FUNCTIONS

• CALL TO ORDER

• ROLL CALL
  Rob Rader, Chair
  Dr. Louise Jaffe, Vice-Chair
  Dr. Susan Aminoff
  Dr. Nancy Greenstein
  Dr. Margaret Quiñones-Perez
  Barry Snell
  Dr. Andrew Walzer
  Jonathan Eady, Student Trustee

• PUBLIC COMMENTS ON CLOSED SESSION ITEMS

II. CLOSED SESSION

CONFERENCE WITH LABOR NEGOTIATORS (Government Code Section 54957.6)
Agency designated representatives:  Marcia Wade, Vice-President, Human Resources
Robert Myers, Campus Counsel
Employee Organization:  CSEA, Chapter 36

CONFERENCE WITH LEGAL COUNSEL - EXISTING LITIGATION (Government Code Section 54956.9)
HB Parkco v. Santa Monica Community College District, Los Angeles Superior Court Case No. SC120996

CONFERENCE WITH LEGAL COUNSEL--ANTICIPATED LITIGATION.  Significant exposure to litigation pursuant to paragraph (2) or (3) of subdivision (d) of Section 54956.9:  One Case

EMPLOYEE APPOINTMENT/DISCIPLINE/DISMISSAL/RELEASE (Government Code Section 54957)

III. PUBLIC SESSION - ORGANIZATIONAL FUNCTIONS

• PLEDGE OF ALLEGIANCE

• CLOSED SESSION REPORT (if any)

IV. SUPERINTENDENT'S REPORT

– Events
– Accreditation Update
– Summer 2015 Update
– Associated Students Update
V. ACADEMIC SENATE REPORT

VI. PUBLIC COMMENTS

VII. PUBLIC SESSION - ORGANIZATIONAL FUNCTIONS (continued)

• REVISIONS/SUPPLEMENTAL STAFF REPORTS: A two-thirds vote of the members present is required to include revisions and/or supplemental staff reports in the agenda as submitted. These are items received after posting of the agenda and require action before the next regular meeting. (Government Code Section 54954.b.2)

INFORMATION ITEM 2

SUBJECT: WORKFORCE AND ECONOMIC DEVELOPMENT

SUBMITTED BY: Vice-President, Academic Affairs

SUMMARY:

The Office of Workforce and Economic Development (W&ED) supports the District and SMC’s individual Career Technical Education (CTE) programs by providing funding for equipment, curriculum development, and professional development. Other important resources include marketing, policy updates, and labor market information. W&ED also serves local business and individual training needs. W&ED acts as a catalyst to help the CTE credit programs stay market-responsive and create vital career pathways for students.

Being market-responsive or demand-driven means that SMC’s high quality career-oriented programs are able to anticipate regional and local community needs, secure contracts and grants to improve and expand CTE, support the delivery of courses and credentials that align with the region’s current and future workplace needs, and provide customized programs for employers.

Santa Monica College is emerging as a leader in the region’s advancement of links between education, training, and workforce development economic through initiatives and implemented in the 2014-2015 program year.

The full report is included in Appendix A
MAJOR ITEMS OF BUSINESS

RECOMMENDATION NO. 3

SUBJECT: AMENDMENT TO AGREEMENT FOR PROGRAM AND CONSTRUCTION MANAGEMENT FOR DISTRICT BOND CONSTRUCTION PROGRAM

SUBMITTED BY: Vice President, Business and Administration

REQUESTED ACTION: It is recommended that the Board of Trustees approve an amendment to the Program and Construction Management agreement with LPI, Inc. for the following:

1) To extend the agreement, which currently expires December 31, 2015, for a period of one year, January 1, 2016 through December 31, 2016; for program management, construction management, and project management services; at the rate of $95 to $155 per hour, plus $5,560 per month for Project Management Software development and support.
2) To increase the contract amount by $2,800,000 plus reimbursable expenses effective August 1, 2015.

FUNDING SOURCE: Measure U, S, AA

COMMENT: This amendment provides a continuation of program and construction management services for the District's bond construction program. Program management includes assisting District staff with budgeting and scheduling bond projects, managing the design process, and maintaining effective communications internally and externally. Construction management includes the bidding process, construction administration, and project closeout of bond projects.

LPI, Inc., under Lee Paul, is currently providing the above construction services under a Board-approved three-year contract that ends December 31, 2015. Mr. Paul has been involved with all our major construction projects including Science, Library, Bundy Campus, Theatre Arts, Broad Stage, HSS, and the Quad. LPI is currently working on several projects under construction including the East Wing of the Performing Arts Center, AET/KCRW, and the Health, PE, Fitness, and Dance complex.

The continuation of this contract will allow continuity during the completion of the construction projects that are currently in progress. The District intends to solicit proposals later this year for the management of future bond projects that have not yet begun construction.

MOTION MADE BY: 
SECONDED BY: 
STUDENT ADVISORY:

NOES:
MAJOR ITEMS OF BUSINESS

RECOMMENDATION NO. 4

SUBJECT: FIVE-YEAR CONSTRUCTION PLAN 2015-2016 THROUGH 2020-2021

SUBMITTED BY: Vice President, Business and Administration

REQUESTED ACTION: It is recommended that the Board of Trustees approve the filing of the Five Year Construction Plan, 2015-2016 thru 2020-2022 with the State Chancellor’s Office.

Five Year Plan Project Listing: See attached listing
Initial Project Proposal (IPP): New Art Complex
Final Project Proposal (FPP): Math and Science

FUNDING SOURCE Measures U, S, AA; State Capital Funds; District Capital Funds

COMMENT: The Five Year Construction Plan identifies all potential future projects, including those in which the State may be asked to provide funding. The District selects projects that are expected to have the greatest possibility of state funding to be developed into an IPP. If the state approves the IPP, then the project can be developed into an FPP the following year.

These projects follow the 1998 Facilities Master Plan and the Career and Educational Facilities Master Plan 2010 Update. As part of our ongoing planning, the District intends to start a new 2015 master plan update process this fall.

Math/Science Addition FPP: The proposed project would consolidate and increase laboratory capacity for Mathematics and Science programs by constructing a new building addition that will be connected to the existing Science building at Santa Monica College. The Mathematics department is one of the largest academic programs at Santa Monica College and is growing beyond what can be reasonably accommodated for students within existing facilities. Currently, Math and Science programs are forced to offer instruction in classrooms and laboratories located within a number of different buildings on campus, many of which are located across campus from each other. The proposed project would construct a 69,565 ASF addition to the existing Science building that will provide 15,815 ASF classroom lecture space, 41,387 ASF laboratory space, 8,069 ASF office space, 2,320 ASF library space, and 1,974 ASF of other support space. The new facility would result in consolidation of the Mathematics, Earth Science, Life Science, and Physical Science programs into a single complex. The project would include demolition of the existing Letters & Science building, Liberal Arts building, and Library Village / Math Complex Portables as a secondary effect. The District is committed to funding 50 percent of State supportable costs of the proposed facility.
Art Complex Replacement: The Art Complex at Santa Monica College was originally constructed in 1952. Although the building had a minor renovation of space in 2002, the Art program is currently split between the main campus and satellite Airport site. The proposed project would construct a new building to replace the existing Art Complex and fine arts space at the Airport campus. Building systems, infrastructure and space distribution within the existing Art Complex at Santa Monica College no longer meets the needs of the program. A replacement building will allow the College to construct a functionally efficient building for the Art program and allow the program to function in a single location with dedicated space. The existing Art Complex will be demolished and fine arts space at the Airport Campus will be inactivated as a secondary effect of the proposed project.

MAJOR ITEMS OF BUSINESS

RECOMMENDATION NO. 5

SUBJECT: SECOND READING AND APPROVAL: BOARD POLICY SECTION 3122, SEXUAL MISCONDUCT

SUBMITTED BY: Vice-President, Human Resources

REQUESTED ACTION: It is recommended that the Board of Trustees conduct a first reading of new Board Policy Section 3122, Sexual Misconduct.

COMMENT: Proposed Board Policy 3122, Sexual Misconduct, was reviewed and approved by the DPAC Human Resources Committee and presented to DPAC for review on May 27, 2015. The Board of Trustees held a first reading on June 2, 2015.

BP 3122 Sexual Misconduct

Sexual Misconduct comprises a broad range of unwelcome behaviors focused on Sex and/or gender that may or may not be sexual in nature. Any intercourse or other intentional sexual touching or activity without the other person’s Consent is Sexual Assault, and is a form of sexual misconduct under this Regulation. Sexual misconduct encompasses Sexual Harassment, Sexual Assault, Sexual Exploitation, or Gender-based Harassment, which is a form of Harassment based on gender identity, gender expression, or non-conformity with gender stereotypes. Sexual misconduct may also encompass acts of a sexual nature, including acts of Sexual Stalking, Domestic Violence, and Dating Violence, intimidation, or Retaliation following an incident where alleged sexual misconduct has occurred.

Any sexual misconduct committed by an employee, student or member of the public that occurs on District property or at District activities is a violation of District policies and regulations, and is subject to all applicable punishment, including criminal procedures and employee or student discipline procedures. Students, faculty, and staff who may be victims of sexual misconduct shall be treated with dignity and provided comprehensive assistance.

The Superintendent/President shall establish administrative regulations that ensure that students, faculty, and staff who are victims of sexual misconduct receive appropriate information and treatment, that educational information about preventing sexual violence is provided and publicized as required by law, and that perpetrators of sexual misconduct are appropriately punished.

INFORMATION ITEM 6

SUBJECT: 2014-2015 GRANTS OFFICE ANNUAL REPORT

SUBMITTED BY: Vice-President, Academic Affairs

SUMMARY: In 2014-2015, SMC managed nearly $5 million in grant funds through 28 grant projects funded by local, state, and federal organizations, both public and private, all of which are supportive of the college’s mission. This included 16 new awards, valued at roughly $2.8 million in additional revenue, with slightly more than $1.7 million to benefit 2014-2015 directly. One of these awards, while not offering direct cash support, offered work-based learning opportunities for students in the Solar Photovoltaics Program (valued at $25,000). The most significant of these new awards is the LA HI-TECH grant, written and developed by SMC’s Workforce and Economic Development Office, which provided two-thirds of the new funding. However, all 16 new awards reflect innovation across campus, including new programming in Solar Photovoltaics, adult basic education (specifically English as a Second Language), Guardian Scholars, and STEM. These numbers represent a significant increase over the 2013-2014 academic year.

*The full report is included in Appendix B*
INFORMATION ITEM 7

SUBJECT: 2014-2015 CURRICULUM COMMITTEE ANNUAL REPORT

SUBMITTED BY: Guido L. Davis Del Piccolo, Curriculum Committee Chair, and Georgia Lorenz, Curriculum Committee Vice-Chair

SUMMARY: The work of the Curriculum Committee this year continued to be affected by mandates and requirements placed upon the college by the Chancellor’s Office. In particular this involved creating additional Associate Degrees for Transfer (SB 1440 compliant degrees) and engaging in preparations now required in order to submit transfer degrees for approval. Notwithstanding those external demands, the Curriculum Committee also engaged in the work of approving a plethora of new courses, course revisions, new degrees and certifications, and revisions to degrees and certificates.

The full report is included in Appendix C
VIII. CONSENT AGENDA

Any recommendation pulled from the Consent Agenda will be held and discussed in Section VIII, Consent Agenda – Pulled Recommendations

| J  Sign Up Interpreting Services LLC | 2014-2015 $75 per hour single; $75 x 2 per hour-Team; $93.75 per hour if less than 48 hours’ notice. Increase from previously approved amount of $95,000, total amount not to exceed $106,500 | The consultant provides sign language interpreters for deaf students. There was an increase in the number of interpreters needed for the Spring 2015 semester. Comment: On April 7, 2015, the Board of Trustees approved an increase of $50,000 to Purchase Order #A151085NC, originally approved for $40,000. The purchase order currently approved for the amount of $95,000 needs to be increased to cover the costs for interpreters needed for the Spring 2015 semester. | 2014-2015 District Budget/Disabled Students |

<td>$33,707</td>
</tr>
<tr>
<td>Revised Contract Amount</td>
<td>$59,751,134</td>
</tr>
</tbody>
</table>

Change Order No. 10 for the AET Campus portion of the project may result in a change to the contract length.

Funding Source: Measure AA

Comment: Change Order No. 10 for the Campus includes labor and material to change specified type of door in meeting room 315A, revisions to wood flooring, base species and to glazing thickness and type in select locations. Also includes cost to furnish and install conduit and wire required to allow monument signage to be controlled by the respective building lighting control systems, provides additional detailing associated with revisions made to Building B roof beam and to enlarge expansion joint cover to cover gap between Buildings A and C and cost to furnish anchor bolts in lieu of embeds to support three columns at Building C. Also includes credit to the owner for costs of tests and inspections not ready at the time indicated in contractor’s notice and/or exceeding 8 hours per day or conducted on weekends/holidays.

Change Order No. 10 for AET Campus is being processed as Unilateral Change Order.

17-B RELEASE OF PARTIAL RETENTION – INFORMATION TECHNOLOGY RELOCATION
Reduce the retention amount held from BERNARDS BROS. for the IT Relocation project from 5 percent to 2.5 percent.

Funding Source: Measure AA

Comment: Project is Substantially Complete
CONSENT AGENDA: FACILITIES AND FISCAL

RECOMMENDATION NO. 17 FACILITIES (continued)

</tbody>
</table>

Funding Source: Measure AA

Comment: Amendment No 1 provides for Owner Requested revisions to the Library Building’s chilled water lines to Vault-7 rather than Vault-8. The Library’s connection to Vault-8 has already been designed and submitted to DSA, this change will eliminate Vault-8. This includes a new design for the new route for the pipe, calculations for the new pipe support locations and calculations for pipe sizing.

17-D AMENDMENT TO AGREEMENT FOR ARCHITECTURAL SERVICES – MALIBU CAMPUS

Amend the agreement with QUATRO DESIGN GROUP for architectural services for the Malibu Campus as follows:

(1) Substitute the name “QDG Incorporated, dba QDC Architecture” for the name “Quatro Design Group” wherever it appears in the contract; and

(2) QDG Incorporated, dba QDC Architecture, hereby unconditionally assumes, and agrees to be bound by, all obligations and liabilities of Quatro Design Group under or relating to the Contract.

Funding Source: Measure S, AA

Comment: The architectural firm that has designed the Malibu Campus is reorganizing their corporate structure and changing their contract name. There is no financial impact.
CONSENT AGENDA: FACILITIES AND FISCAL

RECOMMENDATION NO. 17 FACILITIES (continued)

17-E AMENDMENT NO. 6 TO AGREEMENT FOR ARCHITECTURAL SERVICES – HEALTH, PE, FITNESS, DANCE AND CENTRAL PLANT

Amend the agreement with GENSLER for the Health, PC, Fitness, Dance and Central Plant for an amount not to exceed $150,000 plus reimbursable expense.

Funding Source: Measure AA, S

Comment: In working with the Locker Room Building, the Gym and the site work for the chilled water loop several unforeseen circumstances were discovered that have resulted in unexpected work for the architectural team in order to redesign and provide guidance to the contractor. This amendment is to provide funding to cover those expenses that have occurred and provide for an allowance to resolve future problems that are encountered.

17-F POOL PAYMENTS UNDER JOINT USE FACILITIES AGREEMENT

Comment: Under the terms of the Joint Use of Facilities Agreement with the City of Santa Monica, the District pays a pro rata share of maintenance and operation costs of the pool based on the number of hours the College uses the pool compared to the total hours of pool use by all parties. College paid the City of Santa Monica $91,078.32 for the same period last year.

RECOMMENDATION NO. 19   ACCEPTANCE OF GRANTS AND BUDGET AUGMENTATION

Requested Action: Approval/Ratification
Reviewed by: Christopher M. Bonvenuto, Chief Director, Business Services
Approved by: Bob Isomoto, Vice President, Business and Administration

Title of Grant: BUILD PODER
Granting Agency National Institutes of Health
Award Amount: $23,614
Matching Funds: Not applicable

Summary:
CSU Northridge received their largest-ever grant, NIH BUILD, Building Infrastructure Leading to Diversity. Santa Monica College is one of 6 Pipeline Partners (East Los Angeles College, Los Angeles Mission College, Los Angeles Pierce College, Los Angeles Valley College, Pasadena City College are the others). CSUN’s program, BUILD PODER (Promoting Opportunity through Diversity in Education and Research) was designed to build a seamless pipeline between community colleges and CSUN by promoting student involvement in high-impact research experiences in biomedical and health related fields. SMC students and faculty will both be eligible to receive funding to pursue research focused on social justice and health equity for the next 5 years. CSUN will also provide training and certification for SMC faculty mentors based on the principles of Critical Race Theory (Bell, 1995; Solorzano & Villalpando, 1998). SMC students who transfer to CSUN will continue BUILD program participation, and receive continued research mentorship and tuition support. CSUN representatives have already been recruiting SMC to the program.

Title of Grant: AB86 Adult Education Consortium Planning Grant
Granting Agency: California Community College Chancellor’s Office
(Santa Monica-Malibu Unified School District as Fiscal Agent)
Augmentation Amount: $46,416 (Amended Allocation $133,388)
Matching Funds: Not applicable
Performance Period: March 5, 2014 – December 31, 2015
Summary: AB 86 provides funding to Santa Monica-Malibu Unified School District (SMMUSD) for the development of regional consortium with the goal of developing a comprehensive plan to address adult education needs in the region. Santa Monica College received $86,972 as a sub-recipient for the performance period March 5th 2014 to June 30th 2015. On May 29th 2015, AB86 had the performance period extended to December 31st 2015. SMMUSD has also increased the allocation to Santa Monica College by $46,416.

RECOMMENDATION NO. 20 AUTHORIZATION OF SIGNATURES, 2015-2016
Requested by: Christopher Bonvenuto Chief Director, Business Services
Approved by: Robert Isomoto, Vice President of Business and Administration
Requested Action: Approval/Ratification

Authorization of signatures of all academic and classified managers, and department chairs (see following lists) to approve invoices and payments on contracts for the Santa Monica Community College District for 2015-2016.

Comment: To comply with Education Code Sections 85232 and 85233 and the Los Angeles County Office of Education (LACOE), the Board of Trustees is required to authorize signatures of those persons who approve invoices and payments on contracts. The auditing system at LACOE reviews each phase of the payment process including the authorized signatures approved by the Board.

Education Code Section 85233 states: “No order on the funds of any district shall be approved by the county superintendent of schools unless the signatures are on file in the Superintendent’s Office and he/she is satisfied that the signatures on the order are those of persons authorized to sign the order.”

XII. BOARD COMMENTS AND REQUESTS

XIII. ADJOURNMENT

The meeting will be adjourned in memory of Frank Bernard Jansen, father of Personnel Commissioner Deborah Jansen, and Noah DeWitt, grandson of Sam and Irene Zivi.

The Board of Trustees Study Session is scheduled to be held on Tuesday, July 21, 2015 at Santa Monica College, Business Building Room 111, 1900 Pico Boulevard, Santa Monica, California.

The next regular meeting of the Santa Monica Community College District Board of Trustees will be held on Tuesday, August 4, 2015 at 7 p.m. (5:30 p.m. if there is a closed session) in the Santa Monica College Board Room and Conference Center, Business Building Room 117, 1900 Pico Boulevard, Santa Monica, California.

The agenda for the next meeting will include the following:

1. Reports:
   • Title IX Task Force
   • Emergency Preparedness

2. Board of Trustees Goals and Priorities, 2015-2016
APPENDIX A

INFORMATION ITEM 2

SUBJECT: WORKFORCE AND ECONOMIC DEVELOPMENT

SUBMITTED BY: Patricia Ramos, Dean, Workforce and Economic Development

The Office of Workforce and Economic Development (W&ED) supports the District and SMC’s individual Career Technical Education (CTE) programs by providing funding for equipment, curriculum development, and professional development. Other important resources include marketing, policy updates, and labor market information. W&ED also serves local business and individual training needs. W&ED acts as a catalyst to help CTE credit programs stay market-responsive and create vital career pathways for students.

Being market-responsive or demand-driven means that SMC’s high quality career-oriented programs are able to anticipate regional and local community needs, secure contracts and grants to improve and expand CTE, support the delivery of courses and credentials that align with the region’s current and future workplace needs, and provide customized programs for employers.

Santa Monica College is emerging as a leader in the region’s advancement of links between education, training, and workforce development economic through initiatives and implemented in the 2014-15 program year.

Los Angeles High Impact Information Communications Technology, Entertainment, Communications Hubs (LA HITECH)
Funding Source: California Career Pathways Trust
$1,925,000
2014-2017

LA HI TECH is a California Career Pathways Trust award of 15 million dollars to a regional consortia with over 50 partners, partly developed and led by SMC. Pasadena Community College is the fiscal lead and six of the nine LACCD colleges are also part of the consortia. SMC’s was awarded $1,925,000 to develop pathways in ICT (Information and Communications Technologies) and implement activities that stemmed from the EMERGE initiative. The LA HI TECH consortium includes secondary, postsecondary, and employer partners, spans across multiple high school districts and three community college districts (30 HS’s and 8 CC’s), and aligns well to respond to rapid growth of ICT industry sectors. SMC began dual-enrollment at Venice High School and Palisades Charter in January, 2015. SMMUSD and Beverly Hills Unified will be added in Fall 2015. The course offerings include Media Studies, with Computer Science and Design Technology being added in Fall 2015. The college expects to have served approximately 300 high school students by December 2015.

SMC has a unique advantage in the high tech field with proximity to the heart of a booming industry. The District is partnering with both high tech giants and small business to create the workforce needed to sustain these companies and grow the economy. One of these giants is Amazon Web Services (AWS). Google Inc. is making a bold move to expand in Southern California, in the Playa Vista neighborhood near Marina del Rey, adjacent to Santa Monica College, where it could be home to as many as 6,000 well-paid, highly educated workers. This mix of tech companies is especially important as the technology and entertainment sectors continue to converge. This kind of business operates using a workforce of “Cloud” computer engineers. This is why Amazon Web Services has invested greatly in SMC and LA HI TECH.

One challenge is strengthening the articulations between the high schools and community colleges. This year SMC faculty will work with the feeder high schools across disciplines to design curriculum together that will improve the pipeline and workforce needed into this high-wage high skill industry. Faculty members are currently "mapping" career pathways in ICT occupational areas that could feed into these tech companies. Stronger employer engagement is needed. These are challenges that LA HITECH funding addresses. It is the expectation that the recent hiring of the CTE Senior Advisor (ICT) position will bridge that gap in activities and lead to improved employment prospects for students.
The interdisciplinary nature of emerging careers in the ICT sector poses challenges to faculty. Many CTE faculty members have expressed the need for intensive training that helps prepare students for "21st Century Skills" in the new market place. These 21st Century Skills could include design thinking, interactive STEAM, programming, ideation and iteration, and mathematical thinking. Professional development in this area is currently under development.

LA HI TECH has been recognized by the White House’s Tech Hire Initiative. Los Angeles is one of only 21 cities in the nation acknowledged for developing a comprehensive, regional approach to closing the skills gap in IT occupations. That regional approach is LA HI TECH.

JP Morgan Chase has very recently funded LA HI TECH approximately $750,000, for which LACC is the fiscal lead. SMC and LACC developed this grant proposal, and SMC expects to receive $150,000 over three years for student support services to high school students.

*NEW* CTE View Book

One of the most exciting accomplishments this year is the completion of a comprehensive 32-page view book that highlights what CTE is at SMC. All CTE departments participated in the design and approved the content. The view book lists the certificates and degrees available for each program and the career options to which these degrees and certificates can lead. CTE programs plan to use the view book as marketing material to attract more students, promote CTE, and showcase success. Copies will be available in Counseling, Outreach, the Welcome Center and any department who would like to use and distribute them. Hard copies of the view book are now available through the office of Workforce and Economic Development and we are in the process of creating a CTE website for student and employer engagement with view book content and design.

http://www.smc.edu/AcademicAffairs/Workforce/Documents/CTE%20Viewbook%20June%202015.pdf

Perkins IV
$619,899
2014-15

Efforts in 2014-2015 have been directed to responding to the District’s need to develop approaches that improve outcomes for CTE students—particularly for traditionally underrepresented students entering non-traditional careers that result in high-skills and high wages in identified growth industry sectors. In order to accomplish this, CTE faculty and administrators have been working together, developing a deep understanding of the interrelationship between business competitiveness and the workforce needs of targeted industries that cross multiple disciplines at SMC.

Perkins funds provided CTE programs with state-of-the-art equipment and services that keep their programs responsive to industry needs, particularly those that are technology based. A comprehensive digital marketing and branding campaign is under development across CTE programs to improve the image of CTE inside and outside of the College.

Support for faculty professional development activities aimed at developing education pathways for students has been paramount, providing support for instructional and counseling faculty and bringing employers and business partners to campus to meet faculty and staff. Perkins continues to fund equipment purchases, curricular improvements, and academic supports in order to increase completion rates in these high-growth, high-wage fields. SMC recognizes that one cannot accomplish this monumental task alone. Therefore, the strengths of the College and local Workforce centers in LA City and County, nonprofits, labor groups, NGO’s, and educational institutions (including other Community Colleges and high schools) have been integrated and combined for greater impact.
Career Technical Education Enhancement Funds
Funding Source: Chancellor’s Office
$755,749.15
2015-2016

CTE Enhancement Funds are provided on a one-time basis to develop, enhance, retool, and expand quality career technical education offerings that build upon existing community college regional capacity to respond to regional labor market needs. This one time grant was split into 60% and 40% shares of the total award. 40% of the funding focused on regional projects and collaboration with other colleges. The remaining 60% focused on campus program improvements that fall within priority sectors identified including: Advanced Manufacturing, Advanced Transportation & Renewable, Energy (Efficiency) & Utilities, Global Trade & Logistics, Health, Information & Communication Technologies (ICT Digital Media), Retail/Hospitality/Tourism, and Small Business.

The local share (60%) allocation totals $452,316. The Regional Share allocation totals $303,433.15.

Career Technical Education (CTE)
SB 1070 $50,000
2014-2015

This funding is to create better articulation and pathway development from the K-12 across all CTE programs. The activities in the work plan align with activities implemented and currently under development through LA HI TECH.

Economic Development
Employment Training Panel (ETP) $749,000
2014-2016

In fiscal year 2014, SMC W&ED was awarded a new ETP contract with California State in the amount of $749,000 to be carried out from April 2014 through March 2016. Using these funds, SMC administers customized training programs that offset the high cost of employee-based training employers would otherwise be forced to finance in order to develop and maintain a high-performance workforce. The impact of the program is increased productivity, process efficiency, and an improved bottom line for the participating companies. This contract is performance-based.

Economic Development

Employee Training Panel (ETP)
$749,000
2014-16

• ETP has earned revenues totaling $375,000 as of June 2015, and is expected to earn the balance of $374,00 in FY 2016.
• SMC has trained over 175 employees, for a combined total of over 1500 training hours.
• Participating employers from the manufacturing and hospitality industries include Mission Foods, Brother Deserts, Ramona’s, The Fairmont, Viceroy, and The Delfina in Santa Monica.
• SMC will apply for $950,000 in the next round of ETP funding, expected late Spring 2016.

Small Business and Entrepreneurial Services
$300,000
2014

The SMC SBDC provided free advisory services and low-cost workshops through CY 2014. The economic development indicators from CY 2014 are as follows.
CY 2015 SBDC Business Counseling and Training Events

- Provided business counseling to 613 distinct clients
- Assisted businesses with obtaining $5.8 million in loans and financing
- Assisted with the start of 41 new businesses
- Assisted with the creation of 208 new jobs and retention of 36 jobs.
- Hosted 75 training events or seminars with 673 attendees

The SMC Entrepreneurship and Business Innovation Center (EBIC)
SMC has developed an entrepreneurial and small business service model that better addresses the needs of SMC’s students, engaged faculty, and supplemented SMC programming. **The Entrepreneurship and Business Innovation Center (EBIC)** was launched in January of 2015.

The EBIC aims to be a harbinger of innovation with a special focus on the high-tech community of entrepreneurs and start-ups in the area. Through its strategic partnerships with local economic development stakeholder and industry players, SMC has maintained its legacy of supporting small businesses.

**LA Chamber-Bixel Exchange Collaboration**
A partnership with the LA Chamber Bixel Exchange-SBDC provides following value:

- Operation of a satellite small business services office at SMC at little to no cost. Over 30 tech start-ups have been served from January-June 2015.
- Access to the LA Chamber membership of companies for work-based learning opportunities and job placement for students.
- Access to thought leaders in key industries for advisory board and other needs.

**State-wide Entrepreneurship Focus: CCCCCO Doing What Matters and NACCE**
A close working relationship with CCCCCO and the National Association for Community Colleges in Entrepreneurship (NACCE) yields valuable programming and resources

- SMC EBIC co-hosted The Small Business Summit featuring SMC and other CA-based Community College students participating in a state-wide business plan competition.
- WED-EBIC is collaborating with CCCCCO and NACCE to produce an Entrepreneurship Summit geared to engage faculty in the process of integrating it into CTE programs, as well as expanding it as its own discipline.

**District 11 and SCORE (Service Corps of Retired Executives)**
A partnership with District 11 and SCORE provides additional services to small businesses in the SMC space, at no cost to SMC. SCORE is comprised of volunteers who work in many Chambers of Commerce, including Santa Monica.

**SMC EBIC Collaborations and Outreach in Silicon Beach**
The Director is leveraging an existing network of stakeholders in Silicon Beach to elevate our brand and inform the tech space of the many resources available to start-ups and emerging firms.

**Santa Monica Alliance**
The SBDC Director continues to engage with the Alliance, which is a collaborative effort of the City of Santa Monica and Santa Monica Chamber of Commerce dedicated to nurturing a vibrant, healthy and profitable business climate in Santa Monica.
Contract Education & Professional Training
2014-2015

W&ED has worked collaboratively with Department Chairs, multiple CTE faculty and staff to write and submit proposals that will help position SMC as a leading provider of contract education and professional training. Several robust and interesting Contract Education training concepts are being developed and outlined as potential offerings for enhancing and leveraging current SMC programs and generating revenue. Below are a few highlighted contract education programs.

Promo Pathway III
SMC launched its third Promo Pathway Cohort Program in the Summer 2014. The program serves 25 students annually through a competitive process. Students are recruited from Black Collegians and Adelante, along with diverse students in creative fields at SMC. Selected students are supported in a closed-cohort model with outside funding from multiple sources (including a TV industry donation, ETPL, SMC Foundation). The program, officially known as the Entertainment Promotion and Marketing Production certificate and degree program, is 30-unit program and was approved by the Chancellor’s Office in the Fall 2013. This closed-cohort accelerated programming is funded by industry partners and state workforce training participants.

New Directions, Inc.
SMC W&ED has contracted with New Directions, Inc. to offer Fundamental Computer training classes to veterans. SMC is contracted to offer six training sessions between September 2015 and July 2015 that will result in $21,000 in contract education this year.

Para Los Niños (PLN)
W&ED has contracted with PLN in contract to conduct customized for-credit training that began spring 2014. SMC faculty members are delivering ECE 17 in a closed cohort model. Currently 30 students are registered in the class. This contract is $21,500.

Hong Kong Community College (HKCC)
W&ED will deliver a second customized, two-week training program that will bring 20-30 students from Hong Kong Community College to SMC for this summer program. The not-for-credit instructional program will focus on activities that develop a more solutions-oriented student by building entrepreneurial creative thinking skills and helping HKCC students foster innovation. This contract will result in approximately $34,500.

Workforce Development
2014-2015
Short Term Training & Bridge Programs
ETPL – Eligible Training Provider List

The ETPL is California’s list of approved courses that service agencies can use to contract with SMC for short term training for individuals, subsidized with federal training funds such as WIOA. SMC now has many credit and not-for-credit training programs on the ETPL. All of the courses that will earn students a certificate in Promo, Recycling and Resource Management, and Solar Photovoltaic Installation have been added. W&ED will collaborate with several local job-center to provide more awareness of the SMC ETPL course offering, which also includes outstanding, state of the art on-line social marketing, and media professional certificate trainings.

“I Am Santa Monica” is a customer service excellence program offered in partnership with the Santa Monica Convention and Visitors Bureau (CVB). The interactive business workshop designed to encourage and empower Santa Monica businesses and their employees to become better informed about Santa Monica and all it has to offer. A free, 3-hour interactive learning workshop is offered at SMC’s PAC and a familiarity tour (FAM tour) of Santa Monica has been designed specifically to inform and educate employees about destination Santa Monica, with a focus on customer service and hospitality training. Trained individuals become “Official information Ambassadors” and are armed with a database of facts, figures, and “Did You Know” anecdotes about Santa Monica for use in customer interaction. Since 2009, the Office of Workforce & Economic Development has trained nearly 3,000 people through roughly 300 individual companies and organizations in the City of Santa Monica.
In 2014-2015, SMC managed nearly $5 million in grant funds through 28 grant projects funded by local, state, and federal organizations, both public and private, all of which are supportive of the college's mission. This included 16 new awards, valued at roughly $2.8 million in additional revenue, with slightly more than $1.7 million to benefit 2014-2015 directly. One of these awards, while not offering direct cash support, offered work-based learning opportunities for students in the Solar Photovoltaics Program (valued at $25,000). The most significant of these new awards is the LA HI-TECH grant, written and developed by SMC's Workforce and Economic Development Office, which provided two-thirds of the new funding. However, all 16 new awards reflect innovation across campus, including new programming in Solar Photovoltaics, adult basic education (specifically English as a Second Language), Guardian Scholars, and STEM. These numbers represent a significant increase over the 2013-2014 academic year, as outlined in the following table:

<table>

In total, the college submitted 19 proposals to support the 2014-2015 academic year and was a collaborative partner in four proposals submitted by other institutions, including the proposal by Pasadena City College to fund LA HI-TECH. Of the 23 proposals submitted by or on behalf of the college, 16 were funded, yielding a success rate of 69.6 percent. As in the past, the majority of these grants were written by the Grants Office in collaboration with the programs and/or departments that were identified to directly manage and implement them. In addition to the Office of Workforce and Economic Development’s leadership on the LA HI-TECH proposal, another significant collaboration involved the Santa Monica College Foundation, which funded a part-time grant writer to assist with the development and submission of private grant requests. These grants will support the 2015-2016 academic year, and as such are not included here. This support has allowed the Grants Office to continue to increase the number of grants submitted, specifically private grants.
The following table outlines the success rate of the various funding sources pursued by the college to support the 2014-2015 academic year.

Each of these grants supports projects that work to achieve the college’s mission, as well as one or more of SMC’s strategic initiatives, institutional learning outcomes, and supporting goals. The following table provides a breakdown of grants submitted and awarded to support 2014-2015 and their relation to institutional goals and objectives. Many of these grants support more than one outcome, and thus the total adds to more than the number of awards.

In addition, each project supports at least one of the Goals and Priorities of the SMC Board of Trustees, including:

- 1 grant submitted that will “support a culture of evidence that fosters the use of rigorous methodology to monitor and improve institutional effectiveness and student progress” (Priority 1);
- 6 grants submitted and 3 awarded that will help “institutionalize initiatives that are effective in reducing the student equity gap, improving basic skills mastery in mathematics and English by, for example, deepening outreach into high schools and expanding Summer Jams and First Year Experience to include the development of pathways to transfer” (Priority 2);
- 12 grants submitted and 10 awarded to “strengthen and promote workforce/career technical programs and pathways, such as EMERGE and the rebranding of the Academy of Entertainment and Technology, and improve CTE completion rates” (Priority 3); and
- 4 grants submitted and 3 awarded grants to “support I3 and other innovative practices that address student need and increase student success” (Priority 4).

The submission of these grants in direct support of institutional learning outcomes, supporting goals, and strategic initiatives also helped the college’s Board of Trustees achieve its 10th Priority, to pursue and obtain appropriate external funding.

The following list provides a summary of all active grant-funded projects, both new and continuing, for 2014-2015 and how they relate to the Board of Trustee’s Goals and Priorities. Corresponding Institutional Learning Outcomes, Supporting Goals, and/or Strategic Initiatives, as well as the annual award total, the funding source, and the principal investigator/project director, are also listed. It should be noted that many of these grants support more than one of these outcomes; for the purposes of this report, projects are listed under their primary area of emphasis.

**Board Goal: Educational Advancement and Quality**

**Board Priority #2: Institutionalize initiatives that are effective in reducing the student equity gap, improving basic skills mastery in mathematics and English by, for example, deepening outreach into high schools and expanding Summer JAMS and First Year Experience to include the development of pathways to transfer.**

**Basic Skill Improvement**

- **NEW for 2014-2015** – Adult Education and Family Literacy Act Funding ($246,655, California Department of Education): This renewable project will strengthen existing non-credit ESL and English Literacy Civics programming through the addition of tutoring and counseling, increased use of technology, and development of vocational ESL classes. SMC will work to build a non-credit ESL program that feeds into for-credit coursework and provides opportunities for non-native English language learners to obtain the skills they need to pursue postsecondary education. (This project also addresses ILO 1 and 2, Supporting Goal 1, and the Basic Skills Strategic Initiative.)

**Student Success/Special Populations—High School Outreach/College Prep and Access**

- Upward Bound ($250,000 – U.S. Dept. of Education): This TRIO grant targets low-income, potential first generation college students from Venice and Crenshaw high schools, providing academic assistance, college planning and assistance, and counseling/mentoring support. (This project supports ILO #1 and 2, as well as Supporting Goal #2 and the GRiT Initiative. The Project Manager for Upward Bound is Bonita Cooper.)
Student Success/Special Populations—Low Income, First Generation Students

- **Student Support Services ($281,509 – U.S. Dept. of Education):** This TRIO grant targets low income, first generation college students and provides them with the skills and resources that they need to successfully complete their SMC studies and transfer to a baccalaureate program. (This project supports ILO #1 and #2, Supporting Goal #2, and the GRIT Initiative. Wendi DeMorst is currently serving as the Project Manager for this program, which will continue through 2015. The application for the next cycle is pending with award notifications expected soon.)

- **Child Care Access Means Parents in School (U.S. Dept. of Education – This grant expired September 30, 2014, so there was no new funding for 2014-2015):** This grant provided child care assistance for low-income, Pell-eligible students enrolled at SMC so that low-income parents may continue to attend classes without worry over the care of their children. (This 4-year project also supported Supporting Goal #2. Jenny Trickey was the Project Manager.)

- **Pico Promise ($156,782 – City of Santa Monica):** This project is an expansion of the former Pico Partnership on the Move Program that was previously funded by the City of Santa Monica’s Community Development Grants Program. The Pico Promise program offers instructional and student support assistance to low-income students from the Santa Monica-Malibu School District, specifically the Pico Neighborhood, so that they may achieve their academic and/or career goals. (This project also supports ILO #1 and #2, as well as the Board’s third Goal, Community and Government Relationships, Priority #14, to strengthen and expand programs and partnerships that serve SMMUSD students. This is a four year award; Wendi DeMorst and Roberto Gonzalez shared project management responsibilities for this project during the 2014-2015 academic year. This award ended June 30, 2015, but SMC received a new award in June, which will begin July 1, 2015.)

Student Equity/Special Populations — Science, Technology, Engineering, and Mathematics (STEM)

- **NEW for 2014-2015 – STEM Resources Grant ($20,000 – Kenneth T. and Eileen Norris Foundation awarded to the Santa Monica College Foundation):** These funds will buy math and science textbooks that low-income students may check-out and use during the semester to help reduce the total cost of education. (This project supports ILO 2 and Supporting Goal 2. Melanie Bocanegra will work with the Santa Monica College Foundation to carry out this project.)

- **NEW for 2014-2015—STEM Scholarship Program ($25,000 – Edison Corporate Contributions, awarded to the Santa Monica College Foundation):** These funds provide financial assistance to students participating in the Science and Research Initiative. (This grant also supports ILOs 1 and 2 and Supporting Goal 2. Melanie Bocanegra works in collaboration with STEM faculty to distribute these funds via the Santa Monica College Foundation.)

- **HSI STEM and Articulation Program Grant ($1,140,705 – U.S. Department of Education and delivered in collaboration with the University of California, Los Angeles):** The purpose of this grant is to promote STEM degrees and careers among Latino and other underrepresented student populations in STEM, including underrepresented minority students, but also women and low-income, first generation students in general. This will be accomplished through the SMC/UCLA Science and Research Initiative, which includes an array of student support and instructional services, such as counseling, advising, transfer planning, mentoring, and increased involved in applied learning activities. (This five year grant also supports ILO # 1, #2, and #4, Supporting Goals #1 & #2, and Strategic Initiative—Sustainable Campus. Melanie Bocanegra serves as Project Director.)

53
Board Priority #3: Strengthen and promote workforce/career technical programs and pathways, such as EMERGE and the rebranding of the Academy of Entertainment and Technology, and improve CTE completion rates.

Multidisciplinary CTE Initiatives

- **NEW for 2014-2015** – SB1070 Career Technical Education Pathways Program (No new funding in 2014/2015 – California Community Colleges Chancellor’s Office): The intent of the SB1070 grant to continue, expand, and regionalize the best practices achieved thus far by the Career Technical Education Pathways Program. The Chancellor’s Office agreed to fund two grants in Los Angeles County, and Santa Monica College partnered with Rio Hondo College (and 7 other colleges) to submit an application on behalf of the nine “Ring Colleges” located outside of the LACCD. The nine “Ring Colleges” have shared information from their SB70 collaborative/CTE Transitions efforts and selected key talent to guide the consortium in the development of a steering committee in order to develop a two-year plan to implement sustainable policies/practices on a regional landscape. (This project also addresses Supporting Goal 2, as well as the CTE Strategic Initiative. Tricia Ramos/Frank Dawson are program administrators for SMC, although Rio Hondo College is the fiscal agent for the project.)

Health Sciences (including Nursing and Allied Health)

- **NEW for 2014-2015**—Enrollment Growth for ADN to RN Programs ($106,787 – California Community Colleges Chancellor’s Office): The purpose of this grant is to increase student enrollment in SMC’s Nursing Program by 10 students and improve student retention rates through an array of instructional and student support services. (This grant also supports ILO #2, Supporting Goal #1 and the CTE Strategic Initiative. Ida Danzey is the Project Director.)

- **NEW for 2014-2015**—Augmentation Grant for Enrollment Growth for ADN to RN Programs ($75,000 – California Community Colleges Chancellor’s Office): This grant augments existing funds allocated to the Nursing Program in 2014-2015 and expands services into 2015-2016. (This grant also supports ILO #2, Supporting Goal #1 and the CTE Strategic Initiative. Ida Danzey is the Project Director.)

- **NEW for 2014-2015** – Assessment, Remediation, and Retention Grant for ADN to RN Programs ($114,000 – California Community Colleges Chancellor’s Office): This funding from the Chancellor’s Office was awarded to implement new programming and/or maintain existing programming in support of Nursing student success, including tutoring, counseling, skill development activities, and professional development for faculty. (This grant also supports ILOs 1 and 2, Supporting Goal 1 and 2, and the CTE Strategic Initiative. Ida Danzey is the Project Director.)

ICTE

- **NEW for 2014-2015**—California Career Pathways Trust ($962,500 – California Department of Education): Santa Monica College will work in collaboration with Pasadena City College as the fiscal agent to implement the LA HI-TECH grant. This project will develop a robust career pathway in ICTE and expand SMC’s opportunities for collaboration with local and regional high schools, specifically in the area of ICTE. (This project also supports ILOs 2 and 5, Supporting Goal 1, and the I3 and CTE Strategic Initiatives. Frank Dawson is the program administrator.)
• **NEW for 2014-2015** – Advanced Technological Education Program ($65,351 – National Science Foundation): In 2014-2015, Santa Monica College received its first National Science Foundation grant in support of the Solar PV Installation Program. Through this project, SMC will further the development and enhancement of the Solar PV Installation Program by addressing gaps that are preventing students from completing the program and obtaining employment in the field. Specifically, these gaps include insufficient knowledge of math and science upon entry to the program and limited work-based learning experiences prior to completion. SMC will develop contextualized math and science modules to support the content courses and expand the availability of work-based learning opportunities through internships and other partnerships with industry. High school outreach and increased awareness of career opportunities in this industry are also key components. (This three-year project also supports ILO 2, 4, and 5, Supporting Goal 1, and the CTE and Sustainability Strategic Initiatives. Stuart Cooley is the Principal Investigator, while Steve Paik is Co-Principal Investigator.)

• **NEW for 2014-2015**—Advanced Topics in Solar Photovoltaics ($17,100 – U.S. Department of Energy through a grant with the California Community Colleges and the University of Hawaii and funneled through the City College of San Francisco as part of the regional Solar Instructor Training Network): SMC received funding from the Solar Instructor Training network to develop and pilot four not-for-credit seminars to expand and enhance knowledge of solar photovoltaics among working professionals as well as recent graduates. Seminar topics included Federal and State Policies Affecting Photovoltaics, Time Value of Energy and Photovoltaics, Coupling Photovoltaics and Electric Vehicles, and Coupling Photovoltaics and Energy Storage. (This grant also supported ILOs #2 and #4, Supporting Goal 1, and the CTE and Sustainability Strategic Initiatives. Stuart Cooley was the project lead.)

• **NEW for 2014-2015**—GRID Alternatives Work-Based Learning Opportunity (this award from the U.S. Department of Energy through a grant with the California Community Colleges and the University of Hawaii and funneled through the City College of San Francisco as part of the regional Solar Instructor Training Network does not provide cash for the program): One of the goals of the Solar PV Program is to provide work-based learning opportunities for students. This grant allows SMC to place students with GRID Alternatives for hands-on learning experiences with community-based projects at no cost to the program/college. Funding from SITN is reimbursing GRID Alternatives for its costs so that students can participate at no charge. (This grant also supports ILOs #2, #4, and #5, Supporting Goal 1, and the CTE and Sustainability Strategic Initiatives. Stuart Cooley is the project lead.)

• **NEW for 2014-2015** – Prop 39 Program Improvement Fund ($6,263 – California Energy Commission): The purpose of this project is to strengthen SMC’s Solar PV Installation Program through the purchase of new equipment to enhance safety and increase relevance to workplace standards. (This project also supports ILO 2 and 4, Supporting Goal 1, and the CTE and Sustainability Strategic Initiatives. Vicki Drake is the project lead.)

**Early Childhood Education/Education**

• Early Start Pathway ($403,834 – Los Angeles Universal Preschool): The purpose of this project is to develop/deliver a 2+2+2 program in Early Childhood Education in partnership with SMMUSD and CSU Dominguez Hills with the intent to increase the number of qualified early childhood education professionals with a baccalaureate degree. (This five year project also supports ILO #2 and Supporting Goal #1. Laura Manson is the principal investigator on this project. This project ends June 30, 2015.)
• Child Development Training Consortium Grant ($7,500 – state funded): This ongoing project provides tuition, books, mentoring, and professional development activities for ECE students. (This grant also supports ILO #1. Laura Manson serves as the lead.)

Entrepreneurship
• **NEW in 2014-2015** – Community Foods Project (U.S. Department of Agriculture funding awarded through RootDown LA): RootDown LA contracted with Santa Monica College to assist with the development of a training program that provides youth with the knowledge, skills, and experience necessary to create and sustain entrepreneurial projects in support of local food projects. (This project addresses ILOs 1, 2, 4, and 5, Supporting Goal 1, and the CTE and Sustainability Strategic Initiatives. Genevieve Bertone served as the administrative lead for this project managed by RootDown LA.)

• Small Business Development Center ($150,000 – SBDC Network/Small Business Administration): This project provides small business development services, such as business planning development, financial planning, workshops, and other individual assistance to new and emerging small business owners in west Los Angeles County. (This program ended as of December 2014.)

Board Priority #4: Support I³ and other innovative practices that address student need and increase student success.

Innovation through Faculty/Staff/Student Professional Development and Training
• **NEW Funding for 2014-2015** – California Community Colleges Student Mental Health Program/Campus Based Grant ($40,000 – Foundation for California Community Colleges): Based on the success of the first round of funding, SMC’s Office of Psychological Services received a second award to continue to develop and deliver mental health prevention and early intervention services to support students campus-wide, targeting specifically students who are underserved and/or at-risk of mental illness, including veterans, disabled students, African American, low-income, and first generation. (This project also supports ILO #1 and Supporting Goal #2. Sandra Rowe has served as Project Director with support from Dawn Murphy as Project Manager.)

• Title V Developing Hispanic Serving Institutions Grant ($645,092 – U.S. Department of Education): The purpose of this project is to develop a Teaching and Learning Center at SMC that will foster and support the use of best practices in both student support and instructional delivery across campus through an array of professional development activities. (This project previously supported the Board priority to “promote professional development activities for all classified and academic staff, including adjunct faculty.” It also supports ILO #1 and #2, Supporting Goal #1, and the GRIT, I³, and Basic Skills Strategic Initiatives. Edna Chavarry is the Project Manager of this five year grant.)

Innovative Programs that Support Student Success/Special Populations—Foster Youth
• **NEW for 2014-2015** – Guardian Scholars Program ($20,000 – S. Mark Taper Foundation): Santa Monica College received its first S. Mark Taper Foundation grant to expand and enhance the capacity of the Guardian Scholars Program to provide instructional and student support services to students who are or once were in foster care. (This 2-year project also supports the Board’s priority to address student equity, as well as ILO #1, Supporting Goal #2, and the GRIT Initiative. Debra Locke is the program coordinator.)

• **NEW for 2014-2015** – Guardian Scholars Program ($3,500 – Sidney Stern Memorial Trust): This grant will expand and enhance the capacity of the Guardian Scholars Program to provide instructional and student support services to students who are or once were in foster care. (This project also supports the Board’s priority to address student equity, as well as ILO #1, Supporting Goal #2, and the GRIT Initiative. Debra Locke is the program coordinator.)
• Guardian Scholars Implementation Grant ($48,000 – Stuart Foundation via subcontract award from Loyola Marymount University): SMC is collaborating with Loyola Marymount University and the University of California, Los Angeles, to develop and implement a Guardian Scholars Program. The Guardian Scholars program will support students who are or once were in foster care. (This 3-year project also supports the Board’s priority to address student equity, as well as ILO #1, Supporting Goal #2, and the GRIT Initiative. Debra Locke is the program coordinator.)

Innovative Programs that Support Student Success/Special Populations – U.S. Veterans
• Veterans Resource Center ($50,000 – Ralph M. Parsons Foundation, awarded to the Santa Monica College Foundation): These funds will help sustain services and resources developed through the FIPSE Center of Excellence grant in support of the Veterans Resource Center, including student resource management, tutoring, mentoring, on-site student support workshops, transfer advising, and other activities. (This two-year grant also supports ILO #1 and Supporting Goal #2. Linda Sinclair and Audrey Sandoval serve as the project leads.)

• FIPSE Center of Excellence for Veteran Student Success (this grant ended its no-cost extension period on 9/30/2014): Through this grant, SMC expanded the capacity of SMC’s Veterans Resource Center to include tutoring, mentoring, on-site Financial Aid and Career Services workshops, transfer advising and co-located DSPS services. (This grant also supports ILO #1 and Supporting Goal #2. Linda Sinclair and Audrey Sandoval served as the project leads.)
The work of the Curriculum Committee this year continued to be impacted by mandates and requirements placed upon the college by the Chancellor’s Office. In particular, this involved creating additional Associate Degrees for Transfer (SB 1440 compliant degrees) and engaging in preparations now required in order to submit transfer degrees for approval. Notwithstanding those external demands, the Curriculum Committee also engaged in the work of approving a plethora of new courses, course revisions, new degrees and certifications, and revisions to degrees and certificates.

Student Transfer Achievement Reform Act (SB 1440)
Per the moving target set by the Chancellor’s Office, Santa Monica College was to have 14 Associate Degrees for Transfer (ADT) approved by August, 2015, some in very specific disciplines. At the conclusion of this academic year, a total of 17 ADTs have been approved by the committee and the Academic Senate. Twelve of these degrees are already approved by the Chancellor’s Office. The 5 other degrees are awaiting approval by the Chancellor’s Office.

Associate Degrees for Transfer Approved thus far by the Chancellor’s Office
1) Art History AA-T
2) Business Administration AS-T
3) Communication Studies AA-T
4) Early Childhood Education AS-T
5) History AA-T
6) Journalism AA-T (Approved by CCCC in 2015)
7) Kinesiology AS-T (Approved by CCCC in 2015)
8) Mathematics AS-T
9) Political Science AA-T (Approved by CCCC in 2015)
10) Spanish AA-T (Approved by CCCC in 2015)
11) Studio Arts AA-T (Approved by CCCC in 2015)
12) Theater Arts AA-T (Approved by CCCC in 2015)

Associate Degrees for Transfer Approved by SMC (not yet approved by the Chancellor’s Office)
13) Anthropology AA-T
14) Economics AA-T
15) Geography AA-T
16) Geology AS-T
17) Nutrition and Dietetics AS-T

There are 2 disciplines (Computer Science and Music) where SMC has been asked by the Chancellor’s Office to create ADTs. After careful review with the faculty, it was determined that making the curricular changes necessary to comply with the mandated model degree would be counter to the interests of our students. Therefore, SMC will not be submitting ADTs in those areas at this time. The College sent a letter to the Chancellor’s Office explaining our reasons for not creating these degrees.
All courses related to AD-T’s which have a “C-ID” (common course numbering system) descriptor must be submitted for approval in tandem with the submission of the degree. SMC currently has 81 courses fully approved for C-ID (and 37 more which are conditionally approved) in the following 27 disciplines:

- Accounting
- Anatomy
- Anthropology
- Art
- Art History
- Business
- Chemistry
- Communication Studies
- Computer Information Services
- Early Childhood Education
- English
- Geography
- Geology
- History
- Journalism
- Kinesiology / Physical Education
- Mathematics
- Media
- Media Studies
- Nutrition
- Physics
- Physiology
- Political Science
- Psychology
- Sociology
- Spanish
- Theatre Arts

**New Degrees and Certificates**
The Curriculum Committee approved the following 8 innovative degrees and certificates based on the expertise of the area faculty and the advice of the respective Advisory Boards.
- African & Middle Eastern Studies Department Certificate
- Asian Studies Department Certificate
- Dance Teacher (Pre K-grade 5) Department Certificate
- Early Intervention Assistant Associate in Science (AS) / Certificate of Achievement
- Journalism Associate of Arts for Transfer (AA-T)
- Latin American Studies Department Certificate
- Political Science Associate of Arts for Transfer (AA-T)
- Studio Art Associate of Arts for Transfer (AA-T)

**Revisions to Degrees and Certificates**
The Curriculum Committee approved revisions to 12 degrees and certificates based on the expertise of the area faculty, the advice of the respective Advisory Boards, and changes in industry.
- Anthropology Associate in Arts for Transfer (AA-T)
- Automotive Technician Department Certificate
- Communications Studies Associate in Arts for Transfer (AA-T)
- Dance Associate in Arts (AA) / Certificate of Achievement
- Fashion Design Associate in Science (AS) / Certificate of Achievement
- Fashion Merchandising Associate in Science (AS) / Certificate of Achievement
- Graphic Design Associate in Science (AS) / Certificate of Achievement
- Journalism Associate in Arts for Transfer (AA-T)
- Photography Associate in Science (AS) / Certificate of Achievement
- Solar Photovoltaic Installation Associate in Science (AS) / Certificate of Achievement
- Technical Theatre Associate in Science (AS) / Certificate of Achievement
- Web Design Department Certificate
New Ideas
The Curriculum Committee approved several new courses stemming from innovative and exciting ideas. Particularly innovative new courses include:

- **GOB Chemistry**: an introductory chemistry course designed specifically for the needs of students pursuing an allied health field
- **Environmental Geology**: an important addition to better understanding our changing climate
- **Geoscience Field Methods**: an innovative course to engage lower division students in scientific research, preparing them for such involvement in the STEM fields
- **Global Citizenship Field Study**: an innovate manner to offer credit to students for short-term study abroad (and in-broad) experiences
- **User Experience Design**: a fundamental building block to facilitate our new bachelors program in Interaction Design

New Courses
This academic year, the Curriculum Committee approved the following 19 new courses and revised and reinstated 2 more courses:

- ASTRON 9: Intermediate Astrophysics with Calculus
- AUTO 47: Suspension and Steering
- CHEM 19: Introduction to General, Organic, and Biochemistry
- COM ST 36: Gender and Communication
- ENGL 61: Introduction to the Fairy Tale
- ENGL 49: Asian Mythology
- GEOL 3: Introduction to Environmental Geology
- GEOL 94 / GEOG 94: Introduction to Geoscience Field Methods
- GLOBAL 35: Global Citizenship Field Study
- GR DES 61: User Experience Design
- GR DES 71B: Motion Graphics 2
- GR DES 76: Mobile Design 2
- JOURN 2: Intermediate Newswriting and Reporting (course reinstatement)
- KIN PE 10C: Advanced Fitness Lab
- KIN PE 25D: Golf Player Development
- KIN PE 43B: Intermediate Soccer
- KIN PE 43D: Competitive Soccer
- MUSIC 75: Instrumental Chamber Music Repertoire
- PORTGS 1: Elementary Portuguese 1
- TH ART 21: Scenic Painting Techniques (course reinstatement)
- TH ART 31: Introduction to Stage Management

Curricular Updates
The Curriculum Committee approved over 150 course updates/revisions in the following disciplines:

Global Citizenship
The Committee approved the following courses to satisfy the Global Citizenship degree requirement under the criteria of Global Studies:

- ENGL 49: Asian Mythology
- PORTGS 1: Elementary Portuguese

Distance Education
The Committee approved 8 courses in the following disciplines to be offered either partially or entirely via distance education:

- Astronomy
- Early Childhood Education
- English
- English as a Second Language
- History
- Mathematics
- Music

Prerequisites, Corequisites, and Skills Advisories
The Committee approved prerequisite, corequisite, and/or skills advisory changes to existing courses in the following disciplines:

- Economics
- Entertainment Technology
- Graphic Design
- Photography
- Sociology
- Women’s Studies

Unfinished Work and a Look Ahead

- The approval of SMC’s bachelor’s degree program in Interaction Design will create an exciting set of challenges for next year’s work by the Curriculum Committee. It is anticipated that the committee will approve new lower division courses in the area of Graphic Design and Computer Science, along with all of the upper division courses required for the degree, including at least two new upper division general education courses, most likely in the areas of English and Psychology. While a subcommittee working on the bachelor’s degree program has made several recommendations to the committee regarding the overall structure of the degree, the general education requirements, and the admission process, it is anticipated that the Curriculum Committee will make a formal recommendation to the Academic Senate for approval in the fall.

- It is expected that the committee will continue its work related to SB 1440 and C-ID now that the two processes are inextricably joined.

- Working jointly with Institutional Research, the committee conducted a third research project to statistically validate the appropriateness of our commonly used “Eligibility for English 1” Skills Advisory. The results of all three studies have, indeed, validated the skills advisory for nearly all of the courses on which it is placed. The committee will continue to explore this issue further, particularly in regards to those courses where the advisory is less strongly validated.

- One goal of the committee for this year was, unfortunately, largely unaddressed due to other, more immediate, demands. Thus, the committee will carry forward the evaluation and revision to the prerequisite approval process in order to strengthen the process in support of both access and student success.

- The committee will continue its “proactive” approach toward curriculum as well as promoting and facilitating a collaborative and interdisciplinary approach. To this end, the committee will be exploring SMC’s degree structure and possible changes toward new or revised “degree pathways” for students.
CONSENT AGENDA: ANNUAL RECOMMENDATIONS

RECOMMENDATION NO. 9  2015-2016 ANNUAL CONTRACTS AND CONSULTANTS

Requested Action: Approval/Renewal of the following annual contracts for the period of July 1, 2015 through June 30, 2016, unless otherwise indicated.

The list of contracts is thoroughly reviewed and evaluated by the end-users and approved by the vice-presidents before being presented to the Board for approval. The following annual contracts are primarily renewals of existing contracts.

A  Academic Affairs
B  Community and Contract Education
C  Community Outreach, Recruitment and Marketing
D  Construction/Facilities Services
E  Enrollment Development
F  Fiscal/Advocacy/ Government Relations and Institutional Communications
G  Human Resources/Personnel Commission
H  KCRW
I  Legal Services
J  Public Affairs
K  Risk Management
L  Student Affairs

RECOMMENDATION NO. 9  2015-2016 ANNUAL CONTRACTS AND CONSULTANTS (continued)

9-B  COMMUNITY AND CONTRACT EDUCATION
Requested by: Patricia Ramos, Dean, Workforce and Development
Approved by: Georgia Lorenz, Vice-President, Academic Affairs

The contracts are needed to support infrastructure needs (e.g., the program’s web-based registration system and off-site locations) as well as content providers (e.g., Institute for Reading Development). For the contracts where no dollar amount is indicated (#1-#9), the amount is based on a percentage of the enrollment fees generated.

Funding Source: Contracts for Community and Contract Education (C&CE) are fully-funded by revenues generated through class enrollments.
