SUBJECT: RESOLUTION: SEXUAL ASSAULT AWARENESS AND PREVENTION MONTH

SUBMITTED BY: Superintendent/President

REQUESTED ACTION: It is recommended that the Board of Trustees adopt the following resolution in support of the goals and ideals of Sexual Assault Awareness and Prevention Month and, declaring April as “Sexual Assault Awareness Month” and April 25, 2018 as “Denim Day” at Santa Monica College.

WHEREAS, the United States Government has declared the month of April as “Sexual Assault Awareness Month” and Peace Over Violence has declared April 25, 2018 as “Denim Day” in Los Angeles County; and

WHEREAS, both events are intended to draw attention to the fact that rape and sexual assault remains a serious issue in our society; and

WHEREAS, harmful attitudes about rape and sexual assault allow these crimes to persist and allow victim/survivors to be re-victimized; and

WHEREAS, sexual assault affects women, men, and children of all racial, social, and religious, age, ethnic, ability, sexual orientation, and economic groups in the United States; and

WHEREAS, every two minutes, someone in America, is sexually assaulted, approximately 1-in-6 women are raped during their lifetime and youths under 18 account for about 44% of all reported; and

WHEREAS, according to the United States Department of Justice, all 18- to 24-year olds are at significant risk of sexual assault, whether they are in college or not; and

WHEREAS, female college students in that age range are about 5 times more likely to be sexually assaulted than the population at large, while non-students are about 6 times more likely; and

WHEREAS, for males between the ages of 18-24, the risk is higher among college students: men make up 17 percent of all college student victims, and about 4 percent of non-student victims; and,

WHEREAS, in addition to the immediate physical and emotional costs, sexual assault has associated consequences that may include post-traumatic stress disorder, substance abuse, depression, homelessness, eating disorders, and suicide; and

WHEREAS, all forms of sexual violence are unacceptable, whether committed by a stranger, family member, or acquaintance of the victim; and,

WHEREAS, “Sexual Assault Awareness Month” and “Denim Day” were also instituted to call attention to misconceptions and misinformation about rape and sexual assault, and the problem that many in society remain disturbingly uninformed with respect to issues of assault and, forcible rape; and
WHEREAS, “Sexual Assault Awareness Month” and “Denim Day” provides a special opportunity to educate the people of the United States about sexual violence and to encourage the prevention of sexual assault, the improved treatment of its victims, and the prosecution of its perpetrators; and,

Whereas, free, confidential help is available to all victims and survivors of sexual assault through such organizations as the Santa Monica Rape Treatment Center, Peace Over Violence, Sojourn, Center for Pacific Asian Families, Sexual Assault Online Hotline (RAINN), and more than 1,000 sexual assault service providers across the Nation;

WHEREAS, with proper education on the matter, there is compelling evidence that we can be successful in reducing incidents of this alarming and psychologically damaging crime; and

NOW, THEREFORE BE IT RESOLVED that Santa Monica Community College District does support the goals and ideals of “Sexual Assault Awareness Month,” and hereby proclaims the month of April 2018 as “Sexual Assault Awareness Month,” and designates April 25, 2018 as “Denim Day,” the District also:

• Recognizes that “Sexual Assault Awareness Month,” provides a special opportunity to educate the people of the United States about sexual violence, encourages the prevention of sexual assault, the improved treatment of its victims, and the prosecution of its perpetrators; and

• Recognizes national and community organizations and private-sector supporters and applauds their work in promoting awareness about sexual assault, providing information and treatment to its survivors, and increasing the number of successful prosecutions of its perpetrators; and educate persons in our community about the true impact of rape and sexual assault in Southern California: and

• Recognizes public safety, law enforcement, and health professionals and applauds their hard work and innovative strategies to increase the percentage of sexual assault cases that result in the prosecution and incarceration of its perpetrators, and

• Urges everyone to wear jeans on April 25, 2018 to help communicate the message that there is “no excuse and never an invitation to rape.”

RECOMMENDATION NO. 3

SUBJECT: RESOLUTION: SUPPORT OF FUNDING FOR NON-CDCP PROGRAMS

SUBMITTED BY: Superintendent/President

REQUESTED ACTION: It is recommended that the Board of Trustees adopt the following resolution in support of funding for non-CDCP (Career Development College Preparation) noncredit programs:

Whereas, the proposed funding formula would cut, by half, the apportionment of non-CDCP noncredit courses in the areas of Older Adults, Parenting Education, Citizenship for Immigrants, Education Programs for Persons with Disabilities, Home Economics, and Health and Safety, which would significantly diminish access and the ability of Community Colleges to provide robust program offerings in these areas;

Whereas, programs for Older Adults provide benefits including vocational training, brain health, fall prevention, healthy lifestyle choices, lifelong learning, and social benefits;

Whereas, Parenting courses help parents and caregivers of young children develop the skills needed to adequately care for their children and encourage parents to instill in their children a passion for learning;

Whereas, Citizenship courses offer immigrants a course of study or an organized sequence of courses specifically designed to provide immigrants and their families with the opportunity to become active and participating members of economic and civic society, and may include preparation for citizenship.

Whereas, courses for persons with disabilities offer programs for persons with substantial disabilities, a course of study or an organized sequence of courses specifically designed to provide individuals with life-skill proficiencies that are essential to the fulfillment of academic, vocational, and personal goals.

Whereas, Home Economics courses offer a course of study or an organized sequence of courses specifically designed to offer lifelong education to enhance the quality of home, family, career and community life. This area of instruction is designed to provide educational opportunities that respond to human needs in preparing individuals for employment, advanced study, consumer decision-making and lifelong learning.

Whereas, Health and Safety courses offer a course of study or an organized sequence of courses specifically designed to offer lifelong education to promote the health, safety and well-being of individuals, families and communities.

Whereas, non-CDCP noncredit courses provide colleges with flexibility in meeting these different community needs;

Whereas, non-CDCP noncredit courses provide high level instructional quality, require course outlines to be approved by Curriculum Committee and the Chancellor’s Office, hire faculty through established practices, and require established minimum qualifications;
Whereas, the majority of adults who enroll in noncredit courses are low income but don't qualify for financial aid because the courses are offered at no cost and thus won't count toward the College funding under the new formula;

Whereas, only about 2% of FTES apportionment currently goes to fund non-CDCP noncredit FTES and that percentage is trending down;

Whereas, access to non-CDCP noncredit courses contributes to widespread public support for community colleges;

Whereas, reducing funding for non-CDCP noncredit programs will narrow the mission of the California Community College system and reduce access to community colleges;

Therefore, be it resolved, that the Board of Trustees affirms its commitment to non-CDCP noncredit programs and urges the Chancellor of the California Community Colleges to support and restore full funding of non-CDCP noncredit programs in recommendations to the Governor regarding the funding formula.

SUBMITTED BY: Interim Executive Vice-President

REQUESTED ACTION: It is recommended that the Board of Trustees receive public comments on the Santa Monica Community College District’s intention to operate an automated license plate recognition system.

Public Comments

COMMENT: Under Civil Code Section 1798.90.55, any public agency that intends to operate a Automated License Plate Recognition System must provide an opportunity for public comments at a regularly scheduled meeting prior to implementing the system. RECOMMENDATION NO. 6-B

SUBJECT: CONTRACT FOR PARKING MANAGEMENT SERVICES

SUBMITTED BY: Interim Executive Vice-President

REQUESTED ACTION: It is recommended that the Board of Trustees enter into a contract with iParq to develop and implement a license plate recognition, parking permit, and citation management system that is integrated with SMC information systems. This new system will be an important step toward better overall management and control of SMC parking issues, and will modernize processes for sales and enforcement.

COST: $440,000 over three years, including software license fees, permit processing and equipment lease.

FUNDING SOURCE: $250,000 from KCRW Foundation
$190,000 from Restricted General Fund (01.3) Parking Fees

SUMMARY: Selection Process
The District conducted a comprehensive RFI and RFP competitive process managed by the District Purchasing Department. The selection committee comprised Dean of Education Enterprise Mitch Heskel, SMC Police Chief Johnnie Adams, and Associate Dean of Facilities Programming Linda Sullivan. The Information Technology Department also participated. iParq was the clear choice of the three vendors that gave presentations, because it is more robust, user friendly and flexible than the other proposers. iParq will enable SMC to utilize modern technology to improve parking management throughout the College.

Functionality
Parking permits will be sold online. Buyers will be verified using their SMC email address or student ID number. Payments will be by credit card or payroll deduction. Enforcement will be done using the license plate recognition technology. Camera, either hand-held or vehicle mounted, will scan license plates. Vehicles that are not registered will be cited. This system will enable the District to move to virtual permits. Citations can be paid and appealed online.

Legal Restrictions
State SB 34 imposes strict parameters regarding privacy rights and retention of license plate information. In addition to the requirement for usage and privacy policy referenced above, automated license plate recognition operators are required to maintain a specified record of access to information and ALPR information shall only be used for authorized purposes.

Title of Grant: Federal Work-Study (FWS)
Granting Agency: Department of Education
Augmentation Amount: $10,149 (Amended Allocation $524,966)
Matching Funds: $3,383 (Amended Allocation $174,989)

Summary: Federal Work-Study is a financial aid self-help grant that allows students to work at the school they are enrolled in. In assigning FWS jobs, a school must consider the student’s financial need, the number of hours per week the student can work, the period of employment, the anticipated wage rate, and the amount of other assistance available to the students.

The Department of Education re-distributed unexpended FWS funds and SMC received a supplemental amount of $10,149 in addition to our 17-18 Federal Work-Study allocation.
