IV. Reports

A. Superintendent/President’s Response to Budget Planning Subcommittee Recommendation, approved by DPAC on October 22, 2008

The Budget Planning Subcommittee unanimously approved the following recommendation at its meeting on October 1, 2008:

It is recommended that the District establish a contracts department for reviewing, monitoring, bidding and performing all the proper steps involved in creating and completing a contract and maintaining a database for all contracts in order to have a standardized and uniform process for all the contracts and to be more efficient.

Note: The Budget Planning Subcommittee had forwarded the same recommendation to DPAC which was unanimously approved on July 11, 2007. It was reported the District is in the process of hiring a Chief Business Officer,
and it is the intent to establish a Contracts Office to provide oversight of all contracts.

The following response was presented on behalf of the Superintendent/President:

Chris Bonvenuto is in the process of collecting information on contracts to start the implementation of the Budget Planning Subcommittee’s recommendation. The Chief Director of Business Services (currently vacant) will be responsible for the overview of all contracts. The District is currently in the process of hiring a Chief Business Officer. Once that person is on board, he or she will be involved in hiring the Chief Director of Business Services.

V. Agenda

Public Comments – None

A. Budget Planning Subcommittee Recommendation

DPAC unanimously approved the following recommendation endorsed by the Budget Planning Subcommittee:

The Budget Planning Subcommittee recommends that there be a Budget Summit held before the end of the semester with leaders across campus to identify the budget challenges lying before us to arrive upon a blueprint for recovery." Campus leaders, as identified by the Budget Subcommittee include Dr. Tsang, the vice presidents, J.C. Keurjian and members of the Budget Planning Subcommittee.

B. Update on Campus Safety/Emergency Operations Plan

Albert Vasquez, Director of Police and Safety Services, presented the Santa Monica College Emergency Operations Plan which has been updated to meet minimum requirements in order for the District to receive funding in the case of an emergency. The plan will be submitted to the Board of Trustees at its meeting on December 15, 2008. He also presented the updated All Hazard Mitigation Plan, which is a joint venture with the SMMUSD, the City of Santa Monica. This will need to be submitted to FEMA by September, 2009. He reported that the college Health and Safety Committee, which had been disbanded, will start meeting next week. This committee will address local SMC issues.

DPAC unanimously acknowledged receipt of the two plans/manuals with no objections.

C. Proposed Revisions to Administrative Regulation 2250, District Planning and Advisory Council, and DPAC Charter

Motion was made by Lantz Simpson and seconded by Lesley Kawaguchi, to approve revisions to Administration Regulations 2250, District Planning and Advisory Council. Unanimous action.
