IV. SUPERINTENDENT’S REPORT

Acknowledgement of Dr. Al Vasquez: Dr. Vasquez was recognized for his nine years of service to the College as he leaves to assume the position of Vice-Chancellor at UC Merced.

Budget Update: Vice-President Bob Isomoto shared information received at the Chancellor’s Office Budget Workshop:
- The Governor has established a budget of $115 billion in general fund revenues, which includes a $3.4 billion reserve.
  - Access - $156.5 million (3.0%)
  - COLA - $61 million (1.02%)
  - General Operating Increase - $266.7 million (-17%)
  - Full restoration of Categorical Programs
  - Increase in SSSP - $200 million
  - Deferred Maintenance - $148 million
  - Mandate paydown - $632 million ($117 million + $515.7 million)
  - Increase full-time faculty - $62.3 million
  - BA program - $6 million
  - Cal Grant B - $39 million ($3 million for implementation)
  - Basic Skills - $70 million
  - Adult Ed - $500 million
  - Data development - $25 million
  - Proposition 30 is temporary
  - Increase in STRS and PERS liability
  - “Once in a life time” the Prop 98 maintenance factor was nearly paid off in one year. $11B to $783 million

Fall 2015
- Enrollment
  - Summer enrollment is about 150 FTES behind target. Using trends from last year to project the FTES, Fall is running 200-300 behind target. The targets set were ambitious but also in line with what anticipated funded FTES will be for 2015-2016.
  - Most summer classes ended last week. There is currently a 75.9% fill rate for summer classes.
  - The fill rate for Fall is currently at 81.3%. There are still 17,352 seats available, including 1667 in English and 595 in math.
  - Growth or restoration percentage for 2015-2016 was recently reduced from 2.54% to 2.07%. This represents 432 FTES growth/restoration, which is about 165 FTES less than originally anticipated.
  - For 2015-2016, there is a projected 1% increase in Non-Resident FTES which equates to an increase of approximately 50 NR FTES. Based on current trend summer is up 5.07 FTES and Fall is up 3.88% for Fall as compared to this time last year. Again, using last year’s trends, fall nonresident FTES should have a net increase of about 75-80.
  - On July 29th the fall semester “drop for nonpayment” was implemented. The drop is followed by a special opportunity for waitlisted students to get into their classes of choice, and then enrollment is re-opened to all.
– 4,089 students were dropped which exceeds the average which tends to be between 3,400-3,700.
– Dean Esau Tovar has been implementing a well-crafted communications plan to students to encourage enrollment. This has been ongoing since mid-July.
– A new strategy being implemented right now is a Target X campaign that matches courses students have recorded for fall in MyEdPlan that they have not taken or enrolled in yet with sections that have a minimum of 3 open seats. Students are provided up to 5 class section numbers to enroll in. The campaign includes 12,598 students.

RECOMMENDATION NO. 1

SUBJECT: BOARD OF TRUSTEES GOALS AND PRIORITIES, 2015-2016

SUBMITTED BY: Chair, Board of Trustees

REQUESTED ACTION: It is recommended that the Board of Trustees review, revise as necessary and approve the final Board of Trustees Goals and Priorities, 2015-2016:

BOARD OF TRUSTEES GOALS AND PRIORITIES, 2015-2016

Educational Advancement and Quality

1. Use evidence and rigorous methodology to improve institutional effectiveness and student progress and success.

2. Institutionalize and scale up proven initiatives that increase student success and reduce the student equity gap. Focus on improving throughput for basic skills students and successfully moving more basic skills students into college-level mathematics and English. Improve performance and completion rates, especially for African-American, Latino/a, and other groups of students identified in the equity gap research.

3. Support and hire a diverse adjunct and full time faculty that demonstrates a growth mind-set and continues the tradition of commitment to student success, engagement and equity. Develop and implement a plan to ensure the college progresses over time toward increasing the percentage and net number of full time faculty.

4. Strengthen and promote existing workforce/career technical programs and pathways and improve CTE completion and placement rates. Pursue opportunities to develop new industry-valued CTE programs and regional partnerships.

5. Rebrand the Academy of Entertainment Technology to reflect expanded media and design programs and continue to develop the programs that will occupy the new campus.

6. Develop the curriculum, pathway, and institutional processes necessary to fully implement the new baccalaureate degree offering in Interaction Design.

7. Support research-based innovations and technologies that increase student success and institutional effectiveness.

Fiscal Health and Internal Operations

8. Conduct a comprehensive search process, select a new Superintendent/President, and ensure a smooth leadership transition for the college.

10. Ensure the financial health of the College through enrollment development, revenue-generation, and cost control. Pursue and obtain appropriate external funding.

11. Build and maintain a reserve sufficient to protect against unforeseen circumstances.

12. Continue to implement the plan to safeguard post-retirement employee benefits, and develop and implement a plan to fund increasing PERS, STRS, and other benefit obligations.

Community and Government Relationships

13. Strengthen community and government relationships and partnerships in fulfillment of SMC’s vision and mission.

14. Ensure the continued success of Emeritus College.

15. Participate in the Cradle to Career Initiative and the Education Collaborative, collaborate with the City of Santa Monica in additional planning for the Early Childhood Education Center, and strengthen and expand programs, pathways, concurrent enrollment and partnerships that serve SMMUSD students.

Facilities and Sustainability

16. Improve maintenance and maintain progress on all SMC facilities construction and transportation projects. Complete AET, PAC East Wing, and systems upgrades projects. Prepare for construction of Student Services, the Malibu Campus, and connections to the Central Plant.

17. Encourage use of Expo and facilitate pedestrian, bicycle, and bus access for students and staff.

18. Examine facilities needs, including maintenance, and future financing options for construction and facilities upgrades.

INFORMATION ITEM 2

SUBJECT: PRESIDENT’S TITLE IX TASK FORCE

SUBMITTED BY: Vice-President, Student Affairs

SUMMARY:
The subject of sexual violence, sexual assault, and sexual harassment on college and university campuses is a matter of national importance. Over the past months, stories of sexual assault and sexual misconduct have been in the media and in legislation on both a State and national level.

To ensure that the students and employees of Santa Monica College (SMC) are safe and free from gender-based discrimination, sexual harassment, sexual violence and sexual misconduct, Superintendent-President, Dr. Chui L. Tsang asked that a comprehensive review of college policies and services be conducted in order to maintain the highest standards of prevention, response, and reporting.

In Fall 2014, Superintendent-President, Dr. Chui L. Tsang appointed a Task Force to review the District’s current policies, procedures, and practices as they relate to Title IX (Sexual Violence, Sexual Assault, and Sexual Harassment), as well as to recommend necessary improvements to bring the college into compliance with newly enacted laws and regulations.

The group was tasked with the following goals:

• The Task Force will review some of the existing practices, such as the University of California’s (PEAR) Model, and will provide a report to the Superintendent-President with key findings and recommendations.

• These recommendations should address prevention, education, advocacy, and reporting and response. During this process, the Task Force will provide occasional reports to the college community and solicit their input and concerns.

• The Task Force will need to convene regularly and present recommendations to the Superintendent-President so that the college is able to meet the effective dates of the newly enacted laws and regulations.

The Task Force began its efforts in October 2014 and was led by Vice President of Student Affairs, Michael Tuitasi. The Task Force members included students, staff, faculty, management, and a Santa Monica College Trustee.

RECOMMENDATION NO. 3

SUBJECT:  APPOINTMENT TO CITIZENS’ BOND OVERSIGHT COMMITTEE

SUBMITTED BY: Chair Rob Rader

REQUESTED ACTION: The Board Chair and Vice-Chair recommend the appointment of Sharon Barovsky, former mayor of Malibu, to fill the current vacancy representing the community of Malibu on the Citizens’ Bond Oversight Committee.

SUMMARY: There were several strong applicants for the Citizens’ Bond Oversight Committee. At this time, the Board Chair and Vice-chair recommend filling the current vacancy to represent the community of Malibu. The other applicants will be considered for appointment in the future.

The bylaws state that the Citizens’ Bond Oversight Committee shall consist of a minimum of seven (7) members appointed by the Board of Trustees as required by Government Code Sections 54950-54962 and Education Code Sections 15278, 15280 and 15282, with at least:

Category
1. one representative of the business community within the District
2. one person active in a senior citizens' organization
3. one person active in a bona fide taxpayers' organization
4. one student who is currently enrolled at SMC
5. one person active in the support and organization of the District
6. additional appointees to represent the communities of Santa Monica and Malibu

RECOMMENDATION NO. 4

SUBJECT: RENAMING OF ACADEMY OF ENTERTAINMENT AND TECHNOLOGY

SUBMITTED BY: Superintendent/President

REQUESTED ACTION: It is recommended that the Board of Trustees approve renaming the Academy of Entertainment and Technology the SMC Center for Media and Design.

SUMMARY: This topic was discussed at the Board Study Session in March generating discussion resulting in support for the site name to include either “campus” or “center” in the name. The overwhelming consensus among faculty was that “media” and “design” were the best umbrella terms describing what goes on at the site. Faculty most strongly support rebranding the Academy of Entertainment and Technology to “Center for Media and Design”. This is the name that would appear on a monument sign at the front of the campus and would easily accommodate the name of a major donor at the front of the site name.

SUBJECT: RESOLUTION OF THE BOARD OF TRUSTEES OF THE SANTA MONICA COMMUNITY COLLEGE DISTRICT OF ITS INTENTION TO DEDICATE BY LEASE AGREEMENT TO SPRINT PCS ASSETS, L.L.C. PERMISSION TO INSTALL, OWN, OPERATE, AND MAINTAIN A CELL SITE ON THE PARKING STRUCTURE OF THE ACADEMY OF ENTERTAINMENT AND TECHNOLOGY

SUBMITTED BY: Vice-President, Business and Administration

REQUESTED ACTION: It is recommended that the Board of Trustees approve the following resolution of its intention to dedicate property to Sprint PCS Assets, L.L.C. to install, own, operate and maintain a cell site on the parking structure of Academy of Entertainment & Technology; and sets September 1, 2015, at 7:00 pm, as the date and time for a public hearing on the matter.

SUMMARY: This resolution provides the Board of Trustees ability to enter into long-term lease of District’s property.

Education Code section 81310 et seq. authorizes the Governing Board of the District to make such dedication after a properly noticed public hearing, if approved by a two-thirds vote of all its members.

RESOLUTION OF THE BOARD OF TRUSTEES OF THE SANTA MONICA COMMUNITY COLLEGE DISTRICT OF ITS INTENTION TO DEDICATE BY LEASE AGREEMENT TO SPRINT PCS ASSETS, L.L.C. PERMISSION TO INSTALL, OWN, OPERATE, AND MAINTAIN A CELL SITE ON THE PARKING STRUCTURE OF ACADEMY OF ENTERTAINMENT & TECHNOLOGY

WHEREAS, Sprint PCS Assets, L.L.C., a provider for cellular services, has requested that the Santa Monica Community College District dedicate a portion of real property over certain District-owned property to install, own, operate, and maintain a cell site on the parking structure of Academy of Entertainment & Technology, more specifically described in Exhibit A; and,

WHEREAS, such dedication is in the best interest of the District; and,

WHEREAS, Education Code section 81310 et seq. authorizes the Governing Board of the District to make such dedication after a properly noticed public hearing, if approved by a two-thirds vote of all its members; and,

WHEREAS, a public hearing on the question of such dedication will be held at the regularly scheduled Board of Trustees meeting on September 1, 2015, at 7:00 p.m.

NOW, THEREFORE, BE IT RESOLVED, the Board of Trustees of Santa Monica Community College District adopts this resolution of its intention to dedicate the property as described in Exhibit A to Sprint PCS Assets, L.L.C. to install, own, operate and maintain a cell site on the parking structure of Academy of Entertainment & Technology; and sets September 1, 2015, at 7:00 pm, as the date and time for a public hearing on the matter.

BE IT FURTHER RESOLVED, that the Superintendent/President or his/her designee is hereby authorized and requested to take all steps necessary to provide for proper notice of the hearing.

Exhibit A

Premises: (i) approximately two hundred fifty (250) square feet of space in the basement and (ii) approximately two hundred eighty-eight (288) square feet of space on the exterior walls of upper level (Items (i) and (ii) collectively, the “Lease Space”) of the parking structure of Academy of Entertainment & Technology located at 1660 Stewart Street, Santa Monica, Los Angeles County, California.

Term: The term shall be for five (5) years and shall automatically be extended for five (5) additional five (5) year terms.

RECOMMENDATION NO. 6

SUBJECT:  PUBLIC HEARING AND ADOPTION OF EDUCATION PROTECTION ACCOUNT (EPA-PROP 30) FUNDING AND EXPENDITURES – TO REFLECT THE REVISED AMOUNT IDENTIFIED IN THE SECOND PRINCIPAL APPORTIONMENT (P2)

SUBMITTED BY:  Vice-President, Business and Administration

REQUESTED ACTION:  It is recommended that the Board of Trustees conduct a public hearing to receive comments on the Santa Monica Community College District’s Education Protection Account (Proposition 30) Funding and Expenditures and to approve the plan to expend the Education Protection Account (EPA) funds of $18,331,702 on instructional salaries.

SUMMARY:  Proposition 30, The Schools and Local Public Safety Protection Act of 2012 passed in November 2012. This proposition temporarily raises the sales and use tax by .25 cents for four years and raises the income tax rate for high-income earners ($250,000 for individuals and $500,000 for couples) for seven years to provide continuing funding for local school districts and community colleges. EPA is created in the General Fund to receive and disburse these temporary tax revenues.

Districts have sole authority to determine how the funds received from the EPA are spent, provided that the governing board makes these spending determinations in open session of a public meeting of the governing board. Each entity receiving funds must annually publish on its Internet web site an accounting of how much money was received from the EPA and how that money was spent. Additionally, the annual independent financial and compliance audit required of community colleges shall ascertain and verify whether the funds provided from the EPA have been properly disbursed and expended as required by law. Expenses incurred to comply with these additional audit requirements may be paid from the EPA.

This recommendation is submitted to comply with the Chancellor’s Office and with Proposition 30 provision requiring the governing board to make the spending determination in an open session of a public meeting of the governing board. The estimated EPA funds that the District will receive increased from $15,944,670 to $18,331,702 as of P2 and the entire amount will be spent on instructional salaries. The EPA funds are NOT additional funds but rather are components of the “computational revenue” calculations.

Outlined below for the Board’s information is a summary of the search process to date and an overview of upcoming activities in the Superintendent/President Search process.

Change in Leadership
As of the last Board meeting on July 21, 2015, Dr. Nicki Harrington has assumed the leadership role for the project and will serve as the Project Director. Dr. Harrington will be present at all Search Committee meetings throughout the recruitment process. Heather Renschler, President/CEO of Ralph Andersen & Associates, will have an expanded and active role in the recruitment process. Stan Arterberry and staff from Ralph Andersen & Associates will serve in a supportive role.

Recruitment Efforts
Recruitment efforts continue in both the educational and non-educational milieu. Individuals with leadership and management experience from a variety of venues, who possess a passion for education, are being recruited and encouraged to apply for the position of Superintendent/President of Santa Monica College.

A number of activities are also underway by the consultants to more fully appreciate the unique attributes of SMC and the opportunities presented by the position. These include a review of the annual report presented by Jeff Shimizu, the recent interview of Chui Tsang, and a campus tour, to name a few.

Advertising
Advertisements have been placed in both hard copy and electronic sources, including both educational and non-educational sources, as outlined in the first Recruitment Update. A second round of advertising will be conducted in August, and the advertising text will be customized for non-educational sources to attract non-traditional applicants “with a passion for education.”

Upcoming Activities
August and September will be heavy recruitment months. A recruitment update will be provided for the Board’s September 1, 2015 meeting. The first meeting of the Search Committee will be held September 17, 2015. The application deadline for priority consideration is September 21, 2015. The Consultant team will review applications that same week in preparation for paper screening by the Committee, which will commence September 28, 2015.

Board Updates
Regular updates will continue to be provided monthly to the Board of Trustees throughout the process. A summary of the complete applicant pool will be included in the report for the October 6, 2015 meeting.

Ralph Andersen & Associates continues its commitment to a comprehensive search process, including a robust, aggressive recruitment process. The Board is encouraged to forward any active leads and/or referrals to the consultants for follow-up.
EMERGENCY PREPAREDNESS UPDATE

SUMMARY: The Emergency Preparedness (EP) Committee meets the third Wednesday of every month. The Committee reviews and implements various components of the District’s Emergency Preparedness Plan. The following work has been conducted by the EP Committee and Infrastructure group since August 2014.

EQUIPMENT
The District has purchased and received three EP trailers to store emergency equipment. Members of the EP team are identifying needed supplies to stock the three trailers. One of the trailers is housed at the Campus Police station on the main campus, and two are placed at the Bundy and Performing Arts locations.

In addition to trailers, Campus Police are looking to purchase one additional Tahoe vehicle for command post duties as well as additional towing capacity to handle the transport for the emergency supply trailers.

Campus Police are also in the process of obtaining a fire training simulator that can be used to train the College-Community Emergency Response Team (C-CERT) and Building Monitors in the use of fire extinguishers to fight fires. The goal is to expand the training to all custodial and maintenance staff as well as expand the number of personnel who are extinguisher trained.

The College has installed 29 evacuation chairs at all campus locations. An online training on evacuation chair usage has been added to the College’s Emergency Preparedness webpage.
http://www.smc.edu/StudentServices/EmergencyPreparedness/Pages/Building-Evacuation.aspx

The Automated External Defibrillators (AEDs) have been installed by the SMC Maintenance Department in all Campus occupied locations with the exception of the warehouse on 14th Street. There are 44 AEDs in total that have been positioned and are now being actively monitored by our third party partner, a division of Zoll medical. These devices are available to students, employees, and visitors who are trained in their usage during times of emergency. Each device is checked a minimum of once a month by campus police. AED units are kept in cabinets that when opened will sound an audible alarm. Above each cabinet is signage to alert passersby of the availability of the device. A map identifying the location and placement for all evacuation chairs and AED units is currently being developed by the Maintenance Department.

In addition to EP equipment, the committee is updating emergency supplies that include first aid kits, medication, batteries, flashlights, perishables, drinking water, and radios. This will be completed before the start of fall 2015.

SIMULATIONS & BUILDING MONITORS
On October, 16th, 2014 the District participated in the Great California ShakeOut earthquake simulation drill. This has been the 3rd year that the entire College has participated in a drill in which a full evacuation has been administered. The District will continue to participant in this annual event to ensure that the College community is educated on evacuation procedures. The next ShakeOut is scheduled for Thursday, October 15 at 10:15am.
On Thursday, April 30th the District conducted a "Shelter in Place" simulation at 9:50am and 7:50pm to test the Emergency Notification System. Telecom and Campus Police were able to identify system malfunctions and make appropriate corrections. In addition to these simulations, the District has tested various components of the Emergency Notification System. Telecom continues to revise and improve upon the systems capabilities.

The Emergency Preparedness Committee designates building monitors and then provides training for monitors based on their assignments. To date, all managers have been designated as building monitors and are being trained. However, the goal is to expand the outreach and training to include other individuals who are interested in assisting during emergencies.

**TRAININGS**
In partnership with the American Red Cross, Santa Monica College had authorized for 84 persons to be trained in CPR and the use of the AEDs. Thus far 64 employees have been trained since April 2015. A 48 person class will be scheduled every semester by the American Red Cross. The SMC Police Department staff will train additional staff members as time permits.

Campus Police will also schedule general EP Trainings for the fall semester. Upon installation of the new fire training system, additional fire safety workshops will also be scheduled.

The EP Committee is working with the Media Center to produce a video to educate students, staff, and faculty on evacuation procedures with an emphasis on the evacuation of persons with disabilities. Other emergency preparedness videos can be produced as needed.

**FACILITIES**
The following progress has been made on the implementation of surveillance cameras, the automated locking system, and the District’s emergency notification system:

- Singlewire upgraded to the latest HW/SW platforms and 2nd server installed to improve performance;
- Expanded the installation of emergency IP speakers;
- Installed new Video Surveillance and Access Control servers/applications;
- Installed electronic door locks in IT/Media center buildings (Other buildings are being prepped and should be online by the end of August 2015. within the next week);
- Upgrade of Voice Print System is schedule for July 27th;
- Installing new radio repeaters/antennas at satellite campuses;
- Installed 21 new Cisco Media Storage Servers that are now operational;
- Installed Cisco Video Surveillance Operations Manager installed that are now operating;
- Installed Cisco Physical Access Manager that are now operating;
- Installed over 160 new Cisco IP cameras that are now recording in and around the following buildings: IT, Media Center, Library, Liberal Arts, Letters and Science, Cafeteria, Bookstore, Bursars, Bundy Campus, Emeritus College, Math Complex, Bike Parking, Admissions Complex, 14th Street Warehouse, 2714 Pico Electronic Door Locking Hardware being installed and tested in IT, Media Center, Liberal Arts, Letters and Science, Cafeteria, Cayton Center, Dispatch Center. In addition, new dispatcher pods, workstations, and video walls have been installed.
- Campus Police staff moved out of a temporary trailer into the newly remodeled Dispatch Center on 7/17/15.
Public Safety projects currently in progress include:
- Upgrade and replacement of Campus Police radio repeater system;
- Upgrade of Voice Print call recording system;
- Upgrade of the full Security Systems is scheduled to be completed in December 2015.
- Upgrade of fire alarm construction has started. Consultants are working night hours on parking structures. Project is scheduled to be completed in March 2016.

HAZARD MITIGATION PLAN
The Hazard Mitigation Plan is a joint plan with the Santa Monica Malibu Unified School District (SMMUSD). The areas of Campus Police, Facilities, Maintenance, and Campus Counsel have been updating the plan in order to meet local, State and Federal standards. We have made significant progress in updating the existing plan and are incorporating the following changes:

- Updating the accuracy of the addresses. Including the addresses of the SMMUSD employees and locations;
- Insuring consistency in terms of grammar;
- Replacing and updating maps and pictures. Media Services has taken additional pictures of new buildings and locations to be included in the plan.

The plan will be presented to the SMC Board of Trustees in October 2015.

The safety of the students and employees at the Santa Monica Community College District remains a high priority. Therefore, the EP Committee will continue to upgrade and improve the Emergency Preparedness equipment, systems, procedures, and trainings for the campus community.

RECOMMENDATION NO. 9  APPROVAL OF MINUTES

Approval of the minutes of the following meetings of the Santa Monica Community College District Board of Trustees:

July 7, 2015 (Regular Board of Trustees Meeting)
July 21, 2015 (Special Meeting/Study Session)
CONSENT AGENDA: GRANTS AND CONTRACTS

RECOMMENDATION NO. 10 ACCEPTANCE OF GRANT AND BUDGET AUGMENTATION - DELETED

Requested Action: Approval/Ratification
Requested by: Melanie Bocanegra, Director, STEM Initiative
Reviewed by: Ferris Kawar, Project Manager CEUS
Approved by: Georgia Lorenz, Vice-President, Academic Affairs

Title of Grant: Community Based Job Training Grant
Granting Agency: Sunbelt Controls
Award Amount: $52,000
Funding Source: HSI-STEM and Articulation
Matching Funds: $0
Performance Period: July 2015 - June 2016

Summary: Sunbelt Controls will augment the current District software to provide an Energy Monitoring System (EMS) that will chart the energy consumption at the Science Building and the Center for Environmental and Urban Studies. The dashboard will translate energy consumption into environmental data. The augmented software will have a student portal that will be used for student assignments in unit conversions, metrics and power measurements. Students, particularly those in science classes, will be able to interact with the data to investigate how dashboard measures were created, allowing them to understand the real-world applications of scientific data and draw connections between concepts reviewed in the classroom and their own lives.

Comment: Amendment No. 6 provides for design services for the replacement of the ballasted photovoltaic system shown on DSA approved drawings, with a non-ballasted, positively anchored rack system, necessary due to the manufacturer having increased the safety parameter requirements and will no longer sell the specified system. Also provides for design fees to address contractor requests for information that have resulted in substantial design changes. Some of these fees may be recoverable from the contractor. Amendment No. 6 also provides for as needed design services for future owner requested changes and potential unforeseen conditions and design or construction coordination.

Comment: Additional services required to rebid EMS project consisting of a total of fifteen (15 Buildings (10 base bid plus 5 alternates). Prepare documents to include specifications and reports reflecting design-build methodology for a complete turnkey project including component replacement, programming and verification of system programming and Prop 39 compliance.

18-F BUILDERS RISK INSURANCE RENEWAL AND EXTENSION - AET CAMPUS AND INFORMATION TECHNOLOGY RELOCATION

Renew and extend the Builder’s Risk Insurance with Increased Value Endorsement for the AET Campus and Information Technology Projects with WESTCHESTER SURPLUS LINES INSURANCE COMPANY placed through the ARTHUR J. GALLAGHER & CO. INSURANCE BROKERS OF CALIFORNIA, INC. for an amount not to exceed $70,632.

Funding Source: Measure AA

Comment: The District is providing insurance for these projects in lieu of contractor provided insurance. Several projects started during the same period of time were covered under these policies. The policies had a time limit and must be extended until all projects are fully complete. Replacement values have also been updated. The District reviews insurance coverage for each project to determine if the contractor provided insurance or an owner provided insurance would be more economical. Builder’s risk covers damage from hazards such as fire and earthquake during construction.

Comment: The Adopted Budget needs to be amended to reflect the totals of the departmental budgets. The current system of the Los Angeles County Office of Education requires Board approvals each month for budget adjustments. Only the net amount of the transfers in or out of the object codes is shown. In addition to the budget adjustments, transfers result from requests by managers to adjust budgets to meet changing needs during the course of the year.

Comment: The Data Center Refresh project provides the College with a sustainable technology infrastructure and computer resources required to efficiently deliver key electronic academic and administrative services. This project consists of powerful Blade Servers, over ten times faster than legacy hardware, along with Blade Enclosures and Network Platform Components with the advanced capabilities required to efficiently manage, monitor and connect the system to the enterprise. In concert with the new Data Center’s redundant power and environmental controls, this new system will simplify system maintenance and add additional hardware redundancies and significantly improve overall service availability.
A meeting of the Santa Monica Community College District Citizens’ Bond Oversight Committee was held on Wednesday, July 15, 2015 in Drescher Hall Room 300-E (the Loft) at Santa Monica College, 1900 Pico Boulevard, Santa Monica, California.

1. **CALL TO ORDER** - 8:02 a.m.

2. **ROLL CALL**
   - Michael Dubin – Present
   - Jeffrey Graham - Present
   - Katherine Reuter – Present
   - Sion Roy – Present
   - Sonya Sultan – Present
   - Sam Zivi – Present

   Others Present:
   - Chris Bonvenuto, Chief Director, Business Services
   - Greg Brown, Director of Facilities Planning
   - Lisa Rose, Citizens’ Bond Oversight Committee Coordinator
   - Charlie Yen, Director, Contracts
   - Emil Zordilla, Assistant Director of Facilities Planning

3. **APPROVAL OF MINUTES**
   The minutes of the Citizens’ Bond Oversight Committee meeting of April 15, 2015 were unanimously approved.

   Jeffrey Graham and Sion Roy were unanimously elected Chair and Vice-Chair, respectively, of the Citizens’ Bond Oversight Committee, 2015-2017.

5. **REAPPOINTMENT OF MEMBERS TO THE CITIZENS’ BOND OVERSIGHT COMMITTEE**
   At its meeting on July 1, 2014, the SMCCD Board of Trustees reappointed the following members to the Citizens’ Bond Oversight Committee, for a two-year term, 2015-2017:

   - Michael Dubin
   - Sion Roy
   - Sonya Sultan

   Note: The SMC Associated Students will recommend a student representative in September.

6. **REPORTS and DISCUSSION**

   **SMC Bond Construction Projects Update:** Greg Brown presented a visual overview of the following bond construction projects:

   - **Health/P.E./Fitness/Central Plant Project:** Excavation and foundation. The project is expected to be completed by the end of 2016.
• Academy of Entertainment and Technology: New parking structure, KCRW Building and academic building. The project is expected to be completed by August 2016.

• Both phases of the Information Technology building project have been completed.

• Student Services Building: The design stage for this project has been completed and sent to the Division of State Architect (DSA) for review. They will start plan check on August 13th. Construction is expected to start early 2016.

• The Early Childhood Education Center is a cooperative project with the City of Santa Monica. The College went through the full process with several agencies (Architectural Review Board, Planning Commission and SM City Council) for approval of the project. Once the plans are completed by the architect, they will be submitted to DSA for approval probably towards the end of 2015.

• The College is going through a formal process for the Malibu project. The Environmental Impact Report (EIR) has been published and has a review period of 60 days for public comment. The final EIR will be approved this fall. The plans are almost out of DSA, so the project could start early 2016. It is expected that the City of Malibu will proceed with the sewer system.

State Bond/Local Bond
There has not been a state bond for capital construction since 2006. There is now a signature gathering campaign for a state bond for 2016 which would include funds for community colleges. The Math/Science building has been submitted to the Chancellor’s Office in the College’s five-year construction plan in order to be eligible for state funding if a bond passes.
