The budget was presented to the Board for adoption on September 17th; however, after hearing comments that there had not been enough discussion about the budget, the Board postponed adoption until after the Budget Planning Subcommittee had more discussion. The Budget Planning Subcommittee held a meeting on September 19th that was open to the college community to receive input on the budget. There were thirteen attendees in addition to the members of the Subcommittee and no public comments were made. The members discussed the designated reserves in the 2007-08 budget and made a recommendation to the Board of Trustees to adopt the budget at its special meeting on
September 24th with the only Hay Study/salary range reallocations, vacant positions, and salary increases as designated reserve items. In addition, the Subcommittee recommended that a line item be placed on the agenda for the next DPAC meeting.

2. College Services Planning Subcommittee: Charlie Yen and Connie Lehme, Co-chairs. The College Services Planning Subcommittee held its first meeting on September 21 and determined work to be done and a schedule of meetings. Student representation is needed on this subcommittee.

3. Facilities Planning Subcommittee: Greg Brown and Lee Peterson, Co-chairs. The Facilities Planning Subcommittee reviewed and discussed the projects currently in planning and construction. Greg Brown responded to Richard Tahvilidaran-Jesswein’s questions regarding the quad project, HSS south building, Student Services Building, Bundy campus (second building) and the project planned for the southwest corner of the campus (Corsair Field, track, health/physical education/fitness building). Construction costs continue to increase which has resulted in fewer projects.

4. Human Resources Planning Subcommittee: Pat Brown and Lesley Kawaguchi, Co-chairs. The Human Resources Planning Subcommittee met on September 11th, did not have a quorum. Members presented planned for topics to be considered in the future. The subcommittee needs two CSEA and two Faculty Association representatives.
