PERSONNEL COMMISSION PROPOSED  
2001-2002 BUDGET

Following is the 2000-2001 proposed budget for the Santa Monica Community College District Personnel Commission for submittal to the County for approval. The Personnel Commission Budget will be discussed as part of the District’s regular budget process.

Comment: Each year by May 30th, the Personnel Commission must adopt its budget for the new fiscal year and forward the budget for approval by the Los Angeles County Superintendent of Schools. The following budget was presented at the public hearing for action at the special Personnel Commission meeting held on April 27, 2001.

The proposed budget for 2001-2002 contains funding for the current nine authorized positions on the Personnel Commission staff:

Director of Classified Personnel - vacant  Personnel Technician
Personnel Manager  Personnel Specialist I
Personnel Analyst II  Personnel Specialist - vacant
Personnel Analyst II  Department Secretary II-vacant
Personnel Analyst II – vacant

The increases for classified salaries and benefits include the abolishment of the Personnel Specialist vacancy and the establishment of a Personnel Analyst II position and the addition of a Personnel Analyst II position to provide testing and classification & reclassification expertise. An addition of $5,000 has been made to Clerical - Other line item to provide for student help. All contract salary increases and step moves are included in proposed Budget.

There is a $50,000 per year for three years set aside for a pending district wide reclassification study to be developed with the District through collective bargaining, and to be reimbursed by state mandated cost. There is an increase of $10,000 in advertising to allow for advertising and recruitment activities in a variety of additional specialized publications and on-line, and there is a $1,000 increase for interview rater expenses.

Capital budget is unchanged, thus continuing the technological transition in an orderly manner.

RECOMMENDATION NO. 26 SUPPORT OF EXPOSITION LIGHT RAIL

It is recommended that the Board of Trustees endorse the Exposition Light Rail, a high capacity light rail transit line from downtown Los Angeles to Santa Monica that the MTA is now considering.

Comment: The Exposition Light Rail Line will serve the many jobs; recreational, educational, and cultural opportunities; and the 837,000 people who live in this dense corridor. It will also link to L.A.’s growing rail network—the Long Beach Blue Line (busiest in the U.S.), Red Line subway, Pasadena Blue Line (opening in 2003), and planned Eastside line. Not to mention that light rail is popular and proven in nearly every major western U.S. city, from Portland to San Diego to Dallas.

The MTA Board will be voting on the Exposition Light Rail in June, 2001 and the Board of Trustees has been asked to express its support.
