GOT?  

SMC DOES!

GOOGLE MAIL is coming for SMC STUDENTS!

Why this is VERY COOL for students:

- Provides 8GB storage- 800 times more than the current SMC student email system
- Students will have access to Google Docs and Calendar
- Gmail’s interface is HIGH QUALITY and STUDENT FRIENDLY
- Students will have a LIFETIME email address (as long as Google is the service provider)
- Student email and documents will be available EVERYWHERE you go!

Why this is VERY COOL for the College:

- Provides the BEST TECHNOLOGY EXPERIENCE for our students.
- This becomes the College’s OFFICIAL WAY OF COMMUNICATING WITH STUDENTS!
- Happy Students = Productive and Successful Students!

How will students access their new email accounts?

- It’s easy! Through CORSAIR CONNECT (formerly the Student Self-Service System)
- Student’s have SINGLE SIGN-ON Access!

Available to all students in mid-April 2010 -- Stay tuned for further detailed announcement!
