RECOMMENDATION NO. 14 CONTRACTS AND CONSULTANTS

14-A AMENDMENT TO FOOD SERVICE AGREEMENT

Amendment to the combined lease agreement with EM GROUP for the operation of the Coffee Spot, TCBY and a coffee/snack cart service. The lease agreement shall be extended for a five year period commencing with the completion of the new Coffee Spot site with a two-year renewal option. EM GROUP agrees to hold the District harmless for any and all losses during the reconstruction and relocation of the Coffee Spot. Monthly payments from EM GROUP to the District on the combined lease will be $3,551.25 until the completion of the new Coffee Spot site. Thereafter, EM GROUP will pay the District $4,201.25 per month for the first full year of the extended agreement. Beginning the second full year of the extended agreement it will increase every year by the Orange County, Riverside, Los Angeles CPI rate.

Comment: The addition to Parking Structure C required the relocation of the Coffee Spot. The District has agreed to amend the dates of the agreement with EM GROUP due to the delay in the start of the parking structure construction and the time required to obtain DSA approval for the new Coffee Spot. The amended agreement also includes the operation of a coffee/snack cart service which currently serves the north side of campus.

21-B DESIGNATION OF SOLE SOURCE FOR SECURITY AND FIRE ALARM SYSTEMS

The Board of Trustees makes a finding and adopts the position that the District would recognize no benefit nor realize any profit through bidding for security and fire alarm systems.

Therefore, SIEMENS BUILDING TECHNOLOGIES is designated as “sole source” for security and fire alarm systems.

Comment: The Siemens systems communicate both data and video over the existing campus data network without modifications using standard data transmissions rather than a proprietary communications link, offering greater security of our data. The Siemens systems interface with equipment already installed in the Library and the Administration complex at 2714 Pico.

This is in compliance with the case of Graydon vs. Pasadena Redevelopment Agency (1980) 104 Cal. App. 3d 631 which substantiates this action: “Therefore, it has been held that where competitive proposals work an incongruity and are unavailing as affecting the final result, or where it is practically impossible to obtain what is required to observe for such, competitive bidding is not applicable.”

Funding Source: 2001-2002 Budget, Telecommunications & Partnership for Excellence

Comment: The purchase orders have been written for separate buildings to identify the cost for the funding grants. Siemens is a sole source for the proprietary software and parts for the alarm systems. The negotiated cost is within the planned budget allowing the District to replace alarm systems that were not part of an integrated system with components that can now be linked together and monitored by College Police.
RECOMMENDATION NO. 22  MEMORANDUM OF UNDERSTANDING – MILITARY LEAVE

It is recommended that the Board of Trustees approve a Memorandum of Understanding with the SMC Faculty Association and Classified School Employees Association Chapter 36 that would extend full District pay and paid benefits for a period of at least seven months for any employee ordered into military service.

Comment: The California Military and Veterans Code provides many rights for employees called into active military service such as absolute right of an employee to return to their same classification. However, the statute only provides employees ordered into military service with 30 days of paid leave. After 30 days, the employee is only entitled to an unpaid leave. Under normal circumstances, the employee would also lose their paid health benefits and in order to maintain their health benefits, they would have to pay the premium.

In anticipation that some classified and academic employees would be called into active military duty, the District initiated discussions with the Faculty Association and CSEA which resulted in a Memorandum of Understanding concerning a continuation of pay for all employees ordered into military service.
