RECOMMENDATION NO. 2  TRUSTEE VACANCY – PROTOCOL FOR CONDUCTING FINAL INTERVIEWS

It is recommended that the Board of Trustees discuss and determine the protocol for conducting the final interviews with finalists to fill the vacancy on the Board of Trustees.

Following is the format for the opening statements by the finalists, interview by the Board of Trustees and closing statements by the finalists.

1. Opening Statements
   Each finalist will be asked to present a brief introduction and include the following:
   a. Name
   b. Occupation
   c. Qualification as to residency in the Santa Monica Community College District
   d. Number of years in the District
   e. Reason for seeking appointment
   f. Public service and community involvement in the District, and current and previous relationship/service to Santa Monica College.

2. Interview by Board of Trustees

3. Candidates closing remarks

The Board of Trustees discussed and determined the following:

- The logistics of interviewing finalists individually.
  Finalists will be asked to wait in an adjacent another room until called for their interview.
- Other issues related to the interview.
  Finalists will be interviewed in person. If a finalist is unable to attend the final interview on November 3rd, he or she may request special accommodations for conducting the interview. It was decided that the special accommodations would provide for the finalist to be videotaped at the SMC Media Center with the Chair or Vice-Chair asking the final interview questions. The videotape would then be played at the meeting during the final interviews in the order for the finalist as determined by the Board.

RECOMMENDATION NO. 3  TRUSTEE VACANCY – FINAL INTERVIEW QUESTIONS

It is recommended that the Board of Trustees discuss, develop and determine the questions for the final interviews to be held at a public meeting of the Board of Trustees on November 3, 2003.

The Board considered the possible interview questions corresponding to the selection criteria and included questions suggested by the Community College League of California (CCLC). Following are the final interview questions:

1. This is a critical time for SMC requiring an exceptional effort by all involved which manifests, for the Board, in additional meetings, study and the stress of difficult decisions. This takes time and energy. How are you prepared to do this and why do you feel you are the right person to take on this challenge?

2. What is your understanding of the primary responsibilities of the Board? What would be your responsibility to the Board as a trustee?

3. As a trustee, whom would you feel you are representing?

4. Please discuss your understanding of the differences between the roles of the Superintendent/President and other administrators and the role of the Board.

5. Please define the constituencies of Santa Monica College, their roles and how they interact.

6. What is your understanding of the mission and purposes of the community colleges in California? What are the mission and purposes of our District?

7. What do you see as the major issues facing Santa Monica College and the community college system?

8. What are some major accomplishments of the District in the past few years?

9. In recent months, the Board has made difficult decisions based upon major funding reductions. What were those reductions and what is your opinion of them?
The Board of Trustees discussed and determined the following:

- Final interviews will take place in a public special meeting of the Board of Trustees on November 3, 2003
- The Chair will ask two questions, the Vice-Chair will ask two questions; and each trustee will ask one question
- The questions will be provided to the candidates prior to the interviews to ensure that all have time to prepare.
- The time limits for candidates will be four minutes for opening statements, three minutes for each interview question and two minutes for closing statements.
- Trustees will vote on each candidate. A majority vote is required to approve an appointment.

The following action was taken to approve the final interview questions; the time provided for the opening statement, interview and closing statement; the method of voting and the number of votes required to approve an appointment.
