Comment: This project provides for the demolition of Buildings 1 and 3, the 1950’s warehouse and manufacturing buildings adjacent to the 4-story West Building on the Bundy Campus. After careful review by the architects, it was determined that renovating Buildings 1 and 3 was not cost effective due to the high level of asbestos content and other structural issues. This project also includes demolition of interiors of Building 4, the 4-story complex, in preparation of future construction of college classrooms.

The Board previously rejected all bids on this project because the bids exceeded the $500,000 budget for the project by more than 40%. The project was rebid combining two demolition phases to reduce costs.

It is recommended that the Board of Trustees move to hold a public hearing to receive input from the public on the plans for the Renovation of the West Building, Santa Monica College Bundy Campus project and related environmental studies.

Project Description
The proposed project is the renovation of the existing West Building (also know as Building #4) for postsecondary educational use at the Santa Monica College Bundy Campus located at 3171 S. Bundy Drive in the City of Los Angeles. This existing four story, ±64,000 gross square footage building will be remodeled into a community college facility with classrooms, laboratories, offices, and student services functions including admissions, counseling, a bookstore, and food services. Most of the educational functions will be ongoing college programs that will be moved from other College locations in Santa Monica. Some of these programs include Health Sciences (Nursing), Education, Community Services, and general education.

Initial Environmental Study – Mitigated Negative Declaration
Santa Monica Community College District is the Lead Agency for purposes of complying with the California Environmental Quality Act (CEQA) and is the primary public agency responsible for approving this project. Discretional approvals anticipated at this time may include, but are not limited to, certification of the Mitigated Negative Declaration (MND) and final project approval by the Santa Monica College Board of Trustees. The Initial Study was completed in January 2004 and filed with the state clearinghouse and made available for community review. The District held a community meeting with neighbors bordering the project on February 5, 2004. "Negative Declaration: Less Than Significant With Mitigation Incorporated" applies where the incorporation of mitigation measures has reduced an effect from "Potentially Significant Impact" to a "Less Than Significant Impact."

The Bonds shall be dated May 1, 2004 (or such other date as may be designated in the Purchase Contract), to bear or accrete interest at rates not to exceed 8.0% per annum, payable with respect to any Bonds bearing current interest on the dates as may be set forth in the Purchase Contract, and accreting with respect to any Bonds which are issued as capital appreciation bonds, payable upon maturity or conversion, shall mature on May 1 of each of the years as set forth in the Purchase Contract, through a date no later than May 1, 2029, or otherwise upon such other terms and conditions as shall be established for the Bonds by the Purchase Contract. The District has instructed the Underwriter to establish the terms, series, interest structure and redemption provisions for the Bonds in order to take advantage of financial market conditions prevailing at the date of sale of the Bonds under the Purchase Contract. Depending upon market conditions, the District may elect to purchase bond insurance to secure the payment of principal of and interest on or accreted value of the Bonds, or one series thereof, following consultation with the Treasurer and Tax Collector of the County (the “Treasurer”).

SECTION 3. The District Board hereby approves the form of Preliminary Official Statement relating to the Bonds on file with the Secretary of the District Board, to be used and distributed, together with an Official Statement in connection with the sale of the Bonds, in each case with such changes as are approved by the Authorized Officer, and the Authorized Officer, and such other officers of the District as may be authorized by the District Board are, and each of them acting alone hereby is, authorized to deliver copies of the Preliminary Official Statement and the Official Statement with such changes therein as such officer shall approve, in his or her discretion, as being in the best interests of the District. Upon approval of such changes by such officer, the Preliminary Official Statement shall be “deemed final” as of its date except for the omission of certain information as provided in and pursuant to Rule 15c2-12 promulgated under the Securities Exchange Act of 1934 (the “Rule”). An Authorized Officer is hereby authorized and directed to execute such Official Statement with such changes therein, deletions therefrom and modifications thereto as such Authorized Officer may approve, such approval to be conclusively evidenced by the execution and delivery thereof.

SECTION 4. The Bonds shall be issued in book-entry only form, to be lodged with The Depository Trust Company (“DTC”) in New York, New York, which shall be the registered owner of the Bonds issued at the closing in the form of a single certificated Bond for each maturity within a series of the Bonds described in the Purchase Contract. The Underwriter is directed to assist the District and the County in qualifying the Bonds for deposit with DTC.

SECTION 5. Unless the Treasurer shall appoint a commercial bank as paying agent in connection with the closing of the Bonds, the Treasurer shall serve as Paying Agent for the Bonds, the first annual fees for which shall be paid from proceeds of the Bonds; subsequent annual fees shall be paid from the general fund of the District. The District Board hereby authorizes the Authorized Officer to execute a paying agent agreement, if required, for and on behalf of the District.
SECTION 6. The District hereby covenants that it shall not, directly or indirectly, use or permit the use of any proceeds of any of the Bonds, or of any of the property financed or refinanced with the proceeds of the Bonds, or other funds of the District, or take or omit to take any action that would cause the Bonds to be deemed “arbitrage bonds” within the meaning of SECTION 148 of the Internal Revenue Code of 1986, as amended (the “Code”). To that end, the District shall comply with all requirements of SECTION 148 of the Code and all regulations of the United States Department of the Treasury promulgated thereunder to the extent that such requirements are in effect and applicable to the Bonds.

SECTION 7. SECTION 8. The District Board determines that all acts and conditions necessary to be performed by the District Board or to have been met precedent to and in the issuing and sale of the Bonds in order to make them the legal, valid and binding general obligations of the District have been performed and have been met, or will at the time of delivery of the Bonds have been performed and met, in regular and due form as required by law; that the full faith, credit and revenues of the District are hereby pledged for the timely payment of the principal of and interest on the Bonds; and that no statutory or Constitutional limitation of indebtedness or taxation will have been exceeded in the issuance of the Bonds.

SECTION 9. The form of Continuing Disclosure Undertaking on file with the District Board prepared in connection with the Bonds and to be dated the date of sale of the Bonds, for the benefit of the registered owners from time to time of the Bonds (the “Owners”) is hereby approved and the District Board hereby authorizes the Authorized Officer to execute such Continuing Disclosure Undertaking with such changes therein as may be approved by the Authorized Officer. The District hereby covenants and agrees that it will comply with and carry out all of the provisions of such Continuing Disclosure Undertaking in order to assist the Underwriter to comply with the requirements of the Rule. Any registered owner of Bonds may take such actions as may be necessary and appropriate, including seeking mandamus or specific performance by court order, to cause the District to comply with its obligations under this SECTION; however, noncompliance with this SECTION shall not constitute a default under or cause the acceleration of the Bonds.

SECTION 10. Should the Authorized Officer, upon consultation with and advice of the Underwriter, determine it is in the best interests of the District to obtain credit enhancement for the Bonds, including municipal bond insurance, to improve their marketability, the Authorized Officer is hereby authorized and directed to sign documents to secure such credit enhancement on such terms and subject to such conditions as may be established by the Authorized Officer, in agreements relating to such credit enhancement.

SECTION 11. The County Board is hereby requested to assist the District in the issuance and sale of the Bonds; in order to meet the requirements of law and the procedures of the County with respect to such a request, the Clerk of the District Board is hereby directed to lodge a certified copy of this Resolution with the Clerk of the County Board and with the Superintendent of Schools of the County promptly following adoption hereof, and the District represents and warrants to the County that the District shall reimburse the County’s costs and expenses incurred in connection with the issuance and sale of the Bonds. The Bonds will be the general obligations of the District and will not constitute an obligation of the County except as set forth in the resolution to be adopted by the County Board authorizing the issuance of the Bonds.
SECTION 12. Officers of the District Board and District officials and staff are hereby authorized and directed, jointly and severally, to do any and all things and to execute and deliver any and all documents which they may deem necessary or advisable in order to proceed with the issuance of the Bonds and otherwise carry out, give effect to and comply with the terms and intent of this Resolution. Such actions as may have heretofore been taken by such officers, officials and staff are hereby ratified, confirmed and approved.

SECTION 13. This resolution shall take effect immediately upon its adoption.
