RECOMMENDATION NO. 1 APPROVAL OF MINUTES

It is recommended that the minutes from the following meetings of the Santa Monica Community College District Board of Trustees be approved:

September 7, 2005 (Regular Meeting)
MOTION MADE BY: Herbert Roney
SECONDED BY: Rob Rader
STUDENT ADVISORY: Aye
AYES: 7
NOES: 0
IV. SUPERINTENDENT’S REPORT

• Management Association Update/Classified Staff Recognition Award: Waleed Nasr, multimedia specialist who has worked at SMC for six years, was presented the Classified Staff Recognition Award for October by SMC Management Association President Katharine Muller.

• Bundy Campus Update: Provost Marvin Martinez reported that the unduplicated headcount this semester is at 1,335, with 61 percent of the students enrolled in more than one course, which is “good news” because the college wants the facility to be self-contained. Math classes had the highest enrollment, followed by nursing, education and English. Sixty percent of the students live within a five-mile radius of the campus, with the largest numbers coming from West Los Angeles, Mar Vista and Palms. The college hopes to start offering Emeritus College courses in the spring and is in the process of developing a proposal for an aviation program at the site. In terms of parking, the college has been given notice by the City of Santa Monica to vacate the Airport shuttle lot – currently used by Bundy students during the day and all SMC students at night – by November 4. City officials have told college officials they will help look for an alternative site for student parking, but have made no promises of finding suitable property. Contingency plans are being developed.

V. PRESENTATIONS AND BOARD DISCUSSION
• Dr. Margaret Quiñones reported on the Board of Governors meeting held on September.
• Dr. Dorothy Ehrhart-Morrison reported on the ACCT Annual Leadership Conference in Seattle

Title of Grants: Community Service Grant and National Program Production and Acquisition Grant
Granting Agency: Corporation for Public Broadcasting (CPB)
Amount of Award: Community Service Grant: $908,879
National Program Production and Acquisition Grant: $344,921
Matching Funds: Not applicable
Summary
Deferred revenue of $111,556 has been approved by CPB to be used in the 2005-06 fiscal year. As of September 23, 2005, CPB also increased funding in the amount of $19,613 for program production and acquisition in 2005-06. The sum of the deferred revenue and the increased funding result in a budget augmentation of $131,169. The remainder of the award totals were included in the 2005-06 Adopted Budget.

RECOMMENDATION NO. 3 CONTRACTS AND CONSULTANTS
Action: Approval/Ratification

3-A CONSULTANTS FOR JOB DEVELOPMENT INCENTIVE FUND GRANT
(1) Provider: California Certification of Chemical Dependency Counselors (CCBCDC)
Amount of Contract: $35,000
Duration of Contract: October 1, 2005 – June 30, 2006
Funding Source: Job Development Incentive Fund
Comment: The contractors will provide job placement assistance services to participants trained through the Alcohol and Other Drug (AOD) counseling category under SMC’s Job Development Incentive Fund Grant. This agency is recognized by the State of California’s Alcohol and Drug Program Administration as one of the leading certifying bodies for the substance abuse counseling field. Their capacity to provide certification and placement support is well documented. Other responsibilities under this contract will include the provision of reports to the SMC Workforce Development Department detailing the outcomes of all workshops and job-related placements including any wage upgrades for the low-wage/working poor target population.

Activities and performance outcomes will be in accordance with California regulation(s) and SMC Workforce Development Department guidelines to ensure full compliance with contractual agreements with the California Chancellor’s Office.

(2) Provider: Jim Symington
Amount of Contract: $22,000
Duration of Contract: October 1, 2005 – June 30, 2006
Funding Source: Job Development Incentive Fund
Comment: The consultant will provide educational services in the second year of Santa Monica College’s Job Development Incentive Funds (JDIF) program. Mr. Symington has successfully provided similar services in the first year of the JDIF program. He successfully trained students resulting in attainment of state-recognized AOD certification.

The JDIF program focuses its services towards the allied health care field. According to SMC’s contract with the state Chancellor’s Office, a training workshop should result in state-recognized certifications. The educational service provided under this consulting contract will cover field-related topics that will prepare individuals to take the state certification exam towards the Alcohol and Other Drug counseling field. This certification is required by the California...
Alcohol and Drug Program Administration. As proctor for the educational services, Mr. Symington will oversee and coordinate the recruitment and training of participants.

16-B DECLARATION AND DISPOSAL OF SURPLUS COPIER EQUIPMENT

Declare as surplus the following non-operating and/or obsolete copier equipment and authorize the District to dispose of the equipment in a manner consistent with Board Policy 6531.

District owned copiers: 14 Canon, 2 Ricoh, 3 Xerox
Associated Student owned copiers: 2 OCE, 1 Xerox

Comment: The copier equipment is non-operating and/or obsolete. In some cases parts are no longer available or it is not cost-effective to continue to maintain service agreements for those units. The District will attempt to salvage and recycle as much material as possible.

Declare as surplus the following computer equipment and authorize the District to donate the equipment to the Santa Monica/Malibu Education Foundation.

8 Macintosh CPUs

Comment: In August, 2004 the Board of Trustees authorized the donation of 24 Macintosh computers, monitors, keyboards and mice to the Santa Monica/Malibu Education Foundation. The SMMEF has not been able to pick up the donation and the District now has additional surplus CPUs. The SMMEF is a non-profit foundation created in 1982 to improve the quality of education in public school in Santa Monica and Malibu. The Foundation will facilitate the refurbishing of the computer equipment to be given to financially disadvantaged students.

RECOMMENDATION NO. 18 ADOPTION OF HAZARD MITIGATION PLAN

It is recommended that the Board of Trustees adopt the Hazard Mitigation Plan, which was completed as a multi-jurisdictional packet with the Santa Monica-Malibu Unified School District.

Comment: The Santa Monica Community College District is mandated by Federal Law to complete its Hazard Vulnerability Analysis and Program Plan under the Disaster Mitigation Act of 2000 (Robert T. Stafford Disaster Relief and Emergency Assistance Act, PL 93-288 and PL 100-707).

Official acceptance by the Board of Trustees is required prior to submission to State and Federal agencies. District staff, with the assistance of the Hazard Mitigation Task Force and expert consultant Dimensions Unlimited, Inc., has reviewed the Plan and finds it to be thorough and complete, and it will satisfy all requirements of the subject law.

This will also acknowledge the work of the multi-jurisdictional (SMC and SMMUSD) Committees' work in accomplishing this very important task.

A copy of the Plan on diskette has been forwarded to members of the Board of Trustees and is available on the SMC website at: www.smc.edu/risk_management/. Due to the volume of material, the Plan was not able to be included in the agenda.

Disaster Mitigation Act of 2000

All-Hazard Mitigation Plan
Executive Summary
To summarize, this document contains:

- The Santa Monica-Malibu USD and Santa Monica College Hazard Vulnerability Analysis;
- Prioritization of Santa Monica-Malibu USD and Santa Monica College Hazards for mitigation activities;
- Hazard Mitigation Strategy Goals and Objectives;
- District-wide Hazard Mitigation efforts and plan input;
- Coordination with local interest groups and citizens;
- Proposed strategies and actions to reduce short and long term vulnerability to the identified hazards; as recommended by the Santa Monica-Malibu USD and Santa Monica College All-Hazard Mitigation Planning Committee, its sub-committees and the general public;
- Methods of implementing, monitoring, evaluating, and updating this DMA 2000 Hazard Mitigation Plan;
- Constraints to implementing Hazard Mitigation strategies and recommendations;
- The establishment of the Santa Monica-Malibu USD and Santa Monica College Multi-Hazard Mitigation Planning Committee to assist in the further development, prioritization and implementation of the recommended Hazard Mitigation strategies.

This document also provides a framework for the identification and coordination of Hazard Mitigation strategies developed in the Santa Monica-Malibu USD and Santa Monica College with other plans; especially those developed by District departments, agencies and organizations as well as those plans developed in order to file for Federal disaster assistance, as required by P.L. 106-390 (as amended) of the Disaster Mitigation Act of 2000.

Definition of Hazard Mitigation
Hazard Mitigation is any sustained action taken to eliminate or reduce long-term risk to human life, property and the environment posed by a hazard.

Hazard Mitigation Planning is the process of developing a sustained course of action taken to reduce or eliminate long-term risk to people and property from both natural and technological hazards and their effects. The planning process includes establishing goals and recommendations for mitigation strategies.

Hazard Mitigation may occur during any phase of a threat, emergency, or disaster. Mitigation can and may take place during the preparedness (before), response (during), and recovery (after) phases.

The process of hazard mitigation involves evaluating, identifying, and implementing actions to minimize or eliminate the hazard’s impact.

Purpose of the Plan
The purpose of this plan is to integrate Hazard Mitigation strategies into the day-to-day activities and programs of the Santa Monica-Malibu USD and Santa Monica College.

This plan identifies and evaluates specific strategies to be considered by the Santa Monica-Malibu USD and Santa Monica College and its agencies. It offers a District-wide support document as well as a planning support tool for those strategies developed by the District’s political subdivisions, agencies, departments, special districts and organizations.

The strategies presented are deemed appropriate and effective by recommendation of the Santa Monica-Malibu USD and Santa Monica College All-Hazard Mitigation Planning Committee and the District’s agencies, departments and private groups.

Upon acceptance by the California Governor’s Office of Emergency Services (OES) and the Federal Emergency Management Agency (FEMA), selected strategies will be further developed for funding and implementation by the lead District agencies and departments. This plan describes the potential sources of Hazard Mitigation Strategy funding, and general procedures to obtain that funding.

This plan is based upon the Santa Monica-Malibu USD and Santa Monica College Hazard Vulnerability Analysis (HVA) that considers natural, technological, and human-caused risks to which the District and its political subdivisions are vulnerable. The plan describes strategies that government and private sector organizations may utilize to develop their capabilities to mitigate those hazards.

It is understood that the mitigation strategies adopted in this plan are recommendations only, and they must be approved by the Superintendent of Schools and School Board and funded in order to be implemented as official Hazard Mitigation Strategies.
Santa Monica-Malibu Unified School District

Mission Statement
Extraordinary achievement for ALL students while simultaneously closing the achievement gap.

Vision
As a community of learners the Santa Monica-Malibu USD Unified School District works together in a nurturing environment to help students be visionary, versatile thinkers; resourceful, life-long learners; effective, multilingual communicators and global citizens. We are a rich, culturally diverse community that values the contributions of all its members and strives to promote social justice. We exist to assist all students in their pursuit of academic achievement, strength of character, and personal growth and to support them in their exploration of intellectual, artistic, technological, physical, and social expression.

Beliefs
We believe in equality of opportunity and equitable access to an excellent education for all students.
We believe in the strategic plan created by our community to guide our work.
We believe that students, families, teachers, and support staff share in the responsibility for each child's learning.
We believe that safe, clean, and functional school and district facilities are conducive to learning.
We believe that the district should operate within responsible financial boundaries that include future fiscal planning which reflects instructional priorities and aggressively seeks available funding sources.
We believe high standards and expectations for all our students promote rigorous learning environments.
We believe acceptance, appreciation of and connection with the diversity of students and families in SMMUSD are essential for effective teaching and learning.
We believe intelligence is learned and effort creates ability.
We believe all children are capable of developing intelligence when they are offered proper instruction and the educational support and/or interventions to meet their specific learning needs.
We believe that in partnership with students and families, teachers and district staff:
Are committed to students and their own learning.
Are responsible for managing and monitoring student learning.
Are responsible for developing intelligence in students.
Think systemically about their practice and learn from experience.
Know the subjects they teach and how to teach those subjects to students
We believe that teachers and principals are lead members of our learning community.
We believe two-way accountability between school site credentialed and classified staff and Central Office Committees promotes a culture of shared responsibility for student learning. Central Office Committees must have their goals and accountability system linked to providing support to the work of teachers and site leaders.
We believe resources must be aligned to the goals and strategies for increasing student achievement for all while closing the achievement gap.

We believe all members of the district should strive to eliminate all forms of discrimination, including: that based race, gender, color, religion, national origin, ethnic group, marital or parental status, physical or mental disability, sexual orientation or the perception of one or more of such characteristics
Santa Monica College  
**Vision Statement**  
Changing Lives Through Excellence In Education

**Mission Statement**  
Santa Monica College strives to create a learning environment that both challenges our students and supports them in achieving their educational goals. We prepare our students to contribute to the global community as they develop an understanding of their personal relationship to the world’s social, cultural, political, economic, technological, and natural environments.

To fulfill this mission, the College provides open and affordable access to excellent associate degree and occupational certificate programs. These programs prepare students for successful careers, develop their college-level skills, enable their transfer to universities, and foster their personal commitment to lifelong learning.

Santa Monica College serves, represents, and embraces the community’s racial and cultural diversity. We promote the exchange of ideas in an open, caring community of learners, and recognize the critical importance of each individual to the achievement of our vision.

The SMC Strategic Planning Goals  
In pursuit of the College’s Vision and Mission, the District Board of Trustees adopted six goals:

**GOAL 1 STUDENT SUCCESS:**  
The College’s learning environment will challenge, motivate, and support students. The College will use data on student outcomes to enhance educational programs and services.

**GOAL 2 ACADEMIC EXCELLENCE:**  
The College will uphold its tradition of academic excellence and innovation centered on a strong core of classified staff, faculty, and administrators. All are dedicated to the lifelong development of individual skills and competencies.

**GOAL 3 COMMUNITY OF MUTUAL RESPECT:**  
The College will be exemplary as a diverse community of mutual respect—a community characterized by respect for the individual, free exchange of ideas, broad collaboration, and participation in college governance.

**GOAL 4 EFFECTIVE USE OF TECHNOLOGY:**  
The College will promote access to technology to achieve its goals.

**GOAL 5 COMMUNITY PARTNERSHIP:**  
The College will develop public/private partnerships to meet the educational needs of our community, ensure financial viability, and promote employment of our students and alumni.
The College will acquire, plan, develop, and maintain facilities and equipment to provide the best possible educational environment and promote the use of sustainable resources.
Plan Adoption

Process
The DMA 2000 Multi-Jurisdictional Hazard Mitigation Plan Draft will be reviewed and approved by the Santa Monica-Malibu Unified School District & Santa Monica College’s DMA 2000 Hazard Mitigation Planning Committee. SMMUSD’s Board of Education will formally adopted their Plan on July 28, 2005. The adoption resolution will be submitted with the Plan to the State of California Office of Emergency Services and FEMA for consideration and adoption on the District’s behalf.

SMC will forward their Plan to the State of California and FEMA for a courtesy review for potential approval and completeness. After successfully passing, the State of California courtesy review the plan will be forwarded to the Santa Monica College District’s Board of Supervisors for consideration and adoption on behalf of the District.

The adopted Plan will be re-submitted to the State of California for final review, approval, and forwarding to FEMA for review and approval.

Ongoing Maintenance and Procedures
The Santa Monica-Malibu USD and Santa Monica College DMA 2000 Hazard Mitigation Planning Committee shall review and revise the plan every 12 months: That review will:

• Document the process on implementation of hazard mitigation strategies
• Review and update changes as appropriate to the Plan.

The Plan will be re-submitted to the California Office of Emergency Services (COES) and FEMA every 5 years for review and approval.

Legal Authority

Federal Laws
Federal legislation has historically provided funding for disaster relief, recovery, and some hazard mitigation planning. The Disaster Mitigation Act of 2000 (DMA 2000) is the latest legislation to improve this planning process (Public Law 106-390). The new legislation reinforces the importance of mitigation planning and emphasizes planning for disasters before they occur. As such, DMA 2000 establishes a pre-disaster hazard mitigation program and new requirements for the national post-disaster Hazard Mitigation Grant Program (HMGP).

Section 322 of DMA 2000 specifically addresses mitigation planning at the state and local levels. It identifies new requirements that allow HMGP funds to be used for planning activities, and increases the amount of HMGP funds available to states that have developed a comprehensive, enhanced mitigation plan prior to a disaster. States and communities must have an approved mitigation plan in place prior to receiving post-disaster HMGP funds. Local and tribal mitigation plans must demonstrate that their proposed mitigation measures are based on a sound planning process that accounts for the risk to and the capabilities of the individual communities.

FEMA prepared an Interim Final Rule, published in the Federal Register on February 26, 2002 (44 CFR Parts 201 and 206), which establishes planning and funding criteria for states and local communities.
The Plan has been prepared to meet FEMA and COESS requirements thus making the County eligible for funding and technical assistance from state and federal hazard mitigation programs.
State Laws
California has many laws and programs relating to hazard mitigation, the most effective of which include:
- California Earthquake Hazards Reduction Act of 1986
- Caltrans’ Seismic Retrofit Program
- California Fire Alliance
- California Earthquake Authority’s Seismic Retrofit Program
- NFIP, administered by the DWR
- State planning law and OPR’s general plan guidance documents
- CDI Residential Retrofit Program
- California Education Code Katz Act Section 35295-35297
- California Government Code Petris Bill Section 8607
- California Education Code The Huges Bill Sec. 35294.2
- Field Act/Garrison Act/Riley Act – Building Codes

The following are state laws and executive orders related to hazard mitigation:
- Executive Order W-18-19
- Executive Order W-9-91
- Health & Safety Code §19211
- Public Resources Code §2621, et seq. (the Alquist-Priolo Earthquake Fault Zoning Act)

Local Codes & Ordinances
The jurisdictions recognize and adhere to Federal, State, County, and City codes and ordinances for building codes, land use, and development.

Additional Planning Mechanisms
The Planning committee reviewed the City of Santa Monica’s DMA 2000 Plan and the City of Malibu’s Emergency Operations Plan. The information concerning hazards and mitigation strategies were used as a baseline in hazard prioritization whenever feasible.

In addition, the committee reviewed current school law and incorporated the law’s requirements with future mitigation strategy pertaining to keeping schools in safe repair through modernization.

Identified Mitigation Constraints
Santa Monica-Malibu USD schools and facilities are located in the Cities of Santa Monica and Malibu. The Cities and Los Angeles County are responsible for law enforcement and fire protections. Santa Monica College is located in the City of Santa Monica with six off site repeater towers. SMMUSD and SMC are not directly in control of First Responder action or mitigation. Which include:

- Law Enforcement from California Highway Patrol, Los Angeles County Sheriff’s department, Los Angeles County Fire Department, the City of Santa Monica Police Department and Fire Department.

- Transportation Loss greatly impacts both school districts. The ability for students to travel to and from school is important from both an evacuation and economic standpoint. The school districts are dependent on city, county, and state roadways, plus freeways to transport students to and from schools.

- Aviation Disasters is a constant threat to all the facilities for SMMUSD and SMC. The below airports are located and operate near the school grounds. Their flight patterns are over the schools.

  - Los Angeles Airport: LAX
  - Van Nuys Airport
  - Ontario Airport
  - John Wayne Airport
  - Hawthorne Airport
  - Long Beach Airport
  - Santa Monica Airport
