PASS/NO PASS INFORMATION

In general, Pass/No Pass was established to allow students to take courses for informational, recreational and personal reasons without having them impact upon their official academic record. However, many students take courses for P/NP only to regret their decision later. The purpose of this waiver is to inform you of the Pass/No Pass process and to prevent you from taking classes P/NP for the "wrong reasons." Your P/NP decision has implications on your official academic record at SMC and at other colleges, universities and professional programs. (Fall of 2009 the term Credit/No Credit was changed to Pass/No Pass).

TRANSFER SCHOOL IMPACT

1. Transfer institutions generally require letter grades (A, B, C, D, F) in **MAJOR** and **PREREQUISITE** courses.
2. Pass/No Pass grades may not be accepted for **GRADUATE PROFESSIONAL PROGRAMS**.
3. No grade is calculated into the GPA; however, a P may be calculated as a "C," and a "NP" may be interpreted as a "Fail" by some transfer or graduate institutions.
4. Many universities prefer that English composition and college level math requirements be taken on graded basis. Students are encouraged to check with their transfer institution.

IMPORTANT!!

Each university/college has its own policy regarding courses taken PASS/NO PASS. Therefore, **each student is responsible for verifying the PASS/NO PASS policy of the transfer institutions.** Information can be obtained through each college's admissions office or catalog.

SANTA MONICA COLLEGE IMPACT

The completion of a Santa Monica College course as a "pass" has these SMC impacts.

1. A SMC "P" grade does not change a student's SMC grade point average, but it does give SMC course credit in satisfaction of AA degree, occupational certificate and course prerequisite requirements.
2. A SMC "NP" grade will impact negatively when computing progress probation status.
3. A P/NP grade will not be rescinded.
