III. The minutes of the November 12, 2008 of December 2, 2008 DPAC meetings were reviewed and accepted.

IV. Reports

A. Superintendent/President’s Response to the following Budget Planning Subcommittee Recommendation, approved by DPAC on November 12, 2008:
The Budget Planning Subcommittee recommends that there be a Budget Summit held before the end of the semester with leaders across campus to identify the budget challenges lying before us to arrive upon a blueprint for recovery." Campus leaders, as identified by the Budget Subcommittee include Dr. Tsang, the vice presidents, J.C. Keurjian and members of the Budget Planning Subcommittee.

The following response was presented on behalf of the Superintendent/President:

The special DPAC meeting on December 2, 2008 was called as a direct response to this recommendation. The summit concept is supported and DPAC will be the vehicle for conducting meetings to involve the campus community in the budgetary process.

Superintendent/President Tsang requested that DPAC and the Budget Planning Subcommittee proceed with the following: (1) recommend a targeted reduction by the end of the year, and (2) submit recommendations for achieving the reductions by the end of January.

V. Agenda

Public Comments – None

A. Presentation: Facilities Master Plan: Representatives of Gensler provided a brief presentation on the Facilities Master Plan Update. The presentation included the Master Plan Process Overview, Anticipated Projects, Preliminary Project Schedule and Sustainability. A more complete update will be presented to the Board of Trustees at the January meeting.

VI. Reports (continued)

B. Planning Subcommittees

- Budget Planning: Mona Martin and Howard Stahl, Co-Chairs.
  The subcommittee will meet weekly through the month of January to respond to Superintendent/President Tsang’s request that DPAC and the Budget Planning Subcommittee (1) recommend a targeted reduction, and (2) submit recommendations for achieving the reductions. The subcommittee is trying to develop a process that integrates administration, DPAC and the Budget Planning Subcommittee in order to address the budget situation by reducing costs and increasing income. SMC vice-presidents have been invited to the next meeting on December 17th to have a dialog about what is planned for cost reductions in their respective areas.

- College Services Planning: Mike Tuitasi and Liz Mullen, Co-Chairs
  Requests for Proposals (RFP) have been revised for the contracts currently held by Fresh and Natural and the Bread Factory; work continues on developing SLOs in the college services areas; the subcommittee is working with facilities on renovation of the
cafeteria and is working with the “Clean and Green” campaign.

- **Facilities Planning: J.C. Keurjian and Lee Peterson, Co-Chairs.**
  A recommendation for the relocation of a designated smoking area from the northeast corner of the main campus to east of the Art Department was discussed; audits of most campus buildings have been completed and measures will be taken to address deficiencies; vendor contracts are being examined for cost-saving opportunities; three positions are in the process of being filled—Mechanical Systems Supervisor, HVAC technician and plumber; a report on the maintenance needs of college buildings is being prepared by the Facilities Department; and construction of the Student Services Building and the resulting parking situation was discussed. The new Director of Maintenance Jeff Gehring was introduced.

The recommendation from the Subcommittee regarding the relocation of the designated smoking area from the northeast corner of the main campus to east of the Art Department resulted in a request that the topic of the smoke-free campus policy and designated smoking areas be included for discussion on the agenda for the next regular meeting.

- **Human Resources Planning: Pat Brown and Lesley Kawaguchi, Co-Chairs.** No report

- **Technology Planning: Bob Dammer and Simon Balm, Co-Chairs.**
  Discussion of Phase 2 of the website include upgrading to new technology and considering ways to assist departments to migrate to the new website with consistent information prior to the upgrade. There is concern about the website not being compliant with respect to Section 508 accessibility requirements. It was suggested that the subcommittee develop recommendations regarding the website to present to DPAC for consideration, which would include a timeline to achieve a particular goal and steps needed to achieve the goal.

C. Academic Senate Joint Committees

  The Curriculum Committee approved nine new credit courses, three distance education courses, two Global Citizenship AA requirements, and one new non-credit course. A revision of AR 5113 - Program Discontinuance Process was approved and forwarded to the Academic Senate for a first reading.
