APPROVAL OF ANNUAL REPORT, 2003-04
Since the Annual Report contains a statement of compliance that bond revenues have been expended only for the purposes so described in Measure U, it is necessary to defer approval until the statement from the auditor is received. Therefore, approval of the Annual Report, 2003-04 was deferred until the meeting on January 19, 2005.

APPOINTMENT OF MEMBER REPRESENTING TAXPAYERS’ ORGANIZATION
Clarence Chapman was appointed by the Board of Trustees on November 15, 2004 to serve on the Citizens’ Bond Oversight Committee for a two-year term, 2004-06.

REPORTS and DISCUSSION
Linda Sullivan recognized the retirement of Piedad Robertson. Randy Lawson reported the following “interim” administrative reorganization resulting from Piedad Robertson’s retirement: Tom Donner has been appointed Interim Superintendent/ President; Randy Lawson, Executive Vice-President; Marvin Martinez, Provost Bundy Campus; Dianne Berman, Director Bundy Campus; Robert Sammis, Vice-President, Planning and Development; Jeff Shimizu, Vice-President Academic Affairs.

- Bundy Campus - Update
- Measure S
- Expenditure Report
- Opinion provided by the Office of the Attorney General
  An opinion was provided by the Office of the Attorney General that “a school district may use Proposition 39 school bond proceeds to pay the salaries of district employees to the extent they perform administrative oversight work on construction projects authorized by a voter approved bond measure.” This does not apply to administrative functions to support the committee.

ANNUAL REPORT, 2003-04
The Audit Report and statement from the Auditor addressing the incorrect reporting of an expenditure transferred to Measure U has not yet been received. Both documents will be forwarded to the Committee as soon as received and the issue will be placed again on the agenda for April 20, 2005. Therefore, approval of the Annual Report for 2003-04 was deferred until the April meeting.

**REVIEW OF DISTRICT AUDIT REPORT** (as it pertains to Measure U funds).
The major issue in the Audit Report was how to address a transfer made during the year end closing process which was improperly recorded. Expenditures related to the library addition project were recorded to the Measure U Bond Building Fund rather than to the old Bond Building Fund, in the amount of $1,187,168.05. The auditor and the District staff agreed that the proper adjustment could be made in the subsequent year’s beginning balance adjustments since the County does not have another way to correct errors in closing. In the future, the closings would be earlier so that there is an opportunity to make adjustments. The next audit report will be coming for the next period and will be forwarded to the Committee. There was no effect of this adjustment on interest earned in the account.

**APPROVAL OF ANNUAL REPORT, 2003-04**
The Annual Report for 2003-04 includes a statement that the District is in compliance with the requirements of Article XIIIA, Section 1(b)(3) of the California Constitution and a summary of the Committee’s proceedings and activities for 2003-04.
