ACCENTUALITION OF GRANTS AND BUDGET AUGMENTATION

Title of Grant: WISE Care 4 Caregivers
Granting Agency: WISE Family Services
Requested Funding: $19,797
Matching Funds N/A
Performance Period: June 2002

Summary:
Santa Monica College is partnering with WISE Senior Services for the first time. This initial partnership has the potential for a long-term, productive relationship between the two organizations that will result in enhanced delivery of educational services to older adults (and the care givers of older adults) throughout the Los Angeles area.

The proposed program is a partnership between WISE Senior Services and SMC’s Emeritus College to provide support services to the caregivers involved in the long-term care of older adults. SMC will provide educational programs for caregivers designed to provide them with mental and physical respite from their responsibilities.

During the initial pilot phase of the program, Santa Monica College will
- Develop a pilot educational module to be presented to two classes;
- Develop and present an online module for caregivers who desire to access training via the Internet; and
- Participate fully in all aspects of the project evaluation.

RECOMMENDATION NO. 3 CONTRACTS AND CONSULTANTS

3-A CONTRACTS WITH CENTER FOR EDUCATIONAL ACHIEVEMENT – WEEKEND SCIENCE PROGRAM

(1) Amendment of the contract with the Center for Educational Achievement (CEA) for an additional $20,000 due to the expansion of the Program in 2001-2002 academic year. The period of the contract began in July 2001 and ends in June 30, 2002.

Funding Source: 2001-2002 Budget/Office of Planning and Development

Comment: The Weekend Science Program has been dramatically expanded in the 2001-2002 academic year by a total of 67 students and 55 parents, compared to 23 students and 11 parents in the 2001-02 year, and opened to students and parents in the greater Westside area as well as South Central Los Angeles. The additional services and expenses incurred have required that the contract be augmented to reflect the increase in student and parent enrollments.

(2) New contract with the Center for Educational Achievement (CEA) to develop the Parent Education Academy offered in the Weekend Science Program as a noncredit adult education program to be offered in the Fall 2002 semester, for an amount of $10,000.

Funding Source: 2001-2002 Budget/Office of Planning and Development

Comment: The Weekend Science Program was expanded from an enrollment of 11 parents in Fall Semester 2000 to over 50 parents in the Fall Semester 2001. A noncredit program in Parent Education will be developed to institutionalize this component of the program and allow parents to receive various student services available to all students in our noncredit program.
