The Task Force will be holding its final meeting on Friday, June 27th and will have a recommendation to present to DPAC at the next meeting.

B. Superintendent/President – Response to DPAC Recommendations: None
C. Planning Subcommittees

1. Budget Planning: Mona Martin and Leroy Lauer, Co-Chairs: Mona Martin and Howard Stahl will serve as Co-Chairs for 2008-09. The subcommittee is discussing designated reserves and has presented a recommendation for consideration by DPAC (see Agenda V-A)

3. College Services Planning: Charlie Yen and Connie Lemke, Co-Chairs.

The results of the survey that was conducted on the timing of the Madison shuttle were distributed to DPAC. Most of the comments were positive. An additional survey of the faculty at the Madison site will be conducted to determine if faculty members perceive a problem with students who take the shuttle having to leave class early.

2. Facilities Planning: Greg Brown and Lee Peterson, Co-Chairs. The subcommittee will be meeting during the summer without a quorum and will be discussing the Master Plan update, proposed bond measure under consideration by the Board of Trustees, an anti-littering campaign and smoking areas.

5. Technology Planning: Bob Dammer and Simon Balm, Co-Chairs. The 2007-08 ISC Technology Funding Recommendations were distributed for review. The priorities for funding were software, licensing agreements, and maintaining the Media Center.

V. Agenda

A. Development of College Priorities to be Funded in the 2008-09 Fiscal Year: The following recommendation was presented by the Budget Planning Subcommittee for consideration by DPAC:

The Budget Planning Subcommittee recommends that DPAC identify a list of College budget priorities immediately to be forwarded to Superintendent/President Chui Tsang for consideration of items to be included in the 2008-09 budget.

Comment: The Budget Planning Subcommittee believes that DPAC is the correct committee to develop this list of priorities since all resource people report to DPAC (e.g., Sub-Committee co-chairs, Curriculum Committee, Program Review representatives, etc.). In addition, members of DPAC develop the Master Plan for Education and review the Strategic Planning Initiatives.
DPAC unanimously approved the recommendation from the Budget Planning Subcommittee with the understanding that the Master Plan for Education needs to be completed before the discussion takes place.
B. Determination of Criteria for Enrollment Reports: The enrollment reports previously distributed and discussed indicate that students who enroll late (during the week prior to the beginning of a semester, after the semester begins through “dynamic enrollment,” or after the semester begins via instructor add code) tend to do less well in a class than students who enroll earlier in the enrollment cycle. However, concern had been expressed at a previous meeting that these reports had included all student enrollments, and certain enrollment situations (such as short-term classes beginning later in the semester) needed to be excluded from the data. It was agreed that DPAC needs to determine what is trying to be accomplished with the information derived from the enrollment reports before requesting additional data and that a broader discussion needs to take place. Caroline Sheldon, Dean of Institutional Research, and Jocelyn Chong, Dean of Information Technology, will be invited to a future DPAC meeting to participate in the discussion so they can provide ideas and information on data already being collected.

C. Board of Trustees Goals and Priorities, 2008-09: This Goals and Priorities document adopted by the Board at the June 21st Retreat was shared with DPAC.

D. Master Plan for Education Update: A draft was reviewed and discussed. The document will continue to be reviewed and discussed by DPAC throughout the summer.
