IV. Reports

A. Strategic Planning Task Force: At its last meeting, the Strategic Planning Task Force reviewed the feedback on the strategic initiatives received on Flex Day, March 4th. It was determined that the strategic initiatives need to be refined before they are presented to DPAC. A special meeting of the Task Force has been scheduled for April 4th so the strategic initiatives (not the action plans) can be presented to DPAC at its next meeting.
B. Superintendent/President – Response to DPAC Recommendations: It was reported that the Mission, Vision and Goals statement approved by DPAC at its last meeting was forwarded to Superintendent/President Chui Tsang for his consideration. Dr. Tsang has reviewed the document and is not prepared to make a formal response to DPAC at this time.

C. Planning Subcommittees

2. Facilities Planning: Greg Brown and Lee Peterson, Co-Chairs. The subcommittee unanimously approved the Associated Students Organic Garden Initiative and discussed a solar feasibility study and prioritizing future building projects in preparation for the five-year construction plan to be submitted to the state by July 1, 2008 and a possible bond measure.

3. College Services Planning: Charlie Yen and Connie Lemke, Co-Chairs. It was reported that the process being followed by the College Services Planning Subcommittee to contract with a food service vendor for location A (currently Carl’s Jr.) was discontinued based on a legal opinion. Subsequently, the District agreed to hire an outside consultant to oversee the process for contracting with a food service vendor for this location to be in place by June, 2008. This topic was discussed further under Agenda – A.

4. Human Resources Planning: Pat Brown and Lesley Kawaguchi, Co-Chairs. The subcommittee heard a presentation from the crisis prevention team, and is moving ahead with revisions to AR 3121.

5. Technology Planning: Bob Dammer and Simon Balm, Co-Chairs. The subcommittee discussed the instructional technology budget, inventory in computer labs in terms of accessibility to software and hardware, phase 2 of the SMC website, and a job description for a website coordinator.

D. Academic Senate Joint Committees

1. Curriculum: Mary Colavito, Chair and Georgia Lorenz, Vice-Chair: The Curriculum Committee approved two automotive courses, three logistics courses and certificate, updates to the ET certificates, and discussed the expanded A.A. Global Citizenship requirement.

2. Program Review: Janet Harclerode/Melody Nightingale, Chairs and Katharine Muller, Vice-Chair: No report.

3. Student Affairs: Jose Cue, Chair and Judy Penchansky, Vice-Chair: The Student Affairs Committee is discussing changes to Title 5 and updating administrative regulations regarding grade changes and mandatory assessment.

E. Associated Students: Heidi Hoeck: The Associated Students will be rewriting its constitution to devise a better democratic system, so the A.S. elections have been postponed until May 12th.
IV. Agenda

Public Comments
None

A. Report from College Services Planning Subcommittee: It was reported that the College Services Planning Subcommittee cannot be the body that develops the Request for Proposal (RFP) for the food service vendors. The legal opinion is that the process has to take place outside of the subcommittee structure and not be subject to requirements of the Brown Act. Since the College Services Planning Subcommittee had already spent much time and effort developing the criteria and values included in the RFP, it was agreed that a work group comprising members of the subcommittee should work with the consultant and the Purchasing Department in this process.

Motion was made by Kathy Sucher, seconded by Heidi Hoeck and unanimously approved that DPAC affirm the work of the College Services Planning Subcommittee and endorse the values and criteria identified by the subcommittee and articulated in the Scope of Work in the Request for Proposal.

Motion was made by Bernie Rosenloecher, seconded by Melody Overstreet and approved by consensus that two representatives of each constituency be selected from the College Services Planning Subcommittee to work with the consultant and Purchasing Department to develop the RFP for a food service vendor, as long as there are no conflicts of interest.

It was requested that both recommendations be forwarded to Superintendent Chui Tsang immediately.

B. Organic Garden Initiative: The Associated Students representatives presented its Organic Garden Initiative. The Initiative has received support from the Grounds Manager, the Facilities Planning Subcommittee, the A.S. Environmental Affairs Committee, and the Academic Senate. DPAC unanimously approved the Organic Garden Initiative with the condition that the District meet and confer to resolve the labor issue related to the work cited on page 7.

C. Textbook Rental Program: Heidi Hoeck reported that Superintendent Chui Tsang endorsed a general plan for the textbook rental program. The Associated Students has already approved $250,000 and will be working collaboratively with the District, the Academic Senate and the Bookstore to launch this program.

V. Adjournment: 5:00 p.m.

Meeting schedule through June, 2008 (second and fourth Wednesdays each month at 3 p.m.)

April 23 (April 9th meeting cancelled)
May 14, 28
