¹These units count toward eligibility of admission. The units may not all apply toward certification for the corresponding CSUGE-Breadth area. See CSU Executive Orders 1033 and 1036 for details.

²Areas of CSUGE Breadth (A 1 through E) are defined in EO 1033. Areas of American Institutions (US-1 through UC-3) are set forth in Sections IA and IB of EO 405, and at www.ASSIST.org.

⁷If a student passes more than one CLEP test in the same language other than English (e.g., two exams in French), then only one examination may be applied to the baccalaureate. For each test in a language other than English, a passing score of 50 is considered "Level I" and earns nine quarter units of baccalaureate credit; the higher score listed for each test is considered "Level II" and earns additional units of credit and placement in Area C2 or GE Breadth, as noted.
