RECOMMENDATION NO. 12

AMENDED GANN LIMIT, 2002-2003

Adopt the amended 2002 - 2003 Gann Limit for the Santa Monica Community College District as $99,533,495 and the 2002 - 2003 Appropriation Subject to Limitation as $77,257,872.

Comment: The Gann Limit figures are based on the prior year limit amended by a State formula. The Board previously approved the Gann Limit at their June 2002 meeting. However, the formula provided by the State contained an error. This amended Gann Limit is based on the corrected formula. The Appropriation Subject to Limitation is based on estimates presented in the Tentative budget for 2002 - 2003.

The Gann Limit is the maximum amount of tax driven revenues that may be budgeted by law. The Appropriation Subject to Limitation is the amount of tax driven revenues that are expected to be available for budget purposes. These tax revenues include state and local levied taxes. Because Santa Monica College has historically been a low revenue district, and because community colleges have not been funded at a rate which would keep pace with the growth and price inflator factors found in the Gann Limit, the appropriation amount is significantly below the Gann Limit.

CONSENT AGENDA: BUSINESS AND ADMINISTRATION

RECOMMENDATION NO. 14 FACILITIES (continued)

#14-E AMENDMENT TO AGREEMENT FOR ARCHITECTURAL SERVICES – REMODEL OF ART COMPLEX NORTH WING

Amend agreement with PUGH + SCARPA for architectural services associated with the Remodel of Art Complex North Wing project for an additional amount not to exceed $32,000 plus reimbursable expenses.

Funding Source: FEMA/District Capital Outlay Fund

Comment: The architect incorrectly included an estimate for a portion of these services in a previous agreement for the Relocation of Art Functions to Airport. This amendment consolidates all services on the Remodel of Art Complex North Wing project.

#14-F AMENDMENT TO AGREEMENT FOR ARCHITECTURAL SERVICES – RENOVATION, MAIN STAGE PROJECT

Amend agreement with LEO A DALEY ARCHITECTS for architectural services associated with the renovation of the Main Stage to accommodate modernization and instructional space upgrades necessary for the Theater Arts instructional program on the main campus. The District shall pay an amended fee not to exceed 10 percent of the estimated renovation cost of $ million, plus reimbursable expenses.

Funding Source: Measure U

Comment: It has been determined that replacement of the Main Stage is not practical given the funding restrictions of Measure U and therefore it is necessary to amend the agreement to limit the scope of the project to renovation.

#14-G AGREEMENT FOR ARCHITECTURAL SERVICES - REMODEL OF BUILDING 5 AT 3171 CENTINELA

Agreement with ARTTECH INTERNATIONAL CONSULTANTS for architectural services associated with planning and programming uses of the BAE site and the Remodel of Building 5 at 3171 Centinela for a fee not to exceed $150,000 plus reimbursable expenses for Phase 1 planning.

Funding Source: Measure U

Comment: The BAE site plan will be coordinated and integrated with the Master Plan. Building 5 is the two-story facility to be planned to accommodate Contract Education Services, Community Services, and Planning and Development offices. The District is exploring using design/build planning for development of this site.
RECOMMENDATION NO. 14  FACILITIES (continued)

#14-H AMENDMENT TO AGREEMENT FOR ARCHITECTURAL SERVICES - EARTHQUAKE REPLACEMENT LIBERAL ARTS BUILDING

Amend agreement with GENSLER for architectural and consultant services associated with the Earthquake Replacement Liberal Arts Building project which will be in two phases. The District shall pay a fee not to exceed 8 percent of the estimated construction cost of $11.2 million, plus reimbursable expenses and plus special consultant fee reimbursements not to exceed $193,290.

Funding Source: FEMA/Measure U/State

Comment: This agreement for the architectural services necessary to construct the two building phases of the project was approved by the Board of Trustees at the May 2002 meeting. The special consultant fee reimbursement was included in reimbursable expenses. This amendment defines it as a separate item not to exceed $193,290.

#14-I AMENDMENT TO LEASE AGREEMENT FOR 2020 SANTA MONICA BLVD.

Amend the payment to KOLL SANTA MONICA ASSOCIATION ONE as landlord for the lease of office space at 2020 Santa Monica Blvd., Suite 500, Santa Monica, California to include the payment of a prorated share of operating expenses such as utilities and air conditioning surcharges, not to exceed 10 percent of the monthly rent.

Funding Source: General Fund Unrestricted/Contract Education Grants

Comment: During the first year of the lease, the sub-lessee absorbed the utilities and operating expenses in the base rent. Subsequently, the sub-lessee filed for bankruptcy and the lease was assumed by Koll Santa Monica Association One. After a review of the lease, Koll has provided a cost estimate for the prorated operating expenses from September, 2001 through May, 2002. This action authorizes the payment of prior operating expenses and adjusts subsequent monthly payments.
