

Associate Degree General Education Requirements 2017-2018

Graduation from Santa Monica College with an Associate degree is granted upon successful completion of a program of study of a minimum of **60 degree applicable semester units with an overall average grade of C (2.0) or higher**. The requirements for the majors are listed on separate sheets available in the Transfer/Counseling Center as well as online at smc.edu/articulation.

All Associate degree coursework (*including appropriate upper division, graduate, and professional work*) that is completed at a regionally accredited college or university is normally allowed provided it meets or exceeds SMC graduation guidelines. If a college is newly regionally accredited, all work completed in that institution in the two years before its regional accreditation will be accepted.

To earn an Associate degree from Santa Monica College, the student must complete a minimum of 60 semester units with a C grade or higher to include: Major/area of emphasis and Global Citizenship and either SMC GE, CSU GE, or IGETC. Students intending to transfer to a 4-year institution should follow either the IGETC or CSU GE requirements. Consult a counselor for advice.

At least 50% of the units for the area of emphasis (major) must be completed at Santa Monica College.

Each course in the area of emphasis (major) must be completed with a grade of C or higher.

Global Citizenship courses are marked as **bold with ^{GC} text**.

NON-REGIONALLY ACCREDITED SCHOOLS

Under specific circumstances, students may transfer up to 15 semester units of credit from a non-regionally accredited school to Santa Monica College. Please see Administrative Regulation (AR) 4000 (page 75) http://www.smc.edu/ACG/Documents/Administrative_Regulations/AR_4000_StudentServices.pdf

ASSOCIATE DEGREES FOR TRANSFER TO THE CSU (ADT)

The Associate in Arts for Transfer (AA-T) or the Associate in Science for Transfer (AS-T) are designed to facilitate transfer admission to a CSU in a similar major. If you are considering transfer to a UC, private, or out-of-state school, consult a counselor regarding the transfer requirements of that institution.

NOTE: Students pursuing an Associate in Arts for Transfer (AA-T) or Associate in Science for Transfer (AS-T) to the California State University system are exempt from the Global Citizenship requirement and must complete IGETC or CSU GE to fulfill the general education requirements for the ADT.

The following is required for all ADT degrees for transfer to the California State University system:

- completion of at least 60 CSU-transferable semester including:
- completion of the Area of Emphasis with a grade of C or higher in each course or with a P if the course was taken on a Pass/No Pass basis, and the P is equal to a C or higher (Title 5 §55063)
- completion of either CSU GE or IGETC; students transferring to CSU using IGETC must complete Area 1C (see smc.edu/articulation or visit the Transfer/Counseling Center)
- a minimum of 12 degree applicable semester units completed at SMC
- a minimum overall GPA of 2.0 in all CSU-transferable units (**Note: while a minimum GPA of 2.0 is required for admission to a CSU, some majors/campuses may require a higher GPA. Please consult a counselor for details.**)

Students may apply as elective units towards any Certificate or degree up to 6 (six) units of Independent Study credit.

Students may apply as elective units towards any Certificate or degree up to 8 (eight) units of Cooperative Work Experience/Internship credit.

FOREIGN COURSEWORK

Students who have satisfactorily completed courses from a foreign nation's appropriately accredited university may be able to apply the course credits toward a degree at Santa Monica College. Students should consult a counselor BEFORE requesting to have credits evaluated, because the time it takes to evaluate a large number of units can delay enrollment. Courses must first be evaluated by an approved credential evaluation agency, and then reviewed by the Santa Monica College Admissions Office. Some courses also require approval by the department chair. Once courses are approved, their credit(s) may then be transferred to Santa Monica College.

To have foreign coursework credits evaluated, students should contact one of the approved credential evaluation agencies listed below and request a detailed equivalency report that indicates-for each course, its US semester equivalency, and the grade the student earned:

RESIDENCE REQUIREMENT

In addition to other requirements, all students must file transcripts of all transfer work and complete a total of 12 degree applicable units at Santa Monica College for graduation from Santa Monica College.

ACADEMIC REQUIREMENTS

A minimum of a 2.0 (C) grade point average, based on all units attempted, is required. Please see the Academic and Progress Renewal policies and the Course Repetition and Re-Enrollment policies in the Santa Monica College catalog for information on possible improvement of grade point average (GPA).

DEAN'S HONOR LIST

A student's transcript will be annotated with the designation "Dean's Honor List" if the student completes 12 or more graded units in the Fall or Spring semester at Santa Monica College with a 3.0 grade point average or higher.

HONORS AT GRADUATION

Students who have consistently demonstrated outstanding academic excellence while attending Santa Monica College will be recognized at graduation and their transcripts annotated with the appropriate honors recognition, provided the students have met the applicable criteria and are in good academic standing (i.e., not on academic or progress probation) at the time of graduation.

Students who have been suspended from the college are ineligible to receive honors at graduation, regardless of grade point average attained.

A student's cumulative grade point average must match the narrow range specified below for the student to be awarded one of the following honors with the degree:

a. Graduation with Highest Honors

- i. Attainment of a cumulative GPA of 4.0 (*including coursework from other colleges*);
- ii. Completion of a minimum of 12 units of coursework while attending Santa Monica College;

b. Graduation with High Honors

- i. Attainment of a cumulative GPA of 3.70 – 3.99 (*including coursework from other colleges*);
- ii. Completion of a minimum of 12 units of coursework while attending Santa Monica College.

c. Graduation with Honors

- i. Attainment of a cumulative GPA of 3.0 – 3.69 (*including coursework from other colleges*);
- ii. Completion of a minimum of 12 units of coursework while attending Santa Monica College.

PETITION FOR GRADUATION

Students planning to apply for graduation should first make an appointment with a counselor to see if they are ready to petition for graduation. Students must complete major requirements in effect at the time enrollment begins or major requirements in effect at graduation as long as continuous enrollment* is maintained.

*Catalog rights dictate that a student may satisfy the requirements of a degree or certificate by completing the general education and major/area of emphasis requirements in effect at any time of their continuous enrollment. Continuous enrollment is defined as enrollment in consecutive Fall and Spring semesters until completion.

A "Petition for Graduation" must be submitted to the Admissions Office for approval during the semester in which the student expects to complete the requirements for graduation (*see "No. 4" below*).

DEADLINES FOR FILING PETITIONS FOR GRADUATION

For Fall: from the start of Fall semester through **December 1;**

For Spring: from the start of Winter session through **April 15; and**

For Summer: from the start of Summer term through **July 31**

Petitions are available on these dates online at (go to www.smc.edu/apps/pub.asp?Q=7&T=Admissions%20Information&B=1) and in the Admissions Office. Please note that petitions will be processed **ONLY** during the designated periods.

REMINDERS

- Courses that are repeated do not count as part of the minimum 60 semester units **UNLESS** they are specifically designated as courses students are permitted to take more than once. **For example:** Dance 31, Ballet I (1,1)
- Units from unaccredited educational institutions are not generally accepted.
- Units granted at another college must be completed before petitioning for graduation.
- "Course Repetition" and "Academic Renewal" forms must be processed through the Transfer/Counseling Center before applying for graduation.
- Courses taken under the option of Pass/No Pass may not exceed a total of 12 units at SMC.

ADDITIONAL DATES TO REMEMBER

Requests for IGETC and CSU GE certification may be filed in the Admissions Office:

For Spring semester: January 1 - July 31 and

For Fall semester: October 1 - December 1

Credit by Exam: International Baccalaureate (IB) Exams

- A score of 5, 6 or 7 on Higher Level (HL) exams is required to grant credit for IGETC certification.
- An acceptable IB score for IGETC equates to either 3 semester/4 quarter units for certification purposes.
- For transfer purposes, UC will grant 5.3 semester/8 quarter units for each IB exam completed with a score of 5, 6 or 7 on HL exams.
- CSU also grants unit credit for transfer purposes of IB HL exams.
- Students who have earned credit for an IB exam should not take a comparable college course because transfer credit will NOT be granted for both.

Credit by Exam: College Level Examination Program (CLEP)

Students must have the College Board send CLEP exam results to the Admissions Office (hand carried copies will not be accepted) for use on a degree or GE pattern.

CLEP exams CANNOT be used to meet the IGETC requirements. UC does not accept CLEP exams.

CLEP exams may be incorporated into CSU GE requirements by any certifying institution. All CSU campuses will accept the minimum units shown and apply them toward fulfillment of the designated CSU GE area if the examination is included as part of a full or subject-area certification. Please note that individual CSU campuses may choose to grant more units than those specified toward completion of CSU GE requirements.

Students should check with other prospective transfer institutions regarding acceptance of CLEP scores.

English and Mathematics CLEP exams cannot be used for placement or as a waiver for a prerequisite.

CLEP credit granted at SMC may differ from course credit and units granted by a transfer institution.

A student must be actively enrolled at SMC when applying for credit by CLEP exam. CLEP credit may not be used to meet any residency requirement. Official CLEP scores must be sent to the Admissions Office directly from the College Board. Hand-delivered copies will not be accepted.

*Students should be aware that CLEP credit is evaluated by corresponding it to the equivalent SMC course.

Example: Biology 3. A student who receives CLEP credit for “Biology” and then takes the equivalent SMC course will have the unit credit for such duplication deducted prior to being awarded the degree.

Credit by Exam: Advanced Placement (AP) Tests and SMC GE Chart

Students are granted units and subject credit for SMC degrees/certificates for College Entrance Examination Board (CEEB) Advanced Placement Tests with scores of 3, 4, or 5. Students must have the College Board send AP exam results to the SMC Admissions Office (hand carried copies will NOT be accepted).

AP credit can also be used to meet IGETC, CSU GE, and SMC Associate degree (majors and/or GE) requirements.

- AP credit granted at SMC does **NOT** reflect credit granted by a transfer institution.
- AP credit must be used in the IGETC area indicated, regardless of where the certifying institution's discipline is located.
- AP credit may be incorporated into the CSU GE certification by any certifying institution. All CSU campuses will accept the minimum units shown and apply them toward fulfillment of the designated CSU GE area if the examination is included as part of a full or subject-area certification. Please note that individual CSU campuses may choose to grant more units than those specified toward completion of CSU GE requirements.

Students interested in petitioning for AP credit should meet with a counselor. Students should be aware that AP test credit is evaluated by corresponding it to an equivalent SMC course, e.g., History 11. A student who receives AP credit and then takes the equivalent SMC course will have the unit credit for the duplication deducted prior to graduation. Credit by Advanced Placement exam is noted and listed first on a student's transcript, with units assigned and no grade.

Use of AP credit varies at each transfer institution. Please check the transfer institution's catalog for details.

UCLA will not grant AP credit if the exam is taken after the student has completed 24 semester units of college coursework.
