RECOMMENDATION NO. 1

SUBJECT: RESOLUTION – SANTA MONICA COMMUNITY COLLEGE DISTRICT PROVIDES A SAFE ENVIRONMENT FOR ALL STUDENTS AND PERSONNEL

SUBMITTED BY: Superintendent/President

REQUESTED ACTION: It is recommended that the Board of Trustees approve the following resolution to support a safe environment for all students and personnel.

Whereas, the Santa Monica Community College District recognizes the rights of all students and their families, regardless of immigration status, family structure, sexual orientation, religious beliefs, gender identity, or marital status; and

Whereas, the Santa Monica Community College District Board of Trustees acknowledges that civil and human rights are deeply rooted in the fabric of democratic and principled societies; and

Whereas, prominent among Santa Monica College’s institutional values are mutual respect, to treat one another with dignity, trust and fairness; to appreciate the diversity of our community, students and workforce in a collegial and cooperative manner; to positively engage the college community in developing a deep appreciation of, and collegiality among all cultures; and

Whereas, Santa Monica College is a leader and innovator in learning and achievement by fostering its core values: knowledge, intellectual inquiry, research-based planning and evaluation, academic integrity, ethical behavior, democratic processes, communication and collegiality, global awareness, and sustainability; and

Whereas, Santa Monica College is and will continue to be a safe environment for all students and personnel; and

Whereas, Santa Monica College will continue to work with the college community, national and state wide education leaders and elected officials to ensure that our students are able to pursue their educational goals.

Therefore Be It Resolved that the Santa Monica Community College District Board of Trustees stands united in continuing to provide a safe environment for all students who choose to better their lives through education and will maintain the following strategies to be consistent with the college’s values:

• The SMC Police Department should not detain, question, arrest any individual on the basis of suspected undocumented immigration status;
• The District will not cooperate with any effort to create a registry of individuals based on any protected characteristics such as religion, national origin, race or sexual orientation;
• No confidential student records should be released without a judicial warrant, subpoena or court order, unless authorized by the student or required by law.
• Santa Monica College will continue to advocate for educational opportunities for all students regardless of immigration status.
It is Further Resolved that:

• The Santa Monica Community College District reaffirms its current admission and financial aid policies regarding undocumented students. The College will provide confidential counseling services for undocumented students and DACA recipients regarding their educational goals;

• The Santa Monica Community College District Board of Trustees reaffirms the College’s commitment to create a campus atmosphere of respect by denouncing hate speech directed at immigrant, ethnic minority, and LGBTQ students and workers, and by informing the campus community of existing resources for reporting and responding to identity-based hate incidents; and

• The Santa Monica Community College District will partner with local agencies including the City of Santa Monica, City of Malibu, the Santa Monica-Malibu Unified School District, Santa Monica Police Department, Los Angeles Sheriff’s Department and non-profit agencies and legal services agencies to provide referrals to resources and support for families with deportation concerns; and

• The Board of Trustees joins the University of California, the California State University and the California Community College system to formally request that the United States government preserve the Deferred Action for Childhood Arrivals (DACA) program, which allows children of undocumented immigrants to pursue higher education in the United States.

COMMENT: The resolution incorporates many of the comments made at the December Board meeting and suggestions in the petition signed by SMC students, faculty, staff and alumni which was submitted to the Board. The revised resolution was circulated to the Student Equity Steering Committee and the Associated Students leadership for review and input.

RECOMMENDATION NO. 2

SUBJECT: RESOLUTION CONFIRMING ACCEPTANCE OF LOS ANGELES COUNTY CANVASS CERTIFICATE, NOVEMBER 8, 2016 ELECTION

SUBMITTED BY: Superintendent/President

REQUESTED ACTION: It is recommended that the Board of Trustees approve the following resolution confirming acceptance of the official Canvass Certificate and the official Statement of Votes Cast by precinct for the Santa Monica Community College District Special Election conducted with the General Election held on November 8, 2016.

WHEREAS, California Elections Code Section 15400 requires the governing board of a community college district to declare the results of each election under its jurisdiction; and

WHEREAS, California Education Code Section 15274 requires an equivalent declaration or certification regarding Proposition 39 general obligation bonds.

NOW, THEREFORE, BE IT RESOLVED that the Santa Monica Community College District Board of Trustees (the “Board”) certifies and declares as follows regarding the November 8, 2016 General Election:

1. Pursuant to the Los Angeles County Registrar of Voters and the official Canvass Certificate and the Official Statement of Votes Cast (“Canvass Certificate”) submitted to the Board of the Santa Monica Community College District (the “District”), and in compliance with California Elections Code Section 15400, Bond Measure V (the “Bond Measure”) was approved by more than 55% of the registered voters of the District who voted at the General Election.

2. Pursuant to the Los Angeles County Registrar of Voters and the official Canvass Certificate submitted to the Board of the District, and in compliance with California Education Code Section 15274, the Board certifies to the Board of Supervisors of the County of Los Angeles, and so incorporates into its minutes this resolution, that the Bond Measure was duly passed, as set forth in section 1 above, in compliance with Section 18(b) of Article XVI of the California Constitution and that all proceedings relating to the election and approval of the Bond Measure was duly had and conducted.

3. In compliance with California Education Code 15274, a copy of the resolution shall be sent to the Board of Supervisors of the County of Los Angeles.

4. This resolution shall take effect immediately upon adoption.

RECOMMENDATION NO. 5

SUBJECT: 2017-2018 NONRESIDENT TUITION RATE

SUBMITTED BY: Vice-President, Enrollment Development

REQUESTED ACTION: It is recommended that the Board of Trustees adopt the nonresident tuition rate of $285 per unit and the nonresident capital outlay surcharge of $24 per unit for 2017-2018. For 2017-2018, the lowest possible nonresident tuition rate for SMC is $234 per semester unit, and the highest possible nonresident tuition rate is $425 per semester unit. Option 7 (“no greater than the 2015-16 average nonresident tuition fee of public community colleges in a minimum of 12 states comparable to California in cost of living. That average is calculated to be $425 per semester unit”) - was used to determine SMC’s 2017-2018 nonresident tuition rate of $285 per semester unit. This represents a 7.5% increase from the 2016-2017 nonresident tuition rate, for an overall 6% increase in the total per unit cost.

Current Proposed Change
Nonresident Tuition $265 $285 +$20
Capital Outlay Surcharge $24 $24 --0--
State Enrollment Fee for Resident and Nonresident Students $46 $46 -0-
Total $335 $355 +$20

The moderate increase is considered acceptable by the International Education Center staff working with our international student population. Below is a brief comparison of the 2016-17 rates of other community colleges in the area and/or enrolling significant numbers of international students. It is not yet known what rates will be adopted by those colleges for 2017-18.

SUBJECT: FIRST READING: COLLEGE AND CAREER ACCESS PATHWAYS, A DUAL ENROLLMENT PARTNERSHIP AGREEMENT, 2017-2019

SUBMITTED BY: Vice-President, Academic Affairs
Vice-President, Enrollment Development

REQUESTED ACTION: It is recommended that the Board of Trustees conduct a first reading of a resolution regarding College and Career Access Pathways, A Dual Enrollment Partnership Agreement, 2017-2019. The complete text of the resolution is available at the following link for Beverly Hills Unified School District.
file:///Users/lisa/Desktop/SMC-BHSD%20AB%20288%20CCAP%20Agreement-update%20Dec%202016.2.pdf

SUMMARY: With the passage of Assembly Bill No. 288 the governing board of a community college district can enter into a College and Career Access Pathways (CCAP) partnership with the governing board of a school district with the goal of developing seamless pathways from high school to community college for career technical education or preparation for transfer. As a condition of, and before adopting, a CCAP partnership agreement, the governing board of each district, at an open public meeting must present the CCAP agreement as an informational item and then vote on the agreement at a subsequent board meeting. The agreement will give SMC new Dual Enrollment options by eliminating policy barriers, such as the ability to close courses at high school campuses during the regular school day and to offer remedial math and English classes.

RECOMMENDATION NO. 7

SUBJECT: FIRST READING – BOARD POLICY SECTION 6116, DEBT ISSUANCE

SUBMITTED BY: Vice-President, Business/Administration

REQUESTED ACTION: It is recommended that the Board of Trustees conduct a first reading of revised Board Policy in Section 6000 – Business Services and Facilities: BP 6116, Debt Issuance.

COMMENT: Senate Bill (SB) 1029 (Hertzberg), signed into law by Governor Brown on September 12, 2016, amends the Government Code requiring school and community college districts to certify that they have adopted local debt management policies.

This certification must be in place prior to filing the Report of Proposed Debt Issuance, which is subsequently filed with the California Debt and Advisory Commission (CDIAC).

To meet statutory requirements, at a minimum the debt management policy should include:

1. The purpose for which the debt proceeds may be used.
2. The types of debt/securities that may be issued.
3. The relationship of the debt/securities to, and integration with, the issuing public agency’s capital improvement program or budget, if applicable.
4. Policy goals related to the issuing agency’s planning goals and objectives.
5. The internal control procedures that the issuing agency has implemented, or will implement, to ensure that the proceeds of each proposed securities issuance will be directed to the intended/authorized use.

This Policy update is to meet the new requirements pursuant to (SB) 1029.
Introduction

The Board of Trustees recognizes the importance of having Debt Management Policies (the “Debt Policies”) that provide a framework for public finance borrowing. The Debt Policies provide guidelines for public finance borrowings, ensure careful and consistent monitoring and use of debt issuances and structures, establish debt management goals and help attain the best credit ratings, preserve financial flexibility, meet all capital requirements, and guide the investment of bond proceeds.

The Board of Trustees, prior to issuance, must authorize the issuance of any of the following types of debt obligations of the District:

- General Obligation Bonds (“G.O. Bonds”)
- Bond anticipation notes (“BANs”)
- Lease-purchase agreements (“Leases”)
- Certificates of participation (“COP”)
- Tax and revenue anticipation notes (“TRANs”)
- Other issuance that constitutes debt under the California constitution

The Debt Policies set forth herein have been developed to provide guidelines for such issuance and other forms of indebtedness.

While the issuance of debt by the District is an appropriate and necessary method of financing capital projects, careful and consistent monitoring of such debt issuance is required to preserve the District’s credit strength, budget and financial flexibility. These Debt Policies will serve the District in determining the appropriate uses for debt financing, debt structures and establishing prudent debt management goals.

Compliance with State and Federal Law. The District shall maintain strict compliance at all times with State and Federal law applicable to its debt instruments. such records regarding the District’s debt issues as may be required pursuant to the Internal Revenue Code (the “Tax Code”) and pertinent regulations, including, without limitation, information required to calculate arbitrage rebate due to the U.S. Department of the Treasury, and to ensure compliance with the District’s continuing disclosure obligations incurred pursuant to Rule 15c2-12 of the Securities and Exchange Commission.

Post Closing. The District shall take such actions and maintain such records regarding the District’s debt issues as may be required pursuant to the Tax Code and pertinent regulations, including, without limitation, information required to calculate arbitrage rebate due to the Department of the Treasury, and to insure compliance with the District’s continuing disclosure obligations incurred pursuant to Rule 15c2-12 of the Securities and Exchange Commission.

Policy Goals

The purpose of the Debt Policies is to provide functional tools for debt management and capital planning, as well as to enhance the District’s ability to manage its debt and lease financings in a conservative and prudent manner. In following these Debt Policies, the District shall pursue the following goals:

- The District shall strive to fund capital improvements from referendum-approved bond issues to preserve the availability of its General Funds for District operating purposes and other purposes that cannot be funded by such bond issues.
- The District shall endeavor to attain the best possible credit rating, as applicable, for each debt issue (with or without bond insurance) in order to reduce interest costs, within the context of preserving financial flexibility and meeting capital funding requirements.

- The District shall take all practical precautions and proactive measures to avoid any financial decision which will negatively impact current credit ratings on existing or future debt issues.

- The District shall remain mindful of debt limits in relation to assessed value growth within the District and the tax burden needed to meet long-term capital requirements.

- The District shall consider market conditions and District cash flows when timing the issuance of debt.

- The District shall determine the amortization (maturity) schedule which will best fit with the overall debt structure of the District at the time the new debt is issued.

- The District shall give consideration to matching the term of the issue to the useful lives of assets whenever practicable, while considering repair and replacement costs of those assets to be incurred in future years as an offset to the useful lives, and the related length of time in the payout structure.

- The District shall, when planning for the issuance of new debt, consider the impact of such new debt on overlapping debt and the financing plans of local, State and other governments which overlap with the District.

- The District shall, when issuing debt, assess financial alternatives to include new and innovative financing approaches, including whenever feasible categorical grants, revolving loans or other State/Federal aid, so as to minimize the encroachment on the District’s General Fund.

- In order to minimize the encroachment on the District’s General Fund when issuing debt, the District will clearly identify the sources of repayment.

**Authorization and Purpose for Debt**

The laws of the State of California authorize the issuance of debt by the District, and confer upon it the power and authority to make lease payments, contract debt, borrow money, and issue bonds for public improvement projects. Under these provisions, the District may contract debt to: pay for the cost of acquiring, constructing, reconstructing, rehabilitating, replacing, improving, extending, enlarging, furnishing and equipping such projects; to refund existing debt; or to provide for cash flow needs.

**Alignment with District’s Capital Improvement Program and Budget**

Decisions regarding the issuance of debt for the purpose of financing capital improvements shall be aligned with current and prospective needs for acquisition, construction and/or improvement of District property and facilities as identified by the District through sources and information including the Districts facilities master plan or other needs assessment, as applicable, the projected costs of those needs, schedules for the projects, and anticipated resources.
When considering a debt issuance, the Board, Superintendent/President and the Vice President, Business/Administration or designee shall consider both the short-term and long-term implications of the debt issuance and additional operating costs associated with new projects. Such evaluation may include, but is not limited to, the projected ratio of annual debt service and tax burden on the District’s taxpayers, and the ratio of annual debt service secured by the general fund to general fund expenditures.

**Post Issuance Review and Update**

The Debt Policies shall be reviewed and updated before and after each bond issuance and made available to the Board for review. The Vice President, Business/Administration or his or her designee is the designated administrator of the Debt Policies and has the overall responsibility, with the Board’s approval, for decisions related to the structuring of all of the District’s debt issues. The Vice President, Business/Administration or his or her designee may delegate the day-to-day responsibility for managing the District’s debt and lease financings. The Board is the obligated issuer of all District debt and awards all purchase contracts for G.O. Bonds, COPs, TRANs, County Loans and any other debt issuances.

**Internal Control Procedures**

The District has implemented certain internal control procedures to ensure that the proceeds of its debt issuances will be directed to their intended use. Such internal control procedures include, but are not limited to, more detailed Administrative Regulations related to Debt Issuance, Policies and Procedures related to “Post-Issuance Tax Compliance Policy” for the District’s tax-exempt issues, whether comprising G.O. Bonds, BANs, COPs, TRANs, County Loans, revenue obligations or other forms of debt issuances, and a “Continuing Disclosure Policy.” The Tax Compliance Policy includes Compliance Monitoring, Record Creation and Retention, the designation of Compliance Officers and other protocols designed to ensure that proceeds of the District’s debt issuances will be directed to their intended use.

**Special Situations**

The District acknowledges that the capital marketplace fluctuates, and such fluctuations may produce situations not anticipated or covered by this policy. Accordingly, the Board may make exceptions or modifications to this policy to achieve the debt management goals outlined herein. Management flexibility is appropriate and necessary in such situations, provided specific authorization is granted by the Board.

Funding Source:  Measure AA and KCRW Foundation

Comment:  This project involves expanding the Main Campus Cisco Physical Security System to the AET & Performing Arts Campuses. This includes procurement of materials and components, installation and programming and additional security technologies including Visitor Management and emergency communications.

17-C  OWNER CONTROLLED INSURANCE PROGRAM EXTENSION – AET CAMPUS AND PARKING STRUCTURE A
Extend the Owner Controlled Insurance Program (OCIP) for the AET Campus and Parking Structure project through ARTHUR J. GALLAGHER & CO. INSURANCE BROKERS OF CALIFORNIA, INC. for an amount not to exceed $57,050.
Funding Source:  Measure AA

Comment:  The District is providing insurance for this project in lieu of contractor provided insurance. The policy expired on July 1, 2016 and must be extended until the project is fully complete. OCIP covers Workers Compensation, Commercial Liability and Builder’s Risk. Insurance to be extended through December 31, 2016.

Augmentation Amount: $79,162 (Amended Award Amount $1,286,109)
Matching Funds: NA
Performance Period: October 1, 2016 – September 30, 2018

Summary: The District qualifies for an additional funding amount of $79,162, per the Service Grant Agreement from CPB dated October 1, 2016. This funding is allocated for the following uses:

1) Monthly and quarterly programming charges and interconnect fees for access to satellite to upload KCRW programs
2) Studio usage/ISDN lines/engineering time and usage of source databases needed to produce radio programs
3) Professional memberships

Funding is allocated based on station revenue reported by KCRW on fiscal year 2015 audited financial statements and the amount of funds available to be distributed by CPB based on appropriation from the United States Congress.

Title of Grant: A Scalable Growth Mindset Intervention to Raise Achievement and Persistence in Community College
(Subaward Agreement awarded by Stanford University)
Granting Agency: U.S. Dept. of Education – Institute of Education Sciences (IES)
Award Amount: $47,879 (Year 2)
Matching Funds: Not applicable
Performance Period: September 1, 2016 – August 31, 2017 (Year 2)
Summary: This is year two of a four-year grant which will fund a research study to investigate whether an internet-based growth mindset intervention can reliably raise community college students’ persistence in developmental and gateway courses.

Santa Monica College agrees to implement the study with developmental math classes including Math 81, Basic Arithmetic; Math 84, Pre-Algebra; and Math 85, Arithmetic and Prealgebra. All faculties who teach these classes (25-30 faculty) will be invited to enroll their students to participate (1700-2000 students). It is anticipated that 85% of faculty will participate. Maral Hyeler, Director of Instructional Services, will act as the Campus Coordinator.

Faculty will schedule their classes to participate in the two different intervention sessions during the Fall 2017 semester. Each session will take students between 30-45 minutes to complete. All students will complete the entire intervention as a homework assignment completed outside of class time for credit.

Comment: The Adopted Budget needs to be amended to reflect the totals of the departmental budgets. The current system of the Los Angeles County Office of Education requires Board approvals each month for budget adjustments. Only the net amount of the transfers in or out of the object codes is shown. In addition to the budget adjustments, transfers result from requests by managers to adjust budgets to meet changing needs during the course of the year.

1. Receipt of Audit Reports
3. Information: Citizens’ Bond Oversight Meeting, January 18, 2017
APPENDIX A

INFORMATION ITEM NO. 4

SANTA MONICA COMMUNITY COLLEGE DISTRICT

Capital Outlay Program

Bond Project Descriptions

And Project Status

January 2017

Prepared by SMC Facilities Planning
Introduction

The District’s capital outlay program consists of larger non-maintenance projects that are generally over $100,000, typically financed by local taxpayer approved bonds. The capital projects include new buildings, replacement buildings, renovations, property acquisition, parking, site work, landscaping, infrastructure, security, and technology.

Over the last several decades, Santa Monica and Malibu voters have approved five safety and modernization bond measures in support of the college’s career and academic programs:

</tbody>
</table>

By way of background, local bonds financed the original Main Campus, built in the 1950s and 1960s. However, in subsequent years until 1992, the District depended primarily on limited state funding, so only a few large projects were built. After the 1994 Northridge Earthquake and the extensive damage to the Main Campus, the District received federal FEMA support for rebuilding which started the current era of major construction on the campus.

In addition to the local bonds listed above, there has been significant financial support from federal, state and city sources along with the District’s own capital funds.

The 1998 Facilities Master plan was a major effort in guiding the modernization and development of the Main Campus after the Northridge earthquake. Additional facility assessments were conducted in 2001, 2002, and 2003. In 2007, a master plan was added for the development of the Bundy Campus. In 2010, an update of the Facilities Master Plan was completed to address other safety and modernization improvements on the Main Campus and to incorporate the satellite campuses.

A new Facilities Master Plan Update is currently underway and will be completed in 2017 to guide the progress in completing Measure AA projects and new projects under Measure V.

Highlights of the completed projects include the purchase of the Bundy Campus and Emeritus College, and the construction of the Theatre Arts, Broad Stage, HSS Building, Campus Quad and Information Technology.

Projects expected to be completed in 2017:
- Core Performance Center
- Music Hall at the SMC Performing Arts Center
- Center for Media and Design

Projects expected to start construction in 2017:
- Malibu Campus
- Santa Monica Early Childhood Lab School

Projects expected to be completed in 2018-19:
- Student Services

Projects Under Construction

Center for Media & Design (Academy Campus)

Project Description: This project includes the construction of a new 440-space Parking Structure. Also includes major renovation of the existing 50,000 SF AET building, a new 30,000 SF addition to the existing AET building, a new 33,000 SF building for the KCRW radio station, a new central courtyard, and new landscaping.

Current Progress: Construction on the parking structure is almost complete. Progress interior walls and finishes, electrical, mechanical and plumbing are underway on the other buildings. Site work and landscaping are underway.

Project Schedule: In Construction
Estimated Project Cost: $103,219,665
Funding Sources: Measure AA, KCRW Foundation

Music Hall– Performing Arts Campus (East Wing Earthquake Renovation)

Project Description: Replacement of the seismically deficient East Wing of the Madison Building with a new facility for the Music Department including a Music Hall for rehearsals, performances and special events; a piano teaching lab; and a classroom for voice and choir instruction. Project includes new plaza and entry to the Edye Second Space.

Project Schedule: In final stages of construction, estimated completion February 2017
Estimated Project Cost: $27,608,816
Funding Sources: Measure AA

Core Performance Center (Replacement Health, Fitness, Dance, and PE Building and Central Plant)

Project Description: The project consists of the demolition of the existing 1958 Locker Room building and replacing it with a new three-story 66,000 SF complex. The new building consists of athletic facilities, fitness center with climbing wall, fitness studios and dance studios.

Since this building is located in the center of campus, it is an ideal location for the central cooling plant which is an energy efficiency project designed to generate chilled water for efficiently for air cooling in buildings throughout the main campus.

Project Schedule: In final stages of construction, estimated completion February 2017
Estimated Project Cost: $58,272,030
Funding Sources: Measure S, AA, State and Utility Energy Incentives

Security and Fire Alarm

Project Description: To better protect student and staff during emergency situations the college is upgrading all its security systems, including access control, video surveillance, and intrusion alarms as well as its fire alarm and mass notification systems to newer digital technologies.

Project Schedule: Fire alarm complete, security in construction with spring 2017 completion.
Estimated Project Cost: $10,320,799
Funding Sources: Measure AA
Central Plant Building Connections

Project Description: To connect and retrofit individual buildings to the chilled water loop from the Central Plant. Buildings include Business, HSS, Library and Science.

Project Schedule: In construction, estimated completion spring 2017.
Estimated Project Cost: $11,206,164
Funding Sources: Measure

Student Services Building

Project Description: The new Student Services building will facilitate the centralization of all Student Services operations that are presently dispersed throughout the campus and housed in temporary buildings. This project provides office and service space for approximately 25 Student Services functions. The new building will be sited near the Pico Boulevard main entrance to the SMC campus and thereby provide immediate access for students and members of the college community.

This proposed project also includes accommodation for vehicular access/egress, and underground parking, all in compliance with the Master Plan goal to provide more below grade vehicle parking at the main campus.

Current Progress: Parking garage in construction, level P3 almost complete, level P2 in progress.

Project Schedule: In construction, completion Fall 2018.
Estimated Project Cost: $130,224,164
Funding Sources: Measure S, U and AA

Projects in Pre-Construction Phase

Malibu Site Campus

Project Description: In the 1970s and early 1980s, Santa Monica College offered about 70 general education classes and several non-credit classes in Malibu throughout a semester. Today, the program is limited to a few classes offered in school district buildings.

The recommended site acquisition and facility will be a classroom facility to provide general education classes, science, art and Emeritus College classes. There is also an interpretive center to highlight natural environment and history of Malibu and a Sheriff’s sub-station. The District has worked cooperatively with the City of Malibu and the County of Los Angeles in planning a site at the Malibu Civic Center.

Current Progress: Approvals received from DSA, City of Malibu, and the Coastal Commission. Additional approvals from the County of Los Angeles expected in Spring 2017.

Project Schedule: Construction start in Fall 2017
Estimated Project Cost: $35,000,000
Funding Sources: Measure S, AA
Projects in Division of State Architect (DSA) Review

Santa Monica Early Childhood Lab School

Project Description: SMC currently has no dedicated childcare facility and offers lab instruction though various local childcare providers. The District lacks a teaching laboratory facility in Early Childhood Education available at many other community colleges. This project provides for a childcare center for the community plus college instructional facilities. The City of Santa Monica is a partner in this project, providing the site at the Civic Center and a portion of the building funds.

Current Progress: Nearing completion of the DSA approval process.

Project Schedule: Pending approval by the Coastal Commission, construction start in Fall 2017.

Estimated Project Cost: $13,176,578 (to be revised after DSA approval)

Funding Sources: Measure S with City of Santa Monica

Future Projects

The following projects were included in the 2016 Measure V Bond language and will be further developed during the Facilities Master Plan Update process:

Science and Math Extension. Santa Monica College is renowned for its science and allied health programs; however, the existing labs for Life, Physical and Earth Sciences are at capacity; also, the current facility for the Math Department consists of temporary trailers and lacks the infrastructure for smart classrooms or support for the use of modern technology for instructional use. Consolidating Math and Science programs into a new Science Extension building supports interdisciplinary interaction. The building extension would qualify for up to $40 million in State funding, which requires a local match. The building will contain an upgraded planetarium and a community lab for all ages, including a nutrition and culinary lab in support of the College’s nutrition program. Approval received for partial state funding.

Replacement of Temporary Classrooms. Bond proceeds would be used to replace the 1994 temporary trailer Math Village classroom complex with permanent First Year Experience classrooms, student support study space and instructional support labs. These trailers were rushed into service following the 1994 Northridge Earthquake and have exceeded their time of usable service. Additionally, proceeds would be used to replace the 1984 modular English as a Second Language classroom building. This modular building lacks fire sprinklers, is poorly ventilated and has also exceeded its time of usable service.

Upgrading, Renovation or Replacement of Two 1950’s Buildings. The 1952 Liberal Arts building has the poorest Facility Condition Index rating on the College’s main campus, lacks fire sprinklers and does not have an elevator. The 1952 Letters & Science building has the second poorest Facility Condition Index rating on the main campus, and also lacks both fire sprinklers and an elevator.

Renovation of Business Building. The 1981 Business Building is overdue for renovation. The building houses a large number of computer classrooms and labs.
Replacement of Campus Police Station. The current police facility is antiquated and undersized. Applying bond proceeds to the replacement, construction, renovation and relocation of the campus police station and including a public space for community and neighborhood use will improve public and campus safety.

Upgrading, Renovation or Replacement of Art Building. An upgraded, renovated or newly constructed art structure will replace aging building systems and improve space distribution for the many disciplines within the Art Department. The College is eligible to receive up to $10 million in State funding for this project, which requires a local match.

Landscaping/ Water Conservation Improvements and Completing Pico Boulevard Frontage Improvements. Applying bond proceeds for landscaping improvements, including landscaping improvements to complete the main campus Pico Boulevard frontage, will improve water conservation through water reclamation and installation of drought resistant landscaping.

Completing Master Plan Improvements at the Santa Monica College Performing Arts Center Campus. Construction at the Performing Arts Center campus has proceeded in phases, in coordination with available funding. The first phase added the Broad Stage and the Edye Second Space theaters. The second phase has added an East Wing rehearsal hall and music performance labs. The final phase, to be funded from bond proceeds, will include an underground three-level parking structure to replace most of the existing surface parking, along with an above-ground art gallery and green-space plaza. The theaters at the Performing Arts Center are among the most heavily used theaters in Los Angeles County.

Designing and Installing an Outdoor Classroom. The design, construction, installation and improvement of a venue for outdoor plays and class lectures.

Converting Library Interiors. Conversion of existing Library floor space used for book stacks to construct and install additional student study areas, tutoring and collaborative learning spaces that will support student success.

Making Environmental Performance Improvements. Bond funds will be used to upgrade District facilities to achieve energy or resource use efficiency and water conservation and achieve sustainability for District operations.

Upgrading Technology Infrastructure. Bond proceeds will be applied to renovate, replace, upgrade, acquire, install and integrate major site, building and utility systems, equipment and related infrastructure, including lighting, electrical, wiring and related infrastructure for modern technology, classroom instructional technology, communications and security technology (including security cameras and monitoring systems), data, voice, public address and audio-visual communication, energy efficiency, management monitoring systems, networks, fixtures, controls and equipment, cable infrastructure, network expansion, wireless access points and other communications and administrative systems.
