SANTA MONICA COMMUNITY COLLEGE DISTRICT
BOARD OF TRUSTEES

JANUARY 16, 2018

Santa Monica College
1900 Pico Boulevard
Santa Monica, California

Board Room (Business Building Room 117)

The complete minutes may be accessed on the Santa Monica College website:
http://www.smc.edu/admin/trustees/meetings/
MINUTES

A meeting of the Board of Trustees of the Santa Monica Community College District was held in the Santa Monica College Board Room (Business Building Room 117), 1900 Pico Boulevard, Santa Monica, California, on Tuesday, January 16, 2018.

I. ORGANIZATIONAL FUNCTIONS

A CALL TO ORDER – 5:31 p.m.

B ROLL CALL
Barry Snell, Chair - Present
Dr. Margaret Quiñones-Perez, Vice-Chair – Excused Absence
Dr. Susan Aminoff - Present
Dr. Nancy Greenstein - Present
Dr. Louise Jaffe - Present
Rob Rader - Present
Dr. Andrew Walzer – Present (for public session)
Chase Matthews, Student Trustee – Present (for public session)

C PUBLIC COMMENTS ON CLOSED SESSION ITEMS - None

II. CLOSED SESSION

CONFERENCE WITH LABOR NEGOTIATORS (Government Code Section 54957.6)
Agency designated representatives: Sherri Lee-Lewis, Interim Vice-President, Human Resources
Robert Myers, Campus Counsel
Employee Organization: CSEA Chapter #36

CONFERENCE WITH LABOR NEGOTIATORS (Government Code Section 54957.6)
Agency designated representatives: Sherri Lee-Lewis, Interim Vice-President, Human Resources
Robert Myers, Campus Counsel
Employee Organization: SMC Faculty Association

CONFERENCE WITH LEGAL COUNSEL - EXISTING LITIGATION (Government Code Section 54956.9)
C.W. Driver, Inc. v. Santa Monica Community College District, Los Angeles Superior Court Case No. BC630289

CONFERENCE WITH LEGAL COUNSEL-ANTICIPATED LITIGATION (Government Code Section 54956.9(d)(2))
Significant Exposure to Litigation (one case): Claim of Bernards Bros., Inc. against Santa Monica Community College District concerning Performing Arts Center East Wing construction project.

REAL PROPERTY (Government Code Section 54956.8)
Property Address: 1530 Pico Blvd., Santa Monica, California
Under Negotiation: Terms and Conditions of Purchase
College Negotiator: Dr. Kathryn E. Jeffery
Owner's Representatives Feldman Berman Schwartz LLP.

EMPLOYEE APPOINTMENT/DISCIPLINE/DISMISSAL RELEASE (Government Code Section 54957)
III. **PUBLIC SESSION - ORGANIZATIONAL FUNCTIONS** – 7:02 p.m.

- **PLEDGE OF ALLEGIANCE** – Scott Silverman

- **CLOSED SESSION REPORT**
  
  #1
  The Board of Trustees voted to accept an offer from the 1530 Pico LLC to purchase property located at 1530 Pico Blvd. Santa Monica. California, for the amount of $4,800,000 plus customary costs, and authorized the Superintendent/President to execute a purchase agreement for the property in such amount. The Board further authorized the Los Angeles County Office of Education to transfer funds into escrow for the maximum amount of $4,900,000. Upon the close of escrow, the Board of Trustees accepts title to said property.
  
  AYES: 5
  NOES: 0
  ABSENT: 2 (Quiñones-Perez, Walzer)

  #2
  The Board of Trustees authorized the Superintendent/President to enter into a settlement agreement and mutual release between the Santa Monica Community College District and C.W. Driver, Inc. to resolve certain construction related claims raised in Los Angeles Superior Court Case No. BC630289 in the amount of $1,231,515,24.
  
  AYES: 5
  NOES: 0
  ABSENT: 2 (Quiñones-Perez, Walzer)

  #3
  The Board of Trustees authorized the Superintendent/President to enter into a settlement agreement and mutual release between the Santa Monica Community College District and Bernards Bros., Inc. to resolve all construction related claims relating to the Performing Arts Center, East Wing Project in the amount of $3,481,961.
  
  AYES: 5
  NOES: 0
  ABSENT: 2 (Quiñones-Perez, Walzer)

- **REVISIONS/SUPPLEMENTAL STAFF REPORTS:** A two-thirds vote of the members present is required to include revisions and/or supplemental staff reports in the agenda as submitted. These are items received after posting of the agenda and require action before the next regular meeting. (Government Code Section 54954.b.2)
  
  MOTION MADE BY: Barry Snell
  SECONDED BY: Susan Aminoff
  STUDENT ADVISORY: Aye
  
  AYES: 6
  NOES: 0
  ABSENT: 1 (Rader)

IV. **PUBLIC COMMENTS**

  David Burak
  Francisco Munoz

V. **SUPERINTENDENT'S REPORT**

VI. **ACADEMIC SENATE REPORT**
VII. **REPORTS FROM DPAC CONSTITUENCIES**
- Associated Students
- CSEA
- Faculty Association
- Management Association

VIII. **MAJOR ITEMS OF BUSINESS**
3. 2018-2019 Nonresident Tuition Rate

IX. **CONSENT AGENDA**

**Approval of Minutes**
#4 Approval of Minutes: December 5, 2017 (Regular Meeting)

**Academic and Student Affairs**
#5 New Courses and Degrees, Fall 2017

**Contracts and Consultants**
#6 Ratification of Contracts and Consultants

**Human Resources**
#7 Academic Personnel
#8 Classified Personnel – Regular
#9 Classified Personnel – Limited Duration
#10 Classified Personnel – Non Merit

**Facilities and Fiscal**
#11 Facilities
A. Emergency Resolution for 1825 Pearl Street Apartment Gas Line Repair
B. Award of Contract – Gas Line Repair – Fast-Track Construction Corp
C. Change Order No. 23 – Health, PE, Fitness, Dance and Central Plant
D. Change Order No. 2 – AET/KCRW/PAC EW Security Systems
E. Change Order No. 7 – Student Services Building
F. Change Order No. 3 – AET/KCRW Data Network
G. Amendment No. 9 to Agreement for Architectural Services – Student Services Building
H. Amendment No. 10 to Agreement for Architectural Services – Health, PE, Fitness, Dance and Central Plant
I. Agreement with Accessible Consulting Engineers, Inc. – AET Campus and Parking Structure A
J. Agreement for Fiber Optic Network
K. Change Order No. 34 AET Campus

#12 Authorization of Signatures to Approve Invoices, 2018
#13 Acceptance of Grants and Budget Augmentation
#14 Budget Transfers
#15 Organizational Memberships, 2017-2018
#16 Providers for Community and Contract Education
#17 Commercial Warrant Register
#18 Payroll Warrant Register
#19 Auxiliary Payments and Purchase Orders
#20 Purchasing
A. Award of Purchase Orders
X. **CONSENT AGENDA – Pulled Recommendations**

XI. **BOARD COMMENTS AND REQUESTS**

XII. **ADJOURNMENT**
    The next regular meeting of the Santa Monica Community College District Board of Trustees will be **Tuesday, February 6, 2018** at 7 p.m. (5:30 p.m. if there is a closed session) Santa Monica College Board Room and Conference Center, Business Building Room 117, 1900 Pico Boulevard, Santa Monica, California.

Appendix A  SMCCD Capital Outlay Program Bond Project Report
Appendix B  SMC Student Equity Executive Summary Integrated Plan 2017-19
SUPERINTENDENT’S REPORT

State Budget
Superintendent/President Kathryn Jeffery opened her comments by wishing everyone a happy new year. 2018 started with much activity locally and nationally. The Governor’s annual budget teaser provided a sense of direction for the 2018-2019 budget. This was the Governor’s initial sunshine of the budget priorities, and many discussions will be taking place between now and May. Chris Bonvenuto, Chief Director of Business Services, provided highlights from the Governor’s budget, as follows:

This executive summary of the budget includes 1 percent growth for the system; 2.51 percent COLA (which translates to over $3 million of on-going revenue for SMC), and no base adjustments for this year. There is a new funding formula proposal which includes $175 million in the budget for the transition from the current funding formula. The proposed funding formula is based 50 percent on students served, 25 percent on low income students served, and 25 percent based on meeting student success metrics. SMC is looking at about $3.1 million increase in COLA, but is in stabilization this year and will rebase, losing about $3.4 million of apportionment.

Enrollment: Winter and Spring 2018
Winter enrollment is trailing 4.59 percent behind this time last year. It is four weeks away from the start of the spring semester starts and enrollment is running about 2 percent ahead of this time last year. Enrollment for this year is projected to be down about 2.3 percent in credit and about 3 percent in nonresident. The decrease in enrollment translates to about $6.7 million; decrease of nonresident of 100 FTES translates to close to $1 million.

DACA Update
Services are being ramped up to support DACA students who are eligible to re-apply. Legal assistance will be available and scholarships are being pursued for students in need. Staff is reaching out to students directly and is also working with the City of Santa Monica and the Santa Monica-Malibu Unified School District to provide assistance.
MAJOR ITEMS OF BUSINESS

INFORMATION ITEM NO. 1

SUBJECT: SMCCD CAPITAL OUTLAY PROGRAM AND BOND PROJECT REPORT

SUBMITTED BY: Interim Executive Vice-President

SUMMARY: Santa Monica College’s bond program is completing the largest construction phase in its history. Projects completed in 2017 are Core Performance Center and the Music Hall at the Performing Arts Center. Nearing completion is the Center for Media and Design. Currently in construction is the Student Services Building. Scheduled to begin construction in 2018 are the Malibu Campus and the Santa Monica Early Childhood Lab School. The Math Science Building is in the planning stages and an additional set of projects will be planned through the Facilities Master Plan Update process.

There was a Powerpoint presentation showing recent construction photos and renderings of projects in design.

See Appendix A for complete report.
MAJOR ITEMS OF BUSINESS

INFORMATION ITEM NO. 2

SUBJECT: INTEGRATED PLAN 2017-19, SSSP, BASIC SKILLS INITIATIVE, AND STUDENT EQUITY

SUBMITTED BY: Vice-Presidents, Academic Affairs, Student Affairs and Enrollment Development

SUMMARY: Santa Monica College (SMC) has an enduring commitment to achieve equity in educational outcomes for all students and a rich history of serving a large and diverse student population that is increasingly diverse in race/ethnicity, life experiences, and academic preparedness. In response to the call from the Chancellor’s Office to develop an Integrated Plan for the Student Success and Support Program (SSSP), Student Equity, and the Basic Skills Initiative for 2017-19, a broad group of faculty, staff, and administrators convened during the Fall 2017 semester. Concurrent with the development of this plan SMC launched the Guided Pathways redesign project which is also squarely focused on equity. The leadership of the Guided Pathways effort joined the Integrated Plan work group in order to integrate the ongoing redesign work with these efforts. During the course of developing the plan, the comprehensive work group developed equity vision and mission statements to guide and inform the plan as follows:

Equity Vision statement, “SMC is a dynamic and culturally responsive educational community that upholds the values of equity, inclusion and social justice as a pathway to personal and academic excellence.”

Equity Mission statement, “SMC is an educational institution dedicated to providing an equitable learning and working environment. We intend to make clear, through our lived values and praxis, our commitment to inclusive excellence, which is reflected in our student outcomes and employee satisfaction.”

Santa Monica College is centering the achievement of equitable outcomes in the five integrated planning goals:

1. Santa Monica College will embrace student equity as a core value for which all will take responsibility.
2. Decrease the time to completion for degree, certificate, employment outcomes, and transfer, particularly for groups experiencing equity gaps.
3. Increase the persistence, completion, and success in all courses, particularly the ESL and English and math sequences, for African-American and Latino/a/x students and other groups experiencing equity gaps.
4. Increase the overall number of degrees and certificates awarded and successful employment outcomes for African-American and Latino/a/x students and other groups experiencing equity gaps.
5. Increase the overall number of students who are transfer prepared and successfully transfer among African-American and Latino/a/x students and other groups experiencing equity gaps.
The college is committed to integrating student success, basic skills, and student equity initiatives by working as a collective group to develop an equity framework that will act as a rubric to measure cultural shifts and improved outcomes among underserved student populations. In addition to an equity framework, Santa Monica College will establish equity core teams that focus on implementing best practices to address unconscious bias and embed critical race theory in each phase of the SMC integrated plan. In combination with the effort to equitize SMC’s institutional practices and policies, the basic skills, equity and student success committees will continue to implement high impact practices aimed at improving assessment, accelerating the transition from basic skills to transfer level course work, streamlining orientation, offering welcoming events and bridge programs to incoming students, expanding the use of innovative technologies to support student matriculation and transfer, increasing access to student support programs for underserved populations, expanding student and instructional support programs with a focus on increasing transfer among African American and Latin/o/a/x students, and continuing to build strong, career-focused courses and programs.

To achieve equity in educational outcomes for all students, SMC is pursuing this work at both the institutional and individual levels. At the institutional level the college community will examine policies, practices, and structures that create barriers for students. Engaging in Guided Pathways redesign, to become a “student-ready college” is one example of these efforts. At the individual level the goal is for each member of the SMC community to become “equity-minded,” embrace equity as a core value, and recognize the ways in which he/she can help to achieve equity in the work he/she does every day at the college. The goals related to course success, transfer, and degree/certificate completion cannot be achieved without each person engaging in equity-minded work daily. To achieve this SMC will provide professional development to all groups, develop “equity core teams” in departments and divisions, and host all-campus events focused on equity.

The synergy of equity focused professional development activities and innovative educational programming will enable SMC to create a culturally responsive educational community that upholds the values of equity, inclusion, and social justice as a pathway to personal and academic excellence.

MAJOR ITEMS OF BUSINESS

RECOMMENDATION NO. 3

SUBJECT: 2018-2019 NONRESIDENT TUITION RATE

SUBMITTED BY: Vice-President, Enrollment Development

REQUESTED ACTION: It is recommended that the Board of Trustees adopt the Board adopt the nonresident tuition rate of $300 per unit and the nonresident capital outlay surcharge of $24 per unit for 2018-2019. For 2018-2019, the lowest possible nonresident tuition rate for SMC is $258 per semester unit, and the highest possible nonresident tuition rate is $424 per semester unit. Option 7 (“no greater than the 2016-17 average nonresident tuition fee of public community colleges in a minimum of 12 states comparable to California in cost of living. That average is calculated to be $424 per semester unit”) - was used to determine SMC’s 2018-2019 nonresident tuition rate of $300 per semester unit. This represents a 5.2% increase from the 2017-2018 nonresident tuition rate, or an overall 4.3% increase in the total per unit cost.

<table>

<td>$46</td>
<td>$46</td>
</tr>
<tr>
<td>Total</td>
<td>$355</td>
<td>$370</td>
</tr>
</tbody>
</table>

The moderate increase is considered acceptable by the International Education Center staff working with our international student population. Below is a brief comparison of the 2017-18 rates of other community colleges in the area and/or enrolling significant numbers of international students. It is not yet known what rates will be adopted by those colleges for 2018-19, but the statewide average for nonresident tuition has increased $24 from $234 to $258, therefore increases are expected at most colleges.

11-A EMERGENCY RESOLUTION FOR 1825 PEARL STREET APARTMENT GAS LINE REPAIR
The Board of Trustees hereby unanimously resolves that an emergency existed because of a gas leak wherein repairs were necessary to permit the use of the facility or to avoid danger to life or property. The Board of Trustees authorizes contracts on behalf of the District for immediate action to procure the necessary equipment, services, and supplies for this purpose, without giving notice for bids to let contracts.

Funding Source: Auxiliary Services

Summary: On Thursday, December 7, 2017 tenants of the apartment at 1825 Pearl Street called SoCal Gas to report a gas smell. Upon arrival, SoCal Gas turned off meters feeding the building. It was determined the gas lines under the house need to be replaced as well as the underground lines leading to the meters. Scope of work included excavation to expose the underground gas line, repair of the gas line, back fill soil, soil compaction, and pressure testing. Fast-Track Construction was called out Friday to make immediate repairs.

11-B AWARD OF CONTRACT – GAS LINE REPAIR – FAST-TRACK CONSTRUCTION CORP
Award a contract to Fast-Track Construction Corp in the amount of $23,776.86 to provide emergency repairs to a gas line that services the 1825 Pearl Street Apartments. This contract is awarded pursuant to Emergency Contracting Procedures (PCC 22050).

Funding Source: Auxiliary Services

<td>$42,859,749</td>
</tr>
</tbody>
</table>

This change order does not result in a change to the contract length.

Funding Source: Measure AA

Comment: Change Order No. 23 includes the labor and material cost for the following:

- Install seismic clip restraints and supports to metal stud walls where ceiling seismic restraint cannot be installed to concrete deck;
- Modify metal stud framing and add an extra layer of drywall at Pavilion breezeway;
- Supply and install new plants and trees south of Humanities and Social Sciences Building (HSS);
- Install Automated External Defibrillator (AED) and wall cabinets at Fitness Center behind reception desk and at first level elevator lobby outside of Room 112;
- Provide power for seven fan coil units at Pavilion that were not shown on the contract drawings;
- Additional skate deterrents on site walls for board-formed walls and for 6” wide planter walls.

</tr>
</tbody>
</table>

This change order does not result in a change to the contract length.

Funding Source: Measures S and AA

Comment: Change Order No. 7 includes the labor and material cost to furnish and install the following:

- Bracing required to accommodate and access the reinforcement of the existing excavation shoring as the parking structure concrete was being placed.
- Additional structural members to support Photo-Voltaic arrays that are not aligned with the structural system.
- Additional steel angle supports for the metal stud roof parapet wall to infill behind the glass curtain wall;
- Provide credit to SMC for architectural and engineering services cost needed to review and design a structural repair to a concrete joint that was caused by non-continuous pour schedule.

Revised Contract Amount: $5,527,386

Funding Source: Measure AA

Comment: Amendment No. 10 provides for extended construction administration services through January 2018 for Gensler, including consultants, due to extended project schedule.

11-I AGREEMENT WITH ACCESSIBLE CONSULTING ENGINEERS, INC – AET CAMPUS & PARKING STRUCTURE A
Agreement with ACCESSIBLE CONSULTING ENGINEERS, INC. (ACE) for the AET CAMPUS & PARKING STRUCTURE A in the amount of $6,500 plus reimbursable expenses. ACE Testing is a third party power monitoring service that will monitor and provide analysis of the power fluctuations at AET Campus. Recent failures in equipment suggest that the building is subject to irregular power surges. A power analysis is recommended to determine the cause. The power service is suspected to be the source of fluctuating power and the power service provider (Southern California Edison) has been called upon to provide remedies. An independent power analysis is recommended to help determine the cause.

CONSENT AGENDA: FACILITIES AND FISCAL

RECOMMENDATION NO. 11 FACILITIES (continued)

11-J AGREEMENT FOR FIBER OPTIC NETWORK
Agreement with the WILCON OPERATIONS LLC DBA WILCON to provide fiber optic cable to 1660 Stewart Street. This agreement includes a construction/installation fee not to exceed $4,500; and a monthly service fee of $4,500 per month for 60 months.

Funding Source: KCRW Foundation

Comment: Two dark fiber optic cable lines will directly connect the new KCRW site to the internet and will provide data and broadcast capabilities. The dark fiber is scalable for broadband usage requirements. A line will connect KCRW to two different sites which are required for back-up redundancy.

11-K CHANGE ORDER NO. 34 AET CAMPUS AND CHANGE ORDER NO. 17, PARKING STRUCTURE A
Change Order No. 34 – C.W. Driver on the AET Campus portion of the project to provide a credit in the amount of $243,538 and Change Order No. 17 on the AET Parking Structure A portion of the project to provide a credit in the amount of $4,751.

RECOMMENDATION NO. 13  ACCEPTANCE OF GRANTS AND BUDGET AUGMENTATION
Requested By: Teresita Rodriguez, Vice President, Enrollment Development
Requested Action: Approval/Ratification
Reviewed by: Christopher M. Bonvenuto, Chief Director, Business Services
Approved by: Elaine Polachek, Interim Executive Vice-President

Title of Grant: Student Success and Support Program Credit (SSSP Credit)
Granting Agency: California Community Colleges Chancellor’s Office
Augmentation Amount: $955,900 (Amended Allocation $6,054,037)
Matching Funds: $955,900 (Amended Match $6,054,037)
Performance Period: July 1, 2017 – June 30, 2018
Summary: The District qualified for an additional $955,900 in fiscal year 2017-2018 funding. SSSP funds are allocated for the sole purpose of providing the core services of orientation, assessment, counseling/advising/education planning; and other follow-up interventions for at risk students. SSSP funds are provided to supplement district expenditures for student support and may not supplant or take the place of other resources.

Comment: The Adopted Budget needs to be amended to reflect the totals of the departmental budgets. The current system of the Los Angeles County Office of Education requires Board approvals each month for budget adjustments. Only the net amount of the transfers in or out of the object codes is shown. In addition to the budget adjustments, transfers result from requests by managers to adjust budgets to meet changing needs during the course of the year.

20-A AWARD OF PURCHASE ORDERS

Establish purchase orders and authorize payments to all vendors upon delivery and acceptance of services or goods ordered. The amount includes payments related to bond construction projects. All purchases and payments are made in accordance with Education Code requirements and allocated to approved budgets. Lists of vendors on file in the Purchasing Department.

| November 1-30, 2017 | $71,394,785.43 |
XI. BOARD COMMENTS AND REQUESTS

XII. ADJOURNMENT - 10:17 p.m.

The meeting was adjourned in memory of Atticus Anderson, son of Heather Anderson, former member of the Citizens’ Bond Oversight Committee; Scott Carrey, son of SMC supporters Neil and Karen Carrey; Connie Lemke, retired SMC classified employee; Miralda "Midi" Riojas, mother of Jessica Riojas, administrative assistant at Emeritus; Preveen Sahabandu, a former SMC President’s Ambassador; and Alberta P. Stahl, mother of CSIS instructor Howard Stahl.

The next regular meeting of the Santa Monica Community College District Board of Trustees will be held on Tuesday, February 6, 2018 at 7 p.m. (5:30 p.m. if there is a closed session) in the Santa Monica College Board Room, Business Building Room 117, 1900 Pico Boulevard, Santa Monica, California.

The agenda for the next meeting will include the following:

1. Receipt of Audit Reports
3. Information: Citizens’ Bond Oversight Meeting, January 17, 2018
APPENDIX A

INFORMATION ITEM NO. 1

SANTA MONICA COMMUNITY COLLEGE DISTRICT

Capital Outlay Program

Bond Project Report

January 2018

Prepared by SMC Facilities Planning
The District’s capital outlay program consists of larger non-maintenance projects that are generally over $100,000, typically financed by local taxpayer approved bonds. The capital projects include new buildings, replacement buildings, renovations, property acquisition, parking, site work, landscaping, infrastructure, security, and technology.

Over the last several decades, Santa Monica and Malibu voters have approved five safety and modernization bond measures in support of the college’s career and academic programs:

- **Proposition T** 1992 $23,000,000
- **Measure U** 2002 $160,000,000
- **Measure S** 2004 $135,000,000
- **Measure AA** 2008 $295,000,000
- **Measure V** 2016 $345,000,000

By way of background, local bonds financed the original Main Campus, built in the 1950s and 1960s. However, in subsequent years until 1992, the District depended primarily on limited state funding, so only a few large projects were built. After the 1994 Northridge Earthquake and the extensive damage to the Main Campus, the District received federal FEMA support for rebuilding which started the current era of major construction on the campus.

In addition to the local bonds listed above, there has been significant financial support from federal, state and city sources along with the District’s own capital funds.

The 1998 Facilities Master plan was a major effort in guiding the modernization and development of the Main Campus after the Northridge earthquake. Additional facility assessments were conducted in 2001, 2002, and 2003. In 2007, a master plan was added for the development of the Bundy Campus. In 2010, an update of the Facilities Master Plan was completed to address other safety and modernization improvements on the Main Campus and to incorporate the satellite campuses.

A new Facilities Master Plan Update is currently underway and will be completed in 2018 to guide the progress in completing Measure AA projects and new projects under Measure V.

Highlights of the completed projects include the purchase of the Bundy Campus and Emeritus College, and the construction of the Theatre Arts, Broad Stage, HSS Building, Campus Quad and Information Technology. Below are additional accomplishments and expectations for the Capital Outlay Program:

**Recent projects completed in 2017:**
- Core Performance Center
- Music Hall at the SMC Performing Arts Center

**Projects expected to be completed in 2018:**
- Center for Media and Design

**Projects expected to start construction in 2018:**
- Malibu Campus
- Santa Monica Early Childhood Lab School

**Projects expected to be completed in 2018-19:**
- Student Services
**Bond Program Overview**

Recent Projects Completed in 2017

Music Hall– Performing Arts Campus (East Wing Earthquake Renovation)

Project Description: Replacement of the seismically deficient East Wing of the Madison Building with a new facility for the Music Department including a Music Hall for rehearsals, performances and special events; a piano teaching lab; and a classroom for voice and choir instruction. Project includes a new plaza and entry into the Edye Second Space.

Project Schedule: Completed in 2017
Estimated Project Cost: $32,108,816
Funding Sources: Measure AA

Core Performance Center (Replacement Health, Fitness, Dance, and PE Building and Central Plant)

Project Description: The project consists of the demolition of the existing 1958 Locker Room building and replacing it with a new three-story 66,000 SF complex. The new building consists of athletic facilities, fitness center with climbing wall, fitness studios and dance studios.

Since this building is located in the center of campus, it is an ideal location for the central cooling plant which is an energy efficiency project designed to generate chilled water that is distributed to air conditioning units in various buildings throughout the main campus.

Project Schedule: Completed in 2017
Estimated Project Cost: $58,272,030
Funding Sources: Measure S, AA, State and Utility Energy Incentives

Security and Fire Alarm

Project Description: To better protect students and staff during emergency situations, the college upgraded the entire security system, including access control, video surveillance, and intrusion alarms as well as its fire alarm and mass notification systems to newer digital technologies.

Project Schedule: Completed in 2017
Estimated Project Cost: $11,520,794
Funding Sources: Measure AA

Central Plant Building Connections

Project Description: This project retrofits individual buildings and connects them to the chilled water loop from the Central Plant. The retrofitted buildings include Business, HSS, Library and Science. Vaults were also installed to allow existing and new buildings to be connected in the future.

Project Schedule: Completed in 2017
Estimated Project Cost: $11,206,164
Funding Sources: Measure
**Projects Under Construction**

**Center for Media & Design (Academy Campus)**

**Project Description:** This project includes the construction of a new 440-space Parking Structure. Also includes major renovation of the existing 50,000 SF AET building, a new 30,000 SF addition to the existing AET building, a new 33,000 SF building for the KCRW radio station, a new central courtyard, and new landscaping.

**Current Progress:** Academic buildings and parking structure are complete. Classes are being held there as of Fall 2017. Opening celebration occurred December 2, 2017. KCRW portion is nearing completion of construction and is expected to be occupied in the late spring / early summer of 2018.

**Project Schedule:** Partially open, entire project completion spring/summer 2018.
**Estimated Project Cost:** $125,055,056
**Funding Sources:** Measure AA, KCRW Foundation

**Student Services Building**

**Project Description:** The new Student Services Building will facilitate the centralization of all Student Services operations that are presently dispersed throughout the campus and housed in temporary buildings. This project provides office and service space for approximately 25 Student Services functions. The new building is situated near the Pico Boulevard main entrance to the SMC campus and thereby provides convenient access for students and members of the college community.

This project also includes accommodation for vehicular access/egress, and underground parking, all in compliance with the Master Plan goal to provide more below grade vehicle parking at the main campus.

**Current Progress:** Structural steel is completely assembled and the building envelope is being installed.

**Project Schedule:** This project is currently under construction with completion expected in 2018/2019.
**Estimated Project Cost:** $130,224,164
**Funding Sources:** Measure S, U and AA

**Projects in Pre-Construction Phase**

**Malibu Site Campus**

**Project Description:** In the 1970s and early 1980s, Santa Monica College offered about 70 general education classes and several non-credit classes in Malibu throughout a semester. Today, the program is limited to a few classes offered in local school district buildings.

The project is planned to be a classroom facility to provide general education classes, science, art and Emeritus College classes. There is also an interpretive center to highlight the natural environment and history of Malibu and a Sheriff’s sub-station. The District has worked cooperatively with the City of Malibu and the County of Los Angeles in planning a site at the Malibu Civic Center.

**Current Progress:** Approvals received from California Department of the State Architect (DSA), City of Malibu, the Coastal Commission, and the County of Los Angeles. A quality control process is being completed and will be finalized by approval from DSA. The project is scheduled to start construction in Spring 2018.

**Project Schedule:** Construction start in Spring 2018
**Estimated Project Cost:** $35,000,000
**Funding Sources:** Measure S, AA
Santa Monica Early Childhood Lab School

Project Description: SMC currently has no dedicated childcare facility and offers lab instruction though various local childcare providers. The District lacks a teaching laboratory facility in Early Childhood Education that is typically available at many other community colleges. This project provides for a childcare center for the community plus college instructional facilities. The City of Santa Monica is a partner in this project, providing the site at the Civic Center and a portion of the building funds.

Current Progress: The project is undergoing a quality control process, construction logistics are being coordinated with the City of Santa Monica, and construction is scheduled to begin in Spring 2018.

Project Schedule: Construction start in Spring 2018  
Estimated Project Cost: $22,520,176  
Funding Sources: Measure S with City of Santa Monica

Projects in Division of State Architect (DSA) Review
None

Projects in Active Design Phases

Math and Science Building Extension

Project Description: Santa Monica College is renowned for its science and allied health programs; however, the existing labs for Life, Physical and Earth Sciences are at capacity; also, the current facility for the Math Department consists of temporary trailers and lacks the infrastructure for smart classrooms or support for the use of modern technology for instructional use. Consolidating Math and Science programs into a new Science Extension building supports interdisciplinary interaction. The building extension qualified for $40 million in State funding and was matched with local funds. The building will contain an upgraded planetarium and a community lab for all ages, including a nutrition and culinary lab in support of the College’s nutrition program.

Current Progress: The project is currently being programmed and designed with various campus community stakeholders.

Project Schedule: Design to be completed in 2018 and submitted to DSA for approval.
Estimated Project Cost: $124,958,336  
Funding Sources: Measure U, AA, V, State

Future Projects

In addition to the Math and Science Building Extension, additional projects were included in the 2016 Measure V Bond language and will be further developed during the Facilities Master Plan Update process.
APPENDIX A

INFORMATION ITEM NO. 2 SMC STUDENT EQUITY EXECUTIVE SUMMARY INTEGRATED PLAN 2017-19

Introduction
Santa Monica College (SMC) has an enduring commitment to achieve equity in educational outcomes for all students and a rich history of serving a large and diverse student population that is increasingly diverse in race/ethnicity, life experiences, and academic preparedness. The mission of SMC is to create a learning environment that both challenges students and supports them in achieving their educational goals. With an enrollment of more than 30,000 students per major semester, SMC is a Hispanic Serving Institution with 38.3% of students reporting Latinx/Hispanic heritage. And, over 60% of the general student population are students of color (Spring 2016 “Fast Facts”).

A broad group of faculty, administrators, and staff have convened to integrate the Student Success and Support Program (SSSP)—both credit and noncredit, Student Equity, and the Basic Skills Initiative into a single plan with equity in educational outcomes for all students at the center. Concurrent with the development of this plan SMC launched the Guided Pathways redesign project which is also squarely focused on equity. The leadership of the Guided Pathways effort joined this work group in order to also integrate the ongoing redesign work with these efforts. During the course of developing the plan, the comprehensive work group developed equity vision and mission statements to guide and inform the plan as follows:

Equity Vision statement, “SMC is a dynamic and culturally responsive educational community that upholds the values of equity, inclusion and social justice as a pathway to personal and academic excellence.”

Equity Mission statement, “SMC is an educational institution dedicated to providing an equitable learning and working environment. We intend to make clear, through our lived values and praxis, our commitment to inclusive excellence, which is reflected in our student outcomes and employee satisfaction.”

The work group wrote five overarching goals for the Integrated Plan:

1. Santa Monica College will embrace student equity as a core value for which all will take responsibility.
2. Decrease the time to completion for degree, certificate, employment outcomes, and transfer, particularly for groups experiencing equity gaps.
3. Increase the persistence, completion, and success in all courses, particularly the ESL and English and math sequences, for African-American and Latino/a/x students and other groups experiencing equity gaps.
4. Increase the overall number of degrees and certificates awarded and successful employment outcomes for African-American and Latino/a/x students and other groups experiencing equity gaps.
5. Increase the overall number of students who are transfer prepared and successfully transfer among African-American and Latino/a/x students and other groups experiencing equity gaps.
To achieve equity in educational outcomes for all students, SMC is pursuing this work at both the institutional and individual levels. At the institutional level the college community will examine policies, practices, and structures that create barriers for students. Engaging in Guided Pathways redesign, to become a “student-ready college” is one example of these efforts. At the individual level the goal is for each member of the SMC community to become “equity-minded,” embrace equity as a core value and recognize the ways in which he/she can help to achieve equity in the work he/she does every day at the college. The goals related to course success, transfer, and degree/certificate completion cannot be achieved without each person engaging in equity-minded work daily. To achieve this SMC will provide professional development to all groups, develop “equity core teams” in departments and divisions, and host all-campus events focused on equity.

Integration

Approximately two-thirds of new SMC students assess at the developmental level in English, ESL, and/or mathematics. The Basic Skills Initiative (BSI) aligns with the Student Equity plan goal of improving and accelerating the rates of developmental course success for African American and Latinx students, which, in turn, supports all academic achievement goals. BSI seeks to close the equity gaps by providing learning support services to students; supporting faculty in developing accelerated course work which is responsive to AB 705; integrating counseling, study skills, and career and transfer information into courses; and supporting the Guided Pathways redesign.

The SSSP team has identified a variety of high impact activities that support the student equity goals, the success of basic skills students, and the implementation of a Guided Pathways redesign of the student experience. In order to ensure all students are served effectively, the SSSP team will regularly conduct disproportionate impact analyses to determine any gaps in core service delivery among impacted populations. In addition, an equity core team of staff and counselors will be formed to inform and improve service delivery to students. For example, training will be provided to new counselors and interns to serve students with a focus on equity. SSSP aligns effectively with the Guided Pathways redesign and will improve practice by providing career information in a systematic way for all first-time freshmen to facilitate major selection and educational planning.

As suggested in the Chancellor’s Office publication, “Vision for Success,” SMC is using the “… Guided Pathways framework to bring about transformational change, ultimately braiding various funding streams in service of a singular, coherent plan for improvement” (p. 22). Using a student-centered approach, the Guided Pathways redesign is an integrated, inclusive approach to reimagine and comprehensively redesign the student experience, engaging the college as an inquiry-based, networked community to create an equity-driven institution as competent in student completion of programs as it is in student access. The goals of the redesign are to reduce/eliminate equity gaps, reduce time to completion, and increase rates of completion overall. Therefore, the Guided Pathways redesign directly supports the Student Equity goals and activities. The college is engaged in making the student experience more intentional, supported, and clear to help guide and support each student—regardless of academic preparation—to reach their self-defined academic goals effectively and efficiently.
Student Equity Goals, Activities, and Budgeted Resources

Goal: Santa Monica College will embrace student equity as a core value for which all will take responsibility. **Total Equity Budget: $859,765**

- **Data Coaching Training**: Develop a team of equity data practitioners to deepen the institution’s understanding of why the equity gaps exist for departmental and program metrics within the context of instructional support services and curriculum delivery.

- **Faculty Summer Institute**: 2 week training program designed to increase faculty use of culturally responsive pedagogy and promote equity practices in the classroom.

- **Professional Development**: Ongoing professional development focused on culturally responsive pedagogy and high impact practices. Contractual speakers (Veronica Neal, Kimberley Papillion, Frank Harris, J. Luke Wood) to assist with delivering high impact practices aimed at shifting institutional culture. Send groups of faculty, staff, and students to relevant conferences (National Conference on Race and Ethnicity, A2MEND, UMOJA, 3CSN, Equity Retreats). Prepare a more equity-focused, comprehensive hiring and human resource onboarding process.

- **Equity Evaluation and Research**: Associate Dean and Project manager work with equity research analyst to expand pilot projects and determine efficacy and sustainability of new efforts to close identified equity gaps.

- **Support ongoing SMC Equity Research**: Senior Analyst directs and assists with evaluation of interventions and provides critical data and information to inform planning.

- **Equity Summit, Student Equity Committee, and Informational Materials/Web Development**: Planning and communication activities to promote student equity and related activities at the College.

Goal: Decrease the time to completion for degree, certificate, employment outcomes, and transfer, particularly for groups experiencing equity gaps. **Total Budget: $575,808**

- **Veteran Resource Center Service Expansion**: Increase capacity for connecting Veterans at SMC to centralized psychological and counseling services in the Veterans Resource Center.

- **Guardian Scholars**: Provide Guardian Scholars (foster youth) with a dedicated program coordinator/counselor to connect participants with student support services and closely monitor academic progress. Provide mental health referrals and additional staff to support foster youth.

- **African American Collegians/Latino Centers**: Student Services Assistant, part time counselors, and social worker/mental health professionals to provide program support, expand academic and personal counseling, referrals to mental health and other community-based resources.

- **Dreamers Advising**: Provide counseling to support our ally training program and student workers to act as peer mentors for undocumented students.

- **STEM counseling**: Part time counseling to support all STEM students at SMC to assist with the STEM education planning process.

- **Direct Student Support**: Provide assistance with book, transportation, and child-care costs.
Goal: Increase the persistence, completion, and success in all courses, particularly the ESL and English and math sequences, for African-American and Latino/a/x students and other groups experiencing equity gaps.  

*Total Budget: $447,697*

- **Supplemental Instruction (SI), Tutoring, and Learning Center Support:** Expand support for embedded tutoring and learning centers to improve access and quality of service across disciplines. Instructional Assistant support for African American Collegian and Latino Centers in Math and English, Student Services Specialist in Supplemental Instruction.

- **Embedded Tutoring during intersessions:** Provide student tutors to individual sections during the short-term, intensive winter and summer intersessions. Targeted tutoring for African American and Latinx students to promote course success.

- **History Peer Learning Program:** Expand peer-learning program to build history specific reading and writing skill building workshops.

- **Sociology Coaching Program:** Promote successful course completion among African American and Latino/a students.

- **Chemistry Bootcamps and Math Workshops:** Boost math/chemistry skills among African American and Latinx students that lead to successful course completion.

- **English Academy Summer Acceleration Program:** Continue two-week, intensive workshops to accelerate placement for students placed in pre-collegiate English into transfer-level English.

- **Black Collegians/Latino Center instructional support:** Provide full-time math Instructional Assistant to provide support for African American and Latinx students. Expand peer-mentoring program.

Goal: Increase the overall number of degrees and certificates awarded and successful employment outcomes for African-American and Latino/a/x students and other groups experiencing equity gaps.

- **Integration of Career Services in Black Collegians/Latino Center programs:** Provide comprehensive career services in the centers where target group students receive core services.

Goal: Increase the overall number of students who are transfer prepared and successfully transfer among African-American and Latino/a/x students and other groups experiencing equity gaps.  

*Total Budget: $111,500*

- **Equity Transfer Programs and Research Projects:** Expand and promote transfer immersion programs, coursework, and opportunities to engage with SMC faculty mentors.

- **Scholars Program outreach:** focused outreach to African American and Latinx students eligible for the SMC scholars transfer program.

- **Transfer fee assistance program:** establish a system for assisting students who apply for transfer and are denied fee waivers.

*Progress made on identified goals through funded Student Equity activities for 2014-15, 2015-16, and 2016-17*
In 2014-15 Santa Monica College Student Equity Plan had three overarching goals:

- To build institutional capacity to address the achievement gap by engaging in systematic quantitative and qualitative inquiry, and by implementing interventions and student support that directly address the identified equity gaps.
- To establish a standing college committee on Student Equity, which will monitor progress on the plan, submit required annual reports, and develop future plans.
- To develop consensus on determining the performance measures for monitoring progress toward achieving the desired outcomes and establish target dates for achieving these outcomes.

The current overarching goals for the Santa Monica College Student Equity plan are:

1. To build institutional capacity to address the achievement gaps experienced by target group students.
2. To assess and evaluate all equity funded projects to determine the most effective practices for closing the achievement gaps identified in campus-based research.
3. To communicate evaluation results widely and develop plans for expansion of best practices, leveraging projects to maximize the impact on target group students.

Santa Monica College accomplished two of the goals in the 2014-15 Student Equity plan by establishing a Student Equity committee with representation from all campus constituencies and by developing consensus on the performance measures for monitoring progress toward achieving the desired outcomes and establishing target dates for achieving these outcomes. Santa Monica College conducted campus-wide research and inquiry, and designed student support interventions that culminated with data evaluation to identify the most successful intervention strategies. The SMC Equity committee also examined paths for successful pilot programs to be brought to scale to close the equity gaps.

To continue to build capacity as a college to address this challenge, student equity has been integrated in institutional planning, program evaluation and improvement, and accreditation. Resources have been dedicated to the following activities.

<table>
<thead>
<tr>
<th></th>

<td>$698,893</td>
<td></td>
</tr>
</tbody>
</table>

- **Equity Evaluation and Research**: Associate Dean and Project manager work with pilot projects to determine efficacy and sustainability of efforts to close identified equity gaps.
- **Support ongoing SMC Equity Research**: Senior Analyst directs and assists with evaluation of interventions and provides critical data and information to inform planning.
- **Equity Summit, Student Equity Committee, and Informational Materials/Web Development**: Planning and communication activities to promote student equity and related activities at the College.
- **Minority Male Community College Collaborative (M³C³)**: conducted the Community College Survey of Men, interviews with faculty, and student and staff focus groups to get a full picture of institutional culture. Presented results to multiple groups across campus to inform institutional change, target professional development to areas of need, and create relevant student success workshops.
- **Faculty Summer Institute**: 2 week training program designed to increase faculty use of culturally responsive pedagogy and promote equity practices in the classroom.
• Professional Development: Ongoing professional development focused on culturally responsive pedagogy and high impact practices. Contractual speakers (Veronica Neal, Kimberley Papillion, Frank Harris, J. Luke Wood) to assist with delivering high impact practices aimed at shifting institutional culture. Send groups of faculty, staff, and students to relevant conferences (National Conference on Race and Ethnicity, A2MEND, UMOJA, 3CSN Equity Retreats).
• Center for Organizational Responsibility: Provided access and stipends to faculty who completed “Teaching Men of Color” modules.
• Learning Resources and Academic Support Service Tracking System: Identification of a tracking system to assess efficacy of services, frequency of use and impact on student outcomes, as well as curriculum development to address student needs.

Overall the campus-based research indicates that the target group students who experience the greatest disproportionate impact are African American and Latino/a/x students, particularly males. There are also areas in which foster youth, veteran students, and students with disabilities experience gaps in achievement. Goals to eliminate equity gaps experienced by target groups by the year 2021 were initially set in the 2014-2015 Student Equity Plan. Equity gaps were calculated using the percentage point gap methodology, which measures equity gaps by subtracting the success rate of the target group from the success rate of the highest achieving group for each metric. Gap values of 0% indicate that the equity goal has been achieved. The following describes the equity gaps experienced by target groups for each metric for the last four cohort years.

Indicator A: Access
Access was defined as access to the institution as well as access to critical services. The target groups identified in the data are part of the programs represented in these activities. SMC is committed to diminishing challenges that act as barriers to student success such as financial constraints, mental health, and access to critical support services. Students experiencing psychological distress, for example, are not ready to learn when they enter the classroom. For many of the equity-funded projects individuals have been hired to improve outcomes across all indicators which requires an increase in service and people to perform the high touch, high-engagement work.

• DSPS and Veterans Collaborative: Improve outreach to Veterans to offer disability screenings.
• DSPS: Updated handbook for faculty and staff, purchased supplies for DSPS student support.
• Veteran Resource Center Service Expansion: Increase capacity for connecting Veterans at SMC to centralized psychological and counseling services in the Veterans Resource Center.
• **Guardian Scholars**: Provide Guardian Scholars (foster youth) with a dedicated program coordinator/counselor to connect participants with student support services and closely monitor academic progress. Provide mental health referrals and additional staff to support foster youth.

• **African American Collegians/Latino Centers**: A Student Services Assistant, Counselors, Social Worker to provide program support, expanded academic and personal counseling, referrals to mental health and other community-based resources.

• **Dreamers Advising**: Provide student workers to act as peer mentors and walk undocumented students through the process of applying for state aid and scholarships.

• **STEM counseling**: Part time counseling to support all STEM students at SMC through the complex STEM education planning process.

• **Outreach and SMMUSD Collaborative**: Develop a model to be applied across top feeder high schools to reduce the number of target group students matriculating to SMC at the basic skills level by articulating curriculum and developing interventions in the senior year of high school.

**Indicator B: Course Completion**
Santa Monica College’s faculty and staff believe that the biggest difference in closing the equity gaps will be in the classroom, which is the one place that all community college students share and can be reached. Therefore, the SMC Student Equity Plan has focused on improving teaching and learning experiences in the classroom and expanding access to instructional support services for target student groups.

• **Supplemental Instruction (SI), Tutoring, and Learning Centers**: Expand SI, tutoring, and learning center support to improve access and quality of service across disciplines. Instructional Assistant support for African American Collegian and Latino Centers in Math, Student Services Specialist in Supplemental Instruction.

• **Embedded Tutoring during intersessions**: Provided student tutors to individual sections during the short-term, intensive winter and summer intersessions. Targeted tutoring African American and Latinx students to promote course success.

• **History Peer Learning Program**: Establish a peer-learning program to build upon and expand on the history department’s reading and writing skill building workshops.

• **Sociology Coaching Program**: Faculty coach to promote successful course completion among African American and Latino/a students.
• **Early Childhood Education (ECE) Lending Library:** Provide books for ECE courses to target group students.

• **Chemistry Bootcamps and Math Workshops:** Boost math/chemistry skills that lead to successful course completion.

1**Indicator C: ESL and Basic Skills Completion**

SMC invested in interventions that create pathways from basic skills to college level courses. Examples of these interventions include the English Academy and expanded access to instructional support services for target group students.

<table>

**Basic Skills ESL Completion**

---

1 A note about the Basic Skills/ESL Completion, Degree/Certificate Completion, and Transfer metrics: For the earlier cohorts, the data monitors the performance of students before the implementation of equity- or success-related strategies and interventions. For example, the baseline data tracks the performance of students in 2007-2008 for six years (to 2012-2013). This group of students would not have had the opportunity to participate in any program, strategy, or intervention developed as part of the Student Equity Plan. As a result, for these metrics, the college expects that the impact of the equity strategies and programs will not be reflected in the data immediately.
Basic skills ESL completion describes the percentage of credit students who first enrolled in a course below transfer-level ESL in the cohort year and completed a college-level English or ESL course within six years of the cohort year (Source: Student Success Scorecard).

<table>

</tbody>
</table>

**The equity gap for the Black student population for the Basic Skills ESL Completion metric was not measured for the baseline year as the cohort size was too small (fewer than 10). As a result, the 2008-2009 year was used as the baseline year for this target group.

- **English Academy Summer Acceleration Program:** Two-week, intensive workshops to accelerate placement for students placed in pre-collegiate English into transfer-level English, saving students up to two semesters of remedial coursework.
- **Black Collegians/Latino Center instructional support:** Hired a full time Math Instructional Assistant to provide support in these centers for target group students. Developed a peer mentor program.
- **Mathematics Faculty Professional Development:** Engaged in targeted research using the Community College Survey of Men and interviews and focus groups with math faculty and students to promote understanding and change. Project is ongoing.

**Indicator D: Degree and Certificate Completion**
For Indicator D, Degree and Certificate Completion, the 2008-09 cohort is examined. In 2014-15 SMC implemented an innovative strategy, leveraging technology and in-house data to award degrees and certificates to students who did not realize they were eligible. Those results are not yet reflected in these data.

- **MyEdPlan integrated with Counseling services:** Educational planning tool integrated with degree audit to give students clear pathways for degree and certificate completion.
- **Integration of Career Services in Black Collegians/Latino Center programs:** Provided comprehensive career services in the center where target group students receive other services.

**Indicator E: Transfer**
The Student Equity committee created a timeline and primary focus for each year. Basic Skills, Access, and Course completion addressed the bottleneck in transfer for African American and Latinx students and therefore was the primary focus of the equity activities in prior year plans. Transfer programming support in the form of counseling overlaps largely with several indicators to increase student support services.
