Upcoming Construction Projects currently in DSA
- Student Services, bidding process to start November 2012
- Information Technology, bidding process to start December 2012
- East Wing of Performing Arts Center, starts February 2013
- Health, PE, Fitness, Dance, starts June 2013

**Academy of Entertainment and Technology/KCRW Project Delayed**
- This project was planned in phases, however the contract for the first phase of the project (the parking structure) has been terminated. Therefore, the entire project (parking structure, AET remodel and KCRW building) will be bid as one contract which will probably result in a reduction in the total cost of the project. In order to do this, all classes at the AET will be moved to the Bundy/Airport Arts campuses. A summary of the changes to the construction schedule and the costs of the project will be provided at the next meeting.

**Land Swap with City of Santa Monica**
- The College and the City of Santa Monica are negotiating a land swap agreement involving the Olympic Shuttle lot and a three-acre site next to the Bundy campus

**Measure U, S and AA and Bond Sales Expenses Reports (reports included with agenda)**
- *Expenditure Reports:* Most of the expenditures reported for Measure AA are for architectural services because the projects are still in the planning stages.

- The *Bond Sales/Expenses Report* indicates total bond amounts, bond issue dates/amounts, unsold bond amount and total available as of September 30, 2012.

- The *SMC Bond Construction Program Contractor List* as of September 30, 2012 was presented for information. In response to a question raised at the last meeting, it was reported that a conflict of interest would exist if any member of the Citizens’ Bond Oversight or a relative works for any of these contractors.

- Current information on all bond construction projects is available at: http://smcbondprogram.com/
