| Recommendations Based on Overarching Trends | | |
| Outcomes and Assessment | 1. Develop guidelines for defining program-level success metrics, a timetable for instructional programs to implement and assess these standards, and integrate this reporting into the program review process | Institutional Objective #1 Georgia Lorenz |
| Technology | 2. Develop a plan for a more consistent baseline of funding for technology, infrastructure, and the staff needed to maintain and support all areas of the College. 3. Explore means for including Total Cost of Ownership in procurement processes. 4. Ensure job descriptions are updated and staff training is supported where needed. | Institutional Objective #3 Katharine Muller <i>Implement the plan, evaluate its effectiveness</i> |
| Facilities | 5. Identify dedicated or regularly available space for SI sessions to take place. 6. Develop a Facilities Operations and Maintenance budget and staffing plan to support new buildings and projects as they come on line. 7. Develop a baseline maintenance and replacement cycle for buildings and furnishings. 8. Review previous facilities assessments, determine the need for updating, and consider this information in developing future capital outlay plans. | Institutional Objective #5 Georgia Lorenz • <i>Supplemental Instruction – Jeff mentioned that this has been resolved temporarily, so maybe I.O. not needed.</i> • <i>Part-time Faculty Office space – Careful with wording. Look at options for part-time faculty office hour space.</i> #8 Katharine Muller |
| Equity, Student Success and Student Support | 9. Develop a process for determining priorities for maintaining the most successful student support efforts should state funding decrease or end. 10. Ensure results of the equity pilot programs are widely shared to inform program and institutional dialogue around improving success, retention, and outcomes performance of African-American and Hispanic students | Institutional Objective #9 Teresita Rodriguez <i>Re-phrase</i> #10 Georgia Lorenz <i>Re-phrase, outcome based</i> |
