PUBLIC PARTICIPATION
ADDRESSING THE BOARD OF TRUSTEES

Members of the public may address the Board of Trustees by oral presentation concerning any subject that lies within the jurisdiction of the Board of Trustees provided the requirements and procedures herein set forth are observed:

Procedure for Addressing the Board of Trustees

1. Individuals wishing to speak to the Board at a Board of Trustees meeting during Public Comments or regarding item(s) on the agenda must complete an information card with name, address, name of organization (if applicable) and the topic or item on which comment is to be made.

Generally, each speaker may be allowed a maximum of five minutes per topic. If there are more than four speakers on any topic or item, the Board reserves the option of limiting the time for each speaker. Each speaker is limited to one presentation per specific agenda item before the Board, and to one presentation per meeting on non-agenda matters. A speaker’s time may not be transferred to another speaker.

General Public Comments and Consent Agenda

- The card to speak during Public Comments or on a Consent Agenda item must be submitted to the recording secretary at the meeting before the Board reaches the Public Comments section in the agenda.

- Five minutes may be allotted to each speaker per topic for general public comments or per item in the Consent Agenda. The speaker must adhere to the topic. Individuals wishing to speak during Public Comments or on a specific item on the Consent Agenda will be called upon during Public Comments.

Major Items of Business

- The card to speak during Major Items of Business must be submitted to the recording secretary at the meeting before the Board reaches that specific item in the Major Items of Business in the agenda.

- Five minutes may be allotted to each speaker per item in Major Items of Business. The speaker must adhere to the topic. Individuals wishing to speak on a specific item in Major Items of Business will be called upon at the time that the Board reaches that item in the agenda.

Exceptions: The time allotment does not apply to individuals who address the Board at the invitation or request of the Board or the Superintendent.

2. Any person who disrupts, disturbs, or otherwise impedes the orderly conduct of any meeting of the Board of Trustees by uttering loud, threatening, or abusive language or engaging in disorderly conduct shall, at the discretion of the presiding officer or majority of the Board, be requested to be orderly and silent and/or removed from the meeting.

3. The Board of Trustees urges that charges and complaints against any District employee be submitted to the Board in writing. This allows the Board to more carefully examine the complaint and initiate an investigation when necessary. However, no one will be prevented from making a charge or complaint to the Board because they decline to do so in writing. If a complaint is made orally, the Board may request that the individual making the complaint provide additional information to facilitate an investigation. The Board may also afford the District employee, about whom a complaint is made, the opportunity to respond either orally or in writing at the same or subsequent meeting.

3-A PAYMENT TO WEST LOS ANGELES COLLEGE FOR TEACHER AND READING DEVELOPMENT PARTNERSHIP (TRDP)

Authorization of payment to West Los Angeles College in the amount of $4,125 to fulfill SMC's grant award obligation in the implementation of the TRDP grant at both campuses during academic year 2002-03.

Funding Source: TRDP Grant
$4,125 has been set aside from the rollover budget from July 1, 2003 to December 30, 2003 to pay West LA College.

Comment: The Teacher Reading Development Partnership (TRDP) Grant is currently in its fourth year. The current year grant was submitted in October 2003 for a total amount of $42,000. Although the college is eligible for an additional year of funding, the program has been eliminated in the State's proposed 2004/05 budget.

In partnership with West Los Angeles College and California State University, Los Angeles, the goals of SMC's TRDP project include:
• encouraging high school and college students to pursue a career in teaching,
• improving articulation of courses and clarifying financial aid options between the community colleges and the CSUs, and
• developing a reading tutor program which will place SMC/WLA students in LAUSD elementary schools (grades K-3) as reading tutors.

West Los Angeles College participated jointly in the recruitment of teacher candidates, maintained the curriculum created to motivate aspiring teachers, and maintained its future teachers club in partnership with SMC's Teacher and Reading Development Partnership ("TRDP") program during 2002-03.

List(s) available in the Human Resources Office and attached to permanent minutes.
The 2003-04 Santa Monica College budget for categorical funding was based upon the budget estimates for each district as listed in the preliminary categorical allowance prepared by the Chancellor's Office. The following budget augmentations have been expected by the managers of the programs, but were delayed by the State until the first Principal Apportionment was released at the end of February, 2004. The augmentation is only a distribution of funds already in the state budget because of the Chancellor's Office only funded 90 to 95 percent of the state allocation as a precaution for mid-year cuts.

RECOMMENDATION NO. 13
Requested Action: Approval

AUTHORIZATION TO ISSUE TRANS

Adopt the resolution authorizing the issuance of Tax Revenue Anticipation Notes (TRANs) not to exceed $5 million and the participation with the Los Angeles County Pooled 2004-2005 issue.

Comment: The TRANs issuance authorization will assist the District in its cash management for fiscal year 2004-2005. The distribution timing of funding from State apportionment and the shift by the State to property tax as a revenue source has impacted the cash flow of the District. The TRANs is a short-term borrowing to meet cash flow needs in the General Fund and the debt will be retired prior to the close of fiscal year 2004-2005 when property tax revenues are received.

RECOMMENDATION NO. 14
Requested Action: Approval

AUTHORIZATION FOR PAYMENT FOR SELF-INSURED LEGAL DEFENSE SERVICES

Authorize the District to pay Harrington, Foxx, Dubrow and Canter any and all necessary fees and expenses for legal defense services for the District’s self-insured liability program. Services are provided on an hourly rate basis as needed with no monthly or annual retainer fee. The action authorizes fees not to exceed $100,000.

Funding Source: 2003-04 District Budget/Risk Management

Comment: Harrington, Foxx, Dubrow and Canter have been providing legal defense services for the District for over 15 years. The firm is one of only eight firms that the Statewide Association of Community Colleges (SWACC) JPA has authorized its members to use for self-insured legal defense. The Board of Trustees previously authorized the amount of $50,000 which has been expended.
CONSENT AGENDA: BUSINESS AND ADMINISTRATION

RECOMMENDATION NO. 15    SIGNATURE AUTHORIZATION

Authorize Thomas J. Donner, Executive Vice President, Business & Administration, to sign on behalf of the District any and all documents necessary for the divestiture of the District’s thirty percent (30%) undivided interest in the undeveloped real property known as 1847 16th Street, Santa Monica. The 30% interest in the property is part of the Simon Trust that named the District as a beneficiary. The District’s portion of the proceeds of the divestiture will be deposited in the Simon Trust account used for student scholarship and support programs.

Comment: The David Simon Trust was a part of David Simon’s bequest to Santa Monica College and UCLA. Mr. Simon graduated from SMCC in 1950 and transferred to UCLA where he received his baccalaureate and Juris Doctorate. He credited SMCC with providing him the foundation to be successful at UCLA. Upon his death in January, 1991, he left 30 percent of his residual estate to SMC and 70 percent to UCLA to be used for the benefit of students. The Regents of the University of California owns a 70% undivided interest in the property and have authorized the sale of the property for a total purchase price of $550,000.

RECOMMENDATION NO. 16  CONTRACTS AND CONSULTANTS
Requested Action: Approval/Ratification

16-A AGREEMENTS FOR RISK MANAGEMENT

1. Claims Management Services (Amendment)

   Amend the agreement with CARL WARREN & COMPANY to provide claims management services for the District’s self-insured property and liability insurance program for the period ending June 30, 2004 for an additional amount not to exceed $10,000.00 for an amended total not to exceed $30,000.00, with no monthly or annual retainer fee.

   Comment: Several complex claims have required increased services by Carl Warren & Company.

2. Environmental Assessment Services (Amendment)

   Amend the agreement with MAUREEN SASSOON to provide environmental safety consulting services for the period ending June 30, 2004 for an additional amount not to exceed $1,000.00 for an amended total not to exceed $11,000.00. Services to include training, air monitoring, lab pick-up, chain-of-custody, lab fees and written reports as necessary to investigate health and safety issues.

   Comment: The number of environmental exposure complaints has increased requiring additional testing. The District has taken a proactive approach with baseline testing for an ongoing industrial hygiene program.

3. Chemical Inventory

   Agreement with 3E COMPANY to provide a comprehensive chemical inventory as mandated by the federal Superfund Amendments & Reauthorization Act (SARA) Title 313 and the Federal Certified Unified Program Agency (CUPA) for a fee not to exceed $12,514.

   Comment: The chemical inventory is a federal mandate. This agreement replaces an agreement previously approved with Keenan and Associates for this service. The District was unable to enter into an agreement with Keenan.

RECOMMENDATION NO. 16 CONTRACTS AND CONSULTANTS (continued)

16-B ARBITRAGE REBATE ANALYSIS OF 1999 CERTIFICATES OF PARTICIPATION
Requested Action: Ratification

Agreement with BOND LOGISTICS LLP to prepare the Arbitrage Rebate Analysis for the 1999 Certificates of Participation for a fee of $3,800.

Funding Source: 2003-2004 Capital Outlay Budget

Comment: Bond Logistics LLP previously performed the Arbitrage Rebate Analysis on the District’s 1997 COP. Under IRS regulations, the District is required at a minimum of every fifth year until the retirement of a COP to calculate the investment earnings from the Certificates of Participation (COP) less the interest paid on those certificates to determine if any excess earnings were derived from the tax-exempt status of the Certificates. The Arbitrage Rebate Analysis performed by Bond Logistics determined there are no excess earnings for the 1999 COP.

16-C AGREEMENTS FOR KCRW

Amend the agreement with TOM KING COMMUNICATIONS for broadcast engineering and construction services for an additional $2,000; amended total not to exceed $10,000.

Funding Source: KCRW Donations/US Dept. of Commerce Public Telecommunications Facilities grant

Comment: The agreement covers the adjustments to equipment at remote broadcasting sites. KCRW raises funds for all operating and capital expenses of the station.

ADMINISTRATIVE REGULATION 3121
SEXUAL HARASSMENT

Administrative Regulation 3121 has been approved by the Academic Senate and will be incorporated in Board Policy Section 3000, Human Resources.

AR 3121  Sexual Harassment

1. PURPOSE

The Santa Monica Community College District is committed to providing an academic and work environment free of sexual harassment and retaliation. This Administrative Regulation defines sexual harassment and sets forth a procedure for the investigation and resolution of complaints of sexual harassment by or against any employee\(^1\) or student within the District.

Sexual harassment and retaliation violate state and federal laws, as well as this regulation, and will not be tolerated. It is also illegal to retaliate against any individual for filing a complaint of sexual harassment or for participating in a sexual harassment investigation. Retaliation constitutes a violation of this regulation.

This Administrative Regulation applies to all aspects of the academic environment, including but not limited to classroom conditions, grades, academic standing, employment opportunities, scholarships, recommendations, disciplinary actions and participation in any community college activity. In addition, this Regulation applies to all terms and conditions of employment, including but not limited to hiring, placement, promotion, disciplinary action, layoff, recall, transfer, leave of absence, training opportunities and compensation.

Employees who violate this Administrative Regulation may, in accordance with all applicable laws and collective bargaining agreements, be subject to disciplinary action up to and including dismissal. Students who violate this Administrative Regulation may, in accordance with applicable laws and district administrative regulations, be subject to disciplinary measures up to and including expulsion.

2. DEFINITION

A. Sexual harassment is a form of sex or gender\(^2\) discrimination that violates Title VII of the Civil Rights Act of 1964, Title IX of the Educational Amendments of 1972 and applicable provisions of the California Education Code and Code of Regulations. It consists of unwelcome sexual advances, requests for sexual favors and other conduct of a sexual nature when:

1. submission to the conduct is made a term or condition of an individual’s employment, academic status or progress;
2. rejection of the conduct by the individual is used as a basis of employment or academic decisions affecting the individuals;
3. the conduct has the purpose or effect of having a negative impact upon the individual’s work or academic performance or of creating an intimidating, hostile or offensive work or education environment; or
4. submission to or rejection of the conduct by the individual is used as the basis for decisions affecting the individual regarding benefits and services, honors, programs or activities available at or through the college district.

\(^1\) The term “employee(s) as used in this section refers to all faculty, staff, administrators and managers.
\(^2\) The phrase “sex or gender” as used in this section is inclusive of sexual orientation.
5. There are two (2) types of sexual harassment:
   a. "Quid pro quo" (this for that) sexual harassment occurs when a person in a position of authority makes educational or employment benefits conditional upon an individual's willingness to engage in or tolerate unwanted sexual conduct.
   
b. "Hostile environment" sexual harassment occurs when unwelcome conduct based on sex/gender is sufficiently severe or pervasive so as to alter the conditions of an individual's learning or work environment, unreasonably interfere with an individual's academic or work performance or create an intimidating, hostile or abusive learning or work environment. The victim must subjectively perceive the environment as hostile, and the harassment must be such that a reasonable person of the same gender would perceive the environment as hostile.

6. Sexual harassment can consist of virtually any form or combination of verbal, physical, visual or environmental conduct. It need not be explicit or specifically directed at the individual who is offended. Sexually harassing conduct can occur between people of the same or different genders. The standard for determining whether conduct constitutes sexual harassment is whether a reasonable person of the same gender as the complainant/victim would perceive the conduct as harassment based on sex/gender.

3. **EXAMPLES**

   A. Sexual harassment includes but is not limited to the following misconduct:

   1. **Verbal:** Inappropriate or offensive remarks, slurs, jokes or innuendoes based on sex/gender. This may include, but is not limited to, inappropriate comments regarding an individual's body, physical appearance, attire, sexual prowess, marital status or sexual orientation; unwelcome flirting or propositions; demands for sexual favors; verbal abuse, threats or intimidation of a sexual nature; or sexist, patronizing or ridiculing statements that convey derogatory attitudes about a particular gender.

   2. **Physical:** Inappropriate or offensive touching, assault or physical interference with free movement. This may include, but is not limited to, kissing, patting, lingering or intimate touches, grabbing, pinching, leering, staring, unnecessarily brushing against blocking another person, whistling or sexual gestures.

   3. **Visual/Written:** The display or circulation of offensive sexually oriented visual or written material. This may include, but is not limited to, posters, cartoons, drawings, graffiti, reading materials, computer graphics or electronic media transmissions.

   4. **Environmental:** An academic or work environment that is permeated with sexually-oriented talk, innuendo, insults or abuse not relevant to the subject matter of the class. A hostile environment can arise from an unwarranted focus on sexual topics or sexually suggestive statements in the classroom or work environment. An environment may be hostile if unwelcome sexual behavior is directed specifically at an individual or if the individual merely witnesses unlawful harassment in his or her immediate surroundings. The determination of whether an environment is hostile is based on the totality of the circumstances, including such factors as the frequency or severity of the conduct, and whether the conduct is humiliating or physically threatening or unreasonably interferes with an individual's academic or work performance.
4. **COMPLAINT PROCEDURE**

A. The Superintendent/President shall assign the Assistant Dean, Human Resources to serve as the District’s compliance officer. The Assistant Dean, Human Resources, or designee is responsible for receiving complaints of sexual harassment and coordinating investigations. Documents from an investigation may only be placed in an employee’s personnel file after the investigation has been completed and in compliance with applicable provisions of the appropriate collective bargaining agreement.

5. Authorize the investigation of the complaint and supervise and/or conduct a thorough, prompt and impartial investigation of the complaint. The investigation will include interviews with the complainant, Respondent and any other persons who may have relevant knowledge concerning the complaint. This may include victims of similar conduct. The person or persons conducting the investigation shall keep the name of the Respondent as confidential as possible but may use the Respondent’s name as necessary in conducting the investigation. If it is determined that the allegations warrant the placement of the Respondent on a paid administrative leave, the Respondent will be so notified in writing. Such notice will specify the anticipated duration of the leave and shall clearly inform the employee that such action does not constitute disciplinary action. An employee placed on an administrative leave under this section may request a meeting with the Vice President, Human Resources to discuss the reason(s) for the administrative leave. In the event that an employee is placed on an administrative leave pending the completion of an investigation, the District shall complete the investigation within sixty (60) days. The complainant shall also be provided with a written notice setting forth the determination of the Superintendent/President or his/her designee as to whether sexual harassment did or did not occur with respect to each allegation in the complaint; a description of action taken, if any, to prevent similar problems from occurring in the future; the proposed resolution of the complaint; and notice of the complainant’s right to appeal to the District’s Board of Trustees and the Chancellor of the California Community Colleges. The results of the investigation and the determination as to whether harassment occurred shall also be reported to the Respondent and any appropriate academic or administrative official.

9. Anyone who files a complaint in which he/she knowingly makes a false accusation may be subject to appropriate discipline.
E. If sexual harassment occurred, the District may take remedial or disciplinary action against the Respondent. The action will be prompt, effective and commensurate with the severity of the offense. Disciplinary actions against employees and students will conform to all relevant statutes, regulations, personnel policies and procedure, including the provision of any applicable collective bargaining agreements.

1. The District shall also take reasonable steps to protect the complainant from further harassment and retaliation as a result of communicating the complaint.

2. The District shall take reasonable steps to ensure the confidentiality of the investigation and to protect the privacy of all parties.

3. If the complainant is not satisfied with the results of the administrative determination, he/she may, within fifteen (15) days, submit a written appeal to the District’s Board of Trustees. The Board of Trustees shall review the original complaint, investigative report, administrative decision and the appeal. A copy of the final decision rendered by the Board of Trustees shall be forwarded to the complainant and to the Chancellor of the California Community Colleges. The complainant shall also be notified of his/her right to appeal this decision. If the Board of Trustees does not act within 45 days the administrative determination shall be deemed approved and shall become the final decision of the District in the matter.

4. The complainant shall have the right to file a written appeal with the Chancellor of the California Community Colleges within thirty (30) days after the Board of Trustees issues the final District decision or permits the administrative decision to become final. Such appeals shall be processed pursuant to Section 59350 of Title 5 of the California Code of Regulations.

5. Within 150 days of receiving a complaint, the District shall forward all required documents to the Chancellor of the California Community Colleges. If, due to circumstances beyond its control, the District is unable to comply with the 150 day deadline for submission of materials, it may file a written request for an extension of time no later than ten (10) days prior to the expiration date.

5. ENVIRONMENT

Academic Freedom and Sexual Harassment Issues in the Learning Environment:

A. The District is committed to creating an environment where there is the full and free discussion of ideas and where students are free from a hostile learning environment.

B. In general, works of art and literature, readings and other written, auditory, or visual course materials, including lectures and discussions, which are used in a learning context or which are a part of academic or cultural programs, would not violate the prohibition against creating a hostile learning environment for students.

C. In all circumstances, sexual harassment of individuals is inconsistent with the maintenance of academic freedom.
