III. Review of Minutes: Minutes of September 18, 2009 approved with corrections.

   A. Report Regarding The SMC Performing Arts Center

   B. ARRA Report From Fiscal Services

Chris Bonvenuto and Bob Isomoto shared the most recent information regarding the one-time ARRA (America Recovery and Reinvestment Act) funding of categorical programs. State funding for categorical programs totaled $7.202 Million in 2008-2009.  For the 2009-2010 Adopted Budget, the District assumed state funding for categorical programs would be $5.499 Million.  At that time, the District stated its intention to backfill
50% of the reduction. As a result, categorical programs budgeted expected funding at the level of $6.3 Million for 2009-2010.

With the further reduction in ARRA funding for 2009-2010, state funding for categorical programs will only be $4.576 Million. Lacking one-time ARRA funding in 2010-2011 and with the assumption of no further reductions, state funding for categorical programs will only be $4.238 Million.

The Committee weighed many different scenarios to address this funding challenge, resulting in the following motions.

MOTION: “The Budget Committee recommends to DPAC that the District backfill all categorical programs at the level of the 2009-2010 Adopted Budget from the District Reserves in an amount not to exceed an additional $1,000,000.”
Made: Moassessi  Seconded: Lemke  Vote: 10 For; 1 Against; 1 Abstain
PASSED

MOTION: “In light of the projected State funding levels in the 2010-2011 budget, the Budget Committee recommends to DPAC that each categorical program develop a plan by January 1, 2010 for the upcoming 2010-2011 academic year at a level that assumes unenhanced state funding.”
Made: Oifer  Seconded: Rosenluecher  Vote: 11 For; 0 Against; 1 Abstain
PASSED
