What a way to kick off Women's History Month! With a group of SMC colleagues at the Santa Monica Chamber of Commerce's OWL Women's Day event, and then honoring feminist media critic Anita Sarkeesian as SMC's Distinguished Alum 2016 🐾 #womenshistorymonth

I got a firsthand perspective on #environmentaljustice from #SantaMonica Councilmembers Terry O'Day and Pam O'C and Assemblymember Richard Bloom. All represented Santa Monica at the U.N. Climate Change Conference 2015 in Paris. Privilege have them as part of the Santa Monica Coll Public Policy Institute Symposium last night historic Santa Monica Bay Woman's Club at Santa Monica Bay Woman's Club.

Kicked off my weekend by riding the new Metro Expo Line from Culver City to downtown Santa Monica yesterday, right past our 17th St./SMC station 🚇 Safe travels to all our students and other commuters! 🙌
