

STUDENT LEADERSHIP OPPORTUNITIES

Get Involved in Your Student Government

Associated Students (A.S.) Board of Directors

Serve as a representative of your fellow students by becoming an elected student government officer. Work towards promoting the goals and interests of the student body, including the allocation of funds and overall support for student-initiated activities.

Associated Students Commissioners

Assist the Associated Students Directors in their duties and responsibilities, including planning and implementing programs and activities.

Judicial Board

Participate in the judicial branch of the Associated Students, ensuring that your student leaders are conducting business in accordance with the A.S. Constitution.

Associated Students Committees

Take part in student-initiated committees that address specific student issues. Give your input and ideas to such committees as the Legislative Committee, Election Committee, Publicity Committee and more!

Other Ways to Develop Leadership Skills and Experiences

- Visit the Career Services Center to find out about job and internship opportunities.
- Participate in different special programs on campus, such as PICO Partnership, African-American Collegians Center, Latino Center, EOP&S, and many others.
- Learn more about statewide and regional community college student organizations and become more involved.
- Enroll in Human Development 20 – Student Success Seminar.

AS ACTIVITY HOUR

The A.S. proudly sponsors exciting events and programs during the weekly A.S. Activity Hour. The Activity Hour is held every Tuesday, Thursday & Friday, from 11:15am to 12:35pm. Some of the activities include: Bands, Contests, Guest Speakers, Club Row, Pizza Bash, and many more! If you have an idea for an activity, contact the A.S. Director of Activities to help make it happen!

Inter-Club Council (I.C.C.)

Made up of representatives from all the different clubs, the ICC works together to promote awareness of, and participation in club activities, fostering coordination, communication and cooperation among all clubs.

Clubs

Join or create a club that meets your needs and interests, from social to academic, from pre-professional to cultural, and anything else!

Shared Governance

Provide an essential student perspective by serving as a student representative on campus-wide committees, along with members of the faculty and administration. Committees address areas such as student services, curriculum, and information services.

Leadership Development Workshops

Participate in workshops addressing different topics related to leadership development, including time management, study skills, teambuilding, and leadership theory; also available is an A.S. Class, STUGOV 81- Student Government Leadership Seminar 81.
