BP 3410  NONDISCRIMINATION

The Santa Monica Community College District is committed to equal opportunity in educational programs, employment, and all access to institutional programs and activities.

The District, and each individual who represents the District, shall provide access to its services, classes, and programs without regard to national origin, religion, age, gender, gender identity, gender expression, race or ethnicity, color, medical condition, genetic information, ancestry, sexual orientation, marital status, physical or mental disability, pregnancy, or military and veteran status, or because he/she is perceived to have one or more of the foregoing characteristics, or based on association with a person or group with one or more of these actual or perceived characteristics.

The Superintendent/President shall establish administrative regulations that ensure all members of the college community can present complaints regarding alleged violations of this policy and have their complaints heard in accordance with the Title 5 regulations and those of other agencies that administer state and federal laws regarding nondiscrimination.

No District funds shall ever be used for membership, or for any participation involving financial payment or contribution on behalf of the District or any individual employed by or associated with it, to any private organization whose membership practices are unlawfully discriminatory on the basis of the protected status categories as cited above, or because of his/her association with a person or group with one or more of these actual or perceived characteristics.

NonDiscrimination on the Basis of Disability

In accordance with federal and state laws, the District prohibits discrimination on the basis of disability in the provision of services, programs, contracts, employment, and other activities. Standards for what constitutes discrimination on the basis of mental or physical disability, the definition of disability and qualified individual with a disability, and the establishment of a complaint mechanism for resolving allegations of discrimination are also upheld as specified in public law.

At the District’s request, the employee will be responsible for providing medical documentation which describes the employee’s physical limitations in order to assist managers in understanding the nature of the employee’s functional limitations which require accommodation. The medical information that is provided by the employee will be used by the District for the sole purpose of evaluating the employee’s reasonable accommodations. The District will protect the medical information that is provided by the employee in accordance with applicable State and Federal laws.

The employee and manager/supervisor with the assistance of the District’s Human Resources Office will participate in a timely, good faith interactive discussion concerning the functional limitations, the ability to perform the essential functions of the job with or without accommodation, and to determine the possibility of an effective accommodation. Employees will be afforded the opportunity to have a representative present during the interactive discussion.

All forms of harassment are contrary to basic standards of conduct between individuals and are prohibited by state and federal law, as well as this policy, and will not be tolerated. The Santa Monica Community College District is committed to providing an academic and work environment that respects the dignity of individuals and groups. The District shall be free of sexual harassment and all forms of sexual intimidation and exploitation including acts of sexual violence. It shall also be free of other unlawful harassment, including that which is based on any of the following statuses: race or ethnicity, religious creed, color, national origin, ancestry, physical disability, mental disability, medical condition, genetic information, marital status, sex, gender, gender identity, gender expression, age, sexual orientation of any person, pregnancy, or military and veteran status, or because they are perceived to have one or more of the foregoing characteristics.

Therefore, the District also strictly prohibits retaliation against any individual for filing a complaint of harassment or for participating in a harassment investigation. Such conduct is illegal and constitutes a violation of this policy. All allegations of retaliation will be swiftly and thoroughly investigated. If the District determines that retaliation has occurred, it will take all reasonable steps within its power to stop such conduct. Individuals who engage in retaliatory conduct are subject to disciplinary action, up to and including termination or expulsion.

Any student, employee, unpaid intern, or volunteer who believes that they have been harassed or retaliated against in violation of this policy should immediately report such incidents by following the procedures described in applicable Administrative Regulations that cover information on discrimination and harassment prevention and complaint. The Superintendent/President shall establish administrative regulations that define harassment on campus or in connection with District-sponsored events. The Superintendent/President shall further establish regulations for employees, students, unpaid interns, volunteers, and other members of the campus community that provide for the investigation and resolution of complaints regarding harassment and discrimination, and regulations for students to resolve complaints of harassment and discrimination. All participants are protected from retaliatory acts by the District, its employees, students, and agents.
This policy and related administrative regulations (including the procedure for making complaints) shall be widely published and publicized to administrators, faculty, staff, students, unpaid interns, and volunteers particularly when they are new to the institution. They shall be available for students, employees, unpaid interns, and volunteers in all administrative offices, and shall be posted on the District’s website.
