

ASSOCIATE DEGREE General Education 2016 - 2017

Graduation from Santa Monica College with an Associate degree is granted upon successful completion of a program of study of a minimum of **60 degree applicable semester units with an overall average grade of C (2.0) or higher**. The requirements for the majors are listed on separate sheets available in the Transfer/Counseling Center as well as online at www.smc.edu/articulation.

All Associate degree coursework (*including appropriate upper division, graduate, and professional work*) that is completed at a regionally accredited college or university is normally allowed provided it meets or exceeds SMC graduation guidelines. If a college is newly regionally accredited, all work completed in that institution in the two years before its regional accreditation will be accepted.

In order for a student to receive an Associate degree, the student must complete with a C grade average or higher at least 60 semester units (unless otherwise noted) to include: Major/area of emphasis and Global Citizenship and either SMC GE, CSU GE, or IGETC.

Each course in the area of emphasis (major) must be completed with a grade of C or higher.

Global Citizenship courses are marked as **bold highlight** text.

NON-REGIONALLY ACCREDITED SCHOOLS

Under specific circumstances students may transfer up to 9 semester units of credit from a non-regionally accredited school to Santa Monica College. Please see Administrative Regulation (AR) 4000 (page 60) http://www.smc.edu/ACG/Documents/Administrative_Regulations/AR_4000_StudentServices.pdf

FOREIGN COURSEWORK

Students who have satisfactorily completed courses from a foreign nation's appropriately accredited university may be able to apply the course credits toward a degree at Santa Monica College. Students should consult a counselor BEFORE requesting to have credits evaluated, because the time it takes to evaluate a large number of units can delay enrollment. Courses must first be evaluated by an approved credential evaluation agency, and then reviewed by the Santa Monica College Admissions Office. Some courses also require approval by the department chair. Once courses are approved, their credit(s) may then be transferred to Santa Monica College.

To have foreign coursework credits evaluated, students should contact one of the approved credential evaluation agencies listed below and request a detailed equivalency report that indicates-for each course, its US semester equivalency, and the grade the student earned:

Students interested in petitioning for Advanced Placement credit should contact the Admissions Office for further information. Students should be aware that AP test credit is evaluated by corresponding it to an equivalent SMC course. **Example:** History 11. A student who receives AP credit and then takes the equivalent SMC course will have the unit credit for such duplication deducted prior to graduation. Credit by Advanced Placement exam is noted and listed first on a student's transcript.

Units and subject credit granted at Santa Monica College do NOT reflect units or subject credit granted by a transfer institution.

Use of AP credit varies at each transfer institution. Please check the transfer institution's catalog for details.

Advanced Placement credit may be applied to the IGETC and CSU GE requirements. The IGETC and CSU GE sheets are available online at www.smc.edu/articulation and in the Transfer/Counseling Center.

Warning: UCLA will not grant credit for Advanced Placement if the AP exam is taken after the student has completed 24 semester units of college coursework.

CLEP Exams: Santa Monica College accepts some CLEP exams. See SMC catalog for details.

Please note: CLEP exams cannot be used to meet the IGETC requirements. UC does not accept CLEP exams. CSU accepts CLEP for CSU GE see CSU GE sheet. Check with prospective transfer institutions regarding acceptance of CLEP scores.
