RECOMMENDATION NO. 3 CONTRACTS AND CONSULTANTS

3-A AMENDMENT OF CONTRACT WITH CENTER FOR EDUCATIONAL ADVANCEMENT - WEEKEND SCIENCE PROGRAM

Amendment of the contract with the Center for Educational Achievement (CEA) for an additional $32,958 due to the expansion of the program. The period of the contract began in July, 2001 and ends June 30, 2002.

Funding Source: 2001-2002 Budget/Office of Planning & Development

Comment: The Weekend Science Program was expanded from an enrollment of 23 students and 11 parents in the Fall Semester 2000 to 67 students and 55 parents in the Fall Semester of 2001. The additional services and expenses incurred to a program that has grown by 359% have required that the contract be augmented to reflect the dramatic increase in students and parent enrollments. The program will have similar growth during the spring semester for both student and parent enrollments.

3-B CONSULTANT FOR OFFICE OF WORKFORCE AND ECONOMIC DEVELOPMENT

Consultant contract with Daniel Erhler to provide a variety of services to the Office of Workforce and Economic Development such as outreach to local industry clusters in manufacturing, information technology and health-related industries as well as business referrals, marketing, and resource development in the amount of $5,700 per month plus expenses for the period of January 14, 2002 to July 14, 2002.

Funding Source: 2001-2002 Budget/Office of Planning & Development

Comment: Mr. Daniel Erhler served as the Executive Director of the Santa Monica Chamber of Commerce during the past five years. He brings years of experience in the field of business and industry and contacts/networks needed to establish new collaboratives and partnerships with local and regional industry clusters to support the training needs of the workforce.

Comment: Santa Monica College was awarded the TRDP grant to recruit, promote and support aspiring teachers. ENGL 94 provides SMC students the opportunity to experience a classroom environment and provide tutoring to K-third grade students in local public schools. Both college and local school districts require a live-scan fingerprinting and background check prior to students being assigned at a local school.
