   SMC Bond Construction Projects Update

   Projects in Construction
   - Information Technology Building: The second phase (remodeling of the old media center) south of Library on Pearl Street should be completed in February 2015.
   - Health/P.E./Fitness/Central Plant: This new three-story building will replace the old locker room and should be completed by fall 2016.
   - Academy of Entertainment and Technology: This project includes a new parking structure, and two new buildings – one for KCRW and one for the academic program. Construction will continue through the end of 2015.
• Performing Arts Center East Wing: This a new two-story building east of the Broad Stage and should be completed around the end of 2015.

Projects in Planning

• Student Services Building: The design stage for this project should be completed and sent to the Division of State Architect (DSA) by March 2015. Most likely, the project will be in DSA for one year; construction will take about two years. A presentation planned for the Board of Trustees meeting in February will be made at the next Citizens’ Bond Oversight Committee meeting in April.

• Malibu Center: The District continues to work through the planning and approval process with the City of Malibu and Los Angeles County. The project is now in DSA for review and should be out no later than summer.

• Early Childhood Education Center: This is a laboratory school located on the Civic Center property for SMC students to be operated by a third party for children in the community (enrollment of 106 children). The college is working with the City of Santa Monica on this project and will be going through various stages of approval on the building. A presentation made to the Board of Trustees in December 2014 will be made at the next Citizens’ Bond Oversight Committee in April.
