Transfer/Counseling Center

Counseling Complex

(310) 434-4210

Santa Monica College is a state leader in transferring students to four-year institutions, including all campuses within the UC and CSU systems, independent or private colleges in California, and out-of-state institutions. As a result of our transfer record, many students choose to attend Santa Monica College to complete their first two years of a four-year college plan.

College transfer services seek to make students more aware of their transfer choices and to assist with the transfer process. The Transfer/Counseling Center staff facilitates this process by helping students:

- Understand transfer admission requirements;
- Select courses that will transfer and fulfill graduation requirements;
- Complete the application process for their transfer school(s) of choice;
- File for financial aid; and
- Stay informed on important dates and deadlines.

In addition, the academic counseling staff at SMC facilitates the successful transfer of students to four-year colleges and universities by:

- Providing information and counseling on transferring to colleges and universities;
- Coordinating visits by campus representatives from more than 100 colleges and universities, including regular visits from UCLA, CSUN, USC, LMU, and UC Berkeley;
- Providing workshops each semester on transfer planning, filing a UC/CSU application, and completing the financial aid process;
- Arranging tours of California colleges and universities;
- Resolving transfer admission problems;
- Identifying general education classes needed to transfer; and
- Helping students select classes that meet requirements for a particular major.

The Transfer/Counseling Center also provides counseling services online at www.smc.edu/onlinecounseling for students enrolled in on-campus courses (students enrolled in online courses should consult www.smconline.org for information).

Information about transfer-support services and activities is available in the Transfer/Counseling Center, can be found on the Counseling website, and is routinely published in SMC's student newspaper, The Corsair.
