SMC Bond Construction Projects Update

- The Bundy parking lot should be completed by the end of the summer.
- The Information Technology Relocation project is underway. It is a two-story extension to the Media Center that consolidates all technology functions into one area.
- The relocation of the Academy of Entertainment and Technology campus to the new portable facilities at the Bundy and Airport campuses was completed over spring break. The District has received DSA (Department of State Architect) approval on the AET project, is currently out to bid for construction, and plans for Board approval of a contractor in September. Construction at the AET will start in October 2013 and will take approximately two years.
- Two projects are currently awaiting DSA approval – East Wing at the Performing Arts Center and the Health/PE/Fitness/Dance Center.
- Student Services Building: The District experienced some difficulties on the Student Services Project with the existing design and design team. Therefore, the District is starting over on that project with a new design team and a new architect, Morris Architects. The new schedule will be one year in design, one year in DSA and two years in construction.
- Malibu Campus: The District is working with the County of Los Angeles to resolve some environmental wastewater issues.
- The College is working with the City of Santa Monica on the Early Childhood Development/Childcare project to be located at the Civic Center.

**Shooting Incident**

Committee members asked for a report on the shooting incident of June 7, 2013 and how it would affect the college’s facilities program. Staff reported it that began down the street on Pico Blvd. and ended on the college campus. A college groundkeeper, his daughter and a neighbor of the college were victims of the shooting. Santa Monica Police and SMC police followed the shooter into the college library where they were able to put the incident to a stop. The incident has caused the college to assess and improve its existing communications and security systems, and the District has contracted with several security consultants to assist with the process.

**Financing Reports**

- **Assembly Bill No. 182**: This bill is related to capital appreciation bonds and will be addressed by bond counsel at the next meeting.
- Last month, the District took advantage of lower interest rates to refinance Measures S and U in the amount of $131 million, resulting in a gross savings to the taxpayers of $12.2 million.

**Measure U, S and AA and Bond Sales Expenses Reports (reports included with agenda)**

- Measure U: Total Measure U expenditures last period were $88,101; total remaining funds are $18,161,846;
• Measure S: Total expenditures last period were $188,445; total remaining funds are $70,002,252.

• Measure AA: Total expenditures last period were $3,385,590; total remaining funds are $249,152.800.

• The Bond Sales/Expenses Report indicates total bond amounts, bond issue dates/amounts, unsold bond amount and total available as of June 30, 2013.
