RECOMMENDATION NO. 1

SUBJECT: RATIFICATION OF COLLECTIVE BARGAINING AGREEMENT BETWEEN SMCCD AND THE SMC FACULTY ASSOCIATION

SUBMITTED BY: Superintendent/President

REQUESTED ACTION A: It is recommended that the Board of Trustees ratify the collective bargaining agreement with the Santa Monica College Faculty Association for a term beginning on August 23, 2016 through August 19, 2019.

The major provisions of the agreement include:

Across-the-Board Increases
For the academic year 2016-2017, all salary schedules shall be increased by 2.8%.
For the academic year 2017-2018, all salary schedules shall be increased by the greater of 2.2% or COLA.
The parties have not agreed to a salary schedule increase for the academic year 2018-2019. This section shall be re-opened in March of 2018 to negotiate salary schedule increases for the 2018-2019 academic year.

Parity for Load Factor 1 assignments
For academic year 2016-2017, part-time faculty with load factor 1.0 assignments shall be paid at 83.75% of the full-time faculty salary schedule. The additional 0.625% increase over academic year 2015-2016 results in all part-time faculty with a load factor 1 assignment being compensated for 14 minutes of office hours per unit.

For academic year 2017-2018, part-time faculty with load factor 1.0 assignments shall be paid at 84.375% of the full time faculty salary schedule. The additional 0.625% increase over academic year 2016-2017 results in all part-time faculty with a load factor 1 assignment being compensated for 15 minutes of office hours per unit.

For academic year 2018-2019, part time faculty with load factor 1.0 assignments shall be paid at 85% of the full-time faculty salary schedule. The additional 0.625% increase over academic year 2017-2018 results in all part-time faculty with a load factor 1.0 assignment being compensated for 16 minutes of office hours per unit, the same as a full-time faculty member.

Part-Time Faculty Office Hours for Less than Load Factor 1.0 Assignments
Academic Year 2016-2017 – For assignments with a 0.75 load factor, office hours will be compensated at the rate of 2.63 minutes per teaching hour per week (87.5% of the 3.0 minute performed by FT faculty).
For all other assignments, office hours will be compensated at the rate of 9.19 minutes per teaching hour per week (87.5% of the 10.5 minutes performed by FT faculty).
Academic Year 2017-2018 – For assignments with a 0.75 load factor, office hours will be compensated at 2.81 minutes per teaching hour per week (93.75% for the 3.0 minutes performed by full-time faculty). For all other assignments, office hours will be compensated at the rate of 9.84 minutes per teaching hour per week (93.75% of the 10.5 minutes performed by full-time faculty).

Academic Year 2018-2019 – For assignments with a 0.75 load factor, office hours will be compensated at the rate of 3.0 minutes per teaching hour per week (100% of the 3.0 minutes performed by full-time faculty). For all other assignments, office hours will be compensated at the rate of 10.5 minutes per teaching hour per week (100% of the 10.5 minutes performed by full-time faculty).

**Intersession Office Hours**
All teaching intersession hourly schedules will be adjusted beginning Summer 2017 by a factor to include compensation for the 60 minutes of office hours over the intersession per LHE taught which each faculty member shall perform. The factors are:

<table>
<thead>
<tr>
<th>Factor increase over previous intersession pay</th>
<th>LDF 1.0 and Overload</th>
<th>0.75&lt;LDF&lt;1</th>
<th>LDF 0.75</th>
</tr>
</thead>
<tbody>
<tr>
<td>1.03125</td>
<td>1.02757</td>
<td>1.02344</td>
<td></td>
</tr>
</tbody>
</table>

This leads to an increase in the regular intersession contract pay for teaching assignments from 15% to 15.49% for 6 LHE to account for office hour compensation.

**Salary and Placement**
Initial group and step placement on the appropriate salary schedule shall be based on professional experience and training as determined in accordance with Appendix C (Initial Salary Placement). No tenured or probationary faculty member shall be placed at less than Step 5 on the applicable salary schedule in Appendix A (Salary Schedule).

**Department Chair Calendar and Compensation**
The percentage of increase paid to department chairs increased from 107.5% to 112.5%. Details are articulated below.

Department chairs will have a 205 day assignment (175 days in the semester calendar, plus 30 days between semesters), for which they shall be paid 112.5% of the standard salary schedule. Only department chair duties will be required in the periods between semesters, but department chairs will scheduled an additional 6 weeks of 25 hours per week. Six additional weeks (20 hours per week) may also be scheduled, compensated at an additional 10% of base pay.

In addition, teaching assignments may be scheduled during intersessions, with the approval of the appropriate administrator. Teaching assignments will be at the hourly rate of pay, unless the department chair chooses to forgo the optional six additional weeks of assignment as department chair. In that case, up to 0.5 of an intersession FTE for the teaching assignment will be paid at the contract rate. If a department chair chooses not to perform the duties of the chair for the optional six weeks, another faculty member will serve in that position. The faculty member who performs the duties shall receive 10% of their base pay and schedule 20 hours per week for 6 weeks. Compensation for the faculty member acting as chair will be in compliance with Article 9; no additional stipend will be paid.
**Department and Faculty Chair Stipends**

There are twelve tiers for stipends as shown in Appendix E-3. Beginning Fall 2016, Health Sciences and Library Chairs were added to Tier 1.

For Fall 2016 and all future semesters, the stipend amount will be increased by the same percentage and be effective the same dates as any percentage salary increases. Stipends for the fall semester shall be paid with January 1st paycheck and the stipends for spring semester shall be paid with July 1st paycheck.

**Professional Development**

The District shall provide the following amounts during the term of the contract for professional development of faculty: a) $50,000 in the academic year 2016-2017; b) $55,000 in the academic year 2017-2018; $60,000 in the academic year 2018-2019. Disbursement of the professional development funds requires approval by the Academic Senate Professional Development Committee. Any funds left unused in any academic year shall roll over for use in the following academic year.

INFORMATION ITEM NO. 2

SUBJECT: STRATEGIC PLANNING UPDATE

SUBMITTED BY: Superintendent/President

SUMMARY: Collaborative Brain Trust (CBT) consultants, who are facilitating the update of the College’s Strategic Plan and complimentary projects, will provide an overview of the strategic planning process and an update on its progress. CBT consultants are conducting a three-day site visit from March 6 to 8, 2017, during which time members of the Board of Trustees are being interviewed individually for their direction about the College’s future. At the same time, multiple external constituents are being interviewed, and college forums, meetings, and “listening sessions” are taking place to gather input for the strategic plan for the next five years.

After providing an update, the consultants will provide members of the Board of Trustees with an opportunity to conduct a discussion addressing an interview question that all are being asked individually: What are some of your priorities for the College over the next five years? Consultants will use the opportunity as a “listening session” similar to those conducted throughout the site visit.

INFORMATION ITEM NO. 3

SUBJECT: SMC TRANSFER PROGRAM, 2016

SUBMITTED BY: Vice-President, Student Affairs

SUMMARY:

Recent Accomplishments/Activity

The University of California (UC) and the California State University (CSU) systems once again listed Santa Monica College as the leader among all California community colleges in the following categories:

- Total Transfers to the University of California
- Total Latino/Chicano Transfers to the University of California
- Total African-American Transfers to the University of California
- Total Combined Transfers to California State University and the University of California

These statistics are also posted on the Transfer section of the SMC website. The website was recently modified to make it more visually appealing and easier to navigate for anyone exploring the site for transfer information. Updates and enhancements to the site will be ongoing. The landing page for the website can be found at http://www.smc.edu/StudentServices/TransferServices/Pages/default.aspx

2016/2017 marks the third year that SMC has employed a part-time completion counselor. The position is responsible for conducting workshops on Saturdays and providing intrusive counseling in the form of phone calls and emails to answer questions, provide direction, and remind students about important transfer-related requirements and deadlines. With help from the SMC Institutional Research team, a survey was disseminated in July of 2016 to examine the effectiveness of the support services listed above. 1,088 students responded and reported the following as a result of the contact made with the completion counselor:

- 66% - scheduled an appointment with a counselor
- 40% - met an important transfer deadline
- 30% - attended a weekday transfer workshop
- 10% - attended a Saturday transfer workshop

LMU at SMC Transfer Pathway Program - SMC and Loyola Marymount University (LMU) launched the “LMU at SMC Transfer Pathway Program” in Fall of 2016. Currently, there are seven students in the pilot cohort (which was intentionally kept small for the first year). The students originally applied to LMU as freshmen, and instead of denying them admission, LMU invited them to spend a year taking courses at SMC. Students will be granted admission into LMU for the Fall 2017 term if they meet established criteria during their year at SMC. Both institutions are excited about the partnership’s potential for growth and the positive impact on student success.
In Progress and Planned Activities

**College Fairs** - The Spring 2017 College Fair is scheduled for Tuesday, April 18th in the Fountain Quad area. Over 150 institutions are expected to register. Members of the SMC campus community are invited to attend to experience this exciting biannual event. The Fall 2017 College Fair is scheduled for Tuesday, October 10, 2017.

**Workshops** - Transfer-related workshops are offered year-round at SMC and are intended to sync with the general transfer cycle. 44 workshops are scheduled for the Spring 2017 semester and examples of titles being offered this spring include “Denied Admission: I Want to Appeal” and “How to Transfer to USC.”

**Upcoming** - In the coming weeks, meetings will be initiated with faculty leaders for targeted programs and student groups on campus (e.g. International Counseling, Black Collegians, Adelante, EOPS, etc.). The purpose of the meetings will be to brainstorm and discuss ways to assist specific populations within the college with the transfer process.

Comment: The Adopted Budget needs to be amended to reflect the totals of the departmental budgets. The current system of the Los Angeles County Office of Education requires Board approvals each month for budget adjustments. Only the net amount of the transfers in or out of the object codes is shown. In addition to the budget adjustments, transfers result from requests by managers to adjust budgets to meet changing needs during the course of the year.
